

Adopted **OPERATING BUDGET**

Fiscal Year 2024-2025

*Serving, enhancing,
and transforming our community*

Page left intentionally blank

FROM THE MAYOR

Fellow Residents and Honorable Commissioners:

First, let me thank the City of Miami residents and the best municipal workforce a Mayor could ever hope for. Your hard work and unwavering dedication to our community is what allows us to present this Adopted Operating Budget and Multi-Year Capital Plan for the fiscal year 2024-25.

Our pledge to build a “Miami for Everyone” means that we are constantly improving our government to address residents’ needs more boldly and effectively than ever before. We seek to maintain the City’s strong financial footing while strategically using that growth to reinvest in our residents’ current and future prosperity.

We have stayed true to that vision while also achieving two notable milestones, namely cutting taxes to historic lows, and concluding agreements that protect our deeply valued workforce.

Property taxes are the lowest they have been in 59 years and — just as we vowed to do in my State of the City address — we ratified contracts with all four of our City’s labor unions.

This budget commits to strengthening the ways we regularly serve our residents: maintaining clean and safe communities, including emergency response on land and water; providing financial savings and educational programs for residents to seize opportunities; supporting housing, childcare and quality of life services, both yearlong and seasonal; and continuing subsidies for our youngest, eldest, and most vulnerable residents so that they can live with dignity.

As one of the nation’s fastest growing cities, we recognize that business formation, (re)location, and investment here empowers us to better serve our residents. This budget seeks to realize our promise to modernize our government and to be more responsive to the extensive needs of these essential businesses. We want to preserve Miami’s status as a place that exceeds the expectations of our residents, both new and old, employers, tourists, event sponsors, and economic development stakeholders.

As shown by our track record, we are delivering — and will continue to deliver — on all of our commitments while maintaining strict fiscal restraint, meeting our debt obligations, and preparing for the future. This plan’s intense dedication to delivering the most to our residents while also using those funds as frugally as possible makes it a budget that we can all get behind to build a Miami that is truly For Everyone.

No other major city in the United States can claim the same degree of success our Magic City has enjoyed in these past years. Let us ensure that our gains continue to fuel the success of everyday Miamians, whose hard work and ambitions built our proud city

Sincerely,

Francis X. Suarez
Mayor of Miami

FROM THE CITY MANAGER

Honorable Mayor, Members of the City Commission and Citizens of the City of Miami:

I am pleased to present the Fiscal Year 2024-25 Operating and Capital Budgets for the City of Miami. The adopted budget totals \$3.479 billion, including \$1.793 billion for operating and \$1.686 billion for capital. The General Fund budget totals \$1.167 billion.

This budget will lay the groundwork as we continue to focus on growing and diversifying our economy while creating equitable opportunities for every one of our residents across the City of Miami. We will accomplish that goal by reducing our millage rate to its lowest rate in over 60 years, by continuing to foster a strong economy that will allow our property tax revenues to increase, and by improving our economies of scale. This year alone, our property tax revenues were \$59.57 million higher than FY 2023-24 and our property tax roll grew 11.5 percent, compared to 14.5 percent the prior year, with 2.1 percent generated by new construction.

In continuing our efforts to sustain a strong long-term economic recovery, this budget advances infrastructure investments through funding provided by the Miami Forever Bond. This budget also continues to aid private and government initiatives, such as the popular Anti-Poverty Initiative program, Miami-Dade College Scholarship Program, the Childhood Savings Accounts program, and others, totaling \$3.62 million.

We not only strive to maintain the quality of life of our residents, visitors, and businesses, but also work hard to deliver improved services. In developing this year's budget, we were able to maintain critical services while working to provide greater public safety for all neighborhoods as well as enhance programs and services with a greater focus on resiliency. For example, this budget includes the transfer of \$22.92 million for multiple Capital Improvement Projects, including Citywide Storm Sewer Repairs, Street Milling and Resurfacing, and including the updating of the Enterprise Permitting Solutions for the Building Department.

FROM THE CITY MANAGER

The budget includes step salary increases for all of the collective bargaining agreements and non-bargaining employees who are eligible for a step increase. Additionally, the budget includes the following increases: \$2.65 million in workers' compensation. Furthermore, the annual required contribution to the pension for Police and Fire is increasing by \$6.79 million, and the annual contribution for GESE increased by \$1.52 million.

I would like to close by thanking our Budget Director, Marie Gouin, and her staff for the hard work that they put into balancing a budget that is simultaneously fiscally responsible, deliberate, and transparent while serving all who visit, work, or reside in the City of Miami.

Sincerely,

Art Noriega, V
City Manager

BUDGET OVERVIEW

The City adopts two budgets every year- an Operating Budget and a Capital Budget.

The City's Adopted **Operating** Budget for FY 2024-25: **\$1,793,053,000**

The City's Adopted **Capital** Budget for FY 2024-25: **\$1,685,998,000** with **\$61,827,000** newly appropriated.

FY 2024-25 Adopted Operating Budget

The City's Operating Budget is comprised of four separate fund groups:

- **General Fund** - City's primary operating fund
- **Special Revenue Funds** - accounts for revenues that are restricted to a specific purpose
- **Internal Service Fund** - accounts for internal cost allocation between various City cost centers
- **Debt Service Funds** - accounts for proceeds of City issued debt and repayment of principal and interest

REVENUES AND EXPENDITURES ADOPTED BUDGET

Where the Money Comes From:

General Fund Revenue Sources Total: \$1,166,801,000

- Property Taxes • \$589.3 million • 50.5%
- Franchise Fees and Other Taxes • \$156.3 million • 13.4%
- Charges for Services • \$141.1 million • 12.1%
- Intergovernmental Revenues • \$107.9 million • 9.3%
- Licenses and Permits • \$101.3 million • 8.7%
- Other Revenues (Inflows) • \$38.7 million • 3.3%
- Interest • \$17.4 million • 1.5%
- Transfers-IN • \$7.5 million • 0.6%
- Fines and Forfeitures • \$7.4 million • 0.6%

The **General Fund** includes revenues from a variety of sources, including fees, fines, and state and local taxes. Property tax revenue comprises 50.5% of total General Fund revenues and represents the largest source of funding for general operations.

Where the Money Goes:

Expenditures by Category

- Salaries and Wages • \$557.3 million • 47.8%
- Employee Benefits • \$311.7 million • 26.7%
- Operating Expense • \$200.6 million • 17.2%
- Non-Operating Expense • \$18.6 million • 1.6%
- Capital Outlay • \$1.8 million • 0.2%
- Transfers Out • \$76.8 million • 6.5%
 - Transfer to Capital • \$22.9 million
 - Transfer to Special Revenue • \$11.3 million
 - Transfer to Debt Service • \$40.9 million
 - Transfer to Cost Allocation • \$1.7 million

Personnel costs, including wages and employee benefits, represent the largest **General Fund expenditure** category. These costs account for almost three quarters of the total General Fund expenditure budget.

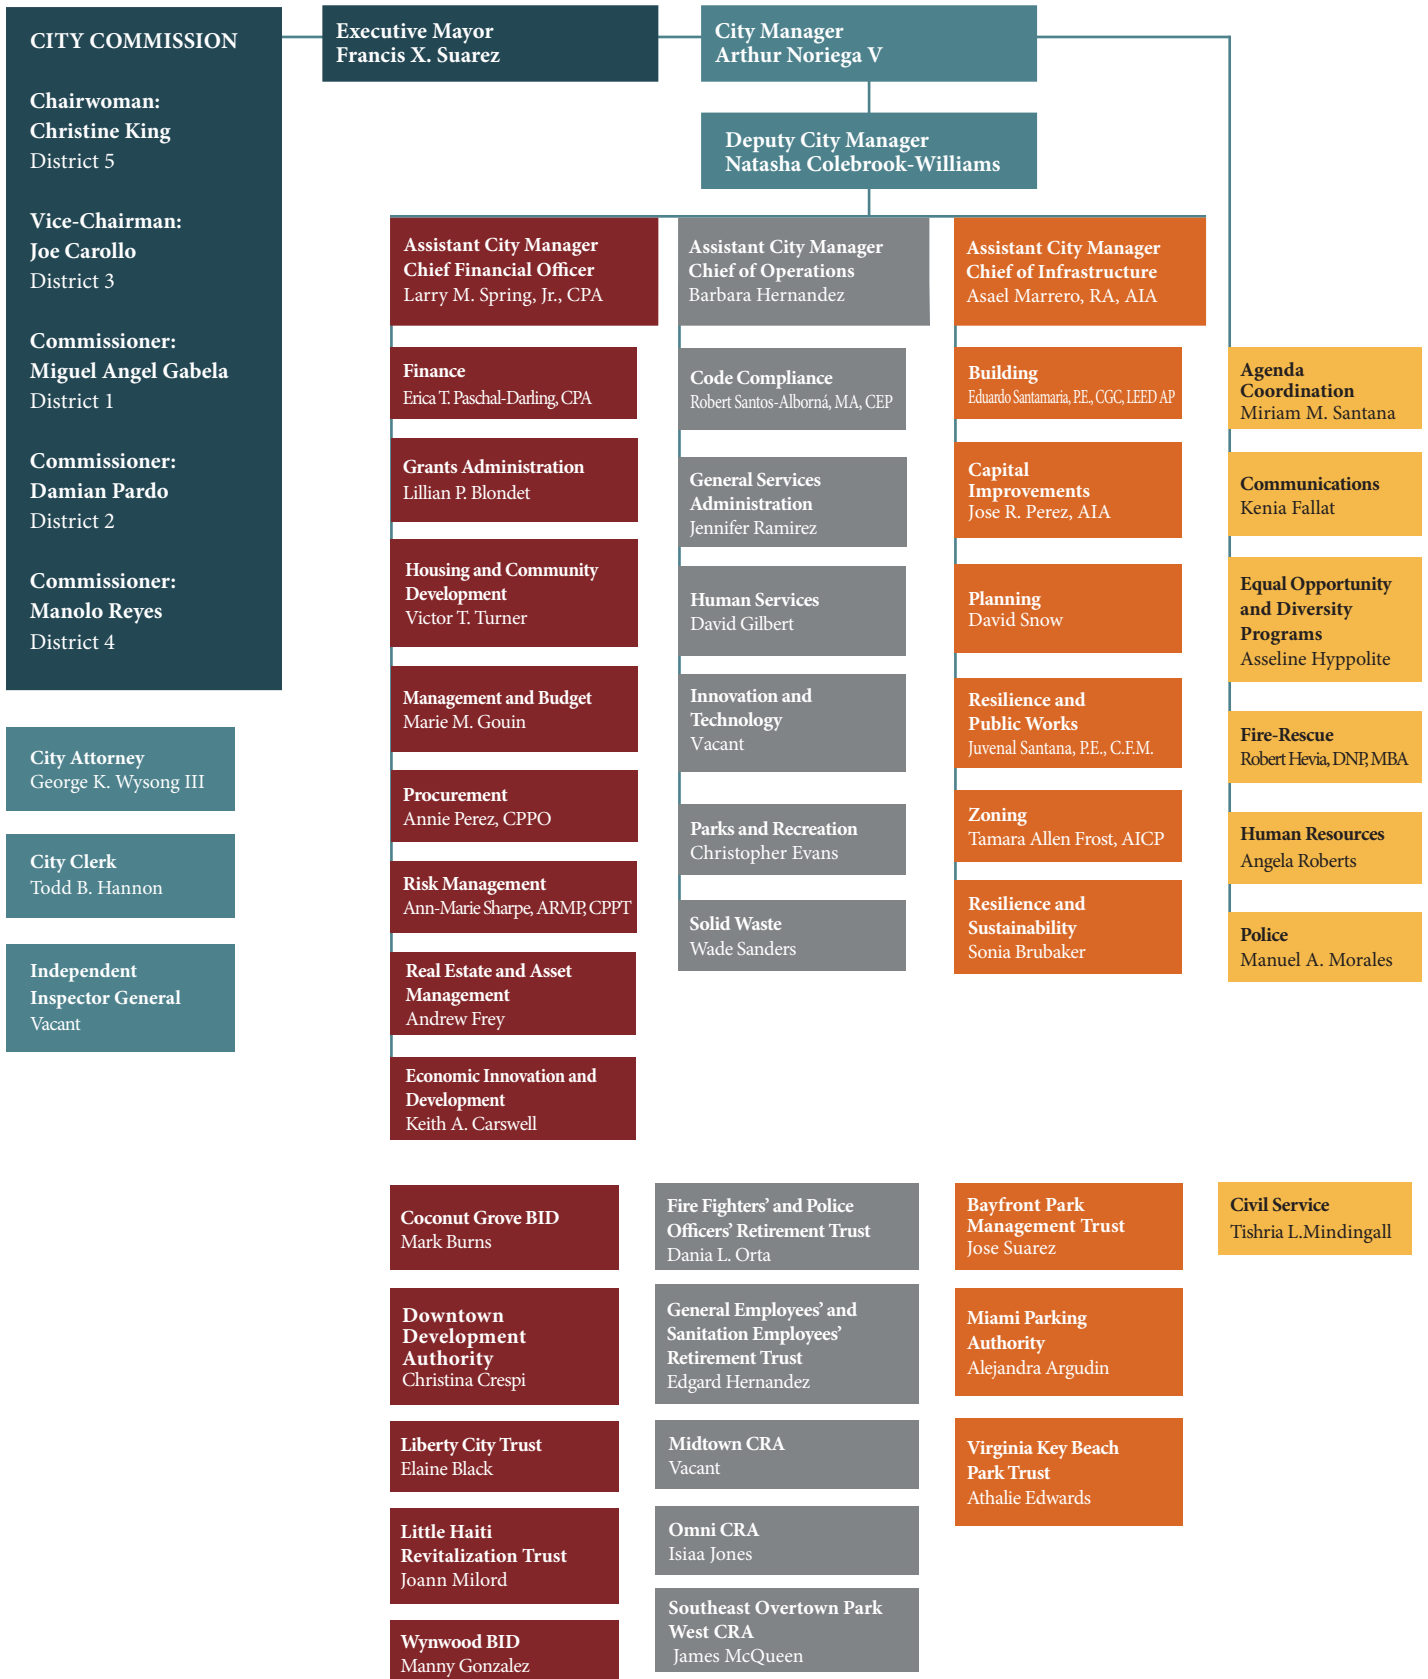

Where the Money Goes:

Expenditures by Function

- Public Safety • \$622.1 million • 53.3%
- Non Departmental Units • \$147.1 million • 12.6%
- Public Works • \$129.4 million • 11.1%
- General Government • \$115.9 million • 9.9%
- Other Departments • \$90.1 million • 7.7%
- Planning and Development • \$58.4 million • 5.0%
- Community & Economic Development • \$3.9 million • 0.3%

More than half of **General Fund spending** is allocated to the provision of public safety services. The Police Department and the Fire-Rescue Department together comprise 53.3% of the General Fund expenditure budget.

Summary by Program Fund

Summary by Funding Source

Summary of Funding Status

HOW TO USE THIS BOOK GENERAL

Introductory Section

This section contains general information about the City of Miami, the budget development process, and its financial structure.

Overview Section

This section contains an overview of the Strategic Plan and information about each of the City's Financial funds: the Governmental Funds, the General Fund, the Special Revenue Funds, the Debt Service Funds, the Internal Service Fund, and the Capital Plan. Also included are overviews of the consolidated budget, personnel, collective bargaining units, resilience, and all funds transfers-out schedule.

Department Budgets

This section provides detailed information about the Operating Budgets of each of the City's departments divided into the following sections: General Government, Planning and Development, Public Works, Public Safety, and Other Departments and Other General Fund Budgets. The department budgets include information on staffing allocations, current year strategies, prior year accomplishments, and historical trends in departmental performance.

Appendices

The appendices include multi-year budget projections for all operating funds, information on the City's cost allocation plan, and non-departmental budget considerations. This section also includes summary schedules and graphs for all operating funds, as well as historical property tax, millage rate, economic, demographic statistics, financial health, and reference information.

HOW TO USE THIS BOOK

DEPARTMENT PAGES

The Department Budget section provides detailed information about each of the City’s departments. Each department’s budget description includes the following information:

Mission Statement

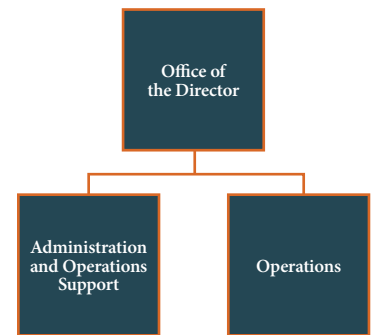

The mission statement defines how the department will work to achieve the vision of the City and addresses why the department is in existence.

Description

Information about the department, its core functions, and its primary customers and stakeholders.

Table of Organization and Staffing Summary

A chart illustrating the organizational structure of the department, and a staffing summary outlining the divisions within the department, the functions each performs, and a comparison of budgeted employees from the prior year to the current year.

Department Expenditure Summary					
	FY 2020-21 Actual	FY 2021-22 Actual	FY 2022-23 Actual	FY 2023-24 Adopted	FY 2024-25 Proposed
Personnel	372,377	374,190	348,479	390,000	471,000
Operating Expense	13,382	15,631	16,009	19,000	21,000
	385,759	389,821	364,487	409,000	492,000

Department Summary

A summary of historical expenditures and current budget allocations by fund and expenditure category.

Strategies, Accomplishments, and Budget Highlights

A list of key department strategies for the current fiscal year, key accomplishments from the prior year, and major changes made to the department’s budget.

Strategic Alignment and Performance Measures

A list of department performance metrics with historical trends and targets.

Measures	FY 2021-22 Actual	FY 2022-23 Actual	FY 2023-24 Projection	FY 2024-25 Target
DEPARTMENT GOAL(S)				
Implementation of Resilience strategies.				
Total actions in-progress/completed for Climate Ready Strategy (number)	37 City-Wide, 11 ORS	56 Citywide, 15 ORS	55 Citywide, 15 ORS	62 Citywide, 16 ORS
Total actions in-progress/completed for Resilient305 Strategy (number)	31 City-wide, 10 ORS	39 Citywide, 13 ORS	37 Citywide, 13 ORS	44 Citywide, 14 ORS
Total actions in-progress/completed for Greenhouse Gas Mitigation Plan (number)	5 City-wide, 1 ORS	28 Citywide, 10 ORS	28 Citywide, 10 ORS	39 Citywide, 14 ORS

Expenditure by Object and Fund

A detailed summary of expenditures by account and by fund comparing the current budget to the prior years’ budget.

BUDGET CALENDAR

January

- Budget process for the upcoming year begins; OMB sends the Budget Instructions to all Departments.
- Departments develop base budget and enter data into Hyperion.
- Departments develop requests for new funding or enhancements and enter data into Hyperion.
- Departments develop plans to reduce the budget through efficiencies or service cuts and enter data into Hyperion.
- Departments prepare and submit capital requests for funding.
- Mayor delivers the “State of the City Address” setting priorities for the budget.

February and March

- OMB staff begin to review and discuss budget submissions with departments.
- Departments meet with their direct report to review their budgets.
- OMB submits Enhancement deliverables to the City Manager for review.

April and May

- OMB submits Budget Deliverables Packet to the City Manager for review.
- Revenue Estimating Conference

June and July

- Begin Meetings with City Administration to discuss budget amounts, unresolved matters, important issues, and capital requests.
- A Community Budget Meeting is held Citywide to explain previous year’s budget and seek public input.
- Operating and capital budget proposals are finalized, production of the Proposed Budget Books are set in motion, and the Proposed Operating and Capital Budgets are released by mid-July.
- The City Commission votes on a proposed millage.

September

- Additional budget discussions occur through September when two public budget hearings are held according to State Law.
- The Final Operating Budget and Capital Plan are adopted in late September.

October

- Line item operating budgets are loaded, capital accounts are updated, and Adopted Budget Books are published.

INTRODUCTORY SECTION

City History

More than a century ago, a city sprung up almost overnight. As a result, one of Miami's many nicknames is the Magic City. Much like her geographical description, Miami's history is colorful, magnetic, and exotic. Ever-evolving, Miami is surging as a major international port and gateway for global industries establishing footholds in the U.S. despite the City's relatively young age.

Early inhabitants depended on the Miami River for food and spoke of their "Mayaimi" with pride. These early Native American settlers were known as the "Tequestas." In the Tequesta language Mayaimi means "Big Water". In 1513, Juan Ponce de León was the first European to visit the Miami area by sailing into Biscayne Bay. He wrote in his journal that he reached Chequescha, which was Miami's first recorded name, but it is unknown whether or not he came ashore or made contact with the natives. Pedro Menéndez de Avilés and his men made the first recorded landing in this area when they visited the Tequesta settlement in 1566. Shortly after the Spanish rule established a mission on the north bank of the river, the Tequestas were targeted for conversion to Christianity. The attempt failed, and a majority of the tribe died, disease-stricken with small pox and other illnesses.

The United States land expansion to displace and relocate American Indians brought large migrations of Native Americans around the late 1700's to South Florida. "Cimmarrones" as the Spanish referred to them became known as the fierce tribe called the Seminoles. After Florida ceded to the United States and was purchased from Spain in 1819, three major wars were waged by the Seminoles against the U.S. Government. Miami was devastated by the Second Seminole War and is attributed for the slow settlement of Miami until 1842.

At the close of the Second Seminole War in 1842, William English charted the "Village of Miami" on the south bank of the Miami River. On the north side of the river, Julia Tuttle, a wealthy widow from Ohio, purchased a large citrus plantation in addition to a plot she inherited. She had envisioned the City as a gateway for international trade. This notion prompted her to persuade the millionaire Henry Flagler to extend his railroad to Miami, but he was hesitant. Aiding in her request, Florida was devastated by two record-breaking freezes in the winters of 1894-1895 which had no effect on her crops. This made Tuttle the sole producer of citrus that year. Tuttle along with William and Mary Brickell persuaded Flagler of the potential of extending his railroad and agreed to give him land in exchange.

By April 1896, the railroad tracks reached Miami, and a meeting was held in July to incorporate the City. The right to vote was restricted to men, and a third of the voters were Bahamian immigrants. The City was incorporated in 1896 with only 502 registered voters under the name of "The City of Miami".

City History

Along with the railroad, Flagler financed and built streets, a water system, power systems, and a resort hotel. Canals were made to drain water from the Everglades that covered a majority of the land. It was no surprise that Miami soon became an instant tourist attraction and a retreat for the rich and famous. This prompted the first of many real estate booms.

Several years later, John Collins and Carl Fisher, two prominent men in the City's history, became promoters of Miami living. They transformed the Miami Beach area into one of the hottest tourist spots in the country. To ensure a steady influx of visitors, Collins built hotels and Fisher built shops, nightclubs, and the Dixie Highway. This boom lasted until 1926, when a hurricane hit the area prior to the Great Depression. The Art Deco District was born out of this era due to post hurricane re-development in the area.

World War II stabilized the economy in Miami due to the hundreds of thousands of servicemen that were trained in South Florida. Once the war ended, post-World War II economic expansion brought a wave of immigrants to South Florida as well as many of the servicemen returned to Miami pushing another development boom in the 1950s. Also during this time, Overtown, an area slated for African-Americans, was a hot spot for the Harlem renaissance elite. Once known as "Little Broadway" headliners such as Duke Ellington, Louis Armstrong, Cab Calloway, Hazel Scott, and Nat "King" Cole frequented the clubs and theaters on Northwest 2nd Avenue. The historic Lyric Theater is the only theater building that has remained intact through the years. It is a testament to this important period of Overtown's history.

In 1959, Cuban dictator Fulgencio Batista was deposed from power by Fidel Castro, another dictator. This caused a series of mass exoduses of people from Cuba to Miami. Hundreds of thousands of Cubans came to Miami thinking it would be a temporary home until their homeland would be freed from its communist regime. The United States planned an invasion of Cuba, and recruited 1,400 Cuban exiles to assist in overthrowing Castro's government in April 1961. This event became known as "The Bay of Pigs". However, this plan failed when Castro became aware of the attacks and placed them immediately under heavy fire. Cuban planes strafed the invaders, sank two escort ships, and destroyed half of the exile's air support.

Since the late 1960's, Miami has become a mix of cultural influences. The City experienced a large population growth in the neighborhood known as Little Havana, which was established with over 85 percent of its population as Cuban-Americans. Prior to this population growth, the African-American and Caribbean population made up approximately one-third of the total population. The late 1970's saw yet another immigration influx when over 100,000 Haitians and Nicaraguans fled their countries' newly overthrown governments.

During the 1980s, on four separate occasions, riots erupted across racial divides. In addition, the City experienced great social upheaval associated with the arrival of 125,000 refugees from the Cuban port of Mariel. The City, its leaders, and its residents worked hard to improve race relations, rebuild the City, and foster a sense of community.

In the 1990s, the City had already bounced back and transformed into a global metropolis bustling with international trade and populated by the largest proportion of foreign-born residents in the United States. No city in the United States, and few in the world, had been as profoundly affected by immigration in such a short period of time as Miami. In 1991 alone, \$21.7 billion worth of goods were processed through the Miami customs district, and the development of a global financial structure in the City was boosted by the presence in Miami-Dade County of the highest concentration of foreign bank agencies in the southeastern United States.

City History

In 2000, Elian Gonzalez, a young boy from Cuba was removed from his family's home in Miami by agents of the Federal Government and returned to his father. Immediately thereafter, tens of thousands of protesters, many of whom were outraged by the raid, poured out into the streets of Little Havana to demonstrate against the seizure. In 2003, the controversial Free Trade Area of the Americas negotiation took place in Downtown Miami. It was a proposed agreement to reduce trade barriers while increasing intellectual property rights. During the 2003 meeting in Miami, the Free Trade Area of the Americas was met by heavy opposition and protests.

Since that time, Miami saw an extensive boom of high rise architecture, dubbed a "Miami Manhattanization" wave. This included the construction of many of the tallest buildings in Miami, with nearly 20 of the City's tallest 25 buildings completed after 2005. This boom transformed the look of Downtown Miami, which is now considered to have one of the largest skylines in the United States, ranked behind New York City and Chicago. This boom slowed after the 2008 global financial crisis, with some projects being put on hold and none of the City's tallest buildings constructed in 2010. In May 2010, construction began on a major Port of Miami infrastructure project known as the Port of Miami Tunnel, with a total estimated cost of \$1 billion completed in 2014.

In 2012, the Globalization and World Cities Research Network named Miami an Alpha city. An alpha city is a city generally considered to be an important node in the global economic system. The City of Miami has been experiencing an impressive economic boom since the middle of the current decade. According to the Kauffman Foundation, in 2017, the Miami area ranked No. 1 among the largest metro areas in the U.S. for startup activity. This startup environment is supported by the area's international flavor and Miami's status as the gateway to Latin America and has drawn an influx of immigrants that generate a mixture of innovative ideas from different cultures, which does not happen in most other cities. Favorable to this environment also, are the economic benefits of relocating to Miami, such as the absence of a state income tax and cheaper living costs than in many other startup hubs around the nation. The continued growth and forward thinking by the communities that make up the City of Miami aid in it remaining a major international, financial, and cultural center.

As Miami moves into the next decade, it stands ready to embrace the exciting opportunities and challenges that lie ahead. The United Nations projects that, by the mid-2020s, the world population will surpass eight billion. With beautiful year-round weather few other cities can parallel, a thriving business climate ripe for international expansion, and a steadfast commitment to climate resiliency, Miami is well-positioned to attract a significant share of the economic activity this anticipated population growth will spur and will continue its path of transformation and prominence on the world stage.

The City's residents and leadership are fully vested in its future. This is evidenced by the overwhelming support for and voter approval of a \$400 million general obligation bond, dubbed the "Miami Forever Bond", which gives Miami the ability to build a stronger, more resilient future, as well as the City Mayor's participation in the Global Commission on Adaptation led by Ban Ki-moon, former Secretary-General of the United Nations, and other prominent world and business leaders, to accelerate adaptation action and increase political support for building climate resilience.

Budget Methodology and Process

The City's budget is a performance-based tool that is used to link management goals and objectives with the allocation of resources. The performance-based approach to budgeting allows stakeholders to better understand the distribution of available resources among departments and to track performance in utilizing these resources to meet objectives.

The budget is a document that paves the way for the City's future growth and details of how this growth is to be managed and sustained. Budget documents provide sufficient, meaningful, and useful information to elected officials, City staff, and most importantly, the public. It is with this in mind that the budget book has been developed to serve the following four essential functions:

- Policy Document
- Financial Plan
- Operations Guide
- Communications Device

In serving these four functions, the budget document defines for the public what the City of Miami has done, what it plans to do, and how it will accomplish set goals.

Budget Development

The City's budget is developed based on needs and performance, and follows the direction of policy as set by the elected officials. The process begins in early January with the Office of Management and Budget (OMB) sending all departments an all-inclusive instructional tool-kit that is used for budget development. Starting early allows the City's Administration time to align its resource allocations with the new and continued objectives set forth by elected officials and the service delivery commitments each department made in developing their goals and objectives. With this framework as the determining factor for resource allocations, each department works with OMB to compile the basic information needed for submission of each department's operating and capital budget requests.

Operating Budget

The process of developing departmental operating budgets includes a review of personnel costs, such as salaries and wages, pension contribution requirements, and anticipated insurance premium increases, as well as other operating costs, such as service contracts and supplies. In early January, OMB compiles a memorandum that provides step-by-step instructions on how to enter operating budget information for the upcoming year into the City's budget development system. This system provides department users with financial information relevant to their current and historical operations. Specifically, the budget development system provides three years of historical actual expenditures as well as the previous year's adopted and revised operating budgets. Upon entry of budget information into the budget development system, departments are required to provide justification for all requested amounts and provide supporting documentation as appropriate. While the above-mentioned processes are underway, the Mayor delivers the State of the City Address in January setting general guidelines for the future.

Budget Methodology and Process

Departments then update their department descriptions, accomplishments in the current year, and objectives for the upcoming year. These sections represent the business framework for determining each department's operating needs going forward. As part of the budget submission process, departments are encouraged to identify any potential operating efficiencies that can result in reduced spending in the upcoming year.

Once departments have completed their budget submissions, OMB reviews these submissions to ensure that they are void of material errors and that the budget presentation is cohesive and organized. Departments then arrange a meeting with their assigned Assistant City Manager, Deputy City Manager, or City Manager to review their budget submission by early February. OMB compiles all Department enhancements and efficiencies and creates deliverables report to present to the City Manager for review and discussion with the OMB Director in late February. Goals identified in the City's Strategic Plan are also considered in prioritizing in budget allocations in the deliverables report. The allocation needs are then compared to the City's anticipated revenue inflows to determine whether these needs can be satisfied in early June.

Capital Budget

The City's Capital Budget is distinct from the Operating Budget. The Capital Budget represents a legal authorization to spend on larger capital projects and purchases such as roads, parks, buildings, vehicles, information technology systems, etc. During the first year of the plan, funds from federal, state, and various other sources are adopted separately from the operating budget by means of an appropriations resolution. The capital budget authorizes capital expenditures while the operating budget authorizes the expenditure of funds for employee salaries and the purchase of supplies, services, and minor equipment. Capital projects can have an impact on the operating budget through additional costs, revenues, or cost savings. The Multi-Year Capital Plan includes a section detailing future impacts on the operating budget. All Department Capital submissions are submitted to OMB after reviewed by their assigned Assistant City Manager, Deputy City Manager, or City Manager by early February.

Revenue Estimating Conference

In accordance with the City's Financial Integrity Principals, a Revenue Estimating Conference is assembled in May to review revenue assumptions and estimates employed at that time by OMB. The estimating conference suggestions are reviewed and applied to the proposed budget document.

Proposing the Budget

In late June, the Mayor, City Manager, and OMB Director complete their comprehensive review and initial approval of all budget submissions provided by the City departments. These budget submissions are then compiled, and a Proposed Budget is presented in mid-July.

Setting the Millage Rate

Once the proposed budget is presented, the millage rate or the rate to be applied to every \$1,000 of taxable property value must be set by law. Florida statute Section 200.065 governs the setting of millage rates, adoption of budgets, and the timeframes to be followed for each. It requires that the City advise the Property Appraiser of its proposed millage rate within 35 days of the July 1st certification of property

Budget Methodology and Process

values so that the information can be included in the property owners Noticed of Proposed Property Taxes or Truth in Millage report (TRIM).

In order for the millage rate to be set, OMB presents a resolution to the City Commission for approval. Once the vote is taken, the City Manager will submit the information along with the dates, time, and location of the first and second budget hearings to the Property Appraiser's office.

Approving the Budget

The proposed budget is presented to the Mayor and City Commission for ultimate ratification and approval by the City Commission in September. The City Commission will tentatively approve the recommended budget in the first public budget hearing in September. It may also make changes to the recommended budget during the first and second public budget hearings. The final adoption of the budget occurs in the second public budget hearing in September.

Monitoring the Budget

The City Code includes a Financial Policy section that includes both the Anti-Deficiency Act and the Financial Integrity Principles. These ordinances dictate the managerial oversight that is to be undertaken by the City in its operations to ensure fiscal integrity. The legislation details the following:

- Transfers between City departments must be approved by the City Commission.
- Revisions that alter the total appropriation of expenditures for any City department within a fund must be approved by the City Commission.
- Actual expenditures and operating transfers out may not exceed budget appropriations at the individual department level.
- Transfers that exceed ten percent of appropriated budgets for any one City department must be approved by the City Commission Chair, City Manager, and OMB Director.
- Transfers that exceed \$5,000, in any one line item for any City department in the fourth quarter of the fiscal year must be approved by the City Commission Chair, City Manager, and OMB Director.
- The OMB shall present quarterly, except during the month of September, a written report on the status of the city budget at a city commission meeting.
- The City's external auditor shall present the Annual Comprehensive Financial Report or status thereof no later than the end of the second quarter of each fiscal year.

In accordance with the City's Financial Integrity Principles, the following applies:

- A contingency reserve must be budgeted annually at five million.
- A Revenue Estimating Conference is to be established each year to review the initially proposed revenues included in the budget before final submission to the City Commission.
- Budgets must be structurally-balanced (i.e. one-time revenues must not be used for recurring expenses).

Budget Methodology and Process

- The City must maintain General Fund balance reserves of 20 percent of the average of general revenues (excluding transfers) over the prior three years—including both designated and unassigned fund balance reserves.
- Appropriations that are not expended, encumbered, nor specifically designated to be carried over, lapse at the end of the fiscal year and are returned to the General Fund with the exception of the following City departments and offices:
 - Mayor
 - Commissioners
 - Real Estate and Asset Management
 - Parks and Recreation
 - Information Technology

Amending the Budget

If, during the course of the year it becomes necessary, the budget may be amended. The OMB Director prepares the required legislation, with the City Manager's approval, to be presented to the City Commission for review and approval.

The legislation includes a proposal for financing the additional expenditures, usually either by appropriating from fund balance or by submitting evidence of an expected surplus in the current year. City Commission approval is required for all budget amendments that alter the budget of any City department.

Community Budget Meetings

A Community Budget meeting is held during the budget process. This meeting offers the citizens an opportunity to be informed about the budget process, give input on community needs, and have their questions answered by City staff.

In a meeting scheduled in early June, City residents are given an overview of the City's budget and the process of building a proposed budget for the next fiscal year. Residents provide feedback to City staff on what they consider priority needs in their communities. After the proposed budget is released in mid-July, meetings are held in late July to present and answer questions on the proposed budget. Community meetings are held again in October to present the adopted budget and answer citizen's questions and concerns.

Financial Structure and Policies

In accordance with Generally Accepted Accounting Principles (GAAP) as applicable to local governments, the City of Miami prepares its budget on a fund accounting basis. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts, which is comprised of its assets, liabilities, fund balances, revenues, and expenditures. Resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which activities are controlled. The City maintains the minimum number of funds consistent with legal and managerial requirements.

The City appropriates and reports the following fund groups in its annual budget:

- **General Fund** - This is the general operating fund of the City. General tax revenues and other receipts that are not allocated by law or contractual agreement to some other fund are accounted for in this fund. General operating expenditures, fixed charges, and capital improvement costs not paid through other funds are paid from this fund.
- **Special Revenue Funds** - These funds receive support from various sources, mainly in the form of grants and other aid, and are restricted to expenditures for particular purposes.
- **Debt Service Funds** - These funds are used to account for the resources allocated to the payment of debt service on general obligation bonds and special obligation bonds.
- **Internal Service Fund** - The chief purpose of this fund is to provide a mechanism that allows for the cost allocation of health insurance, workers' compensation, liability insurance, and certain information technology cost in the operating departments. This fund serves as a centralized account for payment of these expenses.
- **Capital Project Funds** - These funds are used to account for the resources allocated for capital expenditures associated with various capital improvement projects.

Financial Management Principles

The following financial management principles are applied in formulating the City's annual budget, as described in the Financial Integrity Principles (Sections 18-504 through 18-540 of Chapter 18 of the City Code):

- (1) Structurally-Balanced Budget. The City shall maintain a structurally-balanced budget. Recurring revenues will fund recurring expenditures.
- (2) Revenue Estimating Conference Process. The City shall adopt budgets and develop its long- and short-term financial plan utilizing a professional revenue estimating conference process. Conference principals shall include, but are not limited to: one principal from the budget office, one principal from the Finance Department and two non-staff principals with public finance expertise.

Financial Structure and Policies

(3) Interfund Borrowing. The City shall not borrow or use internal fund transfers to obtain cash from one fund type or reserve to fund activities of another fund type or reserve unless such use is deemed lawful, and unless the Revenue Estimating Conference has determined that (a) the funds to be loaned will not be needed during the lending period, and (b) the funds for repayment will be available within a two-year period. Any actions taken to borrow funds under these conditions must be separately presented to and approved by the City Commission and the term of such borrowing shall not extend beyond the last day of the subsequent fiscal year.

Recognizing that some programs are funded by grants or other entities on a reimbursement basis, the City shall apply for such reimbursements on a timely basis to minimize the period that City funds are used as float or loan. In the event float or loan for these reimbursements extend beyond the end of a fiscal year, such reimbursements shall be reflected as receivables in the Annual Comprehensive Financial Report to the extent allowed under Accounting Principles Generally Accepted in the United States of America (GAAP). The Department of Finance shall make a quarterly determination of the amount of expenses incurred which may not be reimbursable under these programs. A quarterly report of expenses incurred but not reimbursable shall be presented to the City Commission, together with the actions needed to avoid project deficits.

(4) For purposes of this section, Citywide surplus for any fiscal year is defined as the increase in unreserved general fund balance as reflected in the City's Annual Comprehensive Financial Report. Citywide deficit for any fiscal year is defined as the decrease in unreserved general fund balance as reflected in the Annual Comprehensive Financial Report. Budget surplus of any office, department or elected official is defined as the excess of budgeted expenses over actual expenses in any fiscal year.

Notwithstanding anything to the contrary in this section, the total amount of budget surplus to be added to designated reserves and special revenue funds pursuant to this section (together, the "rollover amounts") is limited to Citywide surplus for any fiscal year. In the event the rollover amounts would result in a Citywide deficit, then each budget surplus within the rollover amounts shall be reduced proportionately so the City's Annual Comprehensive Financial Report will reflect no change in undesignated, unreserved general fund balance. In the event that a Citywide deficit would result before effecting the rollover amounts in any fiscal year, then no rollover amounts shall be available.

a. Budget surpluses in an elected official's budget in any fiscal year shall be reflected as designated reserves at the end of the fiscal year in which such surplus arose and be appropriated for discretionary use of such elected official for the following fiscal year.

b. Budget surpluses of the Parks and Recreation Department shall be allocated, as of the end of the fiscal year in which such surplus arose, to a parks special revenue fund. Allowed expenditures from the parks special revenue fund shall be limited to the purchase of parks recreational and maintenance equipment, capital improvements for the City's parks, and the direct operations of recreational programs in and for the City's parks, subject to appropriation by the City Commission.

c. Budgeted surpluses of the Department of Real Estate and Asset Management shall be allocated, as of the end of the fiscal year in which such surplus arose, to a public facilities special revenue fund.

Financial Structure and Policies

Allowed expenditures of the public facilities special revenue fund shall be limited to capital improvements for the City's public facilities, subject to appropriation by the City Commission.

d. Budgeted surpluses of the Department of Innovation and Technology (DoIT) shall be allocated, as of the end of the fiscal year in which such surplus arose, to a DoIT strategic plan special revenue fund. Allowed expenditures of the DoIT strategic plan special revenue fund shall be limited to expenditures, excluding those related to permanent City staff, necessary for the implementation of the City's information technology strategic plan, subject to appropriation by the City Commission.

(5) Reserve Policies. The following Reserve policies are established in three categories of the general operating fund of the City:

a. Current fiscal year contingency. A "contingency" reserve level of \$5.000 million shall be budgeted annually. Such contingency reserve shall be available for use, with City Commission approval, during the fiscal year, to fund unanticipated budget issues which arise or potential expenditure overruns which cannot be offset through other sources or actions. The unused portion of the budgeted contingency reserve in any fiscal year shall be reflected as unassigned fund balance reserves until such time as the City has funded 50 percent of the liabilities of the long-term liabilities (excluding bonds, loans, and capital lease payables) as reflected in the City's Annual Comprehensive Financial Report. Amounts not needed to satisfy the 50 percent requirement shall be considered general fund unassigned fund balance reserve and be treated in accordance with subsection (5)b.

b. General fund unassigned fund balance reserves. The City shall retain unassigned fund balance reserves equal to a threshold of ten percent of the prior three years average of general revenues (excluding transfers). Amounts designated as "contingency" reserve in subsection 5a. shall be included in the calculation of meeting the ten percent of the prior three years average of general revenues for the unassigned fund balance category. Such reserves may only be used for offsetting an unexpected mid-year revenue shortfall or for funding an emergency such as a natural or man-made disaster, which threatens the health, safety and welfare of the City's residents, businesses or visitors. Any time these reserve funds fall below the ten percent threshold, the City Commission shall adopt a plan to achieve the threshold within two fiscal years and the City Manager shall present an oral report at the second Commission meeting of every month, except during the month of September, regarding: i) the status of the current fiscal year budget and ii) the Proposed Budget for the subsequent fiscal year. Such oral report shall appear on the City Commission agenda as a discussion item under the agenda category titled "Budget." Amounts in excess of the ten percent threshold may be used for capital improvements, unanticipated expenditures necessary to assure compliance with legal commitments, and for expenditures that will result in the reduction of recurring costs or the increase in recurring revenues of the City.

c. General fund designated fund balance reserves. The City shall retain designated fund balance reserves equal to ten percent of the prior three years average of general revenues (excluding transfers). The designated fund balance reserves shall be classified as either restricted, committed, or assigned and such designation shall be based on standards and guidance established, and

Financial Structure and Policies

amended from time to time, by the Governmental Accounting Standards Board (GASB). Such reserves shall be used for funding long-term liabilities and commitments of the City such as:

1. Compensated absences and other employee benefit liabilities, including liabilities related to post-retirement benefits;
2. Self-insurance plan deficits (including workers' compensation, liability claims and health insurance);
3. Anticipated adjustments in pension plan payments resulting from market losses in plan assets and other unanticipated payments necessary to maintain compliance with contractual obligations.

Payment for compensated absences and other employee benefit liabilities and self-insurance plan deficits may be drawn from this reserve during the fiscal year and shall be replenished each year until 50 percent of such the liabilities are funded. Other designated reserves may be drawn upon without the need for replenishment.

(6) Proprietary Funds. The City shall establish proprietary funds only if the costs to provide the service are fully funded from the charges for the service.

(7) Multi-year Financial Plan. The City Commission shall annually adopt a five-year financial plan by September 30th of each year, reflecting as the base year, the current year's budget. Such a plan will include cost estimates of all current city operations and pension obligations, anticipated increases in operations, debt service payments, reserves to maintain the City's officially adopted levels and estimated recurring and non-recurring revenues. This plan will be prepared by fund and reflect forecasted surpluses or deficits and potential budget balancing initiatives, where appropriate.

(8) Multi-year Capital Improvement Plan. The City Commission shall annually adopt a Capital Improvement Plan ("CIP") simultaneously with the adoption of the City's final budget pursuant to Section 200.065, Florida Statutes. The CIP shall address cost estimates for all necessary infrastructure improvements needed to support city services, including information technology, with an adequate repair and replacement ("R&R") component. Funded, partially funded, and unfunded projects shall be clearly delineated. The CIP shall be detailed for the current fiscal year and for five additional years and, if practicable, additional required improvements aggregated for two additional five-year periods. To the extent feasible, department heads shall be required to submit independent needs assessments for their departments for use in preparing the CIP. The CIP will be detailed by fund, include recommended project prioritization rankings, identified revenue sources, planned financing options, and unfunded projects. The CIP shall include estimates of the operational impacts produced for the operation of the capital improvements upon their completion. The CIP shall include a component reflecting all on-going approved capital projects of the City, the date funded, amount budgeted, amount spent since the start date, remaining budget, fiscal impact of known changes to financial assumptions underlying the project, estimated expenditures by fiscal year for the project, and estimated completion date. Approved projects, with circumstances that arise which change the funding requirements of the project, shall be addressed in the CIP annually.

Financial Structure and Policies

- (9) Debt Management. The City shall manage its debt in a manner consistent with the following principles:
- a. Capital projects financed through the issuance of bonded debt shall be financed for a period not to exceed the estimated useful life of the project.
 - b. The net direct general obligation debt shall not exceed five percent and the net direct and overlapping general obligation debt shall not exceed ten percent of the taxable assessed valuation of property in the City.
 - c. The weighted average general obligation bond maturity shall be maintained at 15 years or less.
 - d. Special obligation debt service shall not exceed 20 percent of non-ad valorem general fund revenue.
 - e. Revenue based debt shall only be issued if the revenue so pledged will fully fund the debt service after operational costs plus a margin based on the volatility of the revenues pledged.

(10) Financial Oversight and Reporting. The City shall provide for the on-going generation and utilization of financial reports on all funds comparing budgeted revenue and expenditure information to actual on a monthly and year-to-date basis. The Finance Department shall be responsible for issuing the monthly reports to departments, the Mayor and City Commission, and provide any information regarding any potentially adverse trends or conditions. These reports should be issued within 30 days after the close of each month.

The City's Finance Department shall prepare the City's Annual Comprehensive Financial Report by March 31st and the Single Audit letter by April 30th of each year. The external auditor shall prepare a Management letter and present the findings and recommendations of the audit to the Mayor and City Commission at a scheduled Commission meeting prior to July 30th of each year.

Financial reports, offering statements and other financial related documents issued to the public, shall provide full and complete disclosure of all material financial matters.

(11) Basic Financial Policies. The City shall endeavor to maintain formal policies, which reflect "best practices" in the areas of:

- a. Debt: Such policy shall address affordability, capacity, debt issuance and management.
- b. Cash management and investments: Such policy shall require 24-month gross and net cash-flow projections by fund and address adequacy, risk, liquidity, and asset allocation issues.
- c. Budget development and adjustments: Such policy shall establish proper budgetary preparation procedures and guidelines, calendar of events, planning models by fund, budget adjustment procedures, establishment of rates and fees, indirect costs/interest income and the estimating

Financial Structure and Policies

conference process. The proposed budget should be scheduled to allow sufficient review by the Mayor and City Commission while allowing for sufficient citizen input.

The City budget document reflecting all final actions as adopted by the City Commission on or before September 30th of each year, shall be printed and made available within 30 days of such adoption.

d. Revenue collection: Such policy shall provide for maximum collection and enforcement of existing revenues, monitoring procedures, and the adequacy level of subsidy for user fees, and write-offs of uncollectible accounts.

e. Purchasing policy: Such policy shall establish departmental policies and procedures and provide appropriate checks and balances to ensure the city departments adhere to the City's purchasing policies.

(12) Evaluation Committees.

a. Solicitations: An evaluation committee, consisting of a majority of citizen and/or business appointees from outside City employment, shall be created, to the extent feasible, to review City solicitations ("requests for proposals," "requests for qualifications," etc.). The recommendation(s) of the evaluation committee shall be provided to the Mayor and City Commission on all such solicitations prior to presentation to the City Commission for official action.

b. Collective bargaining agreements: The City's Finance Committee, established pursuant to City Commission resolutions 98-631 and 98-767, and the budget director shall review and provide recommendations to the City Manager regarding all memorandums of understanding (MOUs) entered into between the City and any collective bargaining units that amend, alter, or modify any existing collective bargaining agreement and that may have a fiscal impact of \$500,000 or more, and all collective bargaining agreements. The Finance Committee shall provide its recommendations regarding such MOUs and collective bargaining agreements to the City Manager not less than 14 days prior to consideration by the City Commission of any said MOU and collective bargaining agreement for ratification. In the event that the Finance Committee is unable to meet within the timeframes provided herein, then the City Manager shall proceed to the City Commission for ratification.

(13) Full Cost of Service. The City shall define its core services and develop financial systems that will determine on an annual basis the full cost of delivering those services. This information shall be presented as part of the annual budget and financial plan.

City of Miami Strategic Plan Overview

The City of Miami Strategic Plan serves as a roadmap to make Miami a modern and diverse city that is a global leader in technology, innovation, and resiliency. The City's strategic plan reflects three priority areas identified as strategic to the City's success. As the administration team adapts to our new leaders and governing body in the coming year, our Priority Areas: *Quality of Life, Resilience, and Pathway to Prosperity* will remain our foundation plan and basis from which each department will align their business.

From these priorities, the Office of Management and Budget is working with staff to further articulate the needs and wants of its residents. To ensure plan fidelity and feasibility, the Office of Management and Budget will be conducting cross-departmental work sessions with department leadership or their designee. As part of these work sessions, staff are contributing to the definition of priorities. After priority areas are clearly defined, the group will articulate success metrics for categories within each priority area and defined how each department contributes. The plan will be refined with direction from City leadership and will be influenced by resident feedback obtained from the City's annual survey.

This process will inform the plan's underlying goals and objectives. The goals and objectives allow the City to be more transparent about its focused efforts. The City's progress toward the plan will be communicated through department strategies and performance measures. Department strategies ensure City business divisions stay connected and on track with the strategic direction. Performance measures improve awareness of our progress toward goals and objectives.

The City's Strategic Plan consist of three priority areas, 15 goals (five per priority area), and each goal 45 objectives (three per goal).

Strategic Planning and the Budget

Using this specially tailored Strategic Plan, the City aligns spending to address resident priorities. As part of the City's budget process, each department is aligned to a primary priority area and goal with specific objectives. This alignment defines how each department will advance the City forward. City Administration understands and appreciates that most departments will align across multiple priority areas and goals. However, for streamlined reporting, each department has identified one priority and goal to which it aligns with few exceptions.

City of Miami Strategic Plan Overview

To underscore the importance of the relationship between strategic planning, performance, and the budget, a strategic assessment accompanies every new budget request.

Strategic Framework

City of Miami Strategic Plan Overview

VISION STATEMENT

Miami is a modern and diverse city that is a global leader in technology, innovation, and resiliency.

MISSION STATEMENT

The City of Miami is committed to elevating the quality of life of its residents by improving public safety, housing, mobility, diverse shared spaces that foster community, and efficient and transparent government.

VALUE STATEMENTS

Innovative

We are progressive problem solvers who are not satisfied with the status quo

Morality

We will act in a way that fosters trust and confidence of the public

Professionalism

We maintain a high standard of quality in our work and the way we treat each other

Accountability

We work diligently to honor our commitment to our residents

Compassionate

We are considerate of all residents and communities when making decisions

Teamwork

We partner with each other and residents and businesses to address their needs

City of Miami Strategic Plan Overview

PRIORITY AREA: 1. QUALITY OF LIFE

Goal: 1.1 Deliver efficient and effective services.

- Objectives:**
- 1.1.1** Modernize and streamline City processes.
 - 1.1.2** Strengthen trust through excellent customer service.
 - 1.1.3** Engage all stakeholders with timely and clear communication.

Goal: 1.2 Create and enhance shared civic spaces.

- Objectives:**
- 1.2.1** Maintain the look and feel of public spaces to a high standard.
 - 1.2.2** Enhance greenways and green spaces to promote outdoor activity.
 - 1.2.3** Continue to enhance the quality of parks and open spaces.

Goal: 1.3 Enhance mobility and transportation options.

- Objectives:**
- 1.3.1** Create a safe and comfortable pedestrian environment.
 - 1.3.2** Facilitate connectivity through affordable multi-modal transportation options.
 - 1.3.3** Improve street paving and pothole repair.

Goal: 1.4 Transform the experience of conducting business with the City.

- Objectives:**
- 1.4.1** Minimize the need to visit a City building to conduct business.
 - 1.4.2** Seek feedback to inform improved business practices.
 - 1.4.3** Reduce the amount of time customers wait.

Goal: 1.5 Protect and promote the health and well-being of all residents.

- Objectives:**
- 1.5.1** Reduce gun violence.
 - 1.5.2** Continue to strengthen community partnerships.
 - 1.5.3** Maintain low response times and seek out opportunities to optimize emergency operations.

City of Miami Strategic Plan Overview

PRIORITY AREA: 2. RESILIENCE

Goal: 2.1 Ensure decisions are data-driven and take future conditions into account.

Objectives:

- 2.1.1** Enhance understanding of the City's vulnerability to environmental, social, and economic risks with data.
- 2.1.2** Quantify the City's impact on climate change.
- 2.1.3** Equip City departments and residents by identifying critical metrics and improving access to critical data.

Goal: 2.2 Inform, engage, and prepare residents and businesses for stresses and shocks.

Objectives:

- 2.2.1** Prepare and empower residents and businesses to anticipate and respond to environmental, social, and economic disruptions.
- 2.2.2** Create avenues to capture and integrate community feedback into all stages of programming.
- 2.2.3** Improve internal capacity, coordination, and communications.

Goal: 2.3 Protect and enhance our waterfront.

Objectives:

- 2.3.1** Reduce the severity, duration, and impact of coastal and riverine flooding on shorelines and surrounding communities.
- 2.3.2** Update and implement waterfront design standards.
- 2.3.3** Accelerate investment in features along waterfront.

Goal: 2.4 Invest in resilient and smart public infrastructure.

Objectives:

- 2.4.1** Update stormwater management system to meet infrastructure needs through 2060 under varying climate conditions.
- 2.4.2** Prioritize projects that protect the most critical and vulnerable areas.
- 2.4.3** Upgrade and retrofit existing infrastructure to improve resilience & sustainability.

Goal: 2.5 Promote adaptive neighborhoods and buildings.

Objectives:

- 2.5.1** Develop policy and regulations to reduce impact of environmental risks and promote sustainability.
- 2.5.2** Incentivize development that allows residents & businesses to adapt and thrive under changing environmental, economic, and social conditions.
- 2.5.3** Integrate resilience, sustainability, and equity considerations into large development projects.

City of Miami Strategic Plan Overview

PRIORITY AREA: 3. PATHWAY TO PROSPERITY

Goal: 3.1 Maintain and grow a diverse and inclusive economy.

- Objectives:**
- 3.1.1** Foster innovation and sustainable entrepreneurial initiatives.
 - 3.1.2** Support policies and practices that enable a diverse and growing economy.
 - 3.1.3** Connect at-risk population to opportunities for advancement.

Goal: 3.2 Establish a supportive environment for small businesses.

- Objectives:**
- 3.2.1** Promote conditions that encourage small business development and growth.
 - 3.2.2** Bolster small businesses through supportive programs and incentives.
 - 3.2.3** Support local scale-ups.

Goal: 3.3 Foster and promote job training and education.

- Objectives:**
- 3.3.1** Partner with local entities to connect residents with job opportunities.
 - 3.3.2** Invest in youth by providing job opportunities, education, or financial support.
 - 3.3.3** Streamline access to social services.

Goal: 3.4 Position all for success by providing access to critical services.

- Objectives:**
- 3.4.1** Enforce clean and safe housing in neighborhoods where needed most.
 - 3.4.2** Connect homeless to resources and assistance.
 - 3.4.3** Enhance public services for low-income residents.

Goal: 3.5 Increase and enhance housing options.

- Objectives:**
- 3.5.1** Support single family rehabilitation to sustain existing homeowners.
 - 3.5.2** Preserve and increase the supply of housing for all income groups.
 - 3.5.3** Attract and deploy capital to increase resident access.

Governmental Funds Overview

The focus of the City's governmental funds is to provide information on near-term inflows, outflows, and balances of spendable resources. Such information is useful in assessing the City's financing requirements. In particular, unassigned fund balance may serve as a useful measure of a government's net resources available for spending at the end of the fiscal year. The General Fund is the chief operating fund of the City.

Fiscal Year 2022-23

At the end of FY 2022-23, the City's total General Fund balance was \$215.996 million. Of this amount, the City had approximately \$133.398 million retained as designated fund balance, that included \$43.251 million as restricted funds, approximately \$51.872 million was reported as non-expendable for prepaid expenses and advances, approximately \$28.275 million was designated as assigned fund balance, and approximately \$82.599 million was unassigned fund balance in accordance with the City's Financial Integrity Ordinance.

The City's General Fund balance had a net increase of approximately \$27.755 million during the past fiscal year. Although expenditures increased by \$54.788 million, the increase was offset by an increase in revenues of \$109.947 million and an increase in other financing sources totaling \$58.133 million, which resulted in the net increase of the General Fund balance.

Significant revenue increases included Property Taxes (11 percent), Franchise and Other Taxes (11.6 percent), and Licenses and Permits (8.5 percent). Franchise fees and other taxes consist primarily of fees collected from various franchise licenses awarded to businesses or individuals granted permission to construct, maintain, or operate within the City of Miami, and accounts for 12.9 percent of the General Fund resources. This category includes fees such as Gas Franchise Fees, Electrical Franchise Fees, Utility Service Fees, Public Service Taxes (PST), and the Local Option Gas Tax (LOGT). Licenses and Permits consist of revenues generated from the issuance of local professional and occupational licenses, building permits, and other licenses and permits such as fireworks/bench permits. These revenue increases reflected an improvement in the local economy which has continued recovering and strengthening from the downturn in 2020 as a result of the COVID-19 Pandemic. Notably, investment earnings increased significantly (1,801 percent), reflecting an improvement in market conditions and higher interest rates. Increased expenditures were primarily attributed to increases in retirement contributions and payroll related expenditures.

Financial highlights of the City's other major governmental funds were as follows:

The Other Capital Project Fund had a fund balance of \$213.1 million. This represented an increase of approximately \$18.653 million. The increase could be attributed to transfers in for capital projects and intergovernmental revenues.

The Emergency Services Fund had a fund balance of approximately \$25.131 million. This represented an increase of approximately \$5.348 million. Intergovernmental revenues received in 2023 were primarily related to American Rescue Plan Act (ARPA) and Emergency Rental Assistance funds from the Department of Treasury, and FEMA public assistance grant reimbursements for Hurricanes Ian and Irma, COVID-19, and the 2021 Surfside building incident funding.

Source: Annual Comprehensive Financial Report, Fiscal Year Ended September 30, 2023

Consolidated Budget Overview

The consolidated, or total of all operating funds, of the FY 2024-25 Budget for the General Fund, Special Revenue Funds, Debt Service Funds, and Internal Service Fund totals \$1.793 billion.

The City of Miami's budget is prepared in accordance with the financial structure of the City and is consistent with the State of Florida Uniform Accounting System. Each fund is a distinct financial entity with its own revenues, inflows, expenditures, and outflows.

Basis of Budgeting

The City uses the modified accrual basis of budgeting for its general fund budget. There are no enterprise funds. Therefore, obligations of the City are budgeted as expenses, but revenues are recorded when the amount is confirmed and the revenues are received within the time needed to make payments for costs incurred within the fiscal year. This differs from "Generally Accepted Accounting Principles" (GAAP), with outstanding purchase orders at the end of the fiscal year, unless there are outstanding encumbrances (commitments to pay for goods and services ordered through the utilization of a purchase order, a formal authorization of the City, or a contract).

The Annual Comprehensive Financial Report presents the City's financial status based on GAAP. In 1999, the Governmental Accounting Standards Board (GASB) published significant changes in state and local government financial reporting. This new reporting standard calls for financial statements to be prepared using full accrual accounting, rather than the modified accrual basis. The method of budgeting continues to be on a modified accrual basis.

General Fund

This is the general operating fund for the City. This fund includes expenditures related to general City government services such as police, fire, public works, building, and parks and recreation services. The FY 2024-25 Budget for the General Fund is \$1.167 billion. This represents an increase of \$123.735 million or 11.9 percent as compared to the FY 2023-24 Adopted Budget. Included in the General Fund are several subfunds such as Solid Waste, Real Estate and Asset Management, Building, Transportation Reserve, General Services Administration, and Risk Management.

Special Revenue Funds

This area includes individual funds which receive support from various outside sources in the form of grants or other aid and are restricted to expenditures for particular purposes. These funds include:

- American Rescue Plan Act
- Bayfront/Riverfront Land Acquisition Rouse Trust
- City Clerk Services
- Community Development
- Departmental Improvement Initiatives
- Emergency Services
- Fire-Rescue Services
- General Special Revenue

Consolidated Budget Overview

- Historic Preservation Trust Fund
- Homeless Programs
- Human Services Fund
- Law Enforcement Trust Fund
- Miami Ballpark Parking Facilities
- Miami For Everyone
- Parks and Recreation Services
- Planning Services
- Police Services
- Public Art Fund
- Public Works Services
- Solid Waste Recycling Trust Fund
- Sports Facilities and Activities Fund
- Transportation and Transit
- Tree Trust Fund

The FY 2024-25 Budget for all Special Revenue Funds is \$392.714 million. This represents an increase of \$6.363 million or 1.6 percent as compared to the FY 2023-24 Adopted Budget. Special Revenue Funds are used to account for resources that are legally restricted to expenditures for particular purposes.

Debt Service Funds

The FY 2024-25 Budget for the Debt Service Fund is \$93.649 million. This represents an increase of \$27.323 million or 41.2 percent as compared to the FY 2023-24 Adopted Budget. This fund is used to account for resources and expenditures related to voter-approved general obligation and special obligation debt.

Internal Service Fund

The FY 2024-25 Budget for the Internal Service Fund (ISF) is \$139.889 million. This represents an increase of \$26.973 million or 23.9 percent as compared to the FY 2023-24 Adopted Budget. The City's ISF provides a mechanism that allows for the cost allocation of health insurance, workers' compensation, liability insurance, and certain information technology costs in the operating departments. This fund also serves as a centralized account for payment of these expenditures.

General Fund Overview

The General Fund is the term used to describe the general ledger account where operating revenues and expenditures of the City are recorded. General tax revenues and other receipts that are not allocated by law or contractual agreement to other funds are accounted for in this fund. General operating expenditures, fixed charges, and capital improvement costs that are not paid through other funds are paid from this fund. The FY 2024-25 General Fund Budget total is \$1.167 billion. This represents an increase of \$123.735 million or 11.9 percent as compared to the FY 2023-24 Adopted Budget.

The General Fund consists of eight sub-funds to account for different functions and activities within the General Fund. Each has a different fund number and title: General Fund, Solid Waste, Public Facilities and Convention Centers, Building, Building Sub-Fund, Transportation Reserve, General Services Administration, and Risk Management. For Line item revenues detail, see Appendix D.

General Fund Revenues (Inflows)

The following are descriptions of revenue sources and inflows, as reviewed on May 14, 2024 by the Revenue Estimating Conference members, as required by City Code (see Appendix J). Also, included are the underlying assumptions on which these estimates are based and explanations of material variances from the FY 2023-24 Adopted Budget:

	FY 2023-24 Adopted	FY 2024-25 Adopted	FY 2024-25 Adopted%	Change \$ + / (-)	Change % + / (-)
Property Taxes	529,682,000	589,253,000	50.50%	59,571,000	11.25%
Franchise Fees and Other Taxes	131,767,000	156,298,000	13.40%	24,531,000	18.62%

Property Taxes consist primarily of real and personal property taxes and accounts for 50.50 percent of the total General Fund revenue budget. Property taxes are levied based on the taxable value of real and personal property in the City of Miami as of January 1st and are payable on November 1st, with discounts of one percent to four percent allowed if paid prior to March 1st of the following calendar year, all in accordance with State Law. All unpaid taxes on real and personal property become delinquent on April 1st and bear interest at 18 percent per year until a tax sale certificate is sold at auction. Miami-Dade County bills and collects all property taxes and tax sale certificates for delinquent taxes for the City. The FY 2024-25 Budget includes \$589.253 million in anticipated property tax revenues. This represents an increase of \$59.571 million or 11.3 percent as compared to the FY 2023-24 Adopted Budget. This is based on a 2024 gross taxable value of \$94.135 billion. The tax roll grew by 11.5 percent. The operating millage rate of 7.1364 mills at a 95 percent

General Fund Overview

collection rate adjusted by \$65.947 million (Tax Increment Financing (TIF) - Community Redevelopment Agency (CRA) transfer). All assessments are determined by the Miami-Dade County Property Appraiser's Office. The millage rate is adopted in accordance with State of Florida House Bill 1-B passed by the Florida Legislature on June 14, 2007, and will require a two-thirds (four out of five) vote of the Commissioners in office to pass at the second budget hearing.

Franchise Fees and Other Taxes consist primarily of fees collected from various franchise licenses awarded to businesses or individuals granted permission to construct, maintain, or operate within the City of Miami, and accounts for 13.4 percent of the General Fund resources. This category includes fees such as Gas Franchise Fees, Electrical Franchise Fees, Utility Service Fees, Public Service Taxes (PST), and the Local Option Gas Tax (LOGT). The FY 2024-25 Budget includes \$156.298 million in anticipated collections from this category. This represents an increase of \$24.531 million or 18.6 percent as compared to the FY 2023-24 Adopted Budget. This increase is mainly due to projected higher collections of electricity Franchise Fees (\$10.091 million), Utility Service Fees for electricity (\$10.754 million) and Public Service Taxes (\$3.300 million).

Interest consists primarily of interest earned on funds invested prudently in U.S. Treasuries and obligations of agencies of the United States, provided that such investments are guaranteed by the United States or by the issuing agency; general obligations of states, municipalities, school districts, or other political subdivisions; revenue and excise tax bonds of the various municipalities of the State of Florida; negotiable certificates of deposit; bankers' acceptance drafts; money market investments; the State Board of Administration Investment Pool; and prime commercial paper. This category also includes gains or losses on such investments. The FY 2024-25 Budget includes \$17.363 million in anticipated collections from this category. This represents an increase of \$5.855 million or 50.9 percent as compared to the FY 2023-24 Adopted Budget.

Transfers-In consists primarily of inflow or transfer of funds used to: (a) move revenues from the fund that statute or budget requires collecting the revenue to the fund, which statute or budget requires expending them; (b) move revenues restricted to debt service from the funds collecting the revenue to the debt service fund as debt service payments become due; and (c) move unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations. The FY 2024-25 Budget includes \$7.457 million of fund transfers. This represents a decrease of \$17.933 million or 70.6 percent as compared to the FY 2023-24 Adopted Budget. The decrease is mainly due to the elimination of the one-time transfer-in from the Emergency Fund (\$17.853 million) that occurred in FY 2023-24. For a more detailed explanation, see the schedule of "All Transfers".

Fines and Forfeitures consist primarily of revenues derived from the collection of penalties for statutory offenses, violation of administrative rules, and neglect of lawful duties. This category also includes revenues from confiscated property and court fees. The FY 2024-25 Budget includes \$7.379 million in anticipated revenues, an increase of \$636,000 or 9.4 percent as compared to the FY 2023-24 Adopted Budget due to a projected increase in fines and judgements.

Intergovernmental Revenues consist of revenues received from federal, state, and other local government sources which are used to (a) support the statute or budget which requires expending them, or (b) represent the City's proportionate share from taxes assessed by the State of Florida and Miami-Dade County. The FY 2024-25 Budget includes \$107.933 million in anticipated revenues and accounts for 9.3 percent of the total General Fund revenue budget. This

General Fund Overview

represents a decrease of \$3.636 million or 3.3 percent as compared to the FY 2023-24 Adopted Budget. This is mainly due to projected decrease in the Half Cent Sales Tax (\$5.600 million).

Licenses and Permits consist of revenues generated from the issuance of local licenses and permits. There are three major types of licenses issued by the City: (1) Professional and Occupational Licenses, which are required for the privilege of engaging in certain trades, occupations, and other activities; (2) Building Permits, which are fees for permits issued for the construction of, alterations to, and additions to buildings, roofing, electrical, etc.; and (3) Other Licenses and Permits, which includes permits required for activities not related to those specified above (such as Fireworks Permits and Bench Permits). The FY 2024-25 Budget for Licenses and Permits is \$101.281 million. This amount represents an increase of \$13.383 million or 15.2 percent as compared to the FY 2023-24 Adopted Budget. This is mainly due to projected increased revenues from the building permits (\$10.000 million) and Solid Waste Franchise, Commercial Haulers fees (\$3.400 million).

Other Revenues consist of Fund Balance carryover, late charge fees and other revenues and inflows not otherwise specified. The FY 2024-25 Budget for Other Revenues is \$38.695 million. This amount represents an increase of \$32.923 million or 570.4 percent as compared to the FY 2023-24 Adopted Budget. The increase is mainly due to the use of a carryover fund balance to cover the Capital cost of a new building that will house the Building Department (\$11.300 million) and an insurance liability payment budgeted in the Non-Departmental Accounts (\$21.200 million).

Charges for Services consist of revenues derived from charges for the use of certain City services and accounts for 12.1 percent of the total General Fund revenue budget. There are five areas of charges for services. They are: (1) General Government, which includes charges for reports, public documents, and photographs; (2) Public Safety, which includes charges for police, fire protection, and emergency services; (3) Physical Environment for cemetery charges; (4) Parks and Recreation, and Special Events for the use of City-owned facilities and participation in related activities; and (5) Other Charges for Services, which includes charges not specifically mentioned such as parking surcharges and building inspections. The FY 2024-25 Budget includes \$141.142 million. This amount represents an increase of \$8.405 million or 6.3 percent as compared to the FY 2023-24 Adopted Budget. This increase is mainly due to projected increases in revenue from Rents and Royalties (\$3.9 million), and Parking Surcharges (\$4.600 million).

General Fund Overview

General Fund Expenditures (Outflows)

The FY 2024-25 General Fund Budget total is \$1.167 billion. This represents an increase of \$123.735 million or 11.9 percent as compared to the FY 2023-24 Adopted Budget. For Line item detail of expenditures, see Department Budgets section.

	FY 2023-24 Adopted	FY 2024-25 Adopted	FY 2024-25 Adopted%	Change \$ + / (-)	Change % + / (-)
Salaries	480,409,000	557,258,000	47.76%	76,849,000	16.00%

Non-Operating Expense	21,865,000	18,623,000	1.60%	(3,242,000)	(14.83%)
Transfers - OUT	74,459,000	76,830,000	6.58%	2,371,000	3.18%
Total Expenditures (Outflows)	1,043,066,000	1,166,801,000	100.00%	123,735,000	11.86%

The following summarizes some of the major changes to General Fund Expenditures (Outflows) anticipated in the FY 2024-25 General Fund Budget:

Salaries increased by \$76.849 million or 16.0 percent. This increase is primarily due to normal step progression plus a seven percent across the board increase for members of the Miami General Employees, American Federation of State, County and Municipal Employees (AFSCME Local 871) (\$1.843 million); normal step progression plus a six percent across the board increase for the members of the Miami General Employees, American Federation of State, County and Municipal Employees (AFSCME Local 1907) (\$24.000 million); normal step progression plus a one percent across the board increase for the members of the Fraternal Order of Police, Walter E. Headley, Jr., Miami Lodge No. 20 (FOP) (\$19.500 million); normal step progression plus a five percent across the board increase for the members of the Miami International Association of Firefighters (AFL-CIO Local 587) (IAFF) (\$20.500 million); and an average of five percent salary increase plus a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (\$6.897 million). Additionally, included are increased funding for both Fire-Rescue (708,000) and Police (\$980,000) Executives to align salaries with new IAFF and FOP Collective Bargaining Agreements; funding for medical transport revenue sharing as per IAFF Collective Bargaining Agreement (\$4.000 million). Additional funding for 26 new positions that were added in the FY 2023-24 Mid-Year Budget Amendment (\$2.100 million) and five new positions that were added to the Building Department (\$200,000).

General Fund Overview

Retirement Contributions increased by \$2.906 million or 5.2 percent as compared to the FY 2023-24 Adopted Budget due to the City's actuarial required contribution to the General Employees' and Sanitation Employees' Retirement Trust (GESE), Elected Officers' Retirement Trust (EORT), and Section 401(a) plan.

Police and Fire-FIPO contributions increased by \$6.092 million or 5.1 percent as compared to the FY 2023-24 Adopted Budget due to the City's actuarial required contribution due to a settlement agreement with the FOP and IAFF.

Life and Health Insurance decreased by \$2.782 million or 6.0 percent as compared to the FY 2023-24 Adopted Budget. For a more detailed explanation, see the Internal Service Fund Overview section.

Health Trust - FOP contributions increased by \$2.800 million or 14.5 percent as compared to the FY 2023-24 Adopted Budget due to a projected increase in plan membership.

Workers' Compensation increased by \$2.504 million or 11.4 percent as compared to the FY 2023-24 Adopted Budget. For a more detailed explanation, see the Internal Service Fund Overview section.

Operating Expense increased by \$34.922 million or 21.1 percent as compared to the FY 2023-24 Adopted Budget. This increase is mainly due to projected increases in Professional Services-Medical (\$1.115 million); Other Contractual Services (\$4.827 million); Property and Casualty Insurance (\$2.077 million); General Liability Insurance (\$20.664 million); and Other Current Charges and Obligations (\$6.373 million).

Non-Operating Expense decreased by \$3.242 million or 14.8 percent as compared to the FY 2023-24 Adopted Budget. This decrease is mainly due to the reduction of the Reserve for Uncollectable to fund other budget needs (\$1.887 million) and deallocation of the budget for the Civilian Investigative Panel due to change in State of Florida law (\$1.390 million).

Transfers-Out increased by \$2.371 million or 3.2 percent as compared to the FY 2023-24 Adopted Budget. This increase is mainly due to transfer-outs from the Building Fund to Capital to update enterprise permitting software (\$9.000 million), design and interior build out of the new Building Department building (\$2.000 million), and ongoing replacement of aging computers and equipment (\$300,000). These increases are offset by the elimination of one-time transfers-out to Capital that occurred in the FY 2023-24 Adopted Budget (\$9.500 million).

Source: Annual Comprehensive Financial Report, Fiscal Year Ended September 30, 2023

General Fund Balance Overview

The level of fund balance reserves is an important indicator of financial stability for local governments. Maintaining a healthy level of fund balance provides the City with the flexibility to deal with unexpected shortfalls in revenue or increases in expenditures without adversely impacting operations. The City's Financial Integrity Principles (FIP) Ordinance specifies the appropriate level of General Fund balance reserves to be maintained. According to the FIP Ordinance, the City should maintain General Fund balance reserves of 10 percent of the average of general revenues (excluding transfers) over the prior three years for both designated and unassigned fund balances for a total of 20 percent.

*"The City shall retain **unassigned** fund balance reserves equal to a threshold of ten percent of the prior three years average of general revenues (excluding transfers) ...*

*The City shall retain **designated** fund balance reserves equal to ten percent of the prior three years average of general revenues (excluding transfers). The designated fund balance reserves shall be classified as either restricted, committed, or assigned and such designation shall be based on standards and guidance established, and amended from time to time, by the Governmental Accounting Standards Board. Such reserves shall be used for funding long-term liabilities and commitments of the City..."*

- Code of Ordinances, Sec. 18-542 (5) b-c

At the end of FY 2022-23, the City's total General Fund balance was approximately \$216.000 million. Of this amount, the City has approximately \$131.400 million retained as designated fund balance, that includes approximately \$43.200 million as restricted funds, approximately \$51.900 million as non-expendable for prepaid expenses and advances, approximately \$38.300 million is designated as assigned fund balance, and approximately \$82.600 million is unassigned fund balance in accordance with the City's Financial Integrity Ordinance.

The General Fund's fund balance had a net increase of approximately \$27.800 million due to revenue collections totaling \$1.022 million for FY 2022-23. This represents an increase of \$109.947 million over FY 2021-22 collections. Revenues increased primarily in the areas of Property Taxes (\$47.322 million), Franchise and Other Taxes (\$14.701 million), Licenses and Permits (\$8.036 million), and Interest (\$34.195 million). These revenue increases reflect continuing improvement in the local economy rebounding by the effects of the COVID-19 pandemic and increased real estate valuations. These revenue increases were offset by increases in operating expenditure for FY 2022-23 of \$994.336 million, an increase of \$112.921 million over FY 2021-22 expenditures.

Special Revenue Funds Overview

Special Revenue Funds are used to account for resources that are legally restricted to expenditures for particular purposes. Many of the Special Revenue Funds have a department component in their funding structure. Below is a list of Special Revenue Funds along with their corresponding department components:

<u>Special Revenue Fund</u>	<u>Department</u>
American Rescue Plan Act SRF	Mayor, Commissioners, City Manager, Innovation and Technology, Management and Budget, Parks, Resilience and Public Works, Real Estate and Asset Management, Housing and Community Development, Human Services, and Office of Capital Improvement
Bayfront/Riverfront Land Acquisition	Real Estate and Asset Management
Rouse Trust	
City Clerk Services	City Clerk
Community Development	Housing and Community Development
Departmental Improvement Initiatives	Building, Commissioners, Grants Administration, Innovation and Technology, Management and Budget, Mayor, Parks, and Resilience and Public Works
Emergency Services	Fire-Rescue
Fire-Rescue Services	Fire-Rescue
General Special Revenues	General Services Administration, Innovation and Technology, and Resilience and Public Works
Historic Preservation Trust Fund	Planning
Homeless Program	Human Services
Human Services	Human Services
Law Enforcement Trust	Police
Miami Ballpark Parking Facilities	Real Estate and Asset Management
Parks and Recreation Services	Parks and Recreation
Planning Services	Planning
Police Services	Police
Public Art Fund	Planning
Public Works Services	Resilience and Public Works
Solid Waste Recycling Trust	Solid Waste
Sport Facilities and Activities	Real Estate and Asset Management
Transportation and Transit	Resilience and Public Works
Tree Trust	Building

Pursuant to Ordinance No. 13984 of City of Miami Code, a Special Revenue Fund "NRD-2 Public Benefits Trust Fund" ("NRD-2 trust fund") was established in FY 2023-24 in order to collect cash contributions made according to the Wynwood Norte Neighborhood Revitalization District ("NRD-2") as established in Ordinance No. 13114, the Zoning Ordinance of the City of Miami, Florida, as amended ("Miami 21 Code"). A detailed description of each Special Revenue Fund is located in the Five-Year Financial Forecast section of the book under the Special Revenue Funds forecast.

Debt Service Funds Overview

Debt Service Funds are used to account for payments of principal and interest on general obligation bonds, payments of principal and interest on special obligation bonds, repayment of other debt instruments (such as the State Revolving Loan Program or the Vehicle Lease Program), and accumulated resources to fund these debt service payments. The FY 2024-25 Budget for the Debt Service Funds is \$93.649 million.

Neither state law nor the City Charter provides limits on the amount of debt that may be incurred. Therefore, the City has a Debt Management Policy that establishes debt ratio targets to provide flexibility to meet future Capital needs and not affect the Operating Budget. The three ratios that have been established are General Government Debt Service as a percentage of Non-Ad Valorem General Fund revenues of less than or equal to 15 percent, Net Debt per Capita of less than or equal to \$2,000 per resident, and Net Debt to Taxable Assessed Value less than or equal to five percent.

The City of Miami's current bond rating from Moody's Investor Services is "Aa2" and "AA" from Standard and Poor Global Ratings.

General Obligation Bonds and Limited Ad Valorem Bonds

Payments of debt service on general obligation bonds and limited ad valorem bonds are funded by a tax levy on non-exempt property value. A millage rate is calculated and approved by the City Commission based on the amount of general obligation debt outstanding as of September 30, 2024. All general obligation bonds and limited ad valorem bonds are voter-approved and used for specific projects or purchases. General obligation bonds pledge the full faith and credit of the City. Limited Ad Valorem Bonds are funded by a tax levy on non-exempt property value up to a voter-approved limit.

At this time, the City of Miami does not have any outstanding general obligation bonds; but does have one current and one future limited ad valorem set of bonds (the Homeland Defense Bonds and the Miami Forever Bonds). These limited ad valorem bonds are often referred to as general obligation bonds to differentiate them from special obligation bonds.

The FY 2024-25 Budget for debt service for general obligation bonds (truly, limited ad valorem bonds) is \$37.284 million which is comprised of \$22.682 million from property tax revenues at a millage rate of 0.2536, and the \$14.602 million from carry-over fund balance.

Special Obligation Bonds

Payment of debt service on the City's various special obligation bonds are secured by pledges of specific non-ad valorem revenue sources in accordance with their bond indentures. The City's bond resolutions require that sufficient funds be available in reserve accounts to meet the debt service requirements. The FY 2024-25 Budget for debt service on special obligation bonds is \$56.365 million, which is comprised of \$40.875 million of Transfers-In from the General Fund, \$6.497 million from the Special Revenue Fund, \$3.933 million from Omni Community Redevelopment Agency, \$5.000 million from the Miami-Dade County Convention Development Tax (CDT).

Internal Service Fund Overview

Internal Service Fund

The City's Internal Service Fund (ISF) provides a mechanism that allows for allocating costs to the operating departments. These expenses include health care, workers' compensation, insurance premiums, liability claims, as well as specific information technology costs. Additionally, ISF serves as a centralized account for payment of these expenditures. The FY 2024-25 Budget for the ISF is \$139.888 million.

Health Insurance

The FY 2024-25 Budget for Health Insurance is \$52.905 million. This represents an approximately 2.8 percent decrease over the FY 2023-24 Budget. This projection incorporates a four percent trend based on actuarial analysis. However, the City is fortunate to see some cost offsets due to a reduction in retiree prescription drug expenses thanks to the implementation of the Employer Group Waiver Plan (EGWP).

Workers' Compensation

The FY 2024-25 Budget for Workers' Compensation is \$25.091 million. This represents an approximately 11.8 percent increase over the FY 2023-24 Budget. This is actuarially projected and budgeted at a 65 percent confidence level. This increase is primarily due to increases in claims frequency.

Insurance Premium

The FY 2024-25 Budget for Insurance Premiums is \$15.923 million. This represents an approximately 15 percent increase over the FY 2023-24 Budget. The increase is primarily due to higher property premiums charged by insurance carriers in the market place.

General Liability

The FY 2024-25 Budget for General Liability is \$27.224. This represents an increase of approximately 353 percent over the FY 2023-24 Budget. While police liability claims have decreased, overall budget increases are driven by projected rises in the frequency and severity of Public Official Liability, Vehicle Liability, and General Liability claims. These projections are based on actuarial data with a 75 percent confidence level, a significant improvement from the previous 55 percent confidence level.

Information Technology (IT) Repair and Maintenance

The FY 2024-25 Budget for Information Technology Repair and Maintenance is \$18.745 million. This represents an approximately 15.9 percent increase over the FY 2023-24 Budget. The increase is primarily due in part to increases in application and licensing, and funding for new infrastructure platforms.

Capital Plan Overview

The City of Miami's Capital Plan (the Capital Improvements Plan or CIP) is a comprehensive, plan for enhancing and maintaining public infrastructure by repairing current facility and asset deficiencies as well as providing new service delivery infrastructure. The CIP provides the budgeted fund sources available for capital projects and identifies the planned improvement projects and the corresponding estimated costs.

The Purpose of the Capital Improvements Plan

The purpose of the CIP is to systematically plan, schedule, manage, monitor, and finance capital projects to ensure efficiency and compliance with the overall goals and objectives of the City's Strategic Plan. The Office of Management and Budget, with the assistance and support from each City department, develops the Capital Plan to recommend capital project funding to the City Commission. The City Commission makes capital funding decisions based on current year allocations made in the plan.

The Capital Budget

The first year of the six-year CIP also serves as the Annual Capital Budget. The City's Capital Budget, separate from the Annual Operating Budget, presents the funding plans for City construction and repair projects, and purchases of land, buildings, or equipment. The City defines a capital improvement as the acquisition, construction, reconstruction, or installation of a physical public improvement or addition to fixed assets in the form of land, buildings or improvements with a value of \$5,000 or more and a "useful life" of at least three years.

The City Manager submits the Capital Budget concurrently with the Operating Budget each year. The Capital Budget authorizes capital project expenditures, while the Operating Budget authorizes the expenditure of funds for such things as employee salaries and the purchase of goods and services. Capital projects can have an impact on the Operating Budget through additional costs to operate new facilities or the expansion of current City assets, potential additional revenues the improvement can bring to the City, or cost savings from acquisition more effective and efficient equipment. The final Capital Budget is adopted by the City Commission each year in September.

Individual capital projects may not exceed the amount appropriated in the Adopted Capital Budget and if a project requires additional funds, the Capital Plan can be subsequently amended throughout the fiscal year as needed. Any amendments to the CIP are required to be heard and approved by the City Commission.

The FY 2024-25 Capital Plan is an update to the FY 2023-24 Capital Plan which was adopted with modifications on September 9, 2023 pursuant to Resolution No. R-23-0376, as subsequently amended on September 14, 2023 pursuant to Resolution No. R-23-0448, on October 26, 2023 pursuant to Resolution Nos. R-23-0484 and R-23-0485, on November 16, 2023 pursuant to Resolution Nos. R-23-0508, R-22-0509, and R-22-0519, on December 16, 2023 pursuant to Resolution No. R-23-0549, on February 22, 2024 pursuant to Resolution Nos. R-24-0075 and R-24-0061, on March 14, 2024 pursuant to Resolution No. R-24-0103, on April 24, 2024 pursuant to Resolution No. R-24-0165, and on July 11, 2024 pursuant to Resolution Nos. R-24-0266, R-24-0267, and R-24-0272.

Capital Plan Overview

The FY 2024-25 Adopted Capital Budget was approved on September 7, 2024, by the City Commission through Resolution No. R-24-0328, totaling \$157.57 million. This budget will be utilized to fund various projects as outlined in the Capital Plan.

Legal Authority

The legal requirements for preparing the City's Capital Plan are set forth in the Florida Statutes and the City of Miami Code. A capital improvement programming process to support the Comprehensive Plan is required by the Community Planning Act, specifically Sections 163.3161 and 163.3177, Florida Statutes (2023). Furthermore, pursuant to Chapter 18/Article IX/Divisions 1 and 2 of the Code of the City of Miami, Florida, as amended, entitled "Finance/Financial Policies/Anti-Deficiency Act/Financial Integrity Principles", requires the development and approval of a multi-year capital plan which also delineates specific requirements for inclusion.

The Capital Plan Framework

The Capital Plan has been developed to align current and projected capital projects, equipment purchases, and major studies with the City's Strategic Initiatives. It also incorporates the Construction Review and Synchronization Process (CRSP) for new projects and the Project Prioritization Matrix.

The City's Strategic Initiatives provide the framework to fulfill the City's goals and objectives. To fulfill this mission, the Capital Plan must include capital projects, equipment purchases, and major studies that meet or align with one or more of the following Strategic Initiatives:

- Improving resident's quality of life
- Strengthening the City's resiliency
- Leading the community into a pathway to prosperity

Project Sources

The intent of the Capital Improvements Plan is to be a comprehensive plan that is based on input from multiple sources from within the City that involves other regional strategies from other agencies and the private sector that will ultimately support the City's strategic goals of Pathway to Prosperity, Quality of Life, and Resilience for the benefit of its residents and the City as a whole.

As part of the CIP preparation, a series of steps are undertaken by City staff to understand and broaden the possible sources for capital construction improvement projects to include:

- Projects and needs are identified by Client Departments
- Projects and needs identified by outside agencies (Downtown Development Authority, Southeast Overtown Park West Community Redevelopment Agency (SEOPW CRA), and Omni Community Redevelopment Agency (OMNI CRA)
- Projects and needs identified for Local Mitigation Strategy (LMS) for Federal Emergency Management Agency (FEMA)

Capital Plan Overview

- Projects and needs to be coordinated with other governmental agencies such as Miami-Dade County, the State of Florida and the Florida Department of Transportation (FDOT)

Capital Project Prioritization Criteria

The City uses a Project Prioritization Matrix with nine criteria to analyze, rank, and ultimately prioritize projects for funding. Projects with highest ranking are given priority funding and implementation in the Capital Improvements Plan. The criterion used is listed as follows:

- Life, Health, and Safety – Projects that are necessary to meet life, health, or safety requirements or eliminate potentially imminent life, health, or safety risks. Examples of these include facility water intrusion, asbestos abatement, and repair of damages caused by natural disasters.
- Legal and Regulatory Compliance – Projects that are necessary to attain or maintain compliance with legal and mandated requirements set forth by federal, state, local or other jurisdictions. Also includes projects that may be required to satisfy legal settlements with private individuals, entities or regulatory agencies. Examples of these projects are a federal mandate to comply with Americans with Disabilities requirements, or a regulatory agency’s mandate to remediate contaminated soils.
- Essential Improvements – Projects that are necessary for improvements to the functioning, capacity, or preservation of facilities, infrastructure, or historic sites. This criterion measures the extent to which a facility or infrastructure has deteriorated and needs improvements relative to the overall condition of similar facilities or infrastructure. Examples of these projects are roof repairs or replacements, bathroom remodeling, and roadway reconstruction.
- Strategic Alignment - Projects that align with Strategic City initiatives. The execution of these projects will align with or more of the strategic goals outlined by City Administration. Examples of these projects are Fire-Rescue station replacements, construction of new parks, public safety and public service facilities, new sidewalks or baywalks, or projects promoting affordable housing.
- Infrastructure Risk Management and Resilience - Projects that improve City resilience through the prevention or mitigation of infrastructure damage, reduce recovery time from natural disasters, or provide redundancy to prevent service disruption. Examples of these projects are replacement of seawalls, installing backflow valves, constructing new storm pump stations, or installing new backup generators to avoid service disruption at key and critical infrastructure.
- Environmental Protection - Projects intended to conserve, preserve, or increase natural resources (including tree canopy, greenspace, or shorelines) or protect or improve air or water quality. Examples of these projects are canal dredging and shoreline restoration.
- Coordination and Dependency - Projects that, if performed in conjunction with other entities or agencies, will provide better integration, reduce commitment of the City's capital resources, and allow a more efficient project execution. Examples of these are projects that involve Joint Participation Agreement with M-DWASD, Local Participation Agreements (LAP) with F-DOT, or City Commissioned approved agreements with private developers.
- Leverage External Funds - Projects that can leverage funds from, or that are funded by, external funding sources such as Federal, State, County, private, and other local entities. Example of these

Capital Plan Overview

projects that can be eligible for external funds such as Florida Inlet Navigation Development (FIND) grants, Community Development Block grants (CDBG), or Community Redevelopment Agency (CRA).

- Revenue Producing or Cost Savings - Projects that, when completed, will generate additional revenues or increase efficiency resulting in continual cost savings to the City. Examples of these projects are improvements or additions to marinas or cultural and historic venues that will increase marketability or operational revenue. Other examples are retrofitting of existing facilities with more efficient technologies or upgrade to newer materials that will reduce operational cost.

Capital Project Program Funds

The Capital Plan is organized by department and each project is identified by a distinct program fund based on the attributes of the project. This program fund maintains specific financial details of the capital project. The program funds are detailed below:

- General Government – This program consists of general governmental capital enhancements and improvements to municipal buildings and operations facilities. This also includes computers and communications equipment.
- Public Safety – This program consists of acquisition of equipment or construction of major facilities that support the operations of the Police and Fire-Rescue Departments.
- Disaster Recovery – This program is utilized to account for revenue received from the federal government, insurance, and other agencies resulting from declared disasters.
- Public Facilities – This program includes improvements to public use facilities, such as stadiums, auditoriums, and marinas.
- Parks and Recreation – This program accounts for the acquisition, rehabilitation, or construction of capital facilities for recreational activities in parks throughout the City.
- Streets and Sidewalks– This program provides reconstruction, major maintenance, and beautification to Miami’s street system.
- Mass Transit – This program accounts for the acquisition of equipment or construction of capital facilities that support the maintenance and operation of public transportation systems.
- Sanitary Sewers – This program includes projects that will improve the City’s existing sanitary sewer system.
- Storm Sewers – This program accounts for projects that result in improved drainage and storm water management throughout the City.
- Solid Waste – This program includes projects for the acquisition of equipment or construction of facilities for the collection and removal of solid waste.

Office of Capital Improvement’s (OCI) Role

The OCI performs an all-inclusive review of on-going and future capital construction improvement projects with Client Departments. The joint review of projects between OCI and the Client Department provides:

Capital Plan Overview

- Identification of required managerial and technical roles or expertise to execute projects
- Integration and optimization of Citywide resources for delivery of projects
- Citywide reporting of capital construction improvement projects

Based on the joint review, the Client Department and OCI will determine OCI's role as follows:

- **Management Role:** The Client Department relies on the Office of Capital Improvements for the management, execution, and reporting of a Capital Improvement project. In this scenario, OCI's role is to manage the entire project
- **Oversight Role:** The Client Department undertakes the management, execution, and reporting of a Capital Improvement project; but requires OCI's technical assistance to carry out the work. In this scenario, OCI's role is "Oversight" of the project
- **Visibility Role:** The Client Department fully undertakes the management, execution, and reporting of a Capital Improvement project, without assistance from OCI. In this scenario, OCI's role is "Visibility" of the project

Office of Management and Budget's (OMB) Role

OMB plays an important role in determining funding availability for capital construction and non-construction projects, funding those capital projects as funding is available, and ensuring capital projects are funded according to specific requirements of the funding sources that are available.

Throughout the year, OMB liaise with elected officials, stakeholder groups, and all Departments that have capital projects to ensure that the most important projects are funded and prioritized using the CRSP. The prioritized projects are funded by a capital appropriation through the annual Capital Budget or an as needed Capital Amendment which are presented and approved by the City Commission.

As part of the Capital Budgeting process, OMB meets with each department to review their respective capital projects and discusses the status as well as what has been accomplished to meet the City's overall goals and strategies. This information is compiled and presented in the Multi-Year Capital Budget.

Operating Impact of Capital Plan

The City's capital budget is distinct from its operating budget. However, there is an inter-relationship that exists since projects funded and implemented through the capital budget may directly affect the operating budget to address increases or decreases in costs related to supporting and operating those projects. In short, capital projects may impact ongoing expenses on routine operations, repairs, and maintenance, either positively or negatively.

The potential operating impacts of proposed capital projects are carefully considered as part of the City's capital planning process. In many cases, the most important component of a capital spending decision is not the initial acquisition and development cost, but rather the cost impact on the operating budget over

Capital Plan Overview

the life of the capital asset. Projects that represent new or significantly enhanced facilities or technology will impact the operating budget as they are completed and released or transferred back to the pertinent department for operation and maintenance.

Many projects involve the purchase or reconstruction of existing infrastructure to upgrade facilities and equipment to current standards and, as such, do not carry significant operating impacts. Some of these projects, however, require additional operating expenditures for utilities such as water and electricity, or for landscape and lighting maintenance that exceed current consumption levels. New projects, such as park recreation centers and fire-rescue stations, often require the hiring of new personnel, purchase of new furniture and equipment, as well as routine maintenance and payment of increased utility bills.

Each City department works with the Office of Management and Budget to determine the operating impacts of proposed capital projects. Future costs associated with the operation and maintenance of capital assets are estimated and included in the City’s capital and operating budgets.

The estimated operating impacts are anticipated to be recognized in the first year upon completion of the capital project. Additionally, the *Sources and Estimated Uses by Department* report in the Capital Reports Section lists the estimated operating impact by project.

Capital Fund	Estimated Operating and Maintenance Cost
Disaster Recovery	\$ -
General Government	\$ 587,000
Mass Transit	\$ -
Parks and Recreation	\$ 1,289,000
Public Facilities	\$ 544,000
Public Safety	\$ 93,000
Sanitary Sewers	\$ -
Solid Waste	\$ -
Storm Sewers	\$ 13,000
Streets and Sidewalks	\$ 93,000
Grand Total	\$ 2,619,000

Additionally, the table below summarizes the estimated annual operating impacts of completed, non-recurring capital projects.

Project Name	Non-Recurring Capital Cost	5-Year Estimated Annual Operating Impacts				
		FY 2024-25	FY 2025-26	FY 2026-27	FY 2027-28	FY 2028-29
City Department Buildout at Marlins Garage (Citywide)	2,163,000	108,000	110,000	112,000	114,000	116,000
Coconut Grove Business Improvement District - Street Improvements (District 2)	6,759,000	338,000	352,000	366,000	381,000	396,000
NW 24 Avenue Roadway Improvement Project (District 1)	1,759,000	88,000	90,000	92,000	94,000	96,000
NW 33rd Street Roadway Improvement Project - (District 1)	4,870,000	244,000	254,000	264,000	275,000	286,000
Grand Total	\$ 15,551,000.00	\$ 778,000.00	\$ 806,000.00	\$ 834,000.00	\$ 864,000.00	\$ 894,000.00

Capital Plan Overview

Major Funding Programs for Capital Projects

Miami Forever Bond

The Miami Forever Bond will build a stronger, more resilient future for Miami, alleviating existing and future flood risks to our residents, economy, and the City's legacy. The program's goal is to make an immediate impact while delivering long term solutions that result in a compelling safety, wellness, equity, economic, and modernization return on investment.

Background:

In the November 2017 election, Miami's citizens approved \$400 million for the Miami Forever Bond.

- \$192 million designated to prevent and mitigate the impacts of flooding and sea-level rise.
 - \$23 million designated to improve our roads and provide a safe, convenient, effective and multimodal roadway system.
 - \$78 million designated to improve the quality of our parks and cultural facilities and create more open and green space for all.
 - \$7 million designated to public safety to enhance the City's ability to save lives and protect property.
- In December 2018, the City Commission approved (R-18-0546) the Miami Forever Bond's the first Declaration of Official Intent, totaling \$58.653 million.
 - Since December 2018, the City Commission has declared the City's Official Intent to reimburse eligible costs through the issuance of debt totaling over \$250 million.
 - On February 14th, 2019, the City Commission authorized the City Manager and the City Attorney to take all steps necessary to validate the approved and expected future expenditures of the Miami Forever Bond, including entering the State Court system in accordance with Chapter 75, Florida Statutes, and all other applicable State, Federal, and local laws.
 - On May 9th, 2024, the City Commission further approved (R-24-0182), which supplemented R-19-0062 and authorized the issuance and execution of a Bond Purchase agreement in an aggregate principle of \$179.520 million for infrastructure projects (2024A Tax-Exempt and 2024B Taxable Series).
 - On June 12th, 2024, the City of Miami closed on the sale of the Limited Ad Valorem Series 2024A Tax-Exempt and Series 2024B Taxable for the Miami Forever Bond Program.
 - On July 1st, 2024, the City Commission further approved (R-24-0275), which supplemented R-19-0062 and authorized the issuance and execution of a Bond Purchase agreement in an aggregate principle of \$73.510 million for additional infrastructure projects (2024C Tax-Exempt Series).

Guiding Themes:

The City developed five themes to guide the project selection process. We use these themes, along with each bond category goals and objectives, to measure the impact projects will have on making Miami a stronger, more resilient city:

- Safety: Enhance public safety to lessen the frequency and severity of the impact from man-made events and natural hazards. Provide the City with enhanced resources to effectively respond to incidents to minimize the negative effects on our residents.
- Wellness and Quality of Life: Preserve and enhance Miami as a desirable place to live, work and play.

Capital Plan Overview

- **Equity:** Distribute benefits across all parts of community and socio-economic levels emphasizing those with the highest need while maintaining the cohesiveness of the city's social fabric, interaction and diversity.
- **Economic Return:** Consider a cost and benefit framework that evaluates different scenarios for risks mitigation and crisis prevention that could affect the economic vitality of the city and property value.
- **Modernization:** Invest in information and communication technology and infrastructure to enhance quality and performance of urban services.

Execution Strategy:

The Bond program is being executed in three phases; Immediate Impact, Gain Momentum, and Long-Term solutions.

- **Immediate Impact:** The bond kick-off had an immediate impact with the launch of over 100 projects that will be completed within three years. The projects were selected based on the five guiding themes, each bond category's goals and objectives, and coordination with our citizens and partners. The deliberate selection process resulted in the First Declaration of Official Intent of \$58.653 million to be invested in critical projects spread across all bond categories and sections of the city. The first tranche is divided into two series of allocations, Series A Infrastructure and Series B Affordable Housing.
 - Series A – Infrastructure – to include:
 - Roadways
 - Parks and Cultural Facilities
 - Public Safety
 - Sea-Level Rise and Flood Prevention
 - Series B – Affordable Housing – to include
 - Develop and invest in Affordable Housing solutions
 - Initiate and continue Affordable Housing studies, plans and assessments
- **Gain Momentum:** This phase provides an opportunity to strategically program the first series of projects, strengthen partnerships and agreements, and set a strategic course for future investment. While programming over 100 projects already in the pipeline, a detailed organizational capacity assessment will be performed to ensure projects are successful. These requirements include a three-year time completion, creating new and employing alternative methods of procurement, developing a rigorous risk management plan, and establishing compliance and stewardship guidelines.
- **Long Term Solutions:** This phase will deliver design and construction of the first series of projects, capture lessons learned, begin future bond tranche investments, and address resiliency through non-infrastructure measures.
 - Establish strict project and financial monitoring and reporting processes while working with the City Commission appointed bond civilian oversight board.

Capital Plan Overview

- Refine the project selection model for subsequent tranches using lessons learned, study results, professional staff analysis, partner participation, and community engagement.
- Assess and update the City's zoning, planning and building policies and standards to institute rules that will maximize the resiliency benefits from new development.

Status:

1st Declaration of Official Intent Set of Projects (December 2018)

Of the 36 active projects, there is 1 project in Planning, 1 project in A/E selection, 4 projects in design, 5 in procurement, 9 in construction and 16 are completed/closed. 3 original projects under this declaration were cancelled/withdrawn.

2nd through 8th Declaration of Intent – Set of Projects (January 2021 – May 2023)

Of the 30 active projects, there are 12 projects in planning/pre-development, 3 projects in design, 2 in procurement, 1 is an active homeownership loan program, 7 are in construction, 1 in the process of closing on an acquisition, and 3 are completed/closed. 1 original project under this declaration was withdrawn.

9th through 13th Declaration of Intent – Set of Projects (June 2023 – March 2024)

Of the 29 active projects, there are 8 projects in planning/pre-development, 15 projects in A/E selection or design, 2 in permitting, 3 are in construction, and 1 is completed/closed.

Issuance and Final Set of Projects (April 2024 – Future)

Currently, post issuance, the bond is anticipated to provide additional funding to 30 to 40 active MFB Bond projects

Subsequent to the Bond sale, the City will initiate the projects and the use funding for:

- Roadways - \$15 million for Very Poor Condition Roads
- Parks and Cultural Facilities - \$33 million for New or Existing Critical Need Projects
- Public Safety - \$6.5 million for Design/Development of Fire Station # 10
- Sea-Level Rise and Flood Prevention - \$55 million for New or Existing Critical Need Projects
- Affordable Housing - \$35 million to further develop and invest in Affordable Housing solutions throughout the City.

Key Highlights:

- City has issued \$135.45 million (Tax-exempt Series 2024A) and \$44.06 million (Taxable Series 2024B) bonds that reimburse expenses incurred for MFB eligible infrastructure projects. This issuance will provide \$191.76 million of project funding.
- Antonio Maceo Boat Ramp is in construction with anticipated completion in December 2024.
- Jose Marti Park - Shoreline/Seawall, Kayak launch, and Riverwalk– Project is anticipated to start construction bidding process in July 2024.
- Morazan Quesada Park Renovations and Enhancements project is pending dry-run FDOT permit approval to complete the bidding process. Construction is anticipated to start in September 2024.
- West End Park Pool and Enhancements project is in Construction at 30% complete. The project is expected to be completed by Mid 2025.
- Coral Way Park project in construction 20% complete. The project is expected to be completed by December 2024.
- A Design Criteria Package (DCP) has been completed and plans were updated for the Brickell Bay Drive project. The Design/Build contract has been advertised and is expected to be awarded by December 2024.

Capital Plan Overview

- The Design of the South Bayshore Lane/Fairview Phase II Pump Station project has been completed. This project is now in the bidding phase expected to be awarded in July 2024.
- Very Poor Roads Projects: completed 2 road segments, 4 are at 100% design. Package 1 Design/Build project, which includes five locations, has been awarded and is currently under Construction at 60% complete.
- Legion Park Building Renovations currently under Construction at 90%, forecasted to be completed by September 2024.
- Shenandoah Park – Phase I and II have been completed. Phase II is under Construction 95% complete, expected to be completed by September 2024.

Upcoming Actions:

- Overall status of project list and prioritization:
 - Roadways – Assessing road’s Pavement Condition Index (PCI) using Cartograph. Further, all Roadway projects have been fully Identified and prioritized.
 - Parks – A comprehensive list for prioritized Parks projects has been identified, pending Commission approval for appropriation.
 - Sea-Level Rise and Flood Prevention – A comprehensive list for prioritized SLRFP projects has been identified, pending Commission approval for appropriation.
 - Public Safety – Fund Fire Station 10 for design is underway.

American Rescue Plan Act (ARPA)/State and Local Fiscal Recovery Funds (SLFRF)

The Coronavirus State and Local Fiscal Recovery Funds (SLFRF), a part of the American Rescue Plan, delivers \$350 billion to state, local, and Tribal governments across the country to support their response to and recovery from the COVID-19 public health emergency. The program ensures that governments have the resources needed to:

- Fight the pandemic and support families and businesses struggling with its public health and economic impacts;
- Maintain vital public services, even amid declines in revenue;
- Build a strong, resilient, and equitable recovery by making investments that support long-term growth and opportunity;
- Support the COVID-19 public health and economic response by addressing COVID-19 and its impact on public health as well as addressing economic harms to households, small businesses, nonprofits, impacted industries, and the public sector.

Background:

The City of Miami was awarded \$137,639,417 to respond to the economic and public health impacts of COVID-19. The City will use these funds to assist its communities, residents, and businesses rebound from the public health emergency.

ARPA program established several eligible expenditure categories:

Public Health (EC 1): The Fiscal Recovery Funds provide resources to meet and address public health needs, including through measures to counter the spread of COVID–19, through the provision of care for those impacted by the virus, and through programs or services that address disparities in public health that have been exacerbated by the pandemic.

Negative Economic Impact (EC 2): The Fiscal Recovery Funds to respond to the negative economic impacts of the COVID–19 public health emergency, are to address economic harm resulting from or exacerbated by the public health emergency and include Assistance to Unemployed Workers, Assistance to

Capital Plan Overview

Households, Expenses to Improve Efficacy of Economic Relief Programs, Small Businesses and Nonprofits, Rehiring Staff, Aid to Impacted Industries, Building Stronger Communities through Investments in Housing and Neighborhoods, Addressing Educational Disparities, and Promoting Healthy Childhood Environments.

Public Health-Negative Economic Impact: Public Sector Capacity (EC 3):

Fiscal Recovery Funds under this category help rebuild the public sector workforce by funding incentives such as Payroll and Benefits for Public Health, Public Safety, or Human Services Workers, and Rehiring Public Sector Staff. The Funds in this category also support the build of the public sector capacity, by providing funds for Effective Service Delivery and Administrative Needs.

Premium Pay (EC 4):

Since the start of the COVID–19 public health emergency in January 2020, essential workers have put their physical wellbeing at risk to meet the daily needs of their communities and to provide care for others.

Premium Pay is for eligible workers performing essential work during the COVID–19 public health emergency or to provide grants to third-party employers with eligible workers performing essential work.

Infrastructure – Water, Sewer, and Broadband (EC 5):

Fiscal Recovery Funds provide funds to assist in meeting the critical need for investments and improvements to existing infrastructure in water, sewer, and broadband. The eligible use of funding under this category allows a broad range of necessary investments in projects that improve access to clean drinking water, improve wastewater and stormwater infrastructure systems, and provide access to high-quality broadband service.

Revenue Replacement (EC 6):

Fiscal Recovery Funds may be used for the provision of government services to the extent of the reduction in revenue experienced due to the COVID–19 public health emergency. Reduction in revenue is measured relative to the revenue collected in the most recent full fiscal year prior to the emergency. Under the Interim Final Rule, recipients calculate revenue loss using data as of four discrete points during the program: December 31, 2020, December 31, 2021, December 31, 2022, and December 31, 2023.

Eligible Administrative Expense (EC7):

The City procured the administrative services of a program consultant, which are subject matter experts in ARPA and Grant Management to help with the eligibility, management, weekly meetings, monitoring, site visits, community engagement, and reporting for the funds.

Emergency Relief from Natural Disasters (EC8):

Fiscal Recovery Funds under this category would provide emergency relief from natural disasters or the negative effects of natural disasters.

Surface Transportation Projects (EC9):

Fiscal Recovery Funds may be used for Surface Transportation projects where the recipient would supplement current surface transportation projects receiving Department of Transportation (DOT) funding, or fund surface transportation projects not currently receiving DOT funding, or to satisfy the non-federal share requirements for certain surface transportation projects or repaying a loan provided under the Transportation Infrastructure Finance and Innovation Act (TIFIA) program.

Title I Projects (EC10):

Fiscal Recovery Funds may be used to fund Title I projects. Title I of the Housing and Community Development Act of 1974 authorized the Secretary of Housing and Urban Development to make grants to States and Units of general local government to help finance Community Development Programs, this includes eligible activities under the Community Development Block Grant (CDBG) Program or Indian Community Development Block Grant Program (ICDBG).

The Department of Treasury issued the Final Rule on January 6, 2022. The Department of Treasury will continue updating the SLFRF Compliance and Reporting Guidance as the program evolves.

Guiding Objectives and the use of Fiscal Recovery Funds:

Capital Plan Overview

The City had initially proposed to distribute a majority of the funding (\$113.7M) to revenue replacement for general services, with the remaining \$23.9M earmarked for social services programming, community development, and infrastructure projects. In 2022, the City proposed to allocate funding across five (5) City Districts, the Mayor's Office, IT Department, Department of Housing and Community Development, Department of Human Services, Department of Parks and Recreation, which included site infrastructure improvements, social programs, and other eligible activities broken down by functional areas of critical need as listed below. Please note that these initial fund assignments have changed as the program progressed.

- \$89,025,000 for Community Projects (5 Districts)
- \$23,214,417 for Revenue loss
- \$14,500,000 for Housing
- \$5,650,000 for Human Services
- \$3,250,000 for Innovation and Technology and
- \$2,000,000 for City Wide Parks Equipment and Site Improvements

Status:

In Fiscal Year 2023, the City recommended a revised Recovery Plan, modifying the District distribution proposed in 2022, reallocating funding to address the most immediate expenditure activities, with primary focus on public safety and other general services.

Per Sections 602(c)(1)(C) and 603(c)(1)(C) of the Social Security Act, SLFRF funds may be used "for the provision of government services to the extent of the reduction in revenue of such government due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year of the government prior to the emergency."

Key Highlights:

- All SLFRF Funds have been obligated.
- Out of a total of 75 eligible projects: 22 have been completed, 7 are approaching completion, 30 are in progress, 11 remain in review
- 15 Capital Projects have been determined eligible for ARPA funding under Negative Economic Impact and Infrastructure Category.
- All proposed Capital Projects have been reviewed for eligibility.
- All proposed Housing & Community Development Projects having been reviewed for eligibility.
- Several initial projects have been withdrawn and funding reprioritized.
- Further, \$72,740,732.84 has been allocated as Revenue Loss, covering general services expenditures for Fiscal Year 2020-21, Fiscal Year 2021-22, and Fiscal Year 2022-23. Of this amount, \$3,164,000 was allocated for public safety equipment and solid waste service vehicles.

In summary, as of September 2024, the City's usage of SLFRF funding is (by EC Category):

- Public Health (EC1): \$1,350,000.00
- Negative Economic Impacts (EC2-EC3): \$54,528,500.00
- Premium Pay (EC4): \$920,174.16
- Infrastructure (EC5): \$5,500,000.00
- Revenue Replacement (EC6): \$72,740,742.84
- Administrative (EC7): \$2,600,000.00

Capital Plan Overview

Per US Treasury Guidelines: All funds remain subject to statutory and regulatory requirements that they must be used for costs incurred by the City of Miami during the period that began on March 3, 2021, and ends on December 31, 2024, and that award funds for the financial obligations incurred by December 31, 2024 must be expended by December 31, 2026. Any funds not used must be returned to Treasury as part of the award closeout process pursuant to 2 C.F.R. 200.344(d).

Personnel Overview

Introduction

The FY 2024-25 Budget's Full-Time Equivalent (FTE) position count is 4,710. The Budget includes transfers, additions, or reductions of full-time personnel across departments and offices. This section provides details of each personnel change.

Summary

The total change in positions from the FY 2023-24 Adopted Budget to the FY 2024-25 Adopted Budget is a net gain of 18 positions. Since October 1, 2023, to September 30, 2024, the number of FTE positions had a net increase of 28 positions consisting of 28 additions, no eliminations, and two positions transferred between departments.

The FY 2024-25 Adopted Budget includes 25 additions, 35 eliminations, and six positions transferred between departments.

Therefore, the FY 2024-25 Adopted Budget has a net increase of 18 positions from the FY 2023-24 Adopted Budget (28 net additions in FY 2023-24 and 10 net eliminations in FY 2024-25).

Agenda Coordination

The Budget for the Office of Agenda Coordination includes no transfers, additions, or reductions of positions.

Building

The Budget for the Building Department includes a net increase of five positions resulting from transfers, additions, or reductions.

The Budget for the Department includes the addition of one Special Project Coordinator position, one Building Services Assistant IV position, one Business Services Assistant III position, and two Business Services Assistant III positions.

Capital Improvements

The Budget for the Office of Capital Improvements includes a net decrease of two positions resulting from transfers, additions, or reductions.

The Budget for the Office includes a transfer to the Department of Resilience and Sustainability of two vacant positions (one Project Manager - CIP (Horizontal) position and one Construction Manager (Horizontal) position), which were added in the Mid-Year Budget Amendment for FY 2023-24.

City Attorney

The Budget for the Office of the City Attorney includes a net increase of five positions resulting from transfers, additions, or reductions.

Personnel Overview

The Budget for the Office includes an increase of two Assistant to the City Attorney positions, which was added in the Mid-Year Budget Amendment for FY 2023-24.

The Budget for the Office also includes an increase of one Paralegal position, one Legal Assistant position, and one Senior Assistant City Attorney position.

City Clerk

The Budget for the Office of the City Clerk includes no transfers, additions, or reductions of positions.

City Manager

The Budget for the Office of the City Manager includes a net decrease of six positions resulting from transfers, additions, or reductions.

The Budget for the Department includes a transfer to the Department of Economic Innovation and Development of one Executive Director of Venture Miami position, one Executive Assistant to City Manager for Market Research and Analytics – Venture Miami position, one Senior Advisor to City Manager for Economic Development – Venture Miami position, one Senior Executive Assistant to City Manager for Strategic Engagement – Venture Miami position, one Assistant to the Director - Venture Miami position, and one Administrative Assistant II position.

Civil Service

The Budget for the Civil Service Board includes no transfers, additions, or reductions of positions.

Code Compliance

The Budget for the Office of the City Attorney includes a net increase of three positions resulting from transfers, additions, or reductions.

The Budget for the Department includes the addition of one Assistant Director position, one Hearing Boards Coordinator position, and two Hearing Board Specialist positions, which were added in the Mid-Year Budget Amendment for FY 2023-24.

Commissioners

The Budget for all Commission Offices includes no transfers, additions, or reductions of positions.

Communications

The Budget for the Office of Communications includes no transfers, additions, or reductions of positions.

Equal Opportunity and Diversity Programs

The Budget for the Office of Equal Opportunity and Diversity Programs includes no transfers, additions, or reductions of positions.

Personnel Overview

Economic Innovation and Development

The budget for the new Department of Economic Innovation and Development includes a transfer of six positions but does not include a net increase to the City of Miami Table of Organization.

The Budget for the Department includes a transfer from the Office of the City Manager of one Executive Director of Venture Miami position, one Executive Assistant to City Manager for Market Research and Analytics – Venture Miami position, one Senior Advisor to City Manager for Economic Development – Venture Miami position, one Senior Executive Assistant to City Manager for Strategic Engagement – Venture Miami position, one Assistant to the Director - Venture Miami position, and one Administrative Assistant II position.

Finance

The Budget for the Finance Department includes no transfers, additions, or reductions of positions.

Fire-Rescue

The Budget for the Department of Fire-Rescue includes a net increase of 34 positions resulting from transfers, additions, or reductions.

The Budget for the Department includes the addition of one Grant Funded Senior Budget and Financial Support Advisor civilian position and one Grant Funded Special Projects Assistant civilian position, which were approved by Resolution R-24-0071, adopted by the City Commission on 2/22/2024. It also includes the addition of 17 sworn positions for one engine company (three Fire Captain positions, one Fire Lieutenant positions, and 13 Fire Fighter positions), which were added in the Mid-Year Budget Amendment for FY 2023-24.

The Budget for the Department also includes the addition of seven civilian positions (three Emergency Dispatchers positions and four Heavy Equipment Mechanics positions) and eight sworn positions (four Fire Captain positions and four Fire Fighter positions).

General Services Administration

The Budget for the General Services Administration includes no transfers, additions, or reductions of positions.

Grants Administration

The Budget for the Grants Administration includes no transfers, additions, or reductions of positions.

Housing and Community Development

The Budget for the Department of Housing and Community Development includes no transfers, additions, or reductions of positions.

Personnel Overview

Human Resources

The Budget for the Department of Human Resources includes no transfers, additions, or reductions of positions.

Human Services

The Budget for the Department of Human Services includes no transfers, additions, or reductions of positions.

Independent Auditor General

The Office of the Independent Auditor General was eliminated as approved by the electorate at the Referendum Special Election of August 20, 2024, with a reductions of nine positions.

Innovation and Technology

The Budget for the Department of Innovation and Technology includes no transfers, additions, or reductions of positions.

Management and Budget

The Budget for the Office of Management and Budget includes no transfers, additions, or reductions of positions.

Mayor

The Budget for the Office of the Mayor includes no transfers, additions, or reductions of positions.

Parks and Recreation

The Budget for the Department of Parks and Recreation includes no transfers, additions, or reductions of positions.

Planning

The Budget for the Planning Department includes no transfers, additions, or reductions of positions.

Police

The Budget for the Police Department includes a net increase of two positions resulting from transfers, additions, or reductions of positions.

The Budget for the Department also includes the addition of two Police Officer sworn positions.

Procurement

The Budget for the Department of Procurement includes no transfers, additions, or reductions of positions.

Personnel Overview

Real Estate and Asset Management

The Budget for the Department of Real Estate and Asset Management includes a net increase of three positions resulting from transfers, additions, or reductions.

The Budget for the Department includes the addition of one Marinas Supervisor position and two Marinas Aides positions, which were added in the Mid-Year Budget Amendment for FY 2023-24.

Resilience and Public Works

The Budget for the Department of Resilience and Public Works includes a net increase of two positions resulting from transfers, additions, or reductions.

The Budget for the Department includes a transfer from the Office of Capital Improvement of two vacant positions (one Project Manager - CIP (Horizontal) position and one Construction Manager (Horizontal) position), which were transferred in the Mid-Year Budget Amendment for FY 2023-24.

Resilience and Sustainability

The Budget for the new Office of Resilience and Sustainability includes no transfers, additions, or reductions of positions.

Risk Management

The Budget for the Department of Risk Management includes no transfers, additions, or reductions of positions.

Solid Waste

The Budget for the Department of Solid Waste includes a net decrease of 19 positions resulting from transfers, additions, or reductions.

The Budget for the Department includes the reduction of nine Waste Collector – Garbage positions, one Waste Collector – Trash position, two Waste Equipment Operator positions, and seven Waste Collector Operator I positions.

Zoning

The Budget for the Office of Zoning includes no transfers, additions, or reductions of positions.

Non-Departmental Accounts

The Budget for the Non-Departmental Accounts includes a net decrease of seven positions resulting from transfers, additions, or reductions.

The Civilian Investigative Panel was eliminated resulting in a reduction of seven positions.

Collective Bargaining Overview

The City of Miami has four Collective Bargaining Units (CBUs) as governed by Florida Statute 447.01 and has non-bargaining employees. The CBUs are:

- Miami General Employees American Federation of State, County, and Municipal Employees Local 1907, AFL-CIO (AFSCME 1907)
- Florida Public Employees Council 79, American Federation of State, County, and Municipal Employees, AFL-CIO, Local 871 (AFSCME 871)
- Fraternal Order of Police, Walter E. Headley, Jr., Miami Lodge No. 20 (FOP)
- International Association of Fire Fighters, AFL-CIO Local 587 (IAFF)

The AFSCME 1907 covers all non-sworn employees in the administrative, financial, and service occupations of the City. As of October 1, 2024, the AFSCME 1907 covers a total of 1,945 positions and has an estimated annual payroll that includes other pay items of \$160.188 million. The current collective bargaining agreement expires on September 30, 2026.

The AFSCME 871 covers all sanitation occupations. As of October 1, 2024, the AFSCME 871 covers a total of 198 positions and has an estimated annual payroll that includes other pay items of \$12.344 million. The current collective bargaining agreement expires on September 30, 2026.

The FOP covers all sworn, non-executive Police occupations including Detention Officers. As of October 1, 2024, the FOP covers a total of 1,347 positions and has an estimated annual payroll that includes other pay items of \$131.653 million. The current collective bargaining agreement expires on September 30, 2026.

The IAFF covers all sworn, non-executive Fire-Rescue occupations. As of October 1, 2024, the IAFF covers a total of 816 positions and an estimated annual payroll that includes other pay items of \$84.539 million. The current collective bargaining agreement expires on September 30, 2026.

The Non-Bargaining Unit consists of all other full-time occupations that are not part of a Collective Bargaining Unit. As of October 1, 2024, there are a total of 404 positions with an estimated annual payroll of \$56.716 million.

Resilience Overview

The Resilience Overview highlights accomplishments from the prior fiscal year and reflects actions taken by all City departments that have contributed to Miami becoming more resilient and sustainable. The actions that the City has taken are organized by the City's different climate strategies: the Miami Forever Climate Ready Strategy and the Miami Forever Carbon Neutral Plan, both of which integrate the goals and objectives of the regional Resilient305 Strategy.

General

- The City continues to convene key departments monthly to discuss Citywide resilience initiatives and ensure resilience considerations are operationalized across all departments.
- Internally, departments continue to report progress, quarterly, on the 140 resilience actions included in the City's resilience strategies. Externally, the Office of Resilience and Sustainability led the drafting and submittal of annual 2024 updates to the Carbon Disclosure Project (CDP), C40 Cities Leadership Standards, and Southeast Florida Regional Climate Change Compact Compact-Assessment Tool (C-CAT). In FY 23-24, the City received an A- on the 2023 CDP report and additionally, received distinction of one of the two most improved cities for the 2023 American Council of Energy Efficient Economy (ACEEE) report.
- The Climate Resilience Committee (CRC) met throughout FY 23-24. Aaron DeMayo served as Chair and Nkosi Muse as Vice Chair. The Committee welcomed Silvio Pupo, a new member appointed by Commissioner Miguel Angel Gabela, and said goodbye to Rodrigo Bilbao, a Mayor Appointee, who stepped down from the Committee. The CRC heard presentations and provided feedback on multiple City projects including Morningside Park Resilient Waterfront Design, Jose Marti Park Resilient Redesign, Dinner Key Breakwaters and Resilience Improvements, Miami River Bridge/Hyatt Project, Peacock Park Shoreline Improvements, Legion Park Baywalk and Shoreline Improvements, and two Watson Island redevelopment projects: Watson Harbor and the Ecoresiliency Park. Other notable discussion topics included climate gentrification, the Leave No Trace program, the City's Extreme Heat Plan, the U.S. Army Corps of Engineers Miami-Dade County Back Bay Feasibility Study, and updates on current climate science. The Committee passed two items: 2023 Annual Report and a Discussion Item on leaf blowers recommending transition to non-gas-powered leaf blowers for all City landscape maintenance operations and eventually Citywide.

Miami Forever Climate Ready Strategy

In January 2020, the City of Miami adopted the Miami Forever Climate Ready Strategy to prioritize resilience and tackle the increasing challenges posed by climate change. The adaptation goals of the plan were centered around these projected climate risks. The strategy identifies five goals and 15 objectives to reduce the increasing risks of flood, heat, and storm impacts over the next 40 years, while maximizing social, environmental, and economic co-benefits. The plan incorporates local estimates of 21-40 inches of

Resilience Overview

sea level rise by 2070. The goals of the strategy and the City's accomplishments pursuant to those goals during FY 23-24 are reflected below.

Goal 1: Ensure decisions are data-driven and human centered.

Objectives:

1.1 Enhance understanding of the City's vulnerability to environmental, social, and economic risks with data.

1.2 Quantify the City's impact on climate change.

1.3 Equip City departments and residents by identifying critical metrics and improving access to critical data.

- **Critical Facilities and Assets Vulnerability Assessment:** The City completed its Flooding Vulnerability Assessment as required by the 2021 Florida legislature, defined in Section 380.093, Florida Statute (F.S.). The Vulnerability Assessment evaluates the potential impact of existing and future flood conditions on the City's physical assets and facilities. It provided insights into the timing, extent, and consequences of flood hazard impacts while also serving as a screening tool to prioritize assets most at risk to be considered for future mitigation projects. Additional community considerations addressed equity concerns, assigning higher priority to assets in Climate Justice Communities and those identified as valued by the community through community engagement efforts.
- **Greenhouse Gas Emissions Inventory:** The City conducts Greenhouse Gas (GHG) Emissions Inventories biennially in order to track progress towards its 60% reduction in GHG emissions by 2035 and carbon neutrality by 2050 goals. The City released its report detailing Citywide and Government Operations emissions for 2019 and 2021 in December 2023. The City is currently finalizing its inventory for 2023.
- **Miami Forever Climate Ready – Extreme Heat Plan:** The City spent the 2024 Heat Season finalizing the City's Extreme Heat Plan. The Office of Resilience and Sustainability incorporated public comments received over a 3-month period and final feedback from internal departments to develop an action plan and response protocol to address chronic extreme heat.

Goal 2: Inform, prepare, and engage residents and businesses for stresses and shocks.

Objectives:

2.1 Prepare and empower residents and businesses to anticipate and respond to environmental, social, and economic disruptions.

2.2 Create avenues to capture and integrate community feedback into all stages of programming.

2.3 Improve internal capacity, coordination, and communications.

Resilience Overview

- **Community Emergency Response Team (CERT):** In FY 23-24, the Department of Fire-Rescue, Division of Emergency Management facilitated 5 CERT trainings. The City currently has 199 CERT trained volunteers.
- **King Tide Coordination:** The Department of Fire-Rescue, Division of Emergency Management continues to convene an interdepartmental King Tide Action Group throughout King Tide season to streamline communications and flood mitigation efforts. The City has started using its SMS text alert system to provide notifications for King Tides.
- **Heat Alert Notifications:** The Department of Fire-Rescue, Division of Emergency Management continues to utilize its heat alert text service to notify residents when the National Weather Service declares a heat advisory or excessive heat warning. City residents can sign up for heat alerts and other City of Miami emergency updates by texting ALERTMIAMI to 888777. In 2024, there were 3,645 Alert Miami Subscribers and 21,321 Community Subscribers. Fire-Rescue received 183 heat related alarms (emergency calls) from May through September 2024.
- **Resilience Hubs:** The Office of Resilience and Sustainability continues to serve as grant manager for the CDBG-MIT Critical Facilities Hardening Charles Hadley Park Resilience Hub project and continues to submit monthly and quarterly reports and participates in biweekly check-in calls with Florida Commerce. The Office of Capital Improvements (OCI) coordinated the installation of a temporary generator at the park prior to Hurricane Milton. The Armbrister Park Resilience Hub is currently at 100% Design and is awaiting full funding to begin construction.
- **Assisted Living Facilities (AFL) and Nursing Homes:** Since 2021, the Department of Building has been completing yearly inspections of Assisted Living Facilities (AFL) and Nursing Homes, ensuring they comply with Chapter 10-8 of the City Code and Florida Administrative Code 59A-36.025. This requirement is to ensure that not only there is emergency backup power, but that power is sufficient to cool a space, which all the residents can be in, under 81 degrees for 96 hours. Last year, the City escalated enforcement by bringing all of those out of compliance to the Code Enforcement Board. As a result, the vast majority (90%>) out of compliant ALS have obtained permits and are current with their yearly submittals. As of 2024, 118 have come into compliance or are under the process of reaching compliance.
- **Climate Gentrification:** The Department of Housing and Community Development and Office of Capital Improvements implemented the Homeowner Preservation Program to make eligible homes climate ready by providing impact windows and doors and roof replacement to prevent displacement of low-income homeowners.

Goal 3: Protect and enhance our waterfront.

Objectives:

Resilience Overview

3.1 Reduce the severity, duration, and impact of coastal and riverine flooding on shorelines and surrounding communities.

3.2 Update and implement waterfront design standards.

3.3 Accelerate investment in features along the waterfront.

- **U.S. Army Corps of Engineers Miami-Dade County Back Bay Study:** The City submitted formal comments on the U.S. Army Corps of Engineers (USACE) Draft Integrated Feasibility Report/Environmental Assessment for the Miami-Dade County Back Bay Coastal Storm Risk Management (CSRМ) Feasibility Study that was released April 23, 2024. The goal of this Study is to reduce threats to life, property, and the economy for residents, industries, and businesses if a large-scale storm or hurricane hits Miami. Focus areas in the report that are within the City of Miami are the Miami River and Little River.
- **International Coastal Cleanup Day:** International Coastal Cleanup Day, a worldwide initiative spearheaded by the Ocean Conservancy, engages people to remove trash from beaches and waterways and encourage environmental stewardship. Miami’s efforts are spearheaded by the local non-profit VolunteerCleanup, which partnered with various organizations to organize 29 cleanups within the City on Saturday, September 21. Approximately 1,366 volunteers collected over 12,000 pounds of debris from City of Miami shorelines.
- **Leave No Trace:** On March 14, 2024, the Miami City Commission unanimously adopted R-24-0108 implementing the City’s “Leave No Trace” policy for City of Miami owned islands, lands, and facilities along Biscayne Bay. On May 18, 2024, the Department of Parks and Recreation launched the Leave No Trace program and temporarily closed four of the City’s spoil islands from Memorial Day Weekend to post-Fourth of July to limit contamination. This initiative includes enhanced enforcement measures, removal of trash cans, educational outreach, and new signage to ensure visitors minimize their environmental impact while enjoying the Bay’s natural beauty.
- **Nature-Based Solutions:** The City has multiple waterfront projects in progress that integrate nature-based solutions and living shoreline features: Jose Marti Park Adaptive Redesign, Peacock Park Shoreline Improvements, Morningside Park Shoreline Improvements, Margaret Pace Park Master Plan, and Legion Park Baywalk and Shoreline Improvements.
- **Access to the Bay:** In February 2024 the City completed construction of improvements to the Seminole Boat Ramp and seawall at Kenneth M. Myers Park. The project involved significant structural upgrades to improve the longevity and stability of the 90 linear foot seawall, a renovated boat ramp, and installation of an ADA-compliant floating dock. The upgrades were funded by the Florida Inland Navigation District (FIND).

Goal 4: Invest in resilient and smart public infrastructure.

Objectives:

Resilience Overview

4.1 Update stormwater management system to meet infrastructure needs through 2060 under varying climate conditions.

4.2 Prioritize projects that protect the most critical and vulnerable areas.

4.3 Upgrade and retrofit existing infrastructure to improve resilience and sustainability.

- **Stormwater Master Plan:** On March 14, 2024, the Miami City Commission approved a final version of the Citywide Stormwater Master Plan which identifies 25 priority flood prevention projects. The City has secured funding for 12 of these projects via the Miami Forever Bond and grants. Based on recommendations from the Stormwater Master Plan, other sea level rise improvement projects have been incorporated in the Capital plan, including raising seawalls, installation of tidal back-flow valves, installation of pump station telemetry system, and pump station upgrades. Through the diligent efforts of the Department of Resilience and Public Works, Office of Capital Improvements, and Office of Management and Budget, the Construction Review and Synchronization Process is utilized to prioritize and sequence City Capital projects.
- **Stormwater Systems Cleaning Report:** The City provides Stormwater Systems Cleaning Reports per Resolution 22-0239 to City Commission, detailing stormwater drains that have been cleaned across City districts. The City also reports street sweeping activities across the City.
- **Nature-Based Infrastructure in Stormwater Projects:** In response to a resolution by the Climate Resilience Committee (CRC) and subsequent Commission Directive, the Office of Resilience and Sustainability met with City departments to determine the best method to integrate green infrastructure guidance into procurement for City capital projects. Drafted a Citywide procurement Administrative Policy Memorandum (APM) and Bulletin for Resilience and Public Works and circulated for review.
- **Building Code Enhancement Initiative:** In May 2024 the Miami City Commission adopted Ordinance 15659, establishing the City of Miami's Administrative amendment to the Florida Building Code. This amendment increases transparency, compliance, and is now a model for other jurisdictions. This will assist in upgrading the City's Building Code Effectiveness Grading Schedule rating, which lowers insurance rates and increases opportunities for grant awards.

Goal 5: Promote adaptive neighborhoods and buildings.

Objectives:

5.1 Develop policy and regulations to reduce impact of environmental risks and promote sustainability.

5.2 Incentivize development that allows residents and businesses to adapt and thrive under changing environmental, economic, and social conditions.

5.3 Integrate resilience, sustainability, and equity considerations into large development projects

- **Evaluation & Appraisal Review:** The Department of Planning completed an Evaluation & Appraisal Review (EAR) of the Miami Comprehensive Neighborhood Plan (MCNP), setting a vision for Miami

Resilience Overview

through 2035. This is a process that the City conducts every seven years, as required by State Statute. The new MCNP took effect in May 2024.

- **Freeboard Update:** The Miami City Commission adopted Ordinance 14228 in October 2023 which amended the zoning code to include additional height allowances and freeboard in the T3 transect.
- **ParkScore:** In 2024, the Trust for Public Land gave City of Miami a ParkScore Ranking of 36 out of the 100 largest U.S. cities. 89% of Miami residents live within a 10-minute walk of a park. 7% of Miami's land is used for parks and recreation, with 172 parks.
- **Drainage Recertification Program:** The Miami City Commission adopted Ordinance 14295 in July 2024 amending Chapter 20 of the City Code to establish requirements for a 10-year drainage recertification program and providing standards for development in Special Flood Hazard Areas.
- **Trees Planted:** The Department of Resilience and Public Works was responsible for planting approximately 1,828 trees Citywide for FY 23-24.
- **Howden Insurance Fellowship:** Through the Resilient Cities Network, the Office of Resilience and Sustainability worked to research and develop conceptual parametric insurance products for low-moderate income property owners.

Miami Forever Carbon Neutral Plan

Miami Forever Carbon Neutral, adopted November 2021, is the City's greenhouse gas (GHG) reduction plan and roadmap to achieve carbon neutrality by 2050 in the community, strengthen the local economy, and enhance climate justice. This plan is focused on rapidly decreasing GHG emissions from sources within City of Miami's jurisdiction, aiming to achieve a minimum 60% reduction in emissions from 2018 levels by 2035, and putting the City on a path to get as close to zero emissions as possible. The plan is based on five overarching goals that support a **GREEN** Miami and achievement of the City's GHG reduction targets. During FY 23-24, the City's accomplishments include:

G – GETTING AROUND MIAMI

Objective: 15% shift away from private vehicle trips compared to 2018 levels by 2035

- **Electric Ride-Sharing Expansion:** The Miami Parking Authority and the Downtown Development Authority partner with Freebee electric ride-share services to provide complimentary transportation in Miami neighborhoods (Coconut Grove and Downtown). The program has expanded to include on demand rides from Tesla vehicles within defined service areas.

Resilience Overview

- **Graham Greenway:** The City of Miami was awarded \$60.35 million from the U.S. Department of Transportation's Reconnecting Communities and Neighborhoods (RCN) Grant Program. The project aims to correct a longstanding injustice by creating a planned public landscape beneath the elevated I-395 highway viaducts. Spanning 33 acres, this urban open space and streetscape will reunite the urban fabric of Overtown, a historically Black neighborhood that was fragmented during highway construction in the 1960s. The project will provide a safe environment for recreational activities such as walking, jogging, and biking promoting non-vehicular transportation options.

R – RENEWABLE ENERGY

Objective: 100% carbon-free electricity by 2035

Objective: 35% reduction in natural gas emissions compared to 2018 levels by 2035

- **Solar Permits:** The Department of Building issued 153 solar permits in FY 23-24. Staff also made process improvements ensuring that solar permits are expedited and issued within three days, and that permit fee waivers are more streamlined.
- **SolarTogether:** The City began participating in the FPL SolarTogether program in 2024, thus sourcing 45% of the City's electricity use from utility solar. Participation in this program addresses the City's greenhouse gas emissions, reducing government operations emissions by at least 21%.
- **SolSmart:** The Office of Resilience and Sustainability coordinated a SolSmart training for 33 permitting and inspector staff to improve internal knowledge about modern solar technologies and nationwide best practices in permitting and installing solar photovoltaic systems. The City is currently working on SolSmart certification from the U.S. Department of Energy.

E – ELECTRIC VEHICLES

Objective: 40% of registered passenger vehicles are electric by 2035

- **EV Task Force:** To facilitate Citywide collaboration and consensus for both public and private electric vehicle (EV) initiatives, ORS launched an internal EV Task Force team that meets bimonthly to discuss policy, data needs, and grants. As a result of the Task Force's efforts, the City applied for the 2024 cycle of the U.S. Department of Transportation Charging and Fuel Infrastructure Grant and developed Part 1 of a Public Charging EV Roadmap to inform the implementation of future projects on public and private land.
- **EV Fleet Expansion:** The City submitted a proposal to the U.S. Department of Energy to utilize its Energy Efficiency and Conservation Block Grant (EECBG) formula funding to pilot electric vehicles for the City fleet. The resolution accepting the grant funds was approved at City Commission, R-24-0242, and the proposal was approved.

Resilience Overview

- **FPL EVolution:** The City is partnering with Florida Power and Light (FPL) on their EVolution program to install DC Fast (Level 3) electric vehicle chargers at City parks and properties. In 2024, the contract negotiations with FPL were finalized, and an additional park site was added to ensure equity among Commission Districts. Capital infrastructure for this project is valued at more than \$3.5 million.

E – ENERGY EFFICIENCY

Objective: Improve energy efficiency in buildings to decrease overall energy consumption and support achievement of Goal 2: Renewable Energy

- **BE305:** As of October 1, 2024, all buildings 50,000 sq ft and above are required to submit energy and water benchmarking reports as part of the Building Efficiency 305 (BE305) program. In June 2024, buildings 100,000 sq ft and above were required to benchmark for the second year in a row. The Department of Building and Department of Code Compliance developed an enforcement process to ensure greater compliance with the ordinance.
- **Energy Efficient City Buildings:** In June, two City of Miami facilities were recognized as part of Miami-Dade County’s Building Efficiency 305 (BE305) Challenge: Charles Hadley Park, awarded for being one of the top 3 facilities that reduced the most energy for the BE305 Challenge in 2023, and Bryan Park, awarded for being one of the top 3 facilities that reduced the most water for the BE305 Challenge in 2023. The City is currently in the final stages of benchmarking all its facilities, with over 80 City-owned buildings expected to be completed by the end of 2024.
- **Energy Star Certification:** In 2024, the Miami-Fort Lauderdale-West Palm Beach metro area ranked #22 on the EPA’s list of U.S. metropolitan areas with the most ENERGY STAR certified buildings, with 102 certified buildings, up from 94 in 2023. This achievement highlights the region’s commitment to energy efficiency and sustainable practices through the BE305 Program.
- **LEED Certified Administrative Building:** As the City designs its new administrative building at Miami Freedom Park, the City will be pursuing LEED Gold certification for the facility.
- **Green Roofs:** The Miami City Commission adopted Ordinance 14242 in December 2023 which clarified “green roof” definitions, introducing an “intermediate level” definition, and clarifying configuration standards. This simplifies permitting and installation of intensive and extensive green roofs.

N – NEW ECONOMY

Objective: Grow the Green Economy Ecosystem

Objective: Recruit and Retain Green Workforce

Objective: Open Occupational Pathways

Resilience Overview

Objective: Welcome and Support Green Industry

- **Climate Resilience Tech Hub:** The U.S. Department of Commerce’s Economic Development Administration (EDA) designated Miami-Dade County as a tech hub and awarded \$19.5 million to the South Florida ClimateReady Tech Hub. The investment aims to accelerate regional technology and innovation-led growth by enhancing the capacity to manufacture, commercialize, and deploy key climate technologies. The ClimateReady Tech Hub will focus on climate adaptation and mitigation technologies, including clean concrete, coastal defense systems, and next-generation HVAC solutions. This initiative is projected to create 23,000 high-paying jobs over the next five years and generate \$41 billion in revenue, establishing South Florida as a global hub for sustainable and resilient infrastructure. The City of Miami was a member of the establishing cohort.
- **Workforce Development:** Throughout the year, the Office of Resilience and Sustainability supported the professional development of City employees in a number of environmental related disciplines including Waterfront Edge Design Guidelines (WEDG), LEED Green Associate, SolSmart, and Living Shorelines for Marine Contractors training.

Additional Enabling Actions

Objective: Advocate and Educate

Objective: Integrate Climate into Governance

Objective: Reduce Solid Waste

- **Annual Tree Giveaways:** Annually, the Department of Building hosts fruit tree giveaways for City residents in April in honor of Earth Month and Arbor Day. In April 2024, the City distributed over 500 fruit trees and shrubs to City of Miami residents at five tree giveaways.
- **Annual Earth Day Celebration:** The Office of Resilience and Sustainability hosted and coordinated the City’s annual Earth Day Celebration at Miami Riverside Center featuring Miami River Boat Rides provided by the Department of Fire-Rescue, healthy food vendors, Tesla test drives, and educational tabling from City departments and local non-profits on their resilience-aligned programming and projects.
- **E-Waste Recycling:** This fiscal year, the Department of Solid Waste held three e-waste recycling drives at Regatta Park. In total, the City collected over 9,000lbs of obsolete electronics and over 600lbs of lamps and batteries.
- **WE-LAB Workshops:** The Office of Resilience and Sustainability partnered with Dream in Green to host five Water and Energy Learning and Behavior (WE-LAB) workshops, one in each district, reaching over 150 participants. The goal of the workshops is to educate participants on how to

Resilience Overview

track their water and energy use at home and apply these new learned behaviors to reduce utility costs, greenhouse gas emissions, and overall negative impact on the environment.

- **“Ready, Set, Grow!”:** The Department of Human Services launched the “Ready, Set, Grow!” program in April 2023, a transformative educational garden program that focuses on fostering environmental awareness, improving access to fresh produce, and promoting nutritional values, at three of the City’s Child Learning Centers. This year they launched the "Happy Seeds Project" as an addition to the garden program featuring a diverse selection of seeds encouraging families to start their gardening journey. Over 424 seeds of herbs, vegetables, and flowers have been planted, 91 plants successfully transplanted, and garden spaces now feature over 20 species of vegetables and herbs.
- **Marjory Stoneman Douglas Monument:** In partnership with the Hulu “Made by Her” project, the City installed a monument for Marjory Stoneman Douglas in Peacock Park in recognition of work as a trailblazing environmentalist and City of Miami resident.
- **Southeast Florida Regional Climate Leadership Summit:** The Office of Resilience and Sustainability worked with Miami-Dade County to identify speakers and topics for sessions at the Climate Leadership Summit, the annual conference hosted by the Southeast Florida Regional Climate Compact. These sessions included the Climate Gentrification session, Energy Efficiency session, and Community Engagement session. The City of Miami’s Chief Resilience Officer also presented at the Community Engagement session.

Mayor

Department Head: Francis X. Suarez

Phone: (305) 250-5300

www.miami.gov/My-Government/City-Officials/Mayor-Francis-Suarez

Description

In the City of Miami's "Mayor-Commission" form of government, the Mayor works with the members of the City Commission, the City's Administration, residents, leaders in the private and public sectors, and other Elected Officials in order to determine policy direction for the City of Miami. The Mayor maintains contact with other governments to foster mutual cooperation and is the official head of the City. Voters elect the Mayor at-large (Citywide) to a four-year term. The next election for the Office of the Mayor will be in November 2025.

The Mayor appoints the City Manager who serves as the City's Chief Administrative Officer. During a public danger or emergency, the Mayor may declare a state of emergency and with the consent of the City Commission, take command of the Police Department.

The Mayor is the presiding officer of the City Commission and can designate a Chairperson from among the members of the Commission. The Mayor can veto any legislative, quasi-judicial, zoning, master plan, or land use decision adopted by the City Commission, including the budget or any particular component of it.

The Mayor prepares and delivers an annual report on the State of the City and prepares and delivers the Proposed Budget.

Mayor

Department Expenditure Summary

	FY 2020-21 Actual	FY 2021-22 Actual	FY 2022-23 Actual	FY 2023-24 Adopted	FY 2024-25 Adopted
Personnel	1,640,382	2,311,164	2,238,540	2,693,000	2,885,000
Operating Expense	636,683	496,618	682,685	568,000	1,500,000
Capital Outlay	0	0	32,862	0	0
Non-Operating Expenses	436,000	731,742	188,256	600,000	0
Transfers - OUT	100,000	0	20,000	0	0
	2,813,066	3,539,524	3,162,343	3,861,000	4,385,000

Department / Fund Relationship

	FY 2020-21 Actual	FY 2021-22 Actual	FY 2022-23 Actual	FY 2023-24 Adopted	FY 2024-25 Adopted
General Fund	2,034,766	2,563,376	2,774,638	3,261,000	3,560,000
Departmental Improvement Initiative	778,300	976,148	387,705	600,000	825,000
	2,813,066	3,539,524	3,162,343	3,861,000	4,385,000

Budget Highlights for FY 2024-25

The Budget includes the following considerations:

The Mayor's Office has 21 full-time positions included in the FY 2024-25 Budget; this includes the Mayor.

The increase in Regular Salaries and Wages is due in part to a six percent across the board increase (GF \$89,000), an average of five percent salary increase for all non-bargaining employees (GF \$83,000), and an additional six percent across the board increase (\$94,000), as aligned with the increases in the contract with AFSCME Local 1907, not including the Mayor \$266,000 (GF).

The Promotional Activities Line item reflects funds for the Mayor's International Council \$30,000 (GF), Protocol \$20,000 (GF), and the Arts and Entertainment Council \$20,000 (GF).

The contribution from the General Fund to the Mayor's Special Revenue Fund for Festivals and Events is \$75,000 (SR).

The total contribution from the General Fund to the Special Revenue Fund for the Citywide Anti-Poverty Initiative is \$2.700 million (SR), the same as the previous fiscal year Adopted Budget. The Mayor's portion of Anti-Poverty Initiative Funds is \$450,000 and the City Commissioner's portion is \$2.250 million.

The Mayor's portion of Anti-Poverty Initiative Funding is determined by calculating the average of the total Anti-Poverty Initiative funding allocated to the City Commissioners \$450,000.

Mayor

Commissioners

www.miami.gov/My-Government/Departments/Commissioner-District-Offices/Commissioner-District-Offices

Description

The City Commission consists of five citizens who are qualified voters of the City and elected from each of the City's five districts. Commissioners serve four-year terms and elections are held every four years on the first Tuesday after the first Monday in November in odd-numbered years. The next election for Districts 3 and 5 is to be held in November 2025. The next election for Districts 1, 2, and 4 is to be held in November 2027.

The City Commission is the governing body of the City and passes ordinances and adopts regulations. The City Commission elects the City Clerk, City Attorney, and Independent Auditor General. The City Commission approves the appointment of the City Manager by the Mayor. The City Commission may create new departments or discontinue any department. The City Commission may override a mayoral veto by a four-fifths vote of those present.

The Chairperson is selected by the Mayor. Regular meetings of the City Commission are held on the second and fourth Thursday of each month except for the months of August, November, and December and all meetings are open to the public.

The City Commission may designate an individual to serve as Mayor during the temporary absence or disability of the Mayor by a four-fifths vote of those Commissioners then in office.

Budget Highlights for FY 2024-25

The Budget includes the following considerations:

There are 89 full-time positions in all District offices combined; this includes the five Commissioners.

The increase in Regular Salaries and Wages is due in part to a six percent across the board increase, an average of five percent salary increase, and an additional six percent across the board increase for all non-bargaining employees, as aligned with the increases in the contract with AFSCME Local 1907, not including the City Commissioners \$960,000 (GF). This amounts to \$192,000 for each office budget.

Each City Commission Office has a General Fund Office Budget of \$993,000. The Commission Chairperson's budget remains the same as the previous fiscal year \$100,000 (GF). This totals \$5.065 million (GF) for all five Commission districts and the Chairperson.

The allocation of \$1.000 million to each Commission District to cover personnel and operating costs at their respective District Offices will remain the same as in the previous fiscal year.

The contribution from the General Fund to each District's Special Revenue Fund for Festivals and Special Events is \$75,000. The total allocation to all Commissioners is \$375,000 (SR).

The total contribution from the General Fund to the Special Revenue Fund for the Citywide Anti-Poverty Initiative is \$2.700 million, the same as the previous fiscal year Adopted Budget.

The City Commission's portion of the Anti-Poverty Initiative funding is \$2.250 million and is allocated based on the percentage of citywide poverty in each Commission district.

District 1 is allocated approximately 23.7 percent of the Anti-Poverty Initiative funds (\$534,000).

Commissioners

District 2 is allocated approximately 10.1 percent of the Anti-Poverty Initiative funds (\$228,000).

District 3 is allocated approximately 20.5 percent of the Anti-Poverty Initiative funds (\$461,000).

District 4 is allocated approximately 21.2 percent of the Anti-Poverty Initiative funds (\$477,000).

District 5 is allocated approximately 24.5 percent of the Anti-Poverty Initiative funds (\$550,000).

Mission Statement

To efficiently serve the community and continuously enhance the quality of life in the City of Miami.

Description

The City Manager is the Chief Administrative Officer responsible for implementing and enforcing the policies, directives, and legislation adopted by the City Commission. The City Manager also assists in planning for the development of the City, oversees the budget preparation, and supervises the City's daily operations.

To execute the above functions, one Deputy City Manager, three Assistant City Managers, and associated staff provide support to the City Manager in the areas of infrastructure, operations, and finance.

Stakeholders include Elected Officials, City employees, residents, businesses, and visitors to the City of Miami.

Budget Highlights for FY 2024-25

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$6,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, including the City Manager (GF \$210,000).

The Budget includes transferring of the Venture Miami function, personnel, and funding from the City Manager's Office to the Department of Economic Innovation and Development. The personnel and funding are reflected in the prior Department in FY 2023-24 and in the new Department in FY 2024-25 (six positions, \$1.776 million).

Agenda Coordination

Department Head: Miriam M. Santana
www.miamigov.com/Government/Commission-Agendas

Email: AgendaOffice-DL@miamigov.com

Mission Statement

The mission of the Office of Agenda Coordination is to efficiently and effectively oversee and coordinate the preparation of the City Commission agendas as established by the Code of the City of Miami.

Description

The Office of Agenda Coordination is responsible for overseeing the preparation of the City Commission agenda. This Office ensures that the agenda is available at least five full business days prior to the scheduled City Commission meeting in both paper and digital formats. Agenda packets provide the City's decision-making body and the public at large the opportunity to review proposed legislative matters and supporting documents.

Contributing to the Administration's Priority of *Quality of Life*, the Office of Agenda Coordination, at the direction of the City Manager, sets the deadlines for placement of items and ensures communication throughout the process between all respective parties. Additionally, this Office is responsible for providing guidance and assistance to both internal and external customers with the placement of agenda items. Through the use of the IQM2 legislative system, this Office is able to generate and make the City Commission agenda available to the public at large.

Stakeholders include Elected Officials, residents, businesses, City administration and departments, as well as visitors to the City of Miami.

Budget Highlights for FY 2024-25

The Budget includes the following reduction:

The Rentals and Leases Line item reflects a reduction of \$1,000 (GF) to align the budget with the actual trend of expenditures.

Agenda Coordination

The Budget includes the following addition:

Additional funding was added to the Office Supplies Line item to align the budget with the actual trend of expenditures (GF \$1,000).

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$13,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$11,000).

Agenda Coordination

Accomplishments FY 2023-24

Published all regular City Commission Agendas and distributed the Agenda within five days of the City Commission meeting.

Completed and closed all directives for calendar year 2019.

Prepared and submitted all City Commission Agenda items received within two days, and five business days before City Commission meetings.

Strategies FY 2024-25

Continue to electronically notify City staff and residents on upcoming City Commission meeting agendas.

Continue to track and monitor the progress of City Commission directives that are assigned to various departments.

Continue to track the amount of time it takes between receiving an agenda item from a department or an Elected Official and when it begins to route for approvals.

City Attorney

Department Head: George K. Wysong III, City Attorney
www.miamigov.com/Government/Departments-Organizations/City-Attorneys-Office

Phone: (305) 416-1800

Mission Statement

To ethically and zealously provide the highest quality legal services to the City of Miami Officers and Departments thereof, in matters relating to their official duties, in a timely, efficient, and cost-effective manner.

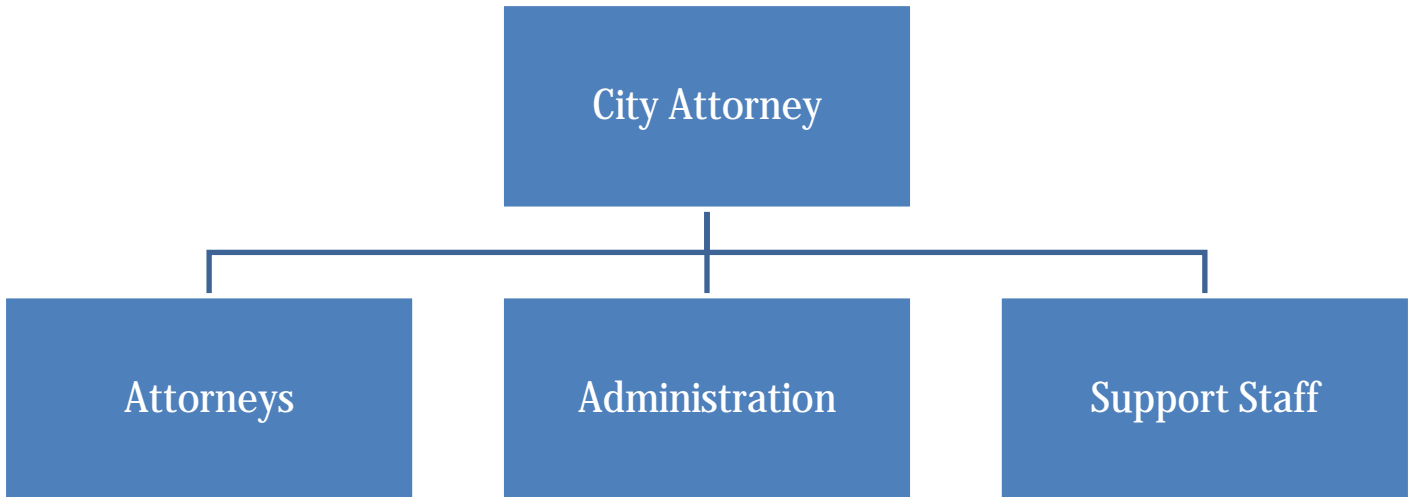

Description

The Office of the City Attorney (OCA) provides legal counsel to the City of Miami's Elected Officials and Administration. The City Attorney is the Charter Officer of the City responsible for all legal matters related to the City's municipal government and corporate affairs. The Office of the City Attorney is responsible for the prosecution and defense of all lawsuits brought by or against the City.

Contributing to the Administration's Priority of *Quality of Life*, the Office of the City Attorney performs all legal services essential to support the operations and functions of all City departments; handles all commercial and financial legal transactions; prepares all contracts, bonds, and legal instruments; and represents the City, its officers, and employees in all litigation. Additionally, the staff drafts and reviews all ordinances and resolutions enacted by the City Commission. The City Attorney issues written legal opinions to inform, advise, and update the City Commission and the Administration on federal, state, and local laws impacting the conduct of municipal affairs.

Stakeholders include Elected Officials, the Administration, City departments, residents, and approximately 44 City authorities, boards, and committees.

City Attorney

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
CITY ATTORNEY Directs, coordinates, and administers all legal matters concerning the City of Miami; handles all legal issues concerning City government; provides legal advice and direction to the Mayor, City Commission, City Manager, and department heads.	1	1	1

Budget Highlights for FY 2024-25

The Budget includes the following reduction:

The Office Supplies Line item reflects a decrease of \$5,000 (GF) to align the budget with the current trend of expenditures.

The Budget includes the following addition:

The Travel and Per Diem Line item reflects an increase of \$5,000 (GF) to align the budget with the current trend of expenditures.

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$10,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, including the City Attorney (GF \$642,000).

The budget reflects the reduction of one Administrative Aide I position and an increase in one Paralegal position with no budget or service impact.

Due to a clerical error last year, the full-time position count has been adjusted to reflect an increase of two Assistant City Attorney positions, bringing the total to the correct count.

City Attorney

Adopted Budget Highlights for FY 2024-25

Pursuant to Resolution R-24-0389 (see Exhibit “A”), adopted September 26, 2024, the Budget includes the following changes:

The Regular Salaries and Wages Line item reflects an increase of \$964,000 (GF) due to the addition of one Paralegal (\$68,000), one Legal Assistant (\$59,000), one Senior Assistant City Attorney (\$266,000), and to align current attorney salaries, vacant positions, and for other reasons (\$571,000).

The Fringe Benefits Line item reflects an increase of \$2,000 (GF) due to the addition of one Senior Assistant City Attorney position.

The FICA Taxes Line Item reflects an increase of \$31,000 (GF) due to the addition of three positions.

The Subscription, Membership, Licenses, Permits, and Others Line item reflects an increase of \$5,000 (GF) due to the increased subscription contract for Prolaw and Westlaw, and membership dues for new positions.

City Attorney

Accomplishments FY 2023-24

Offered in-house trainings on new electronic processes. Continued offering monthly training(s) to new hires, departments, and the City as a whole for the improvement of knowledge, awareness, skills, and motivations when performing their jobs.

Initiated the development of a Legal Services Request automated system to streamline the process. Continued digitizing the functioning of the office by further implementing the usage of programs to electronically manage documents and timely improve business capabilities. Continued improving the electronic signature processes for internal and Citywide contracts, requests for leave, approval of invoices, etc.

Continued streamlining the workflow to expedite completion of assignments and timely communication with other departments. Continued efficiently litigating matters on behalf of the City to obtain favorable and cost-effective results.

Expanded collection efforts and recovered \$5,580,634.81 in liens, fees, and assessments imposed on all properties, including properties that are the subjects of foreclosure actions, tax deed sales, bankruptcy proceedings, or various other actions or proceedings before judicial or quasi-judicial bodies.

Obtained a favorable result in the case of Karenza Apartments, LLP v. City of Miami, Miami-Dade County Circuit Court, Case No. 2019-4477. Karenza's claim, brought under the Bert J. Harris, Jr., Private Property Rights Protection Act, alleged that the City took legislative action, as a result of feedback from citizens and property owners, that shrank the boundary in which advertising murals can be displayed. Karenza claimed that the boundary contraction had a negative impact on its reasonable investment-backed expectation to host a mural on its one-story property abutting I-195 adjacent to the Design District. Karenza sought potential liability for the City in excess of \$20 million not including attorneys' fees and costs which could be awarded under the statute. The retained outside counsel attorneys from Rennert Vogel and Buchanan Ingersoll, in combination with Assistant City Attorney, Eric J. Eves, prepared for and aggressively defended the City at trial in December 2023. On May 20, 2024, Circuit Judge Migna Sanchez-Llorens issued a 42-page trial judgment which found in the City's favor on every single issue of law and fact. This ruling provides a strong foundational precedent for defending against future claims—related to murals, billboards, or other purported rights - which might be brought pursuant to the Bert J. Harris Act.

Strategies FY 2024-25

Continue to train the Administration to utilize "Next Request" in fulfilling and complying with all public records requests and legal requirements.

Continue responding to Legal Services Requests (LSRs) in a timely manner.

Continue improving the electronic office environment on-line tools and the office's electronic signature workflow in alignment with the City's Innovation and Technology Department.

Continue to expand collection efforts.

City Attorney

City Clerk

Department Head: Todd B. Hannon
[City Clerk's Office - Miami](#)

Phone: (305) 250-5360

Mission Statement

To capture and archive public records accurately while making them available to the public as quickly and broadly as possible, and to safeguard the integrity of the election process by applying technology and improved business processes.

Description

The City Clerk's Office serves as the Clerk of the Board for the Miami City Commission. Duties and responsibilities are derived from the Florida Statutes, City Charter, and City Code, or are defined administratively. Staff records and maintains City Commission minutes, legislation, lobbyist registration, bid openings, meeting schedules, minutes and attendance records of all City boards, committees, agencies and trusts, and bond validation proceedings. Additionally, the Clerk's Office administers, supervises, and certifies municipal elections, including those for elected officials, advisory boards, charter amendments, City referenda, and straw ballot issues.

Contributing to the Administration's Priority of *Quality of Life*, the Clerk's staff prepares public notices and attends meetings of the City Commission, advisory boards, elections, and others as required. Staff ensures compliance of City records, as mandated by Florida Department of State, Division of Library and Information Services. Additionally, the Clerk's Office researches and implements records management best practices and technologies according to industry standards, and maintains a searchable repository of active, inactive, and historical records. The Clerk's Office also works on collaborative projects and cost sharing approaches for the preservation of the City's archives.

Stakeholders include Elected Officials, City residents, visitors, and City departments.

City Clerk

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE CITY CLERK Performs the constitutional and statutory responsibilities of the City Clerk; attends and records City Commission, Southeast Overtown Park West, Omni and Midtown Community Redevelopment Agency (CRA) meetings; prepares and administers oaths of office; maintains official calendars of the City Commission, Boards, and Committee meetings; attests documents as Secretary of the Municipal Corporation for the City of Miami and CRAs.	1	1	1
ADMINISTRATION Prepares the annual budget and archives contracts and agreements; oversees all matters relating to personnel and expenditures; tracks office metrics used for strategic planning; coordinates the implementation and installation of new programs and operating systems for the enhancement of the legislative process; provides administrative support services, as mandated by the Miami City Code to boards and committees; supervises and administers all municipal elections (charter amendments, candidates, bond, referenda, etc.), including the City of Miami’s Civil Service Board election; certifies and declares election results.	4	4	4
LEGISLATIVE SERVICES Records City Commission and CRA actions; numbers and records resolutions and ordinances; prepares and distributes official City Commission after-action reports; transcribes minutes verbatim and distributes same; attends and participates in bond validation proceedings; advertises official notices as mandated by state and local laws; registers and maintains lobbyist files; coordinates the routing of bids and proposals for appropriate tabulation; reproduces, certifies, notarizes, and researches official City records; provides passport application services; notifies board and committee appointees upon being selected by the City Commission.	5	5	5
RECORDS MANAGEMENT Archives on-site digitized official records from 1896 to the present; develops, updates, and maintains the City of Miami Records Management Procedures Manual for on-site and off-site destruction, filing, and retention schedule; oversees compliance with State of Florida General Records Schedules; digitally archives agenda, minutes, ordinances, resolutions, background memoranda, and other related documents.	2	2	2

Budget Highlights for FY 2024-25

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$89,000, SR \$5,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, including the City Clerk (GF \$57,000).

City Clerk

Accomplishments FY 2023-24

Accomplished the goal of archiving documents from 2003 to the present and made them available in the public repository. Documents from 1978 to the present are now available to internal and external users and continued efforts to add quality-checked documents into the repository are on-going.

Identified a potential vendor for the upgrade of the People Office Management System (POMS). Collaborated with the Department of Innovation and Technology (DoIT) and completed the business requirement document that offers an overview of the project's needs and expectations.

Strategies FY 2024-25

Continue to collaborate with the Department of Innovation and Technology (DoIT) to upgrade the People Offices Management System (POMS) from a desktop application that is outdated to a web-based application enhanced with additional functionalities for the management of information for boards, committees, agencies and trusts.

Civil Service Board

Department Head: Tishria L. Mindingall

Phone: (305) 416-2020

www.miamigov.com/Government/Departments-Organizations/Civil-Service-Board-Office

Mission Statement

To ensure that City employees in the Classified service are hired, promoted, and retained based upon merit, efficiency, character, and industry and not political patronage. The Civil Service Board will enforce the principles of a merit-based system of employment.

Description

The City Charter provides for a Civil Service Board consisting of five members to adopt, amend, and enforce a code of rules and regulations, subject to the approval of the City Commission, providing for appointment and employment in all positions in the classified service. The Board is responsible for the enforcement of Section 36 of the City of Miami Charter and Chapter 40 of the Code of Laws, and executes legislative, administrative, and quasi-judicial functions that serve to protect and defend the merit system. The Board also ensures that established rules, regulations, policies, and procedures are utilized in the hiring, promoting, and retaining of capable people into the City's workforce. It considers complaints made by and against City of Miami employees and departments, as well as appeals of disciplinary action. The Board has an advisory and reporting function to the City of Miami Commission and at times reports findings and recommendations to Department Directors and the City Manager for review or action.

Contributing to the Administration's Priority of *Quality of Life*, the staff prepares and maintains the agendas and minutes, meets with and guides employees and residents in the civil service process and methods, conducts research and prepares regular and special reports, conducts training workshops, new employee and supervisor orientations, and performs all administrative functions for the members.

The Board and staff perform their duties for the benefit of employees, applicants, and residents of the City of Miami, who have the ability to address the Board via Civil Service Rules 2.7, 14.1, and 16.

Budget Highlights for FY 2024-25

The Budget includes the following reduction:

The Retirement Contribution Line Item reflects a reduction of \$65,000 (GF) due to one employee going into the drop.

Civil Service Board

The budget includes the following addition:

Additional funding was added to the Executive Salaries Line Item \$3,000 (GF) for an additional appointed board member.

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$6,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$26,000).

Civil Service

Accomplishments FY 2023-24

Provided information regarding Board action via 109 Research Reports, Newsletters and Informational Bulletins to stakeholders.

Conducted 13 Hearings and promulgated 33 Meeting Minutes, Findings of Fact, Memoranda and Reports to Attorneys, Department Heads, City Manager, Commission and other stakeholders.

Conducted 7 Civil Service Board workshops, 14 new employee orientations and supervisor orientations, and trained 348 employees on Civil Service matters.

Updated four of the Civil Service Rules & Regulations, and prepared required documents (reports, memos, and related forms) as needed for Commission Agenda.

Strategies FY 2024-25

Continue to provide information, including Minutes, Departmental Newsletters and Informational Bulletins.

Continue to conduct Appeal, Whistleblower, Grievance, Investigation, and Unsatisfactory Service Rating Hearings, rendering Findings of Fact, Memoranda and Reports.

Continue to train and orient employees via new employee orientation, new supervisor orientation and Civil Service Board workshops, regarding employment policies and procedures.

Continue to update Civil Service Rules and Regulations and Procedures as needed and produce Reports and related documents.

Code Compliance

Department Head: Robert Santos - Alborna, MA, CEP
www.miami.gov/My-Government/Departments/Code-Compliance

Phone: (305) 416-2087

Mission Statement

To promote and protect the health, safety, welfare and quality of life for the City of Miami residents, businesses and tourists; and to educate the residents and the community regarding Code's process while enforcing the City's code of ordinances promptly, respectfully, consistently and in an equitable manner.

Description

The Department of Code Compliance responds to complaints from residents and businesses and proactively patrols and addresses code violations to improve both quality of life and property values; for a service area of approximately 400,000 residents, 56 square miles, and 69,000 single-family residences.

Contributing to the Administration's Priority of *Quality of Life*, the Department seeks corrective action to code violations through voluntary compliance and is guided by simple but effective principles: Service the community and its residents, Transparency of process, Accountability of work and process; and Respect and Responsiveness to both internal and external customers.

Code Compliance seeks to promote effective service delivery and the highest quality customer service, empower residents and businesses to beautify their communities, maintain public spaces and rights of way to the highest standard, and educate residents through community outreach and other neighborhood events. Code Compliance Inspectors (CCIs) respond to complaints from area residents as well as referrals from other departments, conduct Business Tax Receipt (BTR) and Certificates of Use inspections, participate in joint inspections with the Fire-Rescue, Building, and Police Departments, proactively monitors public rights of ways for illegal and unauthorized bandit signs, and educate the property owners about code violations guiding them through the compliance process. In those instances where respondents choose not to comply, the Code follows strict processes as reflected in both Florida Statutes (Chapter 162) and City Ordinances to seek compliance through civil fines and other penalties.

Stakeholders include City of Miami residents, businesses, visitors, civic groups, City Departments, and other government entities.

Code Compliance

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Provides leadership, guidance, and accountability for the Department; assists other City departments and agencies with Code Compliance issues, ordinances, policies, procedures and protocols, and the City Charter.	2	2	3

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Fringe Benefits Line Item reflects a reduction of \$4,000 (GF) to align the budget with the actual trend of expenditures.

The Rental and Leases Line Item reflects a reduction of \$3,000 (GF) to align the budget with the actual trend of expenditures.

The Printing and Binding-Paper Stock Line Item reflects a reduction of \$6,000 (GF) to align the budget with the actual trend of expenditures.

The Office Supplies Line Item reflects a reduction of \$5,000 (GF) to align the budget with the actual trend of expenditures.

The Clothing and Uniform Supplies Line Item reflects a reduction of \$3,000 (GF) to align the budget with the actual trend of expenditures.

Code Compliance

The Budget includes the following additions:

- As approved in the FY 2023-24 Mid-Year Budget Amendment, the Code Enforcement Hearing Board function has moved from Planning to Code and a new organization (152007) has been created to handle the change.
- The Regular Salaries and Wages Line Item reflects increased funding for the Hearing Board function for the addition of one Assistant Director \$102,000 (GF) one Hearing Boards Coordinator \$69,000 (GF) and two Hearing Board Specialists \$109,000 (GF).
- The Other Charges for Services Line Item reflects an increase of \$2.016 million (GF) due to the transfer of the Hearing Board collections from the Planning Department.
- Additional funding was added to the Overtime Line Item \$30,000 (GF) to align services with the current salary rates.
- Additional funding was added to the Special Pay Line Item \$237,000 (GF) due to the increase in hazardous pay.
- The Professional Services Line Item reflects a rise of \$15,000 (GF) due to translation contractual services required by City Code transferred from the Planning Department.
- The Professional Legal Services Line Item reflects an increase of \$45,000 (GF) due to special counsel-legal services transferred from the Planning Department.
- The Court Services Line Item reflects an increase of \$19,000 (GF) due to Miami-Dade Clerk of Court recording fees transferred from the Planning Department.
- The Printing and Binding Line item reflects an increase of \$1000 (GF) due to the transfer of duplicating service functions transferred from the Planning Department.
- The Postage Line Item reflects an increase of \$10,000 (GF) due to the surge of USPS – Certified Mail notices Citywide.
- The Operating Supplies Line Item reflects an increase of \$5,000 (GF) due to surging costs in the price of equipment.
- The Communications and Related Services Line Item reflects an increase of \$4,000 (GF) due to various fee increases incurred by the COM Legal Department when filing injunctions, judgements, and foreclosure proceedings.

The Budget includes the following additional consideration:

- The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$481,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, (GF \$36,000).
- Due to a clerical error last year, the full-time position count has been adjusted to reflect the correct number of Code Compliance Inspectors.

Code Compliance

Accomplishments FY 2023-24

Continued to meet with District Offices related to issues of concerns in their respective neighborhoods. Distributed tri-fold brochures on an on-going basis. Continued to meet with Homeowners Associations (HOA) throughout Districts in the City.

Established an Educational and Training Committee to train Code Compliance Inspectors on various topics and disciplines; such as Miami 21 Zoning Code, Stormwater Emergency Management, Tree Violations and Inspections, Noise Violations, Ticket Appeal Hearings Process, Lot Clearing, BTRs, CUs, Code Check Process, and Personalization trainings. Certified 43 out of 50 code staff members that participated in the safety certification program.

Continued collaboration with Police, Fire, and Building Departments to conduct Dry Hour Inspections from 10 PM to 4 AM. Developed standard operating procedures (SOP) to effectively address dry-hour concerns. Developed an ad-hoc report to determine case load activity by code compliance inspectors.

Developed data reports in Code Check to assess code compliance performance metrics; such as response times, adjudication rates, respond to hotline noise complaints within 40 minutes of receipt and provide outcome to complainant, daily activity reports, and cases closed in compliance prior to hearings.

Maintained responsiveness as it relates to complaints received through 311. Improved responsiveness during after hours noise complaints by pre-deploying Code Compliance Inspectors to specific areas of concern. Expanded code compliance bike crew to improve response time to code violations due to special events and or road closures.

Established a Graffiti Mitigation Program to expedite compliance and assist property owners who are victims of graffiti taggers.

Presented Commercial Mitigations Cases in Commission in response to Article 10 Chapter 2 Amendment.

Strategies FY 2024-25

Continue to actively engage and attend in civic, community, and professional groups interested in Code Compliance matters and quality of life issues.

Continue to train staff through regular internal trainings (Education and Training Committee) to ensure all team members are current on legislative and administrative developments, Standard Operating Procedures, as well as best practices. Continue to attain and attend Florida Association of Code Enforcement (FACE) certifications and trainings.

Continue to establish standard operating procedures and improve processes regarding Case Management, Noise Assessment, and citywide compliance of Certificate of Use and Business Tax Receipts. Including the effective deployment of the BTR Compliance Unit.

Continue to implement quality control measures and performance metrics to evaluate operations and compliance.

Continue to maintain response time to Code Complaints within three days of receipt. A key action to attain the departments goal will be through the follow up of the After Hours team.

Continue to conduct proactive sweeps of major thoroughfares and corridors to address code violations; including but not limited to unpermitted snipe and bandit and political signs erected on public rights of way, graffiti, and unpermitted stationary peddlers.

www.miami.gov/My-Government/Departments/Communications

Mission Statement

The Office of Communications strives to achieve the highest standards in providing public access to the governmental process and disseminating official information for the City of Miami. The Office creates original content and shares it through a variety of platforms, including local media, to inform and engage residents, businesses, visitors, and global stakeholders.

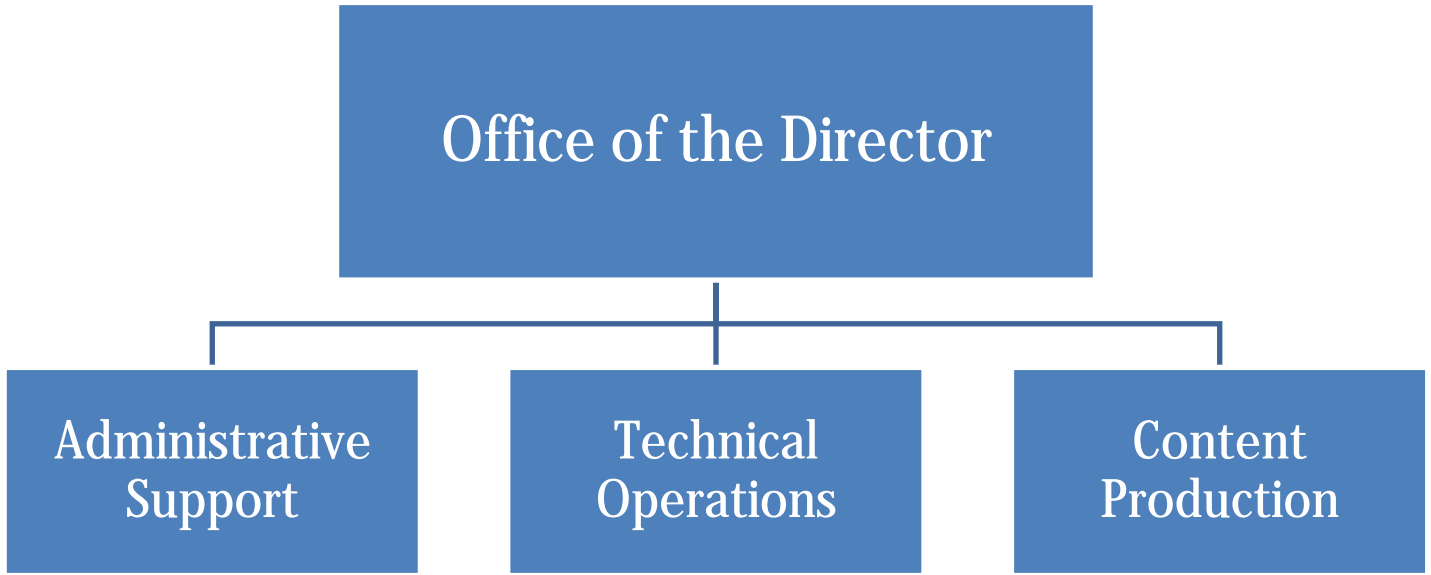

Description

The Office of Communications is responsible for disseminating official information for the City of Miami, responding to requests from the media, and promoting City events, resources, and services using a full range of platforms. It plays a vital role in engaging community members by keeping them informed about what is happening Citywide and at district and local levels.

Contributing to the Administration's Priority of *Quality of Life*, the Office of Communications develops and executes internal and external communications campaigns, produces original video content including public service announcements, broadcasts, and live streams of Commission meetings and other events, and provides audio and visual services to City departments and elected officials for events and presentations. To engage directly with residents, the Office creates original multi-platform content that explains City services and aligns with City priorities. The Office of Communications manages the City's official social media accounts on Twitter, Facebook, YouTube, Instagram, and Nextdoor, and creates content for City websites.

The Office of Communications serves the Elected Officials, the City Administration, City Departments, City residents, and visitors.

Budget Highlights for FY 2024-25

The Budget includes the following additions:

The Other Contractual Services Line Item reflects an increase of \$114,000 (GF) due to the creation of Crisis Communication and District 5 podcast.

The Other Current Charges and Obligations Line Item reflects an increase of \$140,000 (GF) due in part to a rise in closed captioning costs.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$51,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, (GF \$9,000).

Communications

Accomplishments FY 2023-24

Continued to assist the City Administration, City Departments, and Elected Officials with the dissemination of information via original content and traditional media outreach about City meetings and events using news releases, media advisories, the City's website, Facebook, X (formerly known as Twitter), Instagram, Nextdoor, YouTube, Miami TV and interviews with TV and radio media outlets.

Upgraded the encoders used for LIVE capabilities at the Emergency Operations Center and City Hall with the most technologically advanced equipment available.

Continued to assist the City Administration, City Departments, and Elected Officials with the dissemination of information via original content and traditional media outreach about City meetings and events using newsletters, news releases, media advisories, interviews with TV and radio media outlets.

Secured regularly scheduled appearances on the radio from the rising volume of media requests to better inform city residents, business owners, and stakeholders.

Enabled the office to triple the number of videos produced on a monthly basis to broadcast on Miami TV and post to all city social media channels, including our Youtube channel, with forward thinking initiatives from leadership and innovative ideas from the team.

Started the procuring process for new equipment, but due to limited funding, currently on hold.

Strategies FY 2024-25

Continue to assist the City Administration, City Departments, and Elected Officials with the dissemination of information via original content about City meetings and events using the City's website, Facebook, Twitter, Instagram, Nextdoor, YouTube, and Miami TV.

Continue to maintain and operate LIVE capabilities from the Emergency Operations Center and City Hall.

Continue to maintain a proactive approach and positive relationship with media to effectively disseminate information about city projects and events to residents, visitors and stakeholders.

Continue to produce content inhouse for the City's social media platforms, Miami TV, the City's YouTube channel and Empower 305 podcast.

Continue to modernize the video production server and equipment to improve its capability and features for an optimized workflow.

Incorporate Miami Police, Miami Fire-Rescue, FHP Communications and other governmental agencies to collaborate on social media platforms and Miami TV. In addition, produce new segments highlighting iconic people and places in the community.

Economic Innovation and Development

Department Head: Keith Carswell

Phone: (305) 250-5409

Mission Statement

To drive Miami's evolution into a global leader in economic growth, innovation, and sustainability by fostering a dynamic business environment, advancing smart technologies, and empowering a skilled workforce

New Department

It is proposed that the Department of Economic Innovation and Development be newly created to coordinate better the services described below. Components of the City Manager's Office are proposed to be transferred into this new Department.

Description

The Department of Economic Innovation and Development is the driving force behind Miami's transition into a cutting-edge, globally competitive economy. This department focuses on three core areas: economic development, technology integration, and workforce empowerment.

Contributing to the Administration's Priority of *Quality of Life*, the department seeks to attract and retain businesses, foster entrepreneurship, and create a robust ecosystem that supports business growth and innovation. Responsible for implementing smart city solutions that improve urban living, enhance public services, and create a more sustainable and efficient city infrastructure. To equip Miami's workforce with the skills and knowledge needed to thrive in a rapidly evolving economy.

Additionally, the department serves as a liaison to key councils, such as the Miami Technology Council and the Mayor's Council on Global Competitiveness, ensuring that the city's economic strategies are aligned with global trends and local needs. By integrating the insights and recommendations of these councils, the department helps shape policies and initiatives that promote Miami's position as a leader in innovation and global trade.

Stakeholders include City of Miami Residents, Elected Officials, Businesses, Educational Institutions, Visitors, City Departments, and Other Government Entities.

Budget Highlights for FY 2024-25

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$16,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$75,000).

The Budget includes transferring of the Venture Miami function, personnel, and funding from the City Manager's Office to the Department of Economic Innovation and Development. The personnel and funding are reflected in the prior Department in FY 2023-24 and in the new Department in FY 2024-25 (six positions, \$1.776 million).

Adopted Budget Highlights for FY 2024-25

Pursuant to Resolution R-24-0389 (see Exhibit "A"), adopted September 26, 2024, the Budget includes a reduction of ten percent or \$178,000 of the operating expenditures line items. New Budget \$1.598 million.

Equal Opportunity and Diversity Programs

Department Head: Asseline Hyppolite
www.archive.miamigov.com/eodp

Phone: (305) 416-1990

Mission Statement

To make certain that the City of Miami is an equal opportunity employer that maintains a work environment free from all forms of unlawful discrimination.

Description

The Office of Equal Opportunity and Diversity Programs (EODP) was established under Chapter 2, Article IV, Division 15, Section 2-581 of the City Code. The Office oversees and manages the City's equal employment opportunity function and overall compliance with laws and administrative policies prohibiting employment discrimination.

Contributing to the Administration's Priority of *Quality of Life*, the Office is committed to improving the work environment at the City of Miami for employees and applicants, as well as citizens doing business with the City. EODP investigates internal complaints involving employment discrimination and also handles charges of discrimination filed with the Equal Employment Opportunity Commission (EEOC), the Florida Commission on Human Relations, and the Miami-Dade County Commission on Human Rights. EODP acts to prevent or decrease instances of discrimination by developing and implementing instructional programs emphasizing the City's prohibition of discrimination in employment and highlighting the importance of diversity in the workforce. Additionally, EODP monitors various employment recruiting, selection, and promotional procedures, and is responsible for the City's fulfillment of certain federal reporting requirements. It provides support to the City's Equal Opportunity Advisory Board. EODP is independent from any City department, reporting directly to the City Manager. This independence provides employees with a comfortable and neutral setting to report instances of perceived discrimination, which are often extremely sensitive in nature.

Stakeholders include City of Miami employees, applicants, as well as citizens doing business with a City of Miami entity.

Budget Highlights for FY 2024-25

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$30,000).

Equal Opportunity and Diversity Programs

Accomplishments FY 2023-24

Aligned the internal investigation timeline and reports to more closely mirror those of the Equal Employment Opportunity Commission (EEOC). Completed 47 investigations formally filed internally with EODP or externally with federal, state or local agencies.

Completed over 60 trainings to employees on equal employment, diversity, and discrimination issues, which eliminates the City's need to allocate funding for outsourced employee training courses. Coordinated with the Police Department to developed specialized training for sworn Police personnel in leadership roles to help prevent, recognize, and address issues of equal opportunity, diversity, and sexual harassment.

Attended over ten pertinent webinars, seminars, and conferences that regulate or amend state, local, and federal EEO laws.

Provided quality assistance to the advisory board by supplying administrative materials and technical guidance during organized meetings of the Equal Opportunity Advisory Board.

Continued efforts in expanding the Nursing Mothers Program citywide is still ongoing.

Strategies FY 2024-25

Continue to ensure the City's compliance with Equal Employment Opportunity (EEO) laws by implementing tools for prevention, promptly investigating claims of discrimination, scrutinizing employee selection procedures, and providing up-to-date accessible guidance and training to City leadership, staff, and relevant stakeholders.

Continue to update and enrich equal employment, diversity and sexual harassment training programs and services to position the City as a proactive entity to minimize the potential for employment discrimination claims, such as implementing specialized training for sworn Police personnel in leadership roles to help prevent, recognize, and address these issues.

Continue to advance the professional development of EODP staff by attending at least four pertinent webinars, seminars, and conferences that regulate or amend state, local, and federal EEO laws.

Continue to provide quality assistance to advisory board by supplying administrative materials and technical guidance.

Continue to expand the Nursing Mother's Program citywide.

Finance

Department Head: Erica Paschal-Darling, CPA
www.miami.gov/My-Government/Departments/Finance-Department

Phone: (305) 416-1328

Mission Statement

To provide timely, accurate, and clear financial information to key stakeholders in support of other City departments, citizens, and the community at large, while providing first class customer service through the efforts and dedication of our employees.

Description

The Finance Department establishes a robust financial and internal control structure. It delivers financial services to stakeholders and policy makers so they can make informed decisions to achieve results that align with the City's strategic plan.

The Department provides fiscal and accounting controls over City resources in support of the Administration's priority of *Quality of Life*. The Finance Department is responsible for processing accounts payable (vendor payments), employee payroll and related remittances, maintaining the City's general ledger system, monitoring capital assets, providing centralized customer service, centralizing billing and invoicing, tracking accounts receivable, collecting on delinquent accounts, maintaining oversight of the Citywide Point of Sale (POS) system, renewing Business Tax Receipts (BTRs), monitoring capital projects and grants, investing responsibly while optimizing pool cash and administering debt service. The Department also conducts financial system training, coordinates the annual financial audit, the State of Florida Audit, the Federal Single Audit, and prepares routine financial reports, the City's Annual Comprehensive Financial Report (ACFR), the City's Popular Annual Financial Report (PAFR), the Single Audit Report, the City's Annual Report to Bondholders, and the State of Florida Annual Financial Report.

The Finance Department serves all City departments, as well as those entities conducting financial transactions with the City of Miami. The financial data it generates is used by citizens, Elected Officials, and investors.

Budget Highlights for FY 2024-25

The Budget includes the following addition:

The Other Contractual Services Line item reflects an increase of \$14,000 (GF) to fund a contractual increase for Vertex software \$2,000 (GF), to fund a contractual increase for Cost Allocation Plan production \$2,000 (GF), and to fund contractual increases for the maintenance of city's time and attendance tracking system (UKG Kronos) \$10,000 (GF).

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$501,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$84,000).

The budget reflects the remaining funds provided to the City from the federal government pursuant to the passage of the American Rescue Plan Act of 2021 (SR \$48.000 million).

Finance

Accomplishments FY 2023-24

Affirmed an 'AA' rating, in April 2024, by S and P Global Ratings on the city's outstanding limited ad valorem and non-ad valorem bonds. Per the overall ratings the outlook is stable.

Maintained an average percentage of approximately 81 percent over the past five years for processing invoices Citywide and ensuring that all Departments have their respective invoices processed within the State of Florida mandate of 45 days. The measure of processing invoices without exception on a monthly basis reflects the efficiency with which City invoices are being paid to achieve this goal.

Enhanced the Department by creating a dedicated division for grants and reimbursements which has been evaluating and updating all procedures to ensure compliance with the Financial Integrity Principles and other regulations, including timely reimbursement requests and receipt of City funds from grantors. Streamlined the Schedule of Expenditures of Federal Awards (SEFA) reconciliation process to ensure the accuracy of financial reporting, regulation, and compliance. Created relevant grant reconciliations, to improve the completeness, accuracy, and timeliness of the data to avoid over-reporting or missed programs. Established a centralized grant management system to track and manage reimbursement requests, clearly define, and document grant reimbursement procedures to ensure consistency across funding sources, and efficiently utilize the award close out dashboard. Analyzed total expenditures, revenues, billings, and collections of the reimbursable grants by performing maintenance, clearing open invoices, monitoring the number of outstanding invoices every week, providing feedback to the Departments, and inquiring on possible non-reimbursable expenditures. The 2023 fiscal year audit test results disclosed no instances of noncompliance.

Continued to evaluate market conditions within the City's Treasury division for cost saving opportunities. No refinancing's took place for the current fiscal year; however, in November 2023 the City successfully issued new debt. On November 8, 2023, the City successfully priced its \$242.22 million tax-exempt Special Obligation Non-Ad Valorem Revenue Bonds, Series 2023A (the "2023A Bonds") and \$30.18 million Taxable Special Obligation Non-Ad Valorem Revenue Bonds, Series 2023B (the "2023B Bonds"). The proceeds of the 2023A Bonds will fund a portion of the cost of development, construction, and equipping of the City's new administrative building and the 2023B Bonds will fund the acquisition and implementation of the Oracle Enterprise Resource Planning Cloud System. Pre-marketing for the City's Bonds began on Wednesday, November 1, 2023, and continued through Tuesday, November 7, 2023. The City was able to capitalize on its strong name recognition, scarcity of its bonds since it had not been in the market since 2012 with great credit, strong AA category bond ratings, and improvement in tax-exempt and taxable rates, by approximately 30 and 22 basis points, respectively. Generated over \$1.2 billion of orders (approximately five times oversubscribed) from thirty-eight different accounts. As a result, the City was able to lower yields on its tax-exempt bonds by as much as ten basis points, resulting in a combined true interest cost (TIC) of 4.79 percent. With the improvement in interest rates, coupled with credit spreads tightening during pricing, and due to strong investor demand, the City's borrowing costs decreased by approximately \$12.8 million on a present value basis. On June 12, 2024, the City of Miami issued City of Miami, Florida Limited Ad Valorem Tax Bonds (Miami Forever Infrastructure Programs) Tax-Exempt Series 2024A for \$135,460,000 and City of Miami, Florida Limited Ad Valorem Tax Bonds (Miami Forever Infrastructure Programs) Taxable Series 2024B for \$44,060,000. On August 1, 2024, the City of Miami issued City of Miami, Florida Limited Ad Valorem Tax Bonds (Miami Forever Infrastructure Programs) Tax-Exempt Series 2024C for \$73,510,000. The initial projects include, but are not limited to, the construction of new parks and renovations and improvements to existing parks; public pool improvements; the construction of community centers; improvements for storm water management, flood control and flood mitigation, including seawall replacement and repair and new pump stations, and the related construction and repair of roads, sidewalks and other public improvements. Moody's Investors Service, Inc. and S&P Global Ratings, a division of S&P Global Inc. have assigned their municipal bond ratings of "Aa2" (stable outlook), and "AA" (stable outlook), respectively to the Series 2024 A&B Bonds and the 2024C Bonds.

Finance

Accomplishments FY 2023-24

Maintained a continuous focus on modernizing and streamlining the City's financial systems. In May 2024, the City successfully replaced its Point of Sale (POS) system thus achieving enhanced online features and payments through third party applications (MiamiBiz, iBuild, Salesforce, Oracle, Parks software, etc.) utilizing the API functionality, as well as vendors' web portal or payment options. The enhanced POS system has resulted in greater efficiency in the payment reconciliation process, user functionality, and a more stable payment environment. Successfully rolled out phase two for the new online and in-person software project by integrating Parks and Recreation's software implementation with the City's POS system to facilitate payment and assisted the City Clerk's Office with software to accept lobbyist payments. In order to implement GASB 96, Finance worked with all City departments to obtain the required documentation. To make the process more efficient each year, Finance is evaluating software, to keep track of and account for the City's subscription-based information technology arrangements (SBITA).

Published the 2023 Annual Comprehensive Financial Report (ACFR) with an unqualified audit opinion by March 31, 2024, utilizing the Hyperion Financial Management (HFM) system. Successfully completed the 2023 Single Audit and Management Letter by April 30, 2024, in accordance with the City's Financial Integrity Principles. The Management Letter reflected no findings for the Finance Department. Timely prepared the Cost Allocation Plan for fiscal year 2025 in July 2024. Awarded the Achievement for Excellence in Financial Reporting by The Government Finance Officers Association of the United States and Canada (GFOA) for the City's Annual Comprehensive Financial Report (ACFR) and Popular Annual Financial Report (PAFR) for the fiscal year ended September 30, 2022. These Certificates of Achievement are the highest form of recognition in governmental accounting and financial reporting. The attainment of this award represents a significant accomplishment by a government and its financial management team.

Strategies FY 2024-25

Continue to maintain a high-tier bond rating by applying sound asset management internal controls and enhanced investment strategies.

Continue to optimize the payment of City vendors by reducing the average number of days to process invoices citywide by upkeeping operational efficiency and ensuring that all departments have their respective invoices processed within the State of Florida mandate of 45 days.

Continue to streamline the grant reimbursement process to ensure timely receipt of City funds.

Continue to refinance outstanding bonds to reduce interest costs and create savings when appropriate.

Continue to modernize and streamline the City's financial systems.

Continue to prepare the City's Annual Comprehensive Financial Report, Popular Annual Financial Report (PAFR), Cost Allocation Plan, Supplemental Report to Bondholders, Monthly Financial Reports, and any other mandated financial reports accurately and timely.

Phone: (305) 416-1536

Mission Statement

To assist City departments and staff in securing grants and external funding opportunities to implement, expand, and enhance services and activities that advance key priority areas identified in the Strategic Plan

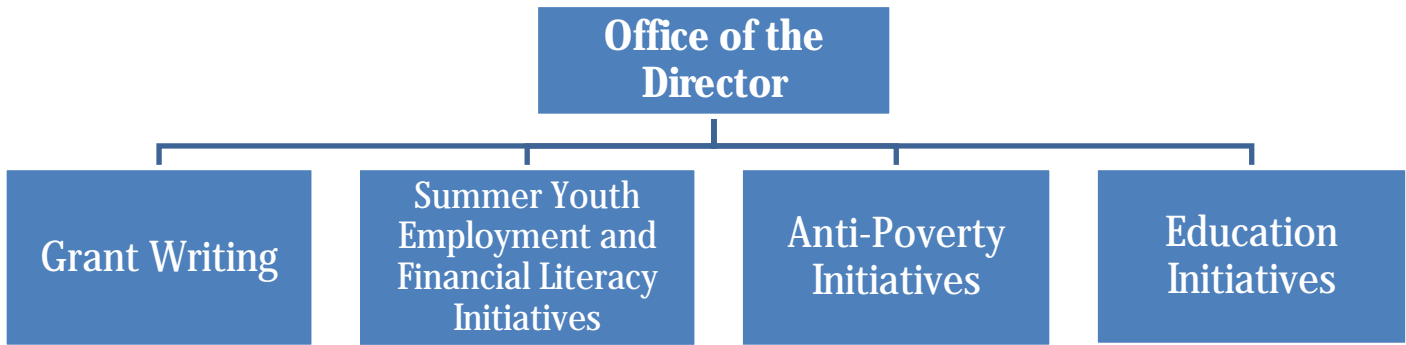

Description

The Office of Grants Administration (OGA) identifies funding and partnership opportunities for all City departments from federal, state, local governments, foundations, and private funding sources to maximize revenue-generating opportunities. Additionally, OGA manages and administers grants and programs for Citywide initiatives, including the Summer Youth Employment and Financial Empowerment Initiatives, Education Initiatives, and the Anti-Poverty Initiative (API) Program.

Contributing to the Administration's Priority of *Quality of Life*, OGA coordinates and oversees all aspects related to the writing, preparation, and submission of grant applications and funding applications for all City departments. In addition, OGA provides technical support to City Departments to ensure the implementation of policies and practices in compliance with applicable federal, state, and local laws, regulations, and contract stipulations. OGA also provides expertise in assessing changes, regulatory compliance, and grant management that may impact funding. It also administers and implements the Miami Summer Jobs Connect Program, the Families First Parenting Program, and the Anti-Poverty Initiative.

The stakeholders include the Mayor, the Commissioners, the City Manager, City departments, and residents, as well as private donors and public-sector grantors at the federal, state, and local levels of government.

Grants Administration

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Coordinates and oversees all aspects of the development of grant proposals to maximize revenue-generating opportunities; provides technical assistance to ensure that the city maintains compliance with applicable programmatic and administrative federal, state, and local grant requirements; offers leadership and direction to departmental staff; prepares and manages the departmental budget; performs administrative functions as required; directs the implementation of Citywide initiatives.	2	2	2
GRANT WRITING Identifies grant opportunities, distributes information, and processes grant applications; assists all City departments in the development, submission, and oversight of grants as per grantor guidelines; provides technical support and expertise in assessing program and funder requirements, regulatory compliance, and grant management that may impact current and future funding.	4	4	4
SUMMER YOUTH EMPLOYMENT and FINANCIAL LITERACY INITIATIVES Manages and implements the Summer Youth Employment and Financial Literacy Initiatives and oversees the AmeriCorps VISTA (Volunteers in Service to America) year-round and summer program. Pursue funding for programs advancing the City's youth employment and financial literacy needs and priorities.	1	1	1
ANTI-POVERTY INITIATIVES Oversees the contract execution process of Anti-Poverty Initiative funds allocated by elected officials to entities providing services that improve residents' self-sufficiency; ensures that entities conform to API's program guidelines and requirements.	1	1	1
EDUCATION INITIATIVES Pursues funding for programs advancing the City's education needs and priorities; manages education-related programs funded by federal, state, and local agencies.	1	1	1
TOTAL FULL-TIME POSITIONS	9	9	9

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Machinery and Equipment Line Item reflects a decrease of \$2,000 (SR) to meet contractual agreements.
The Other Salaries and Wages Line Item reflects a net decrease of \$12,000 due to the reallocation of monies to cover the Summer Youth Onboarding (GF -22,000; SR \$10,000).

The Budget includes the following additions:

The Other Current Charges and Obligations Line Item reflects a net increase of \$29,000 due to a transfer from the Other Salaries and Wages line item to cover the Summer Youth Program Onboarding Cost and due in part to a surge in Milestone Rewards and Zoom Subscription (GF \$22,000; SSR 7,000).
The Professional Services Line Item reflects an increase of \$10,000 (SR) due in part to a budget transfer from the Budget Reserve Line Item to cover the rise in interpreter service costs.
The Travel and Per Diem Line Item reflects an increase of \$6,000 (SR) due in part to the rise in travel mileage.

Grants Administration

The Operating Supplies reflects an increase of \$6,000 (SR) due in part to additional participants in program.

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$51,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, (GF \$30,000).

Grants Administration

Accomplishments FY 2023-24

Submitted 23 grants applications, and eight grants were awarded totaling over \$65.00 million in fiscal year 2023-24. Hired one grant writer. Provided technical assistance to departments on project development, regulation, contract, and grant management.

Families first parenting program evaluated a 96 percent increase in positive parenting and family functioning education by enrollees. Successfully exceeded the annual financial audit required by The Children's Trust.

Recruited and prequalified over 250 youth for the Summer Jobs Connect (SJC) Miami program at the local high schools in all five districts. Taught Miami youth living in disadvantaged neighborhoods Financial Empowerment and Literacy. The program provides meaningful employment opportunities to local youth while instructing and coaching them on credit and money management with a path towards economic self-sufficiency. Updated the Empower app; which is used to set a savings goal through America Saves Pledge during the fall program. All SJC-Miami youth created a budget through the Empower App, which is developed during the youth's one-on-one financial education sessions with their financial ambassador. The Empower App generated the youth financial outcomes collected, reviewed, and monitored by the program manager and financial ambassador. This data tracked the youth's growth in financial knowledge. The youth are requested to submit a bank statement, or a screenshot of their saving amount every pay period to monitor each youth participant's spending and saving habits during the fall program. The priority of the fall program is that all the participating youth continue to enhance their saving habits in their daily lives. Completed orientation and spoke with site supervisors on expectations for the summer program. Provided the youth their "goody bags" which has (jacket, 2 shirts, hat and a bag). Assigned youth to their site supervisor and worksite for the summer.

Assisted agencies and staff in completing Anti-Poverty Initiative (API) Forms and ensured compliance with API guidelines and program requirements. Processed 30 contracts, that accounted for \$1,834,988.80 dollars that assisted approximately 6,486 residents year to date.

Strategies FY 2024-25

Continue to work with departments and City staff to identify projects and funding needs to develop a strategy and timeline for the submittal of grant applications.

Continue to offer the Families First Parenting Program.

Continue to provide employment and financial literacy education to Miami's disadvantage youth through the Summer Jobs Connect Miami program.

Continue to process and route Anti-Poverty agreements in a timely manner to facilitate the implementation of programs and services.

Re-establish the Miami-Dade County Public School Internship Program.

Department Head: Angela Roberts

Phone: (305) 416-2110

www.miamigov.com/Government/Departments-Organizations/Human-Resources

Mission Statement

Providing excellent human resources services in a positive, professional, and proactive manner.

Description

The Department of Human Resources plans, organizes, leads, and administers the various personnel services for civil service, unclassified, and temporary employees. The responsibilities of the Department include participating in all aspects of securing and administering collective bargaining agreements; interpreting City policies and procedures, and promoting Citywide adherence to applicable laws and regulations related to management-employee relations; supporting Citywide staffing needs of operating departments; investigating alleged violations of administrative policies and non-criminal laws related to the workforce that are not related to Equal Employment Opportunity (EEO); providing Citywide training, internal communications, and other developmental programs.

Contributing to the Administration's Priority of *Quality of Life*, the Department provides services through several divisions and sections: Employment, Labor Relations, Records Management, Compensation, Testing and Validation, Pre-employment, Medical, and Organizational Development and Training. All personnel activities are managed based on policies and procedures developed in accordance with City Commission mandates; labor agreements; Civil Service Rules and Regulations; and federal, state, and local laws.

Stakeholders include the City Manager, the Administration, Department Directors, unions, all City employees, the Mayor, the Commissioners, and all job applicants interested in becoming part of the City of Miami team.

Human Resources

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
<p>OFFICE OF THE DIRECTOR</p> <p>Originates and leads Human Resources (HR) practices and objectives in accordance with the City Charter, Civil Service Rules, and City policies to provide an employee-oriented, high-performance culture; oversees and manages salary and performance, labor contracts, labor grievances, workplace investigations, medical and background screenings, recordkeeping compliance, and labor reporting requirements; partners with the executive management team to provide leadership, expertise, advice, and guidance on HR issues as they relate to the overall strategic goals of the City.</p>	7	7	7
<p>EMPLOYEE RELATIONS</p> <p>Conducts proactive recruitment for City positions; tests and conducts skills screening of applicants to determine eligibility for a position and validity of each testing process, in accordance with the Federal Uniform Guidelines for Employee Selection Procedures; maintains all official employment records in accordance with the State of Florida Retention Schedule pursuant to Florida State Statutes 119.07 and 257; administers the compensation system in accordance with Administrative Policy Manual (APM) 5-78; maintains the job classification structure in accordance with the Fair Labor Standards Act (FLSA), applicable state laws, collective bargaining agreements, City Code, and Civil Service Rules; processes all employee personnel actions, generates certification lists, and terminates eligible registers in accordance with Civil Service Rules; processes tuition reimbursements, provides employment verifications, and conducts exit interviews; provides professional and mandatory training; provides organizational development services.</p>	30	30	30
<p>LABOR RELATIONS</p> <p>Provides City Department Directors with guidelines on how to manage human resources effectively and efficiently; documents, develops, and implements policies, procedures, and mandates that support the City’s mission; administers grievances, discipline, and contractual benefits; monitors compliance with federal, state, and local laws, and conducts investigations including violations of the City’s APMs; assists the Chief Negotiator designated by the City Manager and the City Attorney in negotiations with collective bargaining units; implements the City’s collective bargaining agreements (CBAs) with the appropriate unions: the American Federation of State, County and Municipal Employee (AFSCME) Local 1907, the AFSCME Council 79 Local 871, the Fraternal Order of Police (FOP), and the International Association of Fire Fighters (IAFF); coordinates and implements federally mandated acts; assists the City Attorney’s Office by acting in the capacity of agency representative on behalf of the Administration for hearings, mediations, and court appearances.</p>	3	3	3

Budget Highlights for FY 2024-25

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$77,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, (GF \$245,000).

Human Resources

Accomplishments FY 2023-24

Developed, implemented, and conducted several Professional Development programs including Conflict Management, Emotions and Personality, Team Synergy and Performance Management and Progressive Discipline Trainings for Supervisors and Managers. Provided New Employee and Supervisor Orientations, customized training programs, and academies upon request for different City employees and departments throughout the year. Implemented changes and updates to continue to promote the City of Miami's strategic plan and standard of excellence in mandatory trainings such as Customer Service Champions, Professionalism & Ethics and New Employee Orientation programs in 2024. Provided logistics training with the following citywide virtual trainings: Public Records Request, Active Shooter Preparedness, Equal Employment Opportunity, Sexual Harassment & Diversity, Innovations and Technology Skills Trainings, Risk Management and Civil Service Board. Partnered with the Department of Information Technology (DoIT) to strategize and implement the Mandatory Cybersecurity Basic Training citywide. Hosted Bring Your Child to Work Day event with the Miami Police Department, and partnered with the City Manager's Office to host the first citywide One Day for Jackson event in April 2024.

Conducted 135 recruitment processes for classified positions; 53 recruitment processes for unclassified positions, temporary and part-time positions; and conducted 51 Qualifications Procedures (QPs) to fill unclassified positions, as of September 2024 to meet the City's hiring needs. The average time to establish eligibility registers was six days. Received and screened 14,842 applications (10,825 for classified positions and 4,000 for executive, unclassified, temporary, and part-time positions).

Continued the creation and revision of policies through electronic and teleconference methods.

Worked successfully with the Office of the City Attorney to address and mitigate candidate legal challenges to high-stakes entry level and promotional employment testing in the form of court litigation, grievances and civil service cases.

Successfully negotiated all bargaining agreements with the International Association of Firefighters (IAFF), American Federation of State, County, and Municipal Employees (AFSCME 1907) and the Fraternal Order of Police (FOP). Successfully ratified the American Federal of State, County and Municipal Employees, AFL-CIO Local 871 (AFSCME 871) collective bargaining agreement.

Created new classifications and researched pay to stay competitive with our neighboring municipalities to retain and attract well-qualified candidates. Partnered with a third-party provider to prepare scope for classification and compensation analysis, and continued progress on completing in-hire rates reviews.

Strategies FY 2024-25

Continue to conduct Mandatory and Professional Development courses throughout the year focusing on conflict management, team building, and customer service and employee skills development, and work on developing a more streamlined virtual training process for all employees. Design and implement a coaching academy, as well as skill development trainings as requested by department directors.

Continue to meet hiring department's needs by facilitating the recruitment process for classified and unclassified positions in a timely and proactive manner to attract most qualified applicants.

Continue to create and revise various City administrative policies to remain in line with changes in the law and the City's overall strategic objectives and participate in negotiating collective bargaining agreements.

Continue to work with the Office of the City Attorney to successfully resolve high-stakes promotional testing-related challenges from candidates.

Continue to recommend in-hire rates accordingly to secure talent and fill high-priority vacancies, conduct reclassifications, and establish new classifications to meet City Department needs.

www.miamigov.com/Government/Departments-Organizations/Human-Services

Mission Statement

To be a gateway to self-sufficiency that aims to improve the delivery of human services to economically disadvantaged families and individuals and to streamline communications efforts to promote citizen awareness of all available programs and improve the overall delivery of services.

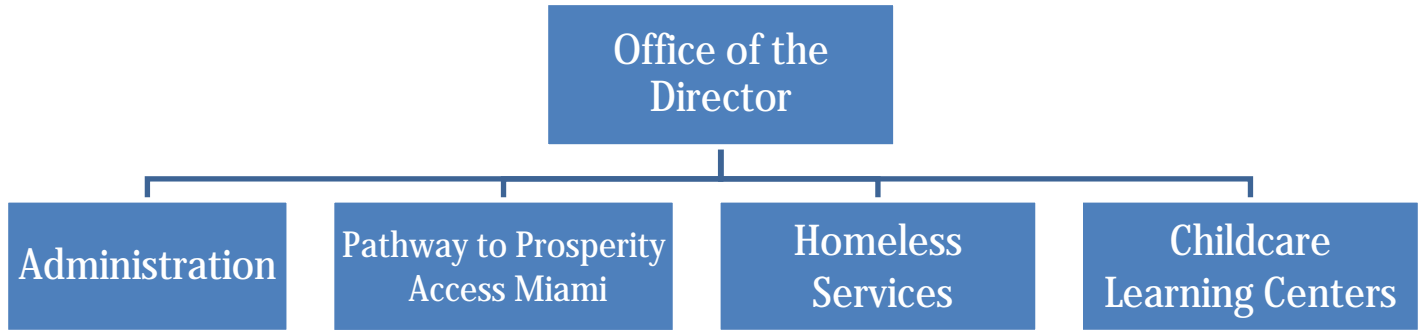

Description

The Department of Human Services partners with organizations to address all poverty-related areas. This includes health, education, crime and police-community relations, economic development and placement, homelessness, physical and environmental enhancements, and access to government services.

Contributing to the Administration's Priority of *Pathway to Prosperity*, the Department researches and develops programs that will have an impact on the neediest City of Miami residents through the introduction of existing programs and the administration of activities that will enhance the quality of life and self-sufficiency. The Department identifies the most cost-effective means of service delivery to the City's most underserved.

Stakeholders include Elected Officials, City Departments, residents, and those below the poverty level including seniors, young adults, teens, and adolescents, homeless individuals, the unemployed, veterans, the Miami-Dade Homeless Trust, and shelter providers.

Human Services

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Provides leadership, guidance, and vision for the Department. Supervises all divisions and their operations, including implementation of Citywide Initiatives, Workforce Initiatives, Homeless Services, Childcare Services, and Health initiatives.	1	1	1
ADMINISTRATION Performs diversified managerial duties; develops, implements, and manages the department budget; implements and enforces office policies and procedures; provides personnel training; processes payroll; provides procurement services; develops service contracts for homeless shelter providers and other contract agreements. Manages multi-year all-inclusive partnerships with city stakeholders, aimed at making the City healthier; develop partnerships with local health providers and community-based organizations, homeowners associations, and civic organizations.	8	8	8
PATHWAY TO PROSPERITY – ACCESS MIAMI Implements programs for financial self-sufficiency for City residents and businesses; coordinates programs for ACCESS benefits, capital, wealth accumulation, and financial literacy; manages tax preparation sites; manages savings, financial education, and business assistance programs; manages the AmeriCorps VISTA (Volunteers In Service To America), and a Summer Youth Employment Program.	6	6	6
HOMELESS SERVICES Assists walk-in clients and callers with the coordination of available benefits and services; evaluates and assesses clients to develop a course of action to meet their needs; refers clients to other agencies or offices when appropriate; provides accurate and current information on veterans’ rights, benefits, and all available services; coordinates placements in emergency shelters, treatment facilities, and permanent housing and referral services for employment; provides outreach, assessment, placement, referral, and transportation services to the homeless individuals and families of the City of Miami and all of Miami-Dade County.	43	43	43
CHILDCARE LEARNING CENTERS Focuses on the developmental, educational, and recreational daycare services for infants through age five, and provides the administration of the child subsidy and enrollment activity.	11	11	11

Budget Highlights for FY 2024-25

The Budget includes the following reduction:

The Rental and Leases Line item reflects a reduction due to funding reallocation of \$275,000 (GF) to the Promotional Activities Line to cover expenditures incurred due to the new mentorship program.

The Budget includes the following additions:

Additional grant funding was added to the Professional Services Line item to cover the increased Hotel/Motel program cost of \$1.00 million (SR).

The Other Contractual Services Line item reflects a net increase of \$13,000 due in part to a decrease in GF to align the budget with the current trend of expenditure, and due in part to the rise in funding for the Childcare Food Program (GF -\$29,000; SR \$42,000).

The Travel and Per Diem Line item reflects an increase of \$9,000 (GF) due in part to the rising costs of travel expenditure to attend developmental training.

The Communications and Related Services Line item reflects an increase of \$3,000 (GF) to replace phone devices.

Human Services

The Promotional Line item reflects an increase due in part to the new mentorship program (\$400,000 GF).

The Office Supplies Line item reflects an increase of \$5,000 (GF) to align the budget with the current trend of expenditures.

The Operating Supplies Line item reflects an increase of \$6,000 (GF) to align the budget with the current trend of expenditures.

The Clothing and Uniform Line item reflects an increase of \$4,000 (GF) to align the budget with the current trend of expenditures.

The Subscriptions, Memberships, Licenses, Permits, and Others Line item reflects an increase of \$9,000 (GF) to align the budget with the current trend of expenditures.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$264,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, (GF \$82,000).

Human Services

Accomplishments FY 2023-24

Provided free tax services to 1,640 residents that resulted in \$1.238 million in refunds. Partnered with Breaking Barriers to Business (B3). B3 is a grant initiative seeking to transform systemic barriers found in relationships between local government and business-serving agencies and community-based business-serving organizations into pathways that serve minority business owners with the knowledge and financial capital they need to grow and create jobs in their commercial corridors. Worked alongside on the Commercial Acquisition Fund (CAF) with the Corridors Business Serving Organizations; Allapattah and Allapattah CDC, Overtown and Touching Miami with Love, Coconut Grove, and Miami Dade Chamber of Commerce. Hosted a successful Grow Your Business Summit, with over 100 attendees. Continued offering virtual financial webinars and workshops.

Held and participated in multiple successful hiring events throughout the city that drew over 1,000 job seekers. Issued over 870 Uber vouchers and 540 bus passes through the wrap-around services.

Connected with and supported the community health partners at different events hosted throughout the city to provide free health screenings that identified five abnormalities in 379 electrocardiogram evaluation (EKG) screenings and resulted in \$124,752 in-kind savings. Joined forces with the Fast Track Cities through the Mayor's Office to combat the Human Immunodeficiency Virus (HIV) epidemic.

Maintained an average of 66-70 enrollees and graduated 15 Pre-Kindergarten graduates. Hosted two garden activations for the Ready, Set, Grow program that replenished the vegetable beds with edible plants, herbs, and vegetable and fruits plants.

Continued to engage homeless living on the streets. Continued to engage Continuous of Care (COC) partners, and exploring innovative ideas to address homelessness.

Strategies FY 2024-25

Continue to provide residents and small businesses access to benefits, capital, How To's on accumulating wealth and assets, as well as financial education.

Continue to expand our workforce development, placement, and training services for job seekers and local businesses through the City of Miami Opportunity Center.

Continue to engage community partners to connect residents to free services, promote a healthy City, communicate available programs, and increase overall delivery of human services.

Continue to promote health and well-being for children and provide quality childcare.

Connect homeless individuals and veterans to resources and assistance.

Adopted Budget Highlights for FY 2024-25:

Pursuant to Resolution R-24-0389 (see Exhibit "A"), adopted September 26, 2024, the Budget includes the following change:

- As approved in the Referendum Special Election of August 20, 2024, removing the \$2.106 million budget allocation to the eliminated Office of Independent Auditor General and allocating \$2.106 million for the operation of the newly created Office of Independent Inspector General.

Note: For consistence purpose, the budget allocation to the newly office uses the same budget line items allocation to the eliminated Office of the Independent Auditor General and published in the proposed budget book.

Mission Statement

To provide innovative IT solutions that will enable the City to deliver exceptional services for residents, business owners, and visitors.

Description

The Department of Innovation and Technology (DoIT) enables City operations through device and software support, connectivity, and server maintenance. Additionally, DoIT seeks to deliver the best possible user experience for residents and City employees. Teams focus on people, process, and data-driven decision making to enable exceptional digital services and a secure, resilient infrastructure.

Contributing to the Administration's Priority of *Quality of Life*, DoIT provides enterprise-wide technical services for all departments in the City and manages datacenter servers, storage, and backup systems as well as all networking components and telecommunications systems. The Department also supports the Emergency Response systems and manages the City's Geographical Information System (GIS), Enterprise Financial Management software, and other department specific applications. By taking a human-centered approach to digital transformation, DoIT ensures new technology is appropriately matched to constituent needs. Continuous improvement, ongoing learning, and collaboration are central themes as the Department strives to enable streamlined City operations and user-friendly civic services of the future.

Stakeholders include all City departments, Elected Officials, residents, businesses, visitors, and all who visit the City's website.

Innovation and Technology

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Oversees technical, professional, and management personnel responsible for the provision of networks, computers, and systems; provides administrative support to operations; oversees shared services development; establishes framework for effective delivery of strategic programs; ensures effective management of projects, including processing of intake and ensuring alignment with Citywide strategy; and instructs and leads Citywide process improvement, digital, and data initiatives	11	5	5
CUSTOMER SERVICES Provides customer service support via telephone, email, walk-in, and desk-side operations to all enterprise business applications; provides accurate and efficient responses to extensive Public Records Requests; provides Citywide technical training; prepares computers for deployments; markets, promotes, and communicates DoIT services to all business partners.	13	13	13
INFRASTRUCTURE, NETWORK, AND TELECOMMUNICATION Maintains and supports the City’s business network, application and data servers, email systems, cloud and on-premise storage systems, business continuity, backup, and data archival systems.	18	19	19
APPLICATIONS SUPPORT AND INTEGRATION Supports over 110 departmental business applications to maintain day-to-day business operations; supports maintenance and new development of business software applications; supports and maintains business data, efficient shared services using professional, prompt, accurate, and knowledgeable assistance across the enterprise including internet, project management, database, business analysis, GIS, Public Safety, Human Resources, and Enterprise Resource Planning (ERP) operations.	40	39	39
SECURITY Identifies cyber risks, formulates appropriate mitigation and treatment, implements, and manages security solutions to safeguard and protect data, systems, and enables secure business practices. Responds to cyber risks and threats to City assets as well as for the development, implementation, and compliance with internal and external policies.	0	6	6

Budget Highlights for FY 2024-25

The Budget includes the following reduction:

The Budget Reserve Line item reflects a decrease due to the reduction in prior year fund balances (SR \$151,000).

The Budget includes the following additions:

The Office Supplies Line item reflects an increase due to higher-than-expected usage and to ensure adequate supplies for staff and consultants (GF \$1,000).

The Subscriptions, Memberships, Licenses, Permits and Others Line item reflects an increase due to higher costs for license renewals and annual subscriptions (GF \$8,000).

As approved in the FY 2023-24 Mid-Year Amendment, the Budget Reserve Line item reflects the transfer to Special Revenues for the rollover allocations in accordance with the Financial Integrity Principles (SR \$1.010 million).

As approved in the FY 2023-24 Mid-Year Amendment, the budget reflects a contribution from the Special Revenues to Capital for the ITD Computer Replacement Plan (\$364,000).

A contribution from the Special Revenues to Capital for the replacement of aging computers (\$135,000).

Innovation and Technology

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$789,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$17,000).

Innovation and Technology

Accomplishments FY 2023-24

Placed fortified security posture to place a heightened emphasis on least privilege, multi-factor authentication, role-based access control, and privileged access management to safeguard sensitive data and critical resources. Continued expanding in the areas of identity and access management by introducing robust protocols.

Started to analyze Oracle data associated with Capital Projects to facilitate the creation of metrics. Corrected issues with data that is sent from Oracle to eBuilder.

Averaged a 93.45 percent performance for same day tickets completed. Created an application to help the Office of City Attorney track Legal Service Requests. The application will facilitate tracking and reporting the status of legal service requests in a more efficient manner. Created an application to automate a workflow process to clean graffiti throughout the city. This application will be used primarily by the Human Services and Solid Waste Departments.

Hired contractors to fill the staff shortages within the department and requested full time employee positions for fiscal year 2025.

Engaged services from World Wide Technologies (WWT) to help implement tools intended to expedite the deployment of software.

Developed standard operating procedures for Project Managers to standardize their work. Developed a template to facilitate the submission of requests for project management services.

Strategies FY 2024-25

Continue to bolster security posture with improved infrastructure and establishing lifecycle processes to minimize vulnerabilities across systems and solutions.

Continue to empower City of Miami residents, business owners, City management and employees by enabling data-driven decision-making through easy access to City data, web services, open data, data catalogs, and dashboards.

Continue to advance digital service delivery with end-to-end online solutions that support twenty-four seven digital access to government to provide a better user experience to residents, businesses and employees.

Continuous improvement (Kaizan) and standardization of the project management workflow to minimize duplications, reduce costs, and maximize resources to produce an efficient and lean agile method.

Track all IT-related service requests while ensuring we respond and communicate with requesters promptly.

Strategic Alignment and Performance Measures

Priority Areas	City Strategic Plan Objectives
Quality of Life	1.1.1 Modernize and streamline City processes City of Miami Strategic Plan
	1.1.2 Strengthen trust through excellent customer service City of Miami Strategic Plan

Management and Budget

Department Head: Marie M. Gouin

Phone: (305) 416-1500

www.miamigov.com/Government/Departments-Organizations/Management-Budget

Mission Statement

The Office of Management and Budget (OMB) is responsible for the preparation, execution and management of the City's Annual Operating Budget and Capital Improvements Plan ("CIP"). Through the management of the Strategic Plan the Office collaborates with the City Administration and Departments to identify critical metrics and conduct evaluations on strategies that align to citywide goals.

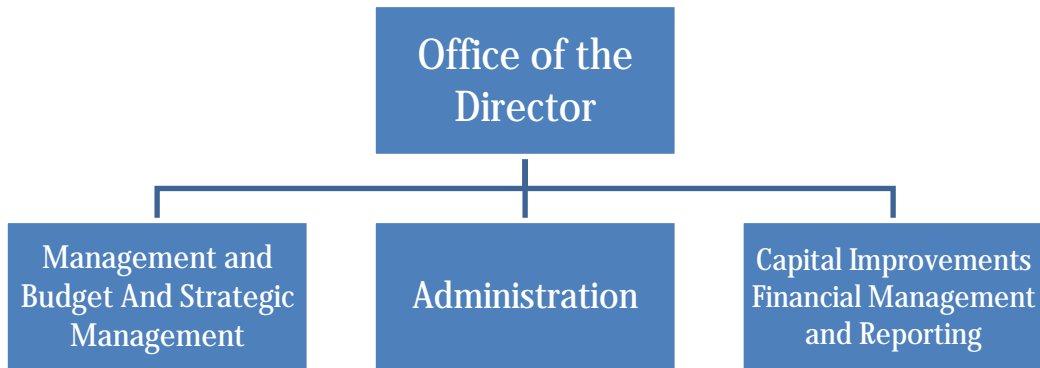

Description

The Office of Management and Budget (OMB) was established under Chapter 2, Article IV, Division 12, Section 2-491 of the City Code. Duties and responsibilities are derived from the Florida Statutes, City Charter, and City Code, or are defined administratively. The Office supports the City's results-oriented government activities to maximize the use of the City's annual operating and capital resources. OMB activities focus on allocating resources toward stakeholder priorities and promoting the efficient and effective use of those resources.

Contributing to the Administration's Priority of *Quality of Life*, the Office is committed to strengthening trust through excellent customer service and allocation of resources. OMB develops the City's annual Operating Budget and Multi-Year Capital Plan, facilitates performance reporting mechanisms, conducts organizational business process reviews, reviews agenda submissions for all City-sponsored items, and coordinates and monitors payments of funded discretionary allocations and purchases. OMB works to facilitate funding transactions and recruitment as it monitors departmental financial performance throughout the City's operations. The Office provides financial oversight to projects managed by the Office of Capital Improvements (OCI), processes and reports on the financial activity of capital projects, ensures the timely issuance of purchase orders and payments for projects, and works with OCI and user departments to prepare the Annual Capital Plan. Additionally, OMB prepares monthly reports on the year-to-date revenues and expenditures of the City's operations and is responsible for developing the Five-Year Financial Plan and presenting them to the City Commission. OMB monitors and coordinates the Miami Forever Bond Program, supports the Miami Forever Bond Oversight Board, maintains and updates the City's Strategic Plan, and encourages performance management and use of performance measures throughout the organization

Stakeholders include the Mayor, City Commissioners, the City Administration, City offices and departments, other independent instrumentalities of the City, residents, and businesses of the City of Miami, and bond rating agencies.

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Professional Services Line Item reflects a net decrease of \$17,000 due to the reallocation of monies to cover the Summer Youth Onboarding (GF \$35,000; SR -\$52,000).

The Other Contractual Services Line item reflects a reduction of \$35,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$58,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$133,000).

Management and Budget

Accomplishments FY 2023-24

Presented Budget Amendments for the fiscal year of 2023-24 in November 2023 and in April 2024.

Completed Operating and Capital Proposed Budgets for the coming year in July.

Maintained the City of Miami Strategic Plan and carried out quarterly departmental and performance meetings. Started developing a Strategic Planning and Performance Dashboard, expected to be published in fiscal year 2024-2025.

Conducted research and an evaluation on the process of developing the City's five-year Capital Plan. The first tranche of the Miami Forever Bonds were issued in June 2024.

Strategies FY 2024-25

Continue to present the prior year and current mid-year Budget Amendments no later than the last City Commission meeting in November and April.

Continue to work on completing the Operating and Capital Budgets for the coming year in July, and load all changes within one week of Commission approval.

Continue to maintain and update the current City of Miami Strategic Plan and encourage monthly and or quarterly departmental Performance Management meetings.

Continue to oversee compliance for American Rescue Plan Act (ARPA) and Miami Forever Bond programs and projects.

Strategic Alignment and Performance Measures

Priority Areas	City Strategic Plan Objectives
1. Quality of Life	1.1.2 Strengthen trust through excellent customer service City of Miami Strategic Plan
	1.1.3 Engage all Stakeholders with timely and clear communication City of Miami Strategic Plan
	1.4.3 Reduce the amount of time customers wait City of Miami Strategic Plan
2. Resilience	2.1.3 Equip City departments and residents by identifying critical metrics and improving access to critical data City of Miami Strategic Plan
	2.2.2 Create avenues to capture and integrate community feedback into all stages of programming City of Miami Strategic Plan

Procurement

Department Head: Annie Perez, CPPO

Phone: (305) 416-1910

www.miamigov.com/Government/Departments-Organizations/Procurement

Mission Statement

The Department of Procurement's mission is to ethically procure quality goods and services, design, construction, and construction management services at the best value for the City, while providing excellent customer service, process efficiency, transparency, fairness, competition, accountability, and maintaining public trust.

Description

The Department of Procurement administers the purchase of all materials, supplies, equipment, goods, and services needed by the various departments of the City of Miami. Additionally, the Department procures and maintains the City's construction, architectural, and engineering services contracts, public works, and transportation contracts.

Contributing to the Administration's Priority of *Quality of Life*, the Department conducts all purchases in an open and fair competitive manner, as established by the informal and formal methods of source selection, pursuant to the City Procurement Code. The primary methods of source selection consist of: Invitation for Quotations (IFQs) for purchases between \$5,001 and \$25,000, and Invitation for Bids (IFBs), Request for Proposals (RFPs), Request for Qualifications (RFQs), and Request for Letters of Interest for purchases exceeding \$25,000. Procurement also manages the Purchasing Card (P-card) Program and administers the disposition of Citywide surplus and personal property. Other services provided by Procurement are specification refinement, market research, contract negotiations, processing, and management of expert consultant agreements for the City Manager, contract administration, and the handling of vendor non-performance. All functions are performed in compliance with federal, state, and local laws.

Procurement's customers include, but are not limited to, vendors registered to do business with the City, Elected Officials, all City departments, the OMNI Community Redevelopment Agency, and other independent instrumentalities of the City of Miami.

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Subscriptions, Memberships, Licenses, Permits and Others Line item reflects a net decrease of \$78,000 to align the budget with the actual trend of expenditures (GF \$2,000; SR -\$80,000).

The Travel and Per Diem Line item reflects a reduction of \$5,000 (GF) to align the budget with the actual trend of expenditures.

The Training Line item reflects a reduction of \$5,000 (GF) to align the budget with the actual trend of expenditures.

The Operating Supplies Line item reflects a reduction of \$5,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additions:

Additional funding was added to the Other Contractual Services Line item to align the budget with the actual trend of expenditures (GF \$10,000).

Additional funding was added to the Rentals and Leases Line item to align the budget with the actual trend of expenditures (GF \$3,000).

Procurement

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$86,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$68,000).

Procurement

Accomplishments FY 2023-24

Assisted the City Manager's office to issue Administrative Policy Manuals (APM) for procurement guidelines for federal or state funding, transportation purchases, and disclosure of apparent conflict with a person seeking to transact or currently transacting business with the city or any of its agencies.

Organized the first Pathways to Public Procurement Summit on October 19th and 20th that was attended by over 500 people across both days and represented over 150 unique firms. Organized and hosted multiple Industry Days throughout fiscal year 2023-2024 to advertise and strengthen upcoming solicitations through feedback from industry experts and how to become a registered vendor with the City of Miami. Organized reverse trades shows such as the "Meet-and-Greet for Hurricane Preparedness" which was intended to present government partners and other local municipalities with opportunities from the City's contracted vendors, in addition to a meet-and-greet with the City's contracted Emergency Debris Removal Contractors for interested firms to network for future sub-contracting opportunities. Attended several outreach events hosted by other local municipal partners in addition to speaking at Amazon's 2023 Reshape Conference on Socially Responsible Purchasing. Began organizing and planning 2024's Vendor University for the beginning of fiscal year 2024-25.

Met with Bidnet representatives to transition to an updated solicitation platform, with a launch planned for the second quarter of fiscal year 2024-25. Completed an external webpage dedicated to advertising "Future Solicitations", as well as for use to give firms a more advanced notice to upcoming solicitations.

Continued to provide training opportunities throughout the year to staff, client departments, and elected officials on procurement processes, purchasing thresholds, and proper iProcurement Module usage. Organized a learning session with Grainger for City staff on how to place orders, search for products in the City's marketplace and punchout, and learn about other Grainger programs available.

Continued to review the current eBuilder Solicitation Module processes to ensure they are up to date for launch. Streamlined performance metrics tracking spreadsheets to reduce possibility of errors when reporting data. Continued to monitor docuSign usage for improvements to streamline document signing timelines.

Revised the expedited list of projects November 27th pursuant to section 18-117 of the Code of the City of Miami; Incorporate new and on-going capital improvements solicitations and projects, which are intended to address the City's resilience needs as part of its sea-level rise, flood prevention, roadway improvements, and park goals and objectives; approved at the January 11th Commission meeting. Presented an updated Procurement Department Strategic Plan at the 2024 Annual EOC exercise. In partnership with Amazon Business, Procurement facilitated enrollment in both Amazon's Rebate and Curated Catalog program providing rebates on purchases made by the City on Amazon and discounted pricing on certain frequently purchased categorical goods. Began the process of conducting a citywide spend analysis, and researched other municipalities spend analyses to assist in scope development.

Procurement

Strategies FY 2024-25

Continue to update the City's Procurement Ordinance to include increases in delegated authority, up to date processes, bid protest procedure, and other substantive improvements.

Continue to increase the City's vendor database to include LGBTQ local, and small minority firms through vendor workshops and outreach programs.

Continue to update and revamp Procurement's internal and external websites to be more user friendly.

Continue to train Procurement staff and end-user departments on the Request for Proposal (RFP) and Request for Qualifications (RFQ) processes, negotiations, City Procurement Code, federal procurement requirements, and Florida Statutes that govern procurement.

Continue to innovate and implement systems to streamline procurement processes, improve performance metrics, and automate reporting.

Continue to develop Procurement Strategic Plans, including conducting annual spend analysis in conjunction with the Office of Management and Budget. Work closely with internal clients to determine needs and prioritization of procurements, cost reduction, risk management, training for Procurement staff, and sustainability initiatives, including creating a sustainable green procurement policy.

Resilience and Sustainability

Department Head: Sonia Brubaker

Phone: (305) 416-1214

www.miami.gov/My-Government/Departments/Resilience-and-Sustainability

Mission Statement

To develop and implement strategies to strengthen the resilience and sustainability of Miami's residents, infrastructure, economy, and natural systems through internal and external partnerships.

Description

Urban Resilience is the capacity of individuals, communities, institutions, businesses, and systems within a city to survive, adapt, and grow no matter what kinds of chronic stresses and acute shocks they experience. Urban Sustainability involves developing a city that seeks to meet the needs of people while protecting our environment and resources for future generations. Resilience and Sustainability go hand in hand whether in creating a physical building, planning neighborhoods, or improving economic opportunity for all.

Contributing to the Administration's Priority of *Resilience*, the Office of Resilience and Sustainability (ORS) is responsible for assessing and prioritizing the greatest threats to the City of Miami's resilience and sustainability, implementing a cohesive resilience strategy, and subsequently harnessing the expertise and resources across City agencies, other jurisdictions, and the community in order to effectively address these threats and mitigate our impact to global climate change, economic stressors, and social vulnerability.

Stakeholders include City departments, businesses, visitors, and residents of the City of Miami, and all municipalities within Miami-Dade County and neighboring counties in Southeast Florida.

Budget Highlights for FY 2024-25

The Budget includes the following addition:

- The Subscriptions, Memberships, Licenses, Permits and Others Line item reflects an increase of \$3,000 (GF) due to the addition of software licenses for office staff.

The Budget includes the following additional consideration:

- The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent) and a six percent across the board increase (GF \$35,000), and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$25,000).

Resilience and Sustainability

Accomplishments FY 2023-24

Participated in Progress, Innovation, and Vision for Our Tomorrow (PIVOT) Team monthly meetings with Miami-Dade County and the City of Miami Beach to work on priorities for actions listed in the Resilient305 strategy; participated in weekly meetings held by the Southeast Florida Regional Climate Change Compact to assist with development of the Priority Climate Action Plan for the U.S. Environmental Protection Agency (EPA) Climate Pollution Reduction Grant regional proposal; continued to develop materials and outreach strategies to educate the community and businesses about the fertilizer ordinance; partnered with Venture Miami to provide input for the regional Climate Ready Tech Hub grant application; submitted a grant proposal to the National Coastal Resilience Fund aimed at designing a living shoreline at Legion Park; worked with Howden Insurance and the Resilient Cities Network to explore the development of a parametric insurance product for low-to-moderate income property owners; and financially and technically supported the installation of a memorial for Marjory Stoneman Douglas in Peacock Park, underscoring a dedication to cultural remembrance alongside environmental stewardship.

Worked with multiple departments to develop an application for the U.S. EPA Environmental Justice Community Change grant to retrofit community centers in City parks to operate as resilience hubs; moved forward on administrative processes necessary to begin resilience hubs upgrades to Charles Hadley Park; finalized the Miami Forever Climate Ready Extreme Heat Plan to prepare the City for chronic heat and extreme heat events; completed the state-required Flood Vulnerability Assessment to guide the prioritization of community assets that are at risk to existing and future flooding; began work on an economic assessment to determine value of the City's climate resilience infrastructure investments; met with technical partners and internal partners to analyze resources and funding needed to operationalize property adaptation programs; worked with Resilience and Public Works to determine how to implement a pilot project from the Southwest Streetscape Master Plan; and, actively participated in U.S. Army Corps of Engineers (USACE) Back Bay Coastal Storm Risk Management (CSRМ) Study meetings and planning to advocate for City of Miami interests to be represented in the plan.

Submitted an implementation grant proposal to the U.S. EPA Climate Pollution Reduction Grant to fund City-run low-income efficiency and weatherization programs (Homeowner Preservation Program, Keep Safe Miami Program, Miami Cools Program) which will help address climate gentrification; submitted a proposal for U.S. Department of Energy (DOE) Energy Efficiency and Conservation Block Grant (EECBG) formula funds to purchase electric fleet vehicles; held monthly internal Electric Vehicle (EV) Taskforce meetings to discuss opportunities to electrify the City fleet and provide public charging opportunities; finalized the FPL Evolution agreement for EV chargers at City parks; submitted an application for U.S. Department of Transportation (DOT) Charging and Fueling Infrastructure grant; enrolled in the FPL SolarTogether program to source 45 percent of the City's electricity use from offsite solar; successfully advocated for the installation of solar at the new City administrative building and for LEED Gold certification; helped reinstate the City's E-Waste recycling drive programs with Solid Waste; held a professional clothing drive to benefit Dress for Success wherein 122 items were collected for donation; released the 2019 and 2021 greenhouse gas inventory report; and, collected data for the City's 2023 greenhouse gas inventory. City of Miami was named one of two Most Improved Cities on the biannual American Council for Energy-Efficient Economy (ACEEE) 2024 City Clean Energy Scorecard.

Developed an administrative policy to require City departments to integrate green infrastructure guidance into procurement for City capital projects; onboarded two Resilience Programs Managers; facilitated monthly Climate Resilience Committee meetings and sought the feedback of the Committee on climate resilience initiatives and waterfront capital projects; facilitated City staff participation in University of Florida Institute of Food and Agricultural Sciences (IFAS) Living Shoreline Course, LEED Green Associate training, and SolSmart trainings; co-hosted Leave No Trace community meetings and outreach with the Parks Department; hosted monthly Resilience Action Group meetings with department directors and staff to coordinate efforts on resilience initiatives; provided briefings and talking points for new Commissioners to enhance their understanding of the City's resilience program; coordinated responses with City departments to compile the City's response to the Climate Disclosure Project (CDP) and the Climate Compact Action Tracking (CCAT) annual reports; presented and tabled at multiple community meetings and events throughout the year; and, hosted the City's second annual Earth Day Celebration at the Miami Riverside Center, featuring activities such as Miami River Boat Rides, healthy food vendors, Tesla test drives, and educational exhibits from various City departments.

Resilience and Sustainability

Strategies FY 2024-25

Continue to implement Resilient305, by meeting regularly with PIVOT resilience teams from Miami-Dade County and the City of Miami Beach and work collectively on mutually decided priorities for actions listed in the strategy including Biscayne Bay health, nature-based and green infrastructure, affordable housing, electric vehicle infrastructure, building efficiency programs, residential property adaptation, and green economy.

Continue to implement Miami Forever Climate Ready and track progress of adaptation strategy by prioritizing key actions related to economic development; capital improvements that focus on flood prevention, sea level rise, and storm surge; and extreme heat.

Continue to implement Miami Forever Carbon Neutral with the greenhouse gas reduction plan, that includes securing resources to progress on priority actions, socializing goals across departments, and updating greenhouse gas inventory.

To build understanding of resilience, ORS will continue to provide status updates, enhance collaboration within City administration, and improve public accountability through: website updates, social media posts, newsletter updates, internal Resilience Action Group meetings, administrating the Climate Resilience Committee, coordinating training opportunities, assisting with grant applications, and building community partnerships.

Resilience and Sustainability

Strategic Alignment and Performance Measures

Priority Areas	City Strategic Plan Objectives
1. Quality of Life	1.1.3 Engage all Stakeholders with timely and clear communication City of Miami Strategic Plan
	1.2.2 Enhance greenways and green spaces to promote outdoor activity City of Miami Strategic Plan
	1.2.3 Continue to enhance the quality of parks and open spaces City of Miami Strategic Plan
	1.3.1 Create a safe and comfortable pedestrian environment City of Miami Strategic Plan
	1.3.2 Facilitate connectivity through affordable multi-modal transportation options City of Miami Strategic Plan
	1.5.2 Continue to strengthen community partnerships City of Miami Strategic Plan
2. Resilience	2.1.1 Enhancing understanding of the City's vulnerability to environmental, social and economic risks with data City of Miami Strategic Plan
	2.1.2 Quantify the City's impact on climate change City of Miami Strategic Plan
	2.1.3 Equip City departments and residents by identifying critical metrics and improving access to critical data City of Miami Strategic Plan
	2.2.2 Create avenues to capture and integrate community feedback into all stages of programming City of Miami Strategic Plan
	2.2.3 Improve internal capacity, coordination and communications City of Miami Strategic Plan
	2.3.1 Reduce the severity, duration, and impact of coastal and riverine flooding on shorelines and surrounding communities City of Miami Strategic Plan
	2.3.2 Update and implement waterfront design standards City of Miami Strategic Plan
	2.3.3 Accelerate investment in features along waterfront City of Miami Strategic Plan
	2.4.1 Update storm-water management system to meet infrastructure needs through 2060 under varying climate conditions City of Miami Strategic Plan
	2.4.2 Prioritize projects that protect the most critical and vulnerable areas City of Miami Strategic Plan
	2.4.3 Upgrade and retrofit existing infrastructure to improve resilience and sustainability City of Miami Strategic Plan
	2.5.1 Develop policy and regulations to reduce impact of environmental risks and promote sustainability City of Miami Strategic Plan
	2.5.2 Incentivize development that allows residents and businesses to adapt and thrive under changing environmental, economic and social conditions City of Miami Strategic Plan
	2.5.3 Integrate resilience, sustainability and equity considerations into large development projects City of Miami Strategic Plan

Mission Statement

To promote life safety, protect the public, and improve the quality of life by providing prompt and efficient review of plans, issuances of permits, and timely inspections; and by interpreting and enforcing the Florida Building Code (FBC) and all other applicable regulations governing construction and land uses while ensuring expeditious access to public records and providing excellent customer service through enhanced technology.

Description

The Building Department protects the health, safety, and welfare of the public, and enhances the general quality of life by interpreting and enforcing the FBC and other applicable regulations governing construction and land use.

Contributing to the Administration's Priority of *Quality of Life*, the Building Department provides records, issues permits, and performs building inspections. The Department also ensures that commercial and residential buildings and structures comply with the FBC and all other applicable laws and ordinances.

Stakeholders includes property owners, homeowners' associations, private and charter schools, City departments, and the building construction industry at large.

Building

Building

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
<p>OFFICE OF THE DIRECTOR Directs, administers, and manages departmental activities and professional or technical employees engaged in providing interpretations and enforcement of the Florida Building Code; develops and formulates policies and procedures and short and long-range plans.</p>	5	7	7
<p>ADMINISTRATION Prepares and implements the departmental budget; monitors revenue, expenditures, and personnel activities; manages the Public Benefits Program for compliance; prepares legislative packages, assist customers with plan or permit issues, and performs clerical duties; monitors the City's Billboard and Mural Program; processes all Noise Waiver requests and Temporary Occupancy Permits; processes all Special Events for the City; Manages the Building Efficiency (BE305); assists homeowners and contractors with permits and plans review process; establishes procedures and guidelines for expedited review process; administers and audits work provided by private providers.</p>	18	28	33
<p>ENTERPRISE PERMITTING Responsible for implementing citywide permitting and enforcement IT-related enterprise solutions. Responsible for quality control, prescreening plan applications, scanning of documents, assigning tasks to all disciplines, works with Miami-Dade County as contractors for the Department Environmental Resources Management (DERM), Water and Sewer Department (WASD) and impact fees.</p>	0	40	40
<p>PLANS REVIEW AND INSPECTION SERVICES Conducts field inspections of construction, remodeling, repairs, and condemnation, for possession of permits; checks for conformity with Florida and Miami-Dade County Building Codes and approves plans and specification requirements for the various disciplines; outlines plans and procedures for execution of inspection activities affecting installations, materials, and appliances; provide efficient environmental resource services while upholding the laws to protect, preserve, restore and enhance the City's tree canopy.</p>	79	94	94
<p>PERMITS AND RECORDS Issues all Building permits, Certificates of Occupancy and Temporary Certificates of Occupancy (COs and TCOs), commercial, and residential certificates; collects fees to be recorded; performs data entry; assists callers and monitors the message center; reviews and prepares documents for digitizing. Conducts research on record requests; coordinates the digitizing of records to comply with State of Florida Public Record requirements.</p>	59	29	29
<p>UNSAFE STRUCTURES Conducts field inspections of structures due to customer complaints to determine hazardous conditions at construction sites, residential and commercial properties; accidents that may occur involving structural damages; aides homeowners and contractors through the Unsafe Structures process in order to secure structures that may be occupied or vacant; coordinates weekly Unsafe Structure Panel hearings which reviews violations and structures that should be demolished; schedules demolitions alongside the legal department; issues citations for code violations; records liens and demolition orders on abandoned properties; administers the 40 and 50 year recertification process.</p>	35	35	35
TOTAL FULL-TIME POSITIONS	196	233	238

Budget Highlights for FY 2024-25

The Budget includes the following additions:

The Other Salaries and Wages Line item reflects an increase due to the additional funding required to cover temporary employees' salaries (\$56,000 GF).

The Overtime Line item reflects an increase due to funding for security services overtime cost provided by police located at the fourth-floor lobby, and a 12 percent adjustment due to increases in salary rates (GF \$229,000).

The Other Contractual Services Line item reflects an increase due to the rate adjustments implemented by CAPP Government and PMM Consulting Engineers, which were subsequently approved by the Commission on January 11, 2024 (GF \$4.060 million).

The Communication and Related Services Line item reflects an increase due to rate increases for city-issued cellphones and vehicle GPS services (GF \$38,0000).

The Postage Line item reflects an increase due to additional funding for printing flood hazard brochures in an additional language (GF \$40,000).

The Rental and Leases Line item reflects an increase due to a rate adjustment resulting from the contract renewal for copiers, department storage, color copiers, and temporary storage needs (GF \$25,000).

Building

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$1.148 million); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$71,000).

The Salaries and Wages Line item reflects an increase of \$293,000 (GF) to fund five full-time positions dedicated to overseeing the Public Benefits Program for compliance. The new positions include one Special Project Coordinator (GF \$79,000), one Building Services Assistant IV (GF \$61,000), one Business Services Assistant III (GF \$56,000), and two Business Services Assistant III positions (GF \$97,000 GF).

A Contribution from the Building Fund to Capital for replacing aging computers (\$300,000).

A Contribution from the Building Fund to Capital for Electronic Plans Review Phase II – Buildout out of offsite location (\$2.000 million).

A Contribution from the Building Fund to Capital for Enterprise Permitting Solutions (\$9.000 million).

A Contribution from the Special Revenue Fund-Unsafe Structure to Capital for funding the Unsafe Structure fleet vehicles (\$540,000), and for the Enterprise Permitting software (\$1.000 million).

Due to the administration of the mural fee revenues transfer from the Office of Zoning, the Other Licenses, Fees – Murals Line item reflects an increase of \$2.800 million (GF).

Building

Accomplishments FY 2023-24

Implemented the expedited overnight, joint, and same-day reviews March 2023. Held a meeting March 2024 to discuss how to expand and improve the response times for plan reviews further based on previous implementations completed.

Deployed BE305 software initiative for buildings over 20,000 square feet, within the City of Miami, to benchmark and report energy and water consumption.

Completed transfer of address assignment process from the Office of Zoning to the Building Department and implemented process improvements to reduce wait times.

Identified 736 new unsafe structure cases, ensured 874 structures met compliance with 40 or 50 re-certifications, and demolished 261 unsafe structures.

Passed legislation that updated several sections of the City Code. Ordinance 14223, passed on October 26, 2023, amending Chapter 10/Article V of the City Code, titled "Buildings/Code Relief Program," more particularly by amending Section 10-75 to create a short-term enhanced side setback administrative adjustment pilot program for the city's existing Code Relief Program and creating Section 10-76 titled "Driveway Amnesty Program" to provide for a setback adjustment for existing driveways at single family homes and duplex properties. Ordinance 14229, passed on November 16, 2023, amending Chapter 10/Article VI of the City Code, titled "Buildings/Unsafe Structures," more particularly by providing for regulations for fencing vacant lots by adding Section 10-104, titled "Vacant Lot Fencing. Ordinance 14279, passed on May 9, 2024, amending Chapter 10/Article I of the City Code, titled "Buildings/In General," more particularly incorporating changes related to assignment of enforcement duties, procedures, and exclusions, and renumbering of other Sections of Chapter 10.

Finalized the digital lobby management system implementation timeline in collaboration with the vendor. Trained Building, Planning, Public Works, Zoning, and Fire departments in preparation for soft launch August 2024.

Strategies FY 2024-25

Continue to aggressively pursue abandoned and unsafe structures throughout the City and demolishing those structures that pose hazards to the neighborhoods of the City. Continue to meet with the Condo Associations to ensure compliance with their 40 or 50 recertifications.

Continue to amend City Code under its purview, including but not limited to Chapters 2, 10, 17, 20, 36, and 62. Continue to work collaboratively with neighboring municipalities and counties by recommending changes to the Florida Building Code and other codes that impact incorporated and unincorporated areas.

Expand the expedited review process to improve the response times for plans review.

Improve the City of Miami's Community Rating System (CRS) and Building Code Effectiveness Grading Schedule (BCEGS) scores to potentially lower insurance premiums for property owners.

Mission Statement

To promote a more resilient city through the development and application of innovative and best planning practices that enhance the quality of life for our diverse communities.

Description

The Planning Department, in collaboration with other departments, manages and implements regulations, guidelines, and policies which direct the growth and redevelopment of the City of Miami. The Department further drafts development regulations and overlay area plans to guide future growth, spur development, and preserve the City's residential and historic areas. The Department is responsible for managing concurrency review, and the coordination of planning studies and conditional compliance of future development.

Contributing to the Administration's Priority of *Quality of Life*, the department processes applications that are administrative in nature or require a public hearing process. The Department is responsible for the review of both small and large-scale development projects and proposals, and compliance with urban design, historic preservation, and other state and local regulations. Further, the Department manages an extensive public participation process for the review of various permit applications and legislation through advertising, noticing, and public hearing meetings held by the City Commission (Planning and Zoning portion), the Planning, Zoning, and Appeals Board (PZAB), the Art In Public Places Board (AIPPB), the Historic and Environmental Preservation Board (HEPB), the Urban Development Review Board (UDRB) the Wynwood Design Review Committee (WDRC), and the Coordinated Review Committee (CRC).

Stakeholders include City residents, Elected Officials, developers, business owners, non-profit organizations, City departments, and other governmental agencies.

Planning

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Oversees the implementation of all departmental operations, provides guidance in the interpretation of the Zoning Ordinance and the implementation of the Comprehensive Plan, develops and monitors the Department’s budget, implements cost controls and efficient systems as well as identifies resources and innovative efforts necessary for improved delivery of excellent customer service and projects in a timely manner.	4	4	4
PLANNING Provides guidance for the future development of the City, amends the Zoning Ordinance and the Miami Comprehensive Neighborhood Plan to promote sound planning principles; manages and preserves the City’s historic, architectural, archeological and environmental assets; prepares analysis and recommendations on Planning and Zoning related matters to committees, boards, and the City Commission; collects and analyzes demographic, physical, social, economic and contextual data; prepares streetscape and master plans that include high standards for architecture, landscape, and urban design.	31	31	31
ADMINISTRATION Manages all budgetary, administrative, and fiscal functions; manages all personnel matters, procurement solicitations, and processes; provides various support services to professional staff; prepares special projects and reports; tracks performance measures, manages scanning program for the digital retention of documents related to special permits and case files; manages community outreach efforts, departmental web content, and process improvements.	7	7	7
HEARING BOARDS Processes applications for public meetings and hearings in support of the Planning Department; provides advertising, posting and notice of hearings to property owners and neighborhood associations; schedules public hearing meetings for the City Commission (Planning and Zoning portion), the PZAB, the HEPB, the AIPPB, and the WDRC; publishes agenda and minutes, and serves as custodian of all case records and documents pertaining to orders and resolutions issued by various boards.	6	6	6

Planning

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

- The CFS-Other Charges for Services Line item reflects a decrease due to the transfer of Hearing Boards-Code Enforcement functions to the Code Compliance Department (GF \$2.016 million).
- The Professional Services Line item reflects a decrease due to the transfer of translation service functions to the Code Compliance Department (GF \$15,000).
- The Professional Services-Legal Services Line item reflects a decrease due to the transfer of legal service functions to the Code Compliance Department (GF \$45,000).
- The Court Services Line item reflects a decrease due to the transfer of recording fee functions to the Code Compliance Department (GF \$19,000).
- The Printing and Binding Line item reflects a decrease due to the transfer of duplicating service functions to the Code Compliance Department (GF \$1,000).

The Budget includes the following additions:

- The Postage Line item reflects a net increase due in part to higher-than-expected cost to support mandated legal notifications pursuant to Miami Code Section 69-129(4), and the Land Use Policy 1.5.4 of the Miami Comprehensive Neighborhood Plan, as well as certified mailings, and the transfer of \$5,000 (GF) to the Code Compliance Department (GF \$44,000).
- The Advertising and Related Costs Line item reflects an increase due to higher-than-expected costs for advertising in the publication of general circulation such as the Miami Herald, and various Planning Boards as required per Section 62-55 of the City of Miami code, and to advertise and recruit open board positions (GF \$11,000).
- The Office Supplies Line item reflects an increase due to the higher-than-expected cost of procuring supplies from vendors such as Office Depot and Staples to replenish and maintain stock levels (GF \$3,000).
The Operating Supplies Line item reflects an increase due to the funding of service contracts for two pressure sealers, which are used for folding and sealing notices mailed to the community for public hearing processes (GF \$2,000).
The Budget Reserve Line item reflects an increase due to a higher than anticipated prior year fund balance carryover from various awards in the Planning Services special revenue account (SR \$1.099 million).

The Budget includes the following additional considerations:

- The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$270,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$37,000).
- A contribution from the Special Revenues-DRI SEOPW Air Quality to Capital for the Underdeck/I-395 Project (\$235,000).
- A contribution from the Special Revenues-DRI SEOPW Transportation to Capital for the Underdeck/I-395 Project (\$1.581 million).

Planning

Accomplishments FY 2023-24

Committed to installing a public art component, eleven private development projects moved forward with their plans.

Completed the Evaluation and Appraisal Review (EAR), that was adopted in March 2024 and became effective on May 5, 2024.

Assisted by Blue Digital as the vendor to support in the scanning and digitization of records, aligning with the departments strategic plan to digitize 300, digitized a total of 12 boxes of both current and historical documents.

Updated the website by refreshing the Historic Environmental Preservation (HEP) review assigners' contact details. Posted the 2024 Hearing Boards meeting schedule. Revised the PDFs for the Wynwood Design Review Committee (WDRC) submittal checklists. Updated the Wynwood Neighborhood Revitalization District 1 (NRD-1) Certificate of Transfer Application form to include all available Transfer of Development Density programs in the Wynwood neighborhood. Added a calendar of events for Arts In Public Places (AIPP).

Continued to work to reduce the number of review cycles to increase timely issuances of permits and entitlements.

Passed legislation that updated several sections of the Miami21. Ordinance 14219 Zoning Text - Transit Oriented Development Zones Zoned CI-HD passed on October 12, 2023. Ordinance 14226 Zoning Text - Lots and Assemblies SEOPW CRA and Ordinance 14228 Zoning Text – Freeboard passed on October 26, 2023. Ordinance 14238 Zoning Text – Community Facilities, Ordinance 14237 Zoning Text – Minor Modifications Allowance, Ordinance 14234 Zoning Text - Waiver Reform Project - T3 Transect Zone Related Waivers, Ordinance 14235 Zoning Text - Waiver Reform Project - Parking Related Waivers, and Ordinance 14236 Zoning Text - Waiver Reform Project - Ten Percent Waiver passed on November 16, 2023. Ordinance 14242 Zoning Text - Roof Elements / Green Roofs / Intermediate Level Amendments passed on December 14, 2023. Ordinance 14261 Zoning Text - Appendix A - Village West Island District and Charles Avenue (NCD-2), Ordinance 14262 Zoning Text - T5 Bonus Height, and Ordinance 14263 2035 Comprehensive Plan - EAR passed on March 14, 2024. Ordinance 14288 Zoning Text - Elderly Housing Density Bonus passed on May 23, 2024. Ordinance 14302 Zoning Text - Waiver Reform Project - Demolition in NCD Waiver passed on July 25, 2024. Ordinance 14306 Zoning Text - T3-O Density Calculation passed on September 12, 2024. Ordinance 14315 Zoning Text - Bed & Breakfast and Ordinance 14316 Zoning Text - Side and/or Rear Setback Encroachments passed on September 26, 2024.

Strategies FY 2024-25

Continue to activate and improve the public realm experience through harmonization with the built environment.

Continue to socialize the goals, policies, and objectives of the City's Miami Neighborhood Comprehensive Plan.

Continue to digitize 300 boxes of historical and current planning records to improve public access to information.

Continue to leverage technology to improve community engagement with project stakeholders.

Continue to reduce the number of review cycles to increase timely issuance of permits or entitlements.

Continue to implement long range planning that considers impact on quality of life, business needs, and resilience.

Planning

Strategic Alignment and Performance Measures

Priority Areas	City Strategic Plan Objectives
1. Quality of Life	1.1.1 Modernize and streamline City processes City of Miami Strategic Plan
	1.1.3 Engage all Stakeholders with timely and clear communication City of Miami Strategic Plan
	1.2.1 Maintain the look and feel of public spaces to a high standard City of Miami Strategic Plan
	1.4.1 Minimize the need to visit a City building to conduct business City of Miami Strategic Plan
	1.4.3 Reduce the amount of time customers wait City of Miami Strategic Plan
2. Resilience	2.1.1 Enhancing understanding of the City's vulnerability to environmental, social and economic risks with data City of Miami Strategic Plan
	2.2.2 Create avenues to capture and integrate community feedback into all stages of programming City of Miami Strategic Plan
	2.3.2 Update and implement waterfront design standards City of Miami Strategic Plan
	2.5.1 Develop policy and regulations to reduce impact of environmental risks and promote sustainability City of Miami Strategic Plan

Measures	FY 2021-22 Actual	FY 2022-23 Actual	FY 2023-24 Actual	FY 2024-25 Target
DEPARTMENT GOAL(S) Implement long range planning that considers impact on quality of life, business needs, and resilience.				
Promote quality of life, business needs, and resilience through land development regulations (legislative code amendments and zoning text amendments brought to PZAB) (number)			17	24
DEPARTMENT GOAL(S) Release data relevant to the planning field and useful for the public on a yearly basis.				
Yearly local publication of Miami-based planning data (number)				1

<https://www.miamigov.com/Government/Departments-Organizations/Zoning>

Mission Statement

To promote a regulated pattern of development as set forth in the City Code and Miami 21, while providing a safe and healthy environment for living, working, and recreation

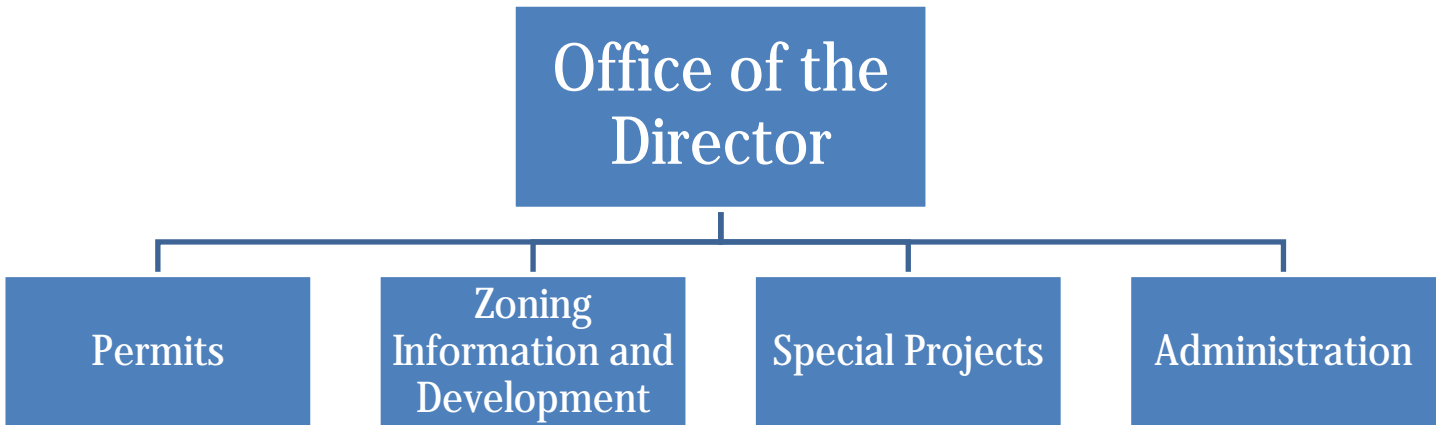

Description

The Office of Zoning (“Zoning”) is responsible for the administration and enforcement of the Miami 21 Zoning Code (“Code”), with two primary functions and duties: permitting and business licensing. Zoning determines whether applications for building permits, as required by the Building Code, and administrative Waivers, Warrants, Exceptions, and Variances are in accord with the requirements of the Code. In addition, Zoning determines whether the use of any structure or premises is in accordance with the Code and issues a Certificate of Use if the application and supporting documents conform to applicable regulations.

Contributing to the Administration’s Priority of *Quality of Life*, the Office of Zoning administers temporary uses through the issuance of Interim Parking Permits, Temporary Event Permits, Temporary Occupancy Permits, and Temporary Uses on Vacant Land Permits; issuances Zoning Dry Runs, Zoning Verification Letters, Alcohol Reservation Letters, Waiver Extensions, Zoning Interpretations, Certificates of Eligibility, and Certificates of Transfer; processes State Extensions of Time, AHCA Local Zoning Forms, Alcohol and Tobacco Applications, and the Florida Housing Finance Corporation Local Government Verification Forms; creates and issuances of addresses; calculates impact fees, processes Unities of Title and Covenants in Lieu and Declarations of Restrictive Covenants, and assists the Code Enforcement Department in enforcing the provisions of the Code.

Stakeholders include City residents, Elected Officials, the business and development communities, City departments, and other governmental agencies.

Zoning

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Oversees the execution of all departmental operations, provides guidance in the interpretation and implementation of Zoning Ordinances, develops and monitors the Department's budget, identifies resources necessary for the continued delivery of excellent customer service and projects in a timely manner.	2	2	2
PERMITS Implements and interprets the Zoning Ordinance and other city, county, state and federal regulations, reviews development plans and identifies types of special permits needed based on the application of the Zoning Ordinance, reviews all submissions for development and redevelopment within the City.	15	15	15

	4,357,225	5,060,430	5,312,205	6,030,000	6,555,000

Budget Highlights for FY 2024-25

The Budget includes the following additions:

The Other Salaries and Wages Line item reflects an increase due to additional funding to cover the temporary employee's salary (GF \$13,000).

The Travel and Per Diem Line item reflects an increase due to funding travel expenses to facilitate employee's attendance at various training sessions (GF \$2,000).

The Postage Line item reflects an increase due to the upsurge in the volume of certificate of use revocation letters, prompted by compliance issues and violations reported by the Unsafe Structure division (GF \$2,000).

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$237,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$57,000).

Zoning

Accomplishments FY 2023-24

Integrated an option into MiamiBiz allowing employees to search for eStart applications, thereby facilitating some connectivity between the two systems, and providing more efficiency for reviewing applications.

Conducted training sessions on the nuanced aspects of reviews affecting the Certificate of Use (CU) process has significantly streamlined information retrieval efforts from plans. Reviewers are now ensuring that the proposed uses align with what is documented on the Certificate of Occupancy (CO), thereby minimizing the need for revisions. Requested information is now readily available on the plans at the CU stage and has significantly reduced the time spent searching for necessary details. The Microfilm search time has been reduced to 15 minutes compared to 45.

Removed applications listed under the Building Department preview in the Florida Building Code to streamline the review process and eliminate redundancies.

Provided guidance to applicants on comprehending and adhering to the Code within the Coconut Grove area, with a team of employees, led by Mrs. DeCubas.

Established a task force, comprising the assistant director of Code Compliance and relevant departments, tasked with reviewing current Temporary Use Permits (TUPs) and development agreements to ensure compliance with Miami21.

Restructured and optimized the process for reviewing Zoning Verification Letters, resulting in faster processing times and fewer errors.

Implemented the Same Day Review initiative by providing a training program and assigning supervisors to have direct oversight of this process.

Strategies FY 2024-25

Continue to participate in the enhancement of eStart web application system to process Certificates of Use applications and allow interactions with additional system platforms.

Continue to collaborate with required reviewing departments to improve the issuance of Certificates of Use at a successful rate.

Continue to collaborate with the Building Department to streamline building permit reviews and re-evaluate application types for Zoning review.

Clarify contradictory sections of the code for existing homeowners by providing clarity, consistency, and coordination. Aim to provide better resources for applicant conditions regarding single-family residents.

Update the Code to relieve requirements for new construction and existing homeowners. Hosting weekly interdepartmental meetings to clean up the section of the code regarding T-3.

Capital Improvements

Department Head: Hector Badia, Director

Phone: (305) 416-1280

www.miamigov.com/Government/Departments-Organizations/Office-of-Capital-Improvements

Mission Statement

The Office of Capital Improvements (OCI) manages and delivers the City of Miami's capital improvements program. Proudly, building the City of Miami's roadways, parks, facilities, and infrastructure to enhance the quality of life, resilience, and pathway to prosperity for those who experience Miami.

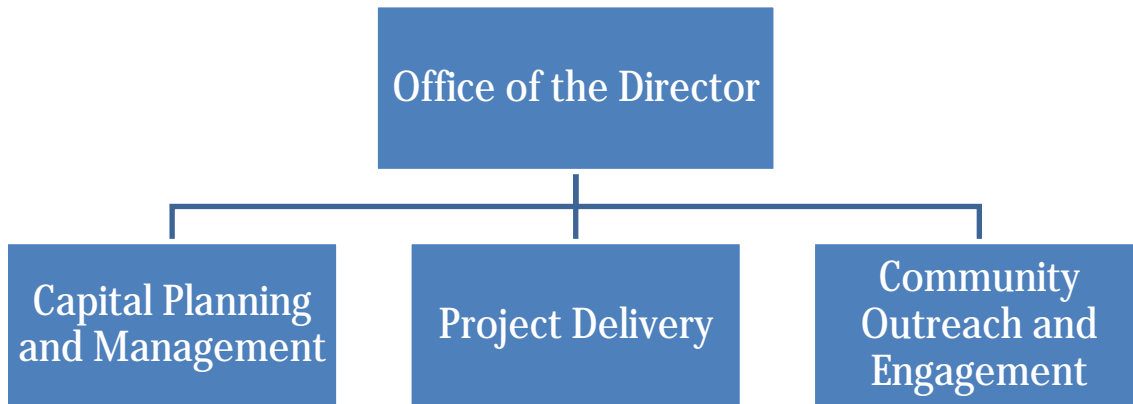

Description

OCI is staffed with professional project managers, architects, engineers, and construction managers. Capital Improvements administers all phases of programming, design, and construction of the City's Capital Improvements Program.

Contributing to the Administration's Priority of *Quality of Life*, the Department of Capital Improvements is passionate about serving the residents and making meaningful capital improvements to the City's facilities and infrastructure. OCI provides construction programs and project management for Miami's residents and the City's client departments and agencies to enhance mobility, advance public safety, improve shared spaces, enable governmental services, improve resiliency, and support a pathway to prosperity. Through the Department's capital construction program, the department aspires to be a catalyst to encourage stakeholders to be proud of and invest in their community to build better neighborhoods and Miami's future.

Stakeholders include the community, City departments, other governmental agencies, and Elected Officials.

Capital Improvements

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Directs, plans, and implements the City’s Capital Improvements Program; provides leadership and guides the resources to successfully deliver projects for clients. Develops and monitors the OCI’s budget and manages cost controls.	2	2	6
CAPITAL PLANNING AND MANAGEMENT Supports the City’s Capital Improvements Program by managing the 5-Year Capital Improvement Plan, administering requirements-based project initiation process, controlling project change management, monitoring program-level performance, managing project portfolios, developing best practices and standards, aligning the program with budget requirements, and ensuring program visibility and reporting.	7	7	4
PROJECT DELIVERY Manages and coordinates the planning, design, and construction of the City’s infrastructure and facility projects. Empowering professionally trained project and construction managers, delivers planning, design, and construction management services to clients; coordinates project requirements across all collaborators; and ensures that the projects meet quality, cost, and time requirements.	37	19	16
COMMUNITY OUTREACH AND ENGAGEMENT Communicates the Capital Improvements Program and projects with residents, elected officials, City Leadership, and client departments. Focuses effort on community outreach by developing and implementing proactive engagement strategies and supporting tactics; develops and builds OCI’s brand and messaging by aligning with the City’s vision, communications strategy, and OCI director’s goals; and manages key leaders and agency engagement plan.	3	3	3

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Fringe Benefits Line Item reflects a reduction of \$1,000 (GF) to align the budget with the actual trend of expenditures.

As approved in the FY 2023-24 Mid-Year Amendment, the budget reflects the transfer of one Project Manager - CIP (Horizontal) position (GF - \$110,000) and one Construction Manager (Horizontal) position (GF \$82,000) from the Office of Capital Improvements to the Department of Resilience and Public Works. The personnel and funding are reflected in the prior Department in FY 2023-24 and in the new Department in FY 2024-25 (2 positions, \$192,000).

The Budget includes the following consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$150,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$13,000).

Capital Improvements

Accomplishments FY 2023-24

Assisted in the development and creation of an updated and expedited construction contractors pool list in coordination with Resilience and Public Works and Parks and Recreations Departments. The updated expedited list was approved by City Commission January 2024.

Scheduled recurring monthly training sessions for Office of Capital Improvement staff, project managers and constructions managers, to assist and improve the management of projects.

Continued to conduct recurring monthly meetings with all Commission District representatives to review statuses, and coordinated any changes or needs of each project. Continued to hold additional meetings with client departments on a regular basis, or on an as needed basis to share updates and discuss project needs.

Utilized different procurement methods available, such as Miscellaneous Architectural and Engineering Services contracts, Job Order Contracting (JOC), Design and Build, and others to expedite the schedule of Miami Forever Bond projects. To date, OCI and the Department of Procurement have been able to award 90 Design Contracts from the Miscellaneous Architectural and Engineering Services pool, 30 Design Contracts through the Request for Qualifications (RFQ), 53 Construction Contracts through JOC and 50 Job Orders for the development of JOC Books, 15 Construction Contracts through Invitation to Bid (ITB), one Design and Construction contract through Design and Build and 44 Goods and Services Contracts.

Implemented a new invoice and purchase order request process in eBuilder and trained internal and external stakeholders (City staff, Consultants and Contractors). To date the City has processed 990 invoices with a value of \$48.8M and processed 279 purchase order requests with a value of \$32.9M since October 2023.

Strategies FY 2024-25

Continue to streamline and accelerate construction contract acquisition by working with the Department of Procurement to develop the Construction Contractors Pool and assist optimize the entire construction management process.

Continue to build a stronger team by ensuring employees are equipped with the necessary training to better oversee contractors, review construction contract language, enforce contractors' quality assurance and quality control programs, as well as ensure that they are recognized for their efforts and success.

Continue to communicate and engage effectively with all stakeholders to ensure project scopes are clearly articulated and project updates are shared throughout the project life cycle.

Continue to identify and utilize all alternate procurement methods to expedite schedules for the Miami Forever Bond and grant funded projects.

Continue to increase e-Builder user adoption and finalize the new Contract Compliance processes and GIS integration with e-Builder.

General Services Administration

Department Head: Jennifer Ramirez

Phone: (305) 329-4854

www.miami.gov/My-Government/Departments/General-Service-Administration-GSA

Mission Statement

To provide effective and efficient services with exceptional quality in the areas of property maintenance, fleet maintenance and management, public safety communication systems maintenance, and graphic design and print shop service for all General Services Administration (GSA) customers.

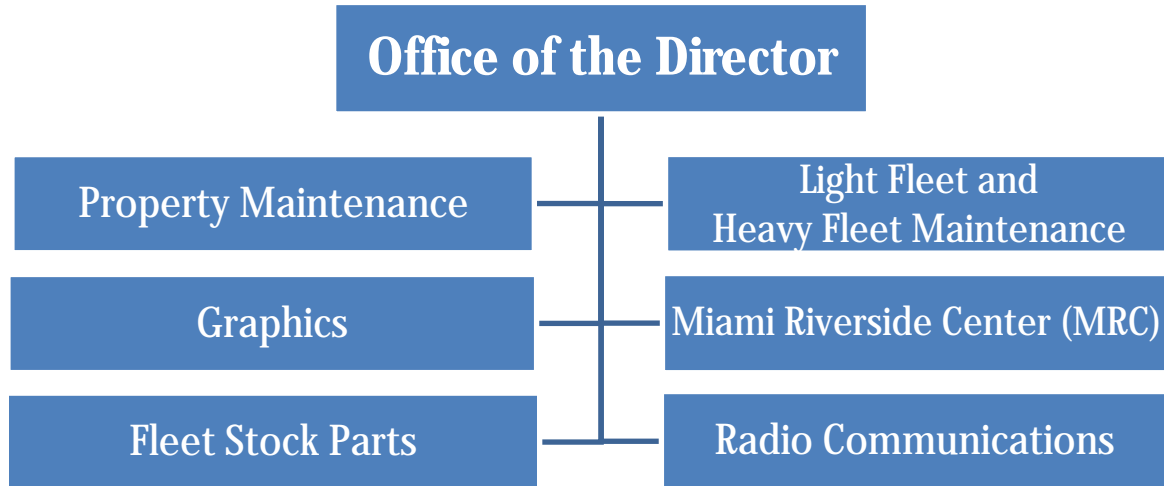

Description

The GSA Department provides internal service support to City departments in the areas of fleet management, graphic reproductions, property maintenance, radio communication, and Citywide inter-office mail delivery.

Contributing to the Administration's Priority of *Quality of Life*, the department inventories, maintains, and repairs City property and equipment. Support services are provided throughout the City, including at the Miami Riverside Center (MRC) Building and Garage, City Hall, GSA Administrative Building and Fleet Maintenance Garage, Property Maintenance Building, Communications Warehouse, radio wave broadcasting and receiving antenna towers, and other departments located at the 20th Street facility. GSA maintains and repairs vehicles for the Police Department, the General Fleet, Solid Waste, Parks, and Public Works. GSA also provides fueling and truck washing services to user Departments. Additionally, all small equipment used Citywide for lawn and maintenance needs is serviced and repaired by the GSA operation. Furthermore, the Department maintains the City's 800 MHz radio and E-911 emergency communication systems including portable radios. GSA produces graphic illustrations and prints City Commission agenda packages, forms, business cards, the Proposed and Adopted Budget Books, flyers, and banners.

GSA's primary stakeholders are comprised of City of Miami employees and City departments.

General Services Administration

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Responsible for the administrative functions of the Department, including accounting, payroll, personnel, Citywide utility management, operational statistics, and contract administration; develops and monitors the Department's budget and manages cost controls.	8	8	8
PROPERTY MAINTENANCE Repairs and maintains most City facilities; secures facilities when threatened by hurricanes or other natural disasters; provides in-house expertise on plumbing, electrical, heating ventilation and air conditioning, and other disciplines as required; administers small construction contracts.	37	37	37
LIGHT AND HEAVY FLEET MAINTENANCE Manages, directs, and supervises fleet maintenance; procures vendor services for both mechanical and body-related repairs; procures and coordinates the purchase and replacement of fleet vehicles; manages fleet parts and fuel inventories.	68	68	68
GRAPHICS Prepares designs, layout, and typeset for all graphic and related materials produced by the section; manages leases of low-to mid-volume copiers; designs and publishes forms; prints City Commission meeting agendas.	6	6	6

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Fringe Benefits Line Item reflects a reduction of \$25,000 (GF) to align the budget with the actual trend of expenditures.

The Other Contractual Services Line Item reflects a reduction of \$26,000 (GF) to align the budget with the actual trend of expenditures.

The Utilities Electricity Line Item reflects a reduction of \$16,000 (GF) to align the budget with the actual trend of expenditures.

The Rentals and Leases Line Item reflects a decrease of \$1,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additions:

Additional funding was added to the Special Pay Line Item \$261,000 (GF) due to the increase in hazardous pay.

Additional funding was added to the Overtime Line Item \$16,000 (GF) to align services with the current salary rates.

The Travel and Per Diem Line Item reflects an increase of \$28,000 (GF) to attend critical maintenance training.

General Services Administration

The Utilities Water Line Item reflects an increase of \$45,000 (GF) to align the budget with the actual trend of expenditures.

The Repair and Maintenance Services Line Item reflects an increase of \$242,500 (GF) due to the rising cost of the Motorola radio maintenance fee, and auto body replacement parts.

The Other Current Charges and Obligations Line Item reflects an increase of \$4,000 (GF) to align the budget with the actual trend of expenditures.

The Subscriptions, Memberships, Licenses, Permits, and Others Line Item reflects an increase of \$9,500 (GF) to align the budget with the actual trend of expenditures.

The Operating Supplies reflects an increase of \$13,000 (GF) due to a surge in the purchase of tools and equipment.

The Machinery and Equipment Line Item reflects an increase of \$5,000 (GF) to align the budget with the actual trend of expenditures.

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$825,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907, (GF \$36,000).

General Services Administration

Accomplishments FY 2023-24

Implemented new standard operating procedures and as a result the department maintained a 58 percent turn around time for police pursuit vehicles.

Maintained the City's 800 MHZ Emergency Radio Communications System operability overall at high numbers by being properly trained to the new system. Ensured zero service interruptions throughout the use of the communications system.

Averaged a 1.4 day turn around time even with an increase of work orders and bigger jobs to maintain and repair city assets. The General Services Administration Department was able to keep turn around times low and customers happy.

Strategies FY 2024-25

Continue to turn around 55 percent of marked police pursuit vehicles that are brought into the garage for minor repairs the same day and ensure that the Police Department has 95 percent of its vehicles available for service each day. Maintain a minimum of 72 percent of daily automated garbage trucks available for operations, including four used in the single stream recycling program, and a minimum of 79 percent of the daily cranes available for operations.

Continue to review daily logistic reports, conduct pre-service checklist checks to ensure all radios are operational and ready when they deploy, sending reminders to the departments that utilize the City's 800 MHZ about handling and maintaining their assigned radios.

Continue to work with all City Departments to maintain and repair city assets assigned to them. Be proactive by going to city sites to check for discrepancies before they are discovered by the department.

Resilience and Public Works

Department Head: Juvenal Santana, P.E., C.F.M.

Phone: (305) 416-1200

www.miami.gov/My-Government/Departments/Resilience-and-Public-Works

Mission Statement

To maintain, improve, and modernize our City's right-of-way and stormwater infrastructure as well as transportation capacity through the best professional, technical and resilient engineering practices; and to develop and implement strategies to strengthen the resilience and sustainability of Miami's residents, infrastructure, economy and natural systems through internal and external partnerships.

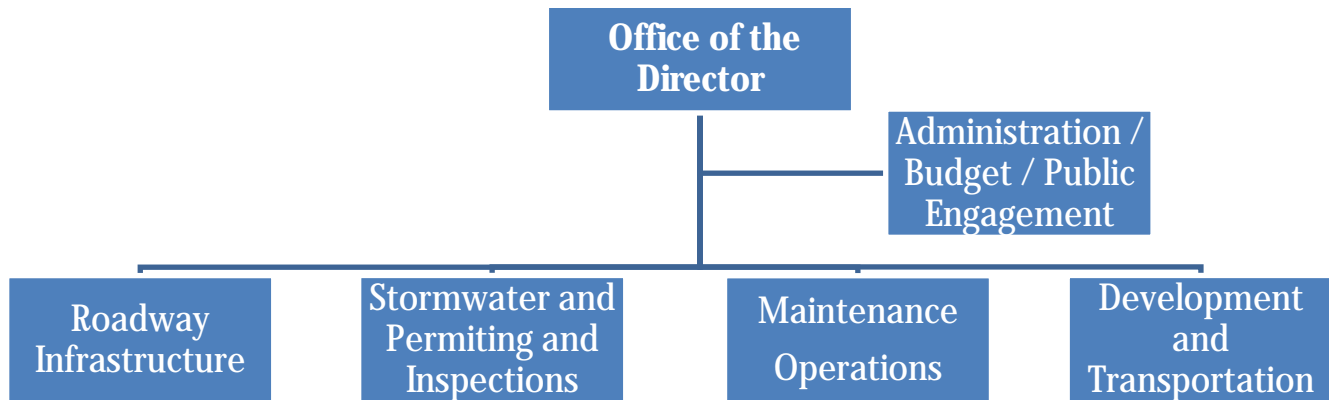

Description

The Department of Resilience and Public Works (RPW) is responsible for engineering design and technical standards, permitting and regulation of construction of right-of-way improvements. As custodians of the public repairs and maintains City streets, alleys, sidewalks, curbs, drainage, bridges, and canals, within the public right-of-way. Integrating sustainable practices and climate resilience into daily operations.

Contributing to the Administration's priority of *Quality of Life*, the Department oversees the implementation of the Sea-Level Rise and Flood Prevention projects, processes plat applications for the division of land and manages the City's street lighting system, the stormwater collection system within the City's roadways, 13 stormwater pump stations, tree plantings and right-of-way aesthetic improvement projects, the bus benches and shelters contract, news racks, sidewalk cafes, and franchise agreements with public utility owners. As a Stormwater Utility, Resilience and Public Works is responsible for storm water management implemented under the City's National Pollution Discharge Elimination System (NPDES) permit with the Florida Department of Environmental Protection. RPW is organized along four functional lines: Administration, Engineering, Maintenance Operations, and Transportation. The Administration Division provides administrative and support services, coordinates all community engagement events with elected officials for co-designations, RPW groundbreaking, and ribbon cuttings as well as conducts project reconciliations, performs personnel and payroll functions, enters, and oversees purchasing for RPW, reviews contract documents, and executes and tracks contracts for compliance. The Engineering Division reviews various permit requests, including Special Area Plans (SAPs); coordinates right-of-way development, right-of-way dedications and deeds, plats, and easements; conducts traffic analysis and coordination of traffic impact studies; processes maintenance agreements with the County and State; inspects public and private facilities; and enforces environmental regulations considering current and future climate impacts into infrastructure planning and community projects. The Maintenance Operations Division performs routine maintenance and emergency repair of the roadways under the City's jurisdiction, receives, processes and addresses resident complaints related to any of the public right-of-way components under its jurisdiction, dispatches work crews to perform maintenance or repairs to address complaints, and ensures that the City has a safe and usable road system. The Transportation Operations Division plans, coordinates, and implements the City's Trolley service, On-Demand transportation service for the elderly, and Micro-mobility and Citi Bike programs. The City's Trolley and On-Demand services are Special Revenue funded programs that provide additional mobility options for residents and visitors to explore Miami and serve as first and last mile for transit users.

Stakeholders include residents, visitors, businesses, business improvement districts, community redevelopment agencies, developers, the Downtown Development Authority, and contractors.

Resilience and Public Works

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Provides leadership, guidance, and vision for the Department. Serves as the supervisor of plats; oversees the Roadway Infrastructure Capital Program; represents the department at various meetings including City Commission, homeowners' associations and the Planning and Zoning Advisory Board.	2	2	2
ADMINISTRATION / BUDGET / PUBLIC ENGAGEMENT Provides administrative and support services; performs personnel and payroll functions; enters and oversees purchasing requisitions; Prepares and implements the departmental Budget; coordinates community engagement events with elected officials for co-designations, RPW groundbreakings, and ribbon cuttings	5	8	8
ROADWAY INFRASTRUCTURE Manages and coordinates the planning, design, and construction of capital projects. Coordinates various teams and resources to maintain and improve the City's infrastructure.	0	19	19
STORMWATER AND PERMITTING and INSPECTIONS Responsible for the maintenance of the City's stormwater infrastructure. Inspects public and private facilities and enforces environmental compliance regulations; maintains the NPDES permit and prepares required reports; designs and installs new stormwater drainage systems. Responsible for the review and issuance of permits for the public ROW of all utilities, road closure, sidewalk and street café, banners and performs the associated inspections. Manages the citywide pavement resurfacing contract and citywide sidewalk contract. Maintains the department's GIS data.	67	67	40
MAINTENANCE OPERATIONS Receives and addresses complaints about right-of-way issues; verifies illumination coverage; performs repairs of damaged street surfaces, sidewalks, curbs, gutters, swales, and trash holes; performs mowing of street medians, swales fronting City facilities, and traffic control areas; landscapes the ROW; cleans the storm sewer system, and outfalls Citywide; and conducts tree maintenance in ROWs, City owned or maintained properties, and alleys.	73	75	73

Resilience and Public Works

DEVELOPMENT AND TRANSPORTATION			
Reviews Special Area Plans, Development Orders and major developments; reviews and approves all ROW improvements; Reviews building permit applications; coordinates the platting and subdivision process; maintains City survey benchmarks and underground utility information; Reviews and processes ROW deeds; oversees and manages landscape beautification and maintenance contracts. Manages the operations of the City's Trolley system and On-Demand Transportation services. Provides oversight on projects including planning and coordinating activities related to transportation projects. Coordinates traffic impact studies pursuant to the city code.	8	9	38
TOTAL FULL-TIME POSITIONS	155	180	180

Resilience and Public Works

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Other Contractual Services Line item reflects a net decrease of \$211,000 in part due to a funding reallocation of the \$351,000 to the Special Revenue (SR) Fund for the maintenance along the on road Miami River Greenway, the reallocation of three budget lines to Professional Services Line item, an increase for the Scavenger 2000 Depollution Vessel program, and an increase for the General SR Fund, Transportation services to align budget with the current trend of expenditures (General Fund (GF) -\$682,000; SR \$471,000).

The Motor Fuel Line item reflects a reduction of \$728,000 (SR) to align the budget with the current level of expenditures for the transportation services.

The Budget includes the following additions:

As approved in the FY 2023-24 Mid-Year Amendment, the budget reflects the transfer of one Project Manager - CIP (Horizontal) position (GF - \$110,000) and one Construction Manager (Horizontal) position (GF \$82,000) from the Office of Capital Improvements to the Department of Resilience and Public Works. The personnel and funding are reflected in the prior Department in FY 2023-24 and in the new Department in FY 2024-25 (two positions, \$192,000).

The Professional Services Line item reflects a net increase of \$322,000 in part due to a funding reallocation of three budget lines from the Other Contractual Services Line item and a decrease for the General SR Fund, Transportation services to align budget with the current trend of expenditures (GF \$417,000; SR -\$47,000).

Additional funding was added to the Public Safety Supplies Line item to cover the cost of safety supplies for the staff of the Roadway Infrastructure Division (GF \$5,000).

Additional funding was added to the Clothing/Uniform Supplies Line item to cover the cost of uniforms for the staff of the Roadway Infrastructure Division (GF \$7,000).

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent) and a six percent across the board increase (GF \$983,000), and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$100,000).

Pursuant to Resolution R-19-0179, funds are allocated in the Professional Services Line item per agreement between the City and the Miami River Commission for compliance with educational requirements of the National Pollutant Discharge Elimination System (NPDES) Permit (GF \$50,000).

The budget reflects a General Fund contribution to Capital for the Citywide Storm Sewer Repair Project (\$1.822 million).

The budget reflects a Local Option Gas Tax contribution to Capital for Citywide Pavement Resurfacing (\$994,000).

The budget reflects a Parking Surcharge contribution to Capital for Urban Core Roadway Improvements (\$4.820 million).

Resilience and Public Works

Accomplishments FY 2023-24

Worked together with the Department of Innovation and Technology (DoIT) to gather all the business requirements for the permitting system updates.

Installed 4,975 feet of pipes and completed 27 storm water drainage projects citywide. Cleaned and maintained approximately 5,847 inlets and manholes, approximately 313,582 Linear Feet of storm water pipelines and 28 miles of canal banks. Maintained 13 pump stations and removed approximately 42.04 tons of debris from the canals, 256,000 lbs of floatable debris from Miami waterways and 221.05 tons of debris from the storm water systems. Developed and implemented City Ordinance prohibiting the use of leaf blower, grass clippings and landscaping waste into the storm water inlets. Completed 18 new localized drainage improvement projects and repaired minor drainage issues utilizing a storm sewer contractor. Completed designs of approximately seven new localized drainage projects.

Continued to maintain and improve the public right of way to current standards (including the American with disabilities Act, ADA, requirements) through a combination of efforts from the Maintenance Operations division, department contractors, along with requirements for right of way improvements from new developments and redevelopments. Continued to review and update design standards, specifications and bulletins to meet City's current needs, while also staying up to date with changing engineering and industry practices and standards. Referenced the Pavement condition index for all City roadways in the database while evaluating roadway segments for required and future maintenance project. Worked with Florida Power and Light (FPL) to upgrade all roadway lighting under the City's maintenance purview to Light Emitting Diode (LED) fixtures.

Built new reports into the Citywide GIS asset management database to improve data insights for users, and developed automations complete tasks more efficiently. Added new assets to the system and new ones are added as they are installed or constructed. Added and updated new material and equipment resources as they are purchased.

Planted 1,519 trees from October 2023 to June 2024. Awarded a 2 million dollar grant from the Inflation Reduction Act through the Department of Agriculture Urban and Community Forestry Service.

Received five new trolleys in May 2024. Received a \$1.8 million grant from the Florida Department of Transportation (FDOT), which will significantly boost trolley operations. Continued efforts in securing additional grants from the FDOT for more trolleys, which, if approved, will greatly enhance our fleet and service quality. Engaged in a discussion about transitioning to electric vehicles, a decision that will significantly impact operations. Despite not receiving the Low No Emission Grant, Resilience and Public Works is committed to exploring this option and its potential benefits.

Resilience and Public Works

Strategies FY 2024-25

Continue to improve customer service capabilities through continued enhancements of existing online permitting systems and web based coordination systems while working toward implementing a new enterprise permitting system that is adaptable, expandable, and GIS-based while being fully integrated into other existing software platforms being used by other City departments that are integral for right-of-way (ROW) permitting and inspection.

Continue to improve the City's Stormwater Management System with drainage enhancements and system investments in accordance with the city's Stormwater Master Plan. Implementation of a comprehensive stormwater pump station Supervisory Control and Data Acquisition (SCADA) system, and enhanced compliance with the Municipal Separate Storm Sewer System (MS4) permit to meet National Pollutant Discharge Elimination System (NPDES) responsibilities and reduce the number of areas impacted by chronic flooding. Finalize the design of 18 seawalls, advance the design of 12 neighborhood stormwater system improvement projects and six new permanent pumpstations.

Continue to systematically improve the City's right-of-way (ROW) and roadways by requiring compliance with construction standard details, specifications, and bulletins, while implementing a GIS-based asset management system to track, plan, and manage all right-of-way improvements. Roadway improvements will be recommended utilizing industry standard methodologies that allow the Department to objectively select roadway segments for improvement based on the current roadway conditions and anticipated future degradation.

Continue to update the Citywide GIS asset management database to manage, track, and report on existing right-of-way and roadway asset conditions and implement a more cohesive approach to capital planning for future right-of-way enhancement programs, permit approvals and tracking, and maintenance operations. This will improve efficiency by guiding all future maintenance and capital improvement plans and budgets for the Department as well as provide a public and internal-only view of all right-of-way permit applications, MOT applications, Special Event applications, and Capital Improvement projects.

Continue to execute the Citywide Beautification Program to enhance and beautify medians, traffic circles, right-of-way and improve quality of life for our residents.

Continue to strategically review and improve the Trolley Program to complement other major transportation options through route optimization and continued engagement to meet rider needs; and continue to implement the vehicle replacement plan of aged out vehicles and improve transit service.

Implement traffic calming studies recommendations through the construction of raised intersections, speed bumps, speed tables, speed cushions and raised crosswalks.

Solid Waste

Department Head: Wade Sanders

Phone: (305) 960-2804

www.miamigov.com/Government/Departments-Organizations/Solid-Waste

Mission Statement

To promote a clean and healthy environment through the delivery of a comprehensive, safe, cost-effective, and environmentally sound solid waste management system; to support sustainable community programs and civic engagement; and to enforce sanitation code compliance rules and policies that assure public welfare, safety, and health.

Description

The Department of Solid Waste is defined under Chapter 22, Article I, Section 22-1 of the City Code. The Department provides courteous, dependable, and efficient waste and recycling collection services to over 69,000 residential units within the city. As one of the leading municipal providers of waste management services in South Florida, the Department is a six-day-a-week (seven-night) operation offering a comprehensive collection service including twice-a-week residential pick-up of garbage, weekly pick-up of trash and bulky waste, and every-other-week pick-up of comingled recyclable materials.

Contributing to the Administration's Priority of *Quality of Life*, the Department is committed to improving Miami's communities. The Department is responsible for cleaning the City's rights-of-way by mechanically sweeping major commercial corridors, servicing over 1,200 litter containers on sidewalks, removing and disposing of dead animals, handling clean-up operations for special events, responding to sanitary nuisances, coordinating the Keep Miami Beautiful campaign which involves weekly litter collection from the public right-of-way, educating the public about recycling awareness, and compliance with the Code. Further, the Solid Waste Code Enforcement Division manages all sanitary matters as mandated by Chapter 22 of the City Code. Finally, the Department administers the Commercial Solid Waste Franchise Agreements between the City and private hauling companies and regulates more than 10,500 commercial solid waste accounts within the city limits.

The stakeholders include residents and businesses of the City of Miami.

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Fringe Benefits Line item reflects a decrease of \$3,000 (GF) to align the budget with the current trend of expenditures.

The Training Line item reflects a decrease of \$3,000 (GF) to align the budget with the current trend of expenditures.

The Budget includes the following additions:

Additional funding was added to the Overtime Line item to align with the current salary rates (GF \$83,000).

Additional funding was added to the Special Pay Line item due to hazardous pay increases (GF \$98,000).

The Other Contractual Line item reflects an increase of (GF \$795,000). \$50,000 to cover the new Samsara software, \$250,000 for the Rubicon Management Software System, and \$495,000 for citywide street sweeping.

The Other Current Charges and Obligations Line item reflects an increase of \$1.283 million (GF) due to the rising costs in tipping fees.

Solid Waste

Additional funding was added to the Operating Supplies Line item to replace damaged or stolen liter containers reported by City residents (GF \$393,000)

Additional funding was added to the Clothing and Uniform Line item to align the budget with the current AFSME 871 contract (GF \$3,000).

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contracts between the City of Miami and the American Federation of State, County, and Municipal Employees, AFL-CIO, Local 871 (AFSCME 871) (generally five percent), and a seven percent across the board increase (GF \$901,000); the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$281,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$64,000). Due to a clerical error last year, reduced the full-time employee count by eight in FY 2023-24 to cover the expenditures incurred due to the outsourcing of citywide street sweeping.

Adopted Budget Highlights for FY 2024-25

Pursuant to Resolution R-24-0389 (see Appendix J), adopted September 26, 2024, the Budget includes the following changes:

Reversed the increase in tipping fees due to the implementation of no recycling pick-ups and reduced bulky trash to 26 pick-ups a year -\$1.810 million (GF), and the elimination of nineteen (19) vacant positions \$895,000 (GF) resulting in a decrease of -\$2.705 million.

Solid Waste

Accomplishments FY 2023-24

Continued to improve internal service delivery processes to provide exceptional sanitation services to City residents in the most efficient and safe manner possible. Successfully closed 36,957 service requests from the 311 HUB and completed all residential sanitation collections, including no dumping and pet waste sign installations, and all dead animal requests. Rubicon's technology is being utilized to balance waste and recycling routes to help streamline collection, track material and tonnage on bulky trash routes, and reduce missed pickups and unnecessary go-backs. The newly created routes will allow for close monitoring of route performance, identify areas where waste and recycling services can be improved, and make data-driven decisions to enhance route efficiency and better serve the Miami community.

Worked closely with the Risk Management Department on an aggressive collaborative program to narrow employee behaviors and empower them as an essential part of maintaining accidents below the national average. The Safety Team conducted weekly drivers training to address and improve driver behaviors while on the road, and lower accidents across several areas. In the fourth quarter, the department did not have any increase of third-party bodily injury claims.

Provided sanitation inspection services throughout the City of Miami in the most efficient and safe manner possible. Continued to work closely with the Miami Police Department (MPD) to assist with illegal dumping in hotspot areas throughout the City. Continued to work in conjunction with the Community Enhancement Team, Resilience and Public Works Department, Miami-Dade County Department Inspectors and the Department of Environmental Resources Management (DERM) to address various types of sanitation concerns, which resulted in 113 civil hauler violations, 7,851 violations, and 1,723 warnings. Addressed and reported 1,912 bulky special collections pertaining to illegal dumping, littering, and sanitation concerns on residential, multi-family, and commercial properties.

Reached over 52,454 individuals through community events, door to door outreach, and volunteer cleanups. Mailed approximately 67,000 recycling collection calendars, educational materials and informational flyers to better serve city residents. Continued social media advertising efforts to educate residents on the environmental importance of eliminating illegal dumping, anti-littering, and recycling. Printed educational advertisement in the form of truck and trolley wraps, bus stop ads, banners, posters and door hangers to be displayed on public rights-of-way.

Strategies FY 2024-25

Continue to provide reliable and exceptional service on garbage collection, recycling, bulky trash, dead animal removal, and other crucial sanitation functions for the City of Miami residents while adapting to changing circumstances and unprecedented emergencies.

Continue to expand current safety measures by maintaining the number of accidents below the national average.

Continue to enhance sanitation code enforcement efforts to have a stronger presence in the communities, catching and deterring illegal dumping.

Continue to actively engage with community residents to aid in the education of the City's sustainability efforts.

Launch the Residential Carts Inventory Management and Tracking System to improve the internal operational efficiencies of residential cart deliveries. The new software will enable the operations team to expeditiously complete and close service requests in the 311 Service Hub, as well as manage, track, and provide reporting on the residential carts inventory and completed service requests.

Solid Waste

Strategic Alignment and Performance Measures

Priority Areas	City Strategic Plan Objectives
1. Quality of Life	1.1.1 Modernize and streamline City processes City of Miami Strategic Plan
	1.1.3 Engage all Stakeholders with timely and clear communication City of Miami Strategic Plan
	1.5.2 Continue to strengthen community partnerships City of Miami Strategic Plan
2. Resilience	2.1.1 Enhancing understanding of the City's vulnerability to environmental, social and economic risks with data City of Miami Strategic Plan
	2.2.2 Create avenues to capture and integrate community feedback into all stages of programming City of Miami Strategic Plan
	2.5.1 Develop policy and regulations to reduce impact of environmental risks and promote sustainability City of Miami Strategic Plan

Measures	FY 2021-22 Actual	FY 2022-23 Actual	FY 2023-24 Actual	FY 2024-25 Target

Fire-Rescue

Department Head: Robert Hevia, DNP, MBA
[Fire Rescue - Miami](#)

Phone: (305) 416-5401

Mission Statement

To serve the community with the highest level of professionalism, customer service, and responsiveness by providing effective and efficient fire prevention, fire suppression, disaster management, emergency medical care, and other essential services to save lives and protect property.

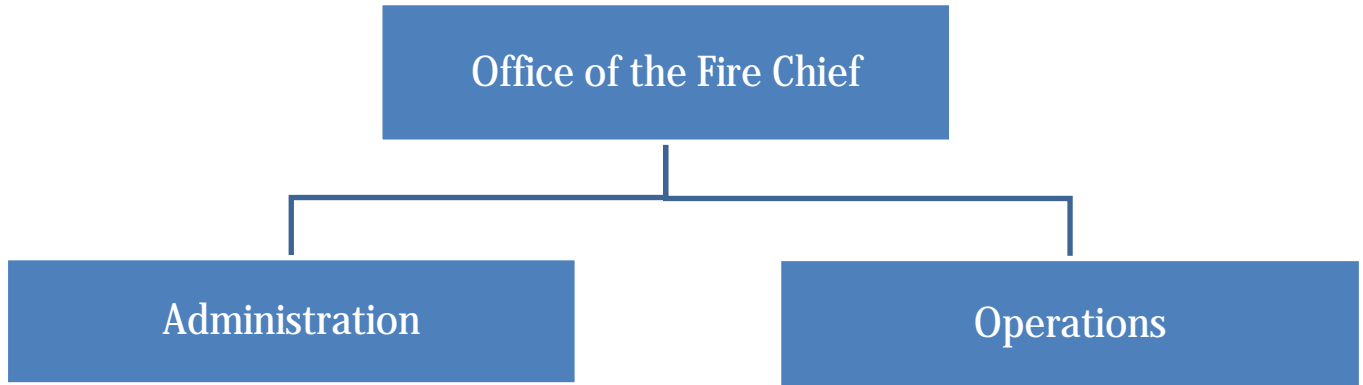

Description

The primary responsibilities of the Fire-Rescue Department include protecting life and preserving property through prevention, fire control, suppression, special operations, and providing emergency medical and rescue services.

Contributing to the Administration's Priority of *Quality of Life*, the Department responds to all calls for service, including fires, public safety incidents, medical emergencies, and community wellness needs. These services are provided by a dedicated, prepared and professional Class 1 rated work force. The Department also advances safety prevention efforts through the inspection of residential, industrial, and commercial structures, as well as the review and inspection of construction projects consistent with Florida Fire Prevention Codes. Fire Officers conduct fire investigations to assist law enforcement agencies in determining the cause and origin of fires, particularly in cases deemed suspicious. The Department maintains highly trained specialty teams uniquely skilled in mitigating an array of complex emergency scenarios, including hazardous materials, dive, marine and technical rescue operations. Additionally, the Department provides training through various public safety programs to both residents and employees of the City.

Stakeholders include residents, businesses, and visitors to the City of Miami.

Fire-Rescue

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE FIRE CHIEF Provides leadership and direction; manages and coordinates; develops and implements policies, procedures, rules and regulations, plans, programs, and budgets; and develops standards and methods to improve fire and life safety. Provides strategic planning for the Department to keep pace with the community's changing needs.	16	16	16
ADMINISTRATION Provides human resource management; provides repair and maintenance of departmental facilities, equipment, apparatus, and vehicle fleet; develops uniform and equipment specifications; manages fiscal operations including capital and grants management; provides payroll, procurement, and legislation; conducts permit inspection and plans review for construction; performs water flow tests, and monitors the hydrant and water supply system; conducts annual life safety inspections in all commercial occupancies including specialty inspections of hazardous material occupancies, hospitals, and institutional properties; conducts fire investigations; and provides health and wellness and emergency medical support to sworn personnel.	108	113	122
OPERATIONS Provides fire response, suppression, emergency medical services, and special operations; performs specialized protection services such as hazardous materials, weapons of mass destruction mitigation, water rescue, marine services, technical rescue, and Special Weapons and Tactics (SWAT) medical teams; coordinates Citywide disaster preparedness, response, recovery, and mitigation; creates, updates, and participates in the City's Comprehensive Emergency Management Plan; manages the Emergency Operations Center; improves firefighting and rescue capability through recruitment, physical fitness, and in-service and specialized training in the areas of fire suppression, firefighting tactics, and other related functions; maintains a library of training materials; provides recruit and in-service training; and answers, processes, and dispatches all emergency and non-emergency Fire-Rescue E-911 calls, coordinates information technology needs and quality management of all technical services.	778	778	803

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Rentals and Leases Line item reflects a decrease in the UASI 2021 Program grant (SR -\$5,000).

The Operating Supplies Line item reflects a decrease due to non-reoccurring grants completely spent in the Fire Services Special Revenue Fund (SR -\$88,000).

The Budget includes the following additions:

As approved by R-24-0071, the budget reflects the addition of one Grant Funded Senior Budget and Financial Support Adviser and one Grant Funded Special Projects Assistant that are both funded by the UASI Grant Program FY 2023 (SR 143,000).

As approved in the FY 2023-24 Mid-Year Budget Amendment, the budget reflects the addition of 17 positions for one engine company to be assigned to enhance coverage in the Coral Way area (GF \$1.511 million).

Fire-Rescue

The Regular Salaries and Wages Line item reflects an increase of 13.234 million (GF) that included new salary adjustments and normal step increases due to the new contract with the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF).

The Overtime Line item reflects an increase of \$981,000 (GF) to align budget with new salary increases due to the new contract with the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF).

The Overtime - Staffing Line item reflects an increase of \$1.352 million (GF) to align budget with new salary increases due to the new contract with the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF).

The Overtime – EMS Backfill for Training Line item reflects an increase of \$148,000 (GF) to align budget with new salary increases due to the new contract with the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF).

The Overtime – OT Off Duty Events Line item reflects an increase of \$571,000 (GF) to align budget with new salary increases due to the new contract with the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF).

The Special Pay Line item reflects an increase of \$4.182 million (GF) to align budget with new salary increases due to the new contract with the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF).

The Professional Services Line item reflects an increase for the UASI 2021 Program grant (SR \$50,000).

The Professional Services - Medical Line item reflects an increase to fund price increase of the existing contract with Jackson Memorial Hospital to operate the Miami Firefighters Health and Wellness Center \$120,000 and an increase in testing services at Mount Sinai Medical Center \$9,000 (GF \$129,000).

The Other Contractual Services Line item reflects a net increase of \$234,000 to fund cost increases for Metro Patient Care Reporting (PCR) electronic software \$51,000, Verizon connectivity for Zoll modems \$21,000, consulting services for the PEMT programs \$91,000, cleaning services, various warranty contracts at the Miami Firefighters Health and Wellness Center \$90,000, Hexagon application license to attach the new Hexagon CAD system to the City's existing CAD system \$56,000; and a reduction in the UASI 2021 Program grant (GF \$309,000; SR \$ -75,000).

The Travel and Per Diem Line item reflects an increase in the UASI 2022 Program grant (SR \$24,000).

The Communications & Related Services Line item reflects an increase in the UASI 2022 Program grant (SR \$42,000).

The Postage Line item reflects an increase in the UASI 2022 Program grant (SR \$1,000).

The Repair and Maintenance Services Line-item reflects a net increase of \$29,000 to fund cost increases in parts, repairs, and maintenance \$500,000, tree trimming and landscaping at Fire Station 16 \$9,000 and offset by a reduction in the UASI 2021 Program grant (GF \$509,000; SR -480,000).

The Advertising and Related Line item reflects an increase in the UASI 2022 Program grant (SR \$1,000).

The Office Supplies Line item reflects an increase in the UASI 2022 Program grant (SR \$16,000).

The Clothing and or Uniforms Supplies Line item reflects an increase to fund the cost of replacing retired bunker gear and ballistic Personal Protective Equipment (PPE) on a rotating basis due to gear life expectancy (GF \$1.300 million).

The Subscriptions, Memberships, Licenses, Permits and Others Line item reflects an increase in the UASI 2021 and 2022 Program grant (SR \$20,000).

The Machinery and Equipment Line item reflects a net increase of \$3.488 million to fund the cost of replacing outdated frontline radios that lack connectivity, redundancy, and GPS for added first responder safety

Fire-Rescue

\$870,000, a decrease in the Securing the Cities Program grant budget -\$767,000, and an increase in the UASI 2022 Program Grant \$3.385 million (GF \$870,000; SR \$2.618 million).

The Budget Reserve Line item reflects an increase to fund the new FY2023 Assistance to Firefighters and UASI 2023 Program grants (SR \$1.765 million).

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$821,000, SR \$118,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$82,000, SR \$27,000); and a salary increases according to the new Fire Executive Pay Scale (GF \$708,000).

The Regular Salaries and Wages includes funding for the shared portion of revenues associated with medical transports. Total gross revenues of \$15.278 million of revenues associated with medical transportation include: \$10.900 million of transport fees, \$1.778 million for the Public Emergency Medical Transport (PEMT) Medicaid Fee for Service supplement (FFS), and \$2.600 million of PEMT Medicaid Managed Care (MMC) program. After a reduction of \$7.280 million per Article 18.2 of the IAFF CBA, the remaining revenue is shared 50 percent between the City (GF \$4.000 million) and the IAFF (GF \$4.000 million).

The Budget includes funding for the IAFF Life and Accidental Death Insurance as per Article 17.2 of the IAFF Collective Bargaining Agreement (GF \$165,000).

The Budget includes funding in both revenues and expenditures for the Section 175 state pass-through of the Firefighter Secondary Pension payment from the State (GF \$4.613 million).

Funding is included for the IAFF Health Trust per the current IAFF collective bargaining agreement (GF \$24.744 million; SR \$110,000). This Health Trust provides health insurance for 759 members of the IAFF, 16 executives, and their associated dependents.

The Department's Special Revenue funds include projected grant budgets for FY2023 Assistance to Firefighters \$1.744 million (SR), FY 2023-24 Florida EMS Blood Program \$117,000 (SR), 2024 USAR Cooperative Agreement for year 2024 \$1.300 million (SR); State Homeland Security Grant Program for years 2022 \$20,000 and 2023 \$72,000 (SR); the Securing the Cities Program grant \$950,000 (SR); and Urban Area Security Initiative 2023 \$14.100 million (SR).

The Budget for Fire-Rescue includes annual payment of \$2.500 million for the settlement agreement required by the Collective Bargaining Labor Agreement with the IAFF. The settlement is funded in the Non-Departmental Account.

The Budget reflects Fire Impact Fees contribution to Capital for Facility Enhancements \$1.746 million, Apparatus Upgrades and Enhancements \$1.000 million, and General Firefighting and EMS equipment \$500,000.

The Department's personnel budget includes 816 regular sworn personnel and 16 sworn executives for a total of 832 sworn positions, and 109 civilians.

Fire-Rescue

Adopted Budget Highlights for FY 2024-25

Pursuant to Resolution R-24-0389 (see Appendix J), adopted September 26, 2024, the Budget includes the following changes:

The Regular Salaries and Wages Line item reflects an increase of \$1.042 million (GF) for the addition of four Fire Captain and four Firefighter positions per Article 36 of the new contract with the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF).

The Regular Salaries and Wages Line item reflects an increase of \$358,000 (GF) for the addition of three Emergency Dispatch and four Heavy Equipment Mechanics positions to meet increased operational demands.

Fire-Rescue

Accomplishments FY 2023-24

Requested the enhancement of a Coral Way Corridor fire suppression engine to ensure delivery of fast and effective fire suppression.

Completed projects in stations 1,3,4,5,8,9,10,12, and the Fire Training Center that included apparatus bay door replacement, temporary dorm buildout, relocating transformers, replacing concrete slabs and roofs, repaired kitchen sewer lines, AC and AC ducts installation and repairs, and laminate floor installation. Along with renovating several bathrooms, dorms, offices, and a community pickleball court.

Delivered leadership training, live fire instructor training, Florida training manager courses, including statewide emergency response plan training across all ranks within the Department.

Continued to implement the Department's Strategic Plan in collaboration with the City's Strategic Planning division to ensure that the Fire-Rescue Department is equipped to deal with the anticipated growth of the City.

Completed 704 fit for duty firefighter and 63 civilian physicals at the Health and Wellness Center, along with the continued process of swapping out postfire contaminated bunker gear for clean serviceable bunker gear to align with the Department's Comprehensive Cancer Initiative.

Graduated 22 cadets from Fire Chief Maurice L. Kemp EMS Cadet Program, five passed the National Registry EMT exam, and currently conducting the recruitment process to begin another cadet program class as part of the effort to foster positive community and public partnerships.

Strategies FY 2024-25

Continue to provide excellent customer service by reducing response times by implementing a newly procured Computer Aided Dispatch (CAD) system.

Continue working toward building and renovating Fire-Rescue stations and facilities to ensure safe and conducive housing for firefighters and personnel.

Continue to expand on Executive and Command Staff Development Programs and Fire Officer development classes for all ranks with targeted leadership and managerial lessons.

Continue to expand the Miami Firefighter's Health & Wellness Center capabilities to include limited pharmacy services and partnership with cancer research.

Continue the Department's work with community and public partnerships to positively impact at-risk youth through this educational program of the Maurice L. Kemp Cadet and creating a junior cadet program for high-school students to mentor youth in leadership and the fire service. These program strengthens the community's relationship with public safety personnel and provides a pathway to prosperity for at-risk youth.

Develop and implement process improvement measures and quality management procedures for the Fire Prevention Bureau.

Fire-Rescue

Strategic Alignment and Performance Measures

Priority Areas	City Strategic Plan Objectives
1. Quality of Life	1.1.2 Strengthen trust through excellent customer service City of Miami Strategic Plan
	1.5.2 Continue to strengthen community partnerships City of Miami Strategic Plan
	1.5.3 Maintain low response times and seek out opportunities to optimize emergency operations City of Miami Strategic Plan
3. Pathway to Prosperity	3.3.2 Invest in youth by providing job opportunities, education, or financial support City of Miami Strategic Plan

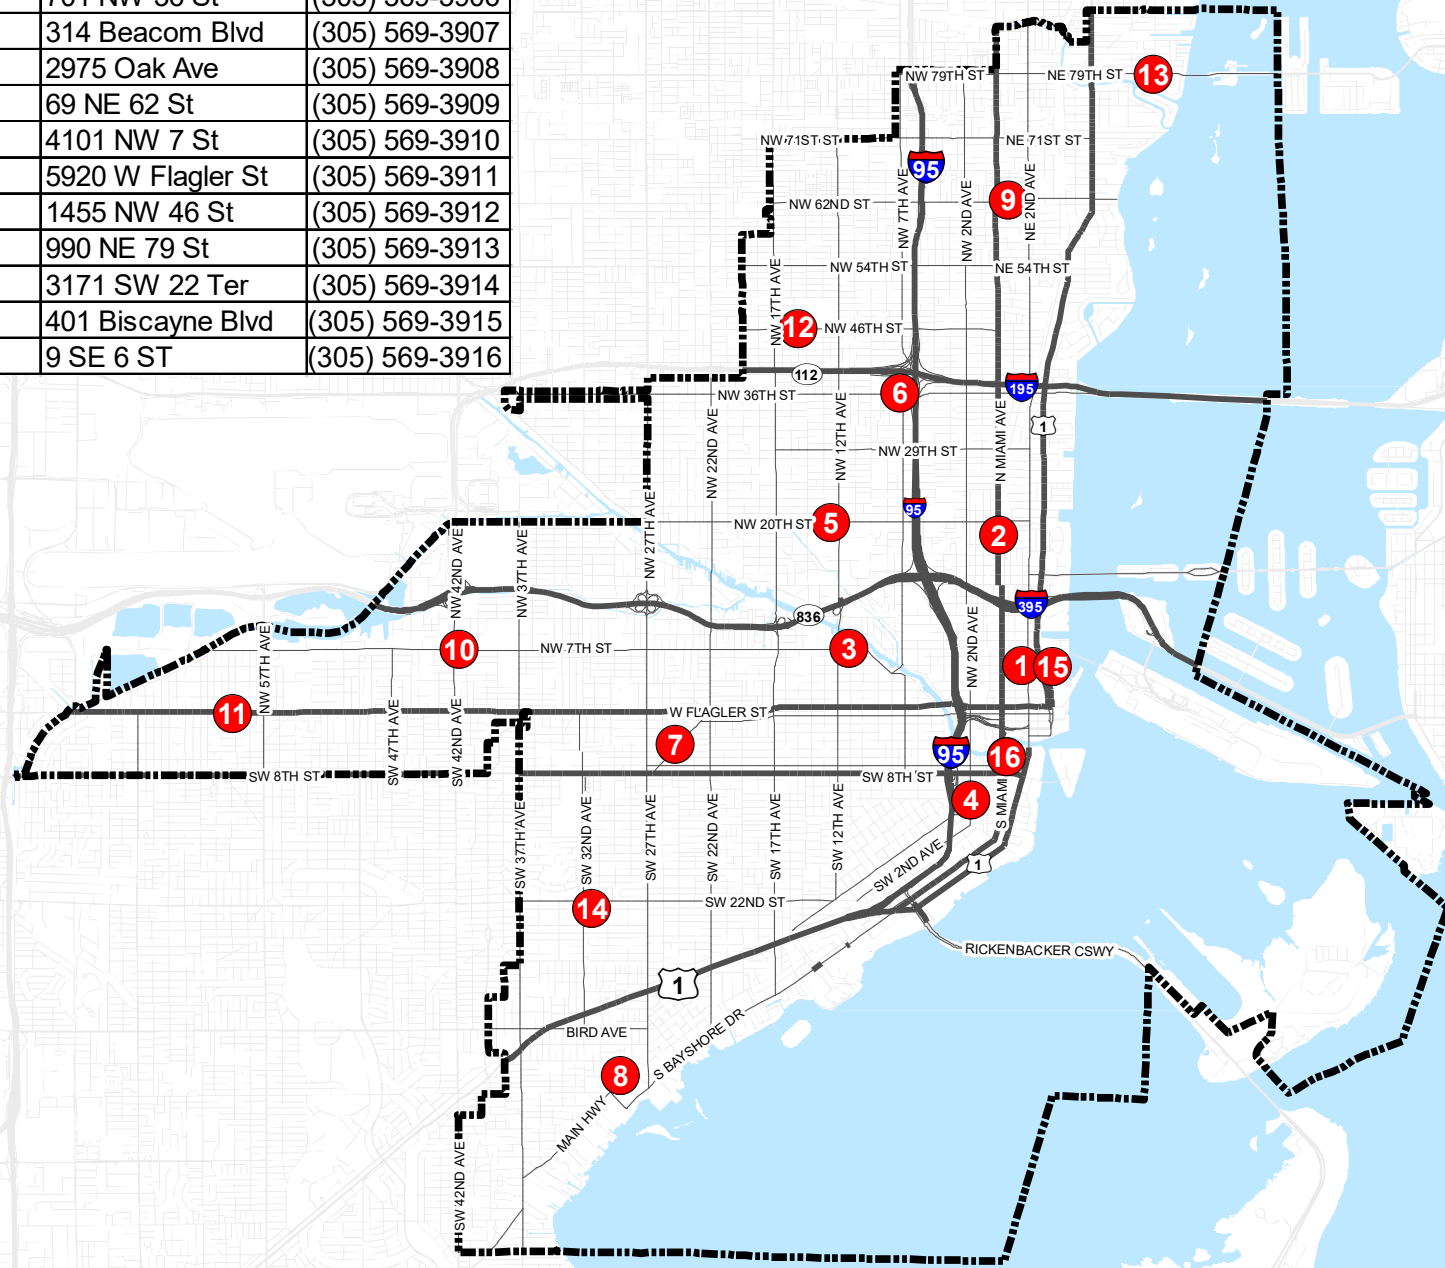

Measures	FY 2021-22 Actual	FY 2022-23 Actual	FY 2023-24 Actual	FY 2024-25 Target
DEPARTMENT GOAL(S) Expediently and safely respond to all emergencies to save lives and protect property.				
Response time from initial call to first unit on scene (minutes)	5:42	5:39	6:04	5:20
Fire and rescue alarm calls (number)	104,043	103,605	102,595	105,000
DEPARTMENT GOAL(S) Collaboratively work with the public in reducing the amount of false alarms generated in accordance with the City Ordinance.				
False alarm incidents by automatic fire detection systems (number)	9,798	10,330	9,563	7,560
DEPARTMENT GOAL(S) Replace and assure that fire rescue units, apparatus, and light fleet emergency (single unit resource) vehicles have the ability to safely respond and mitigate medical emergencies, fire related incidents, and support all emergency operations.				
Average age of firefighting units (years)	12.5	13.0	12.1	7.6
Average age of rescue units (years)	5.6	6.5	7.4	5.0
Average age of light fleet support vehicles (years)	7.2	6.5	7.7	5.0
DEPARTMENT GOAL(S) To sustain above – average satisfaction on our survey results.				
Customer Satisfaction Survey: satisfied responses (percent)	99	99	99	100

Mission Statement

To work together with Miami's diverse residents, visitors, and businesses to constitutionally, transparently, and accountably reduce crime and enhance public safety.

Description

The City of Miami Police Department (MPD) is a modern, full-service law enforcement agency that serves a large and diverse population. The Department is committed to proactive crime prevention efforts, timely responses to calls, unrelenting follow-up, and criminal investigation efforts.

Contributing to the Administration's Priority of *Quality of Life*, the Department is structured to provide world-class law enforcement services to residents, visitors, and businesses. MPD services include uniform patrol and patrol support, criminal investigations, and specialized operations, each of which are optimized to enhance the safety of the public. Utilizing evidence-based practices and innovative new strategies to fight crime, MPD personnel identify safety issues and tailor solutions to provide the best possible quality of life to the public.

Stakeholders include residents, businesses, and visitors to the City of Miami.

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Other Contractual Services Line item reflects a net decrease of \$1.155 million in part due to a funding reallocation of \$50,000 to the Travel and Per Diem Line item, and in part due to the closure of non-recurring grant funding (General Fund (GF) -\$50,000; Special Revenue (SR) -\$1.105 million).

The Postage Line item reflects the reduction of \$6,000 (GF) to align budget with the trend of expenditure.

The Utilities Electricity Line item reflects the reduction of \$4,000 (GF) to align budget with the trend of expenditure.

The Rentals and Leases Line item reflects a net decrease of \$56,000 in part due a GF funding reduction of \$66,000 to align budget with the trend of expenditure, and in part due to increased funding for a Homeland Security Investigations Task Force grant (GF -\$55,000; SR \$10,000).

The Repair and Maintenance Services Line item reflects the reduction of \$11,000 (SR) due to the deallocation of non-recurring expenditures in the Enhanced 911 (E911) Service funds.

The Printing and Binding-Paper Stock Line item reflects the reduction of \$5,000 (GF) due to a funding reallocation

Police

to the Printing and Binding-Outsourcing Line item.

The Advertising and Related Costs Line item reflects the reduction of \$11,000 (GF) to align budget with the trend of expenditure.

The Other Current Charges and Obligations Line item reflects a net decrease of \$2,000 in part due to an increase in GF to align budget with the trend of expenditure, and in part due to the closure of non-recurring grant funding in Police Services SR fund (GF \$3,000; SR -\$5,000).

The Motor Fuel Line item reflects the reduction of \$231,000 (GF) to align budget with the trend of expenditure.

The Public Safety Supplies Line item reflects the reduction of \$15,000 (GF) to align budget with the trend of expenditure.

The Weapons and Ammunitions Line item reflects a decrease of \$460,000 in part due to a funding reallocation of \$360,000 (GF) to the Weapons/Ammunition Line item, and in part due to a reduction of \$100,000 (GF) to align budget with the trend of expenditure.

The Machinery and Equipment Line item reflects a net reduction of \$2,000 (SR) due to the closure of non-recurring grant funding in Police Services SR fund (-\$21,000) and the increase in the Law Enforcement Trust Fund (\$19,000).

The Budget Reserve Line item reflects a decrease of \$330,000 in part due to a funding reallocation of \$471,000 (SR) to several budget line items of recurring grant funding in Police Services SR fund, and in part due to an increase of \$141,000 (SR) in the Law Enforcement Trust Fund.

The Budget includes the following additions:

The Regular Salaries and Wages Line item reflects the addition of funding to cover the shift pay differential and other salary-related costs due to the current agreement with the Fraternal Order of Police (GF \$244,000).

Additional funding was added to the Overtime Line items to align services with the current salary rates (GF \$1.251 million) and due to an increase of non-recurring grant funding in the Police Services fund (SR \$385,000).

The Professional Services Line item reflects a net increase of \$7,000 in part due to the closure of non-recurring grant funding in the Police Services fund (SR \$-56,000), and in part due to an increase of allocation in the E911 funds (SR \$63,000).

The Investigations Line item reflects an increase of \$12,000 (SR) due to an increase in the allocation for the Law Enforcement Trust Fund.

Additional funding was added to the Travel and Per Diem Line item due to a reallocation of funds from the Other Contractual Services Line item (GF \$50,000), the increase of allocation in the Law Enforcement Trust Funds program and E911, and allocations for other non-recurrent grants (SR \$96,000).

The Training Line item reflects the increase of \$87,000 in the E911 Service Funds and the allocations of \$87,000 for other non-recurrent grants (SR \$103,000).

The Communications and Related Services Line item reflects the addition of \$456,000 to align the budget with the current level of expenditures (GF \$110,000; SR \$346,000).

The Utilities Water Line item reflects the addition of \$26,000 (GF) to align the budget with the current level of expenditure.

The Printing and Binding-Outsourcing Line item reflects an increase of \$5,000 (GF) due to a funding reallocation from the Printing and Binding-Paper Stock Line item.

Police

The Office Supplies Line item reflects an increase of \$15,000 (GF) to align the budget with price increase.

The Operating Supplies Line item reflects a net increase of \$335,000 to align the budget with price increase and the increase in grant funding agreements (GF \$62,000; SR \$273,000).

The Weapons/Ammunition Line item reflects a decrease of \$360,000 (GF) due to a funding reallocation from the Weapons and Ammunitions Line item to align the budget with the trend of expenditure.

The Subscriptions, Memberships, Licenses, Permits and Others Line item reflects a net increase of \$605,000 due to the addition of software licenses for unlimited users in the Real Time Crime Center and the Criminal Investigation Division and due to a reduction of non-recurring grant programs in Police Services Fund (GF \$700,000; SR \$95,000).

The Aids to Government Agencies Line item reflects the addition of \$507,000 (SR) due to new non-recurrent grant programs in the Police Services fund.

The Budget includes the following additional considerations:

- The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent) and a six percent across the board increase (GF \$1.789 million); the Fraternal Order of Police, Walter E. Headley, Jr., Miami Lodge No. 20 (FOP) reflecting normal step increases (generally five percent) and a one percent across the board increase (GF \$3.034 million; SR \$27,000), including Police Executive Staff (GF \$90,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$39,000).

The Budget includes funding for the “Police Athletic League” (GF \$415,000) in the Non-Departmental Account (NDA).

The Budget includes annual payment for the settlement agreement (\$2.917 million) required by the Collective Bargaining Labor Agreement with the FOP. The settlement is funded by the NDA.

The Budget reflects Police Impact Fees contribution to Capital in the amount of \$1.834 million, pending to a distribution to eligible capital projects.

The differences in amount of personnel between divisions are due to the reassignment of existing staff to best suit the needs of the Department.

Adopted Budget Highlights for FY 2024-25:

Pursuant to Resolution R-24-0389 (see Appendix J), adopted September 26, 2024, the Budget includes the addition of two Police Officer sworn positions.

The FY 2024-25 Operating Budget includes 1,347 regular sworn Police Officers and 43 sworn executives for a total of 1,390 sworn personnel, as well as 415 civilian positions.

Police

Accomplishments FY 2023-24

Collaborated with intra-agency across the different units of the Criminal Investigations Division, along with other sections, resulted in a well-rounded approach to violent crime that led to the apprehension of 327 violent offenders along with 159 arrests of convicted felons in possession of firearms. Incidents where a firearm was discharged in the commission of a crime continue to trend downward.

Conducted multiple DUI checkpoints throughout the year, targeting high-accident locations, in order to provide traffic enforcement aimed at reducing traffic and pedestrian fatalities along with apprehending impaired drivers.

Provided training to officers to assess a subject’s demeanor and mental state upon responding to incidents in order to use the appropriate force in crisis situations. Additionally, the co-responder model was implemented to expand the Crisis Intervention Program to continue dispatching the most appropriate personnel trained to deal with specific subjects who are in mental distress.

Disseminated information to officers to create awareness of Internal Affairs complaints and the importance of providing professional service to the community, along with continuing to emphasize courtesy and de-escalation during training.

Placed an emphasis on immediate dispatch of emergency calls for service, minimizing the response to Code 3 priority calls.

Emphasized the importance of community contacts (13C) with all officers to ensure its implementation during shifts. Additionally, conducted monthly meetings on micro hot spot policing; to include roll call trainings, along with staff meetings to review its impact.

Continued to answer over 90 percent of 911 calls within ten seconds in the Communication Center.

Strategies FY 2024-25

Continue to reduce Firearm related violent incidents.

Continue to reduce traffic and pedestrian fatalities.

Continue to reduce the number of incidents where officers use force to make arrests.

Continue to reduce number of Internal Affairs complaints.

Continue to minimize response times to Code 3 emergency call for service.

Continue to build public trust and strong partnerships with the community.

Increase the percentage of 911 calls answered within ten (10) seconds of call initiation.

Strategic Alignment and Performance Measures

Priority Areas	City Strategic Plan Objectives
1. Quality of Life	1.1.2 Strengthen trust through excellent customer service City of Miami Strategic Plan
	1.5.1 Reduce gun violence City of Miami Strategic Plan
	1.5.2 Continue to strengthen community partnerships City of Miami Strategic Plan

Police

Priority Areas	City Strategic Plan Objectives
	1.5.3 Maintain low response times and seek out opportunities to optimize emergency operations City of Miami Strategic Plan

Measures	FY 2020-21 Actual	FY 2022-23 Actual	FY 2023-24 Actual	FY 2024-25 Target

Housing and Community Development

Department Head: Victor T. Turner

Phone: (305) 416-1978

www.miami.gov/My-Government/Departments/Housing-Community-Development

Mission Statement

The Department of Housing and Community Development assists in creating a viable urban community for the neediest persons in our city while reducing poverty, embracing diversity, assisting with economic development, and improving the overall quality of life.

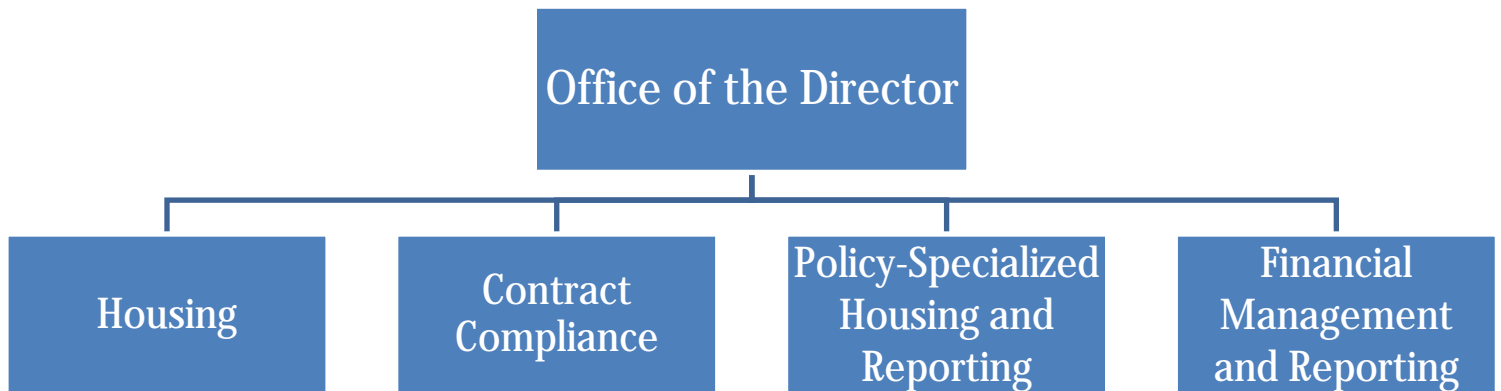

Description

The Department of Housing and Community Development (HCD) utilizes grant funds it receives from federal, state, and local government sources to aid in the development of a viable urban community. The essence of this objective is to provide quality housing, suitable living environments, and expansion of economic opportunities for the neediest of the community. HCD performs a wide range of community and economic development activities directed toward neighborhood revitalization, economic development, improved community facilities and services, and assisting those least likely to benefit from the economic growth and prosperity projected for the City of Miami.

Contributing to the Administration's Priority of *Pathway to Prosperity*, HCD focuses on serving as an advocate for disenfranchised and economically disadvantaged residents. It utilizes federal, state, and local sources to implement programs that contribute to the health and well-being of its residents and creates cooperative partnerships with the public, not-for-profit agencies, and the private sector to offer public assistance programs that help stabilize resident's lives.

Our stakeholders include City residents, businesses, local community-based organizations, and elected officials.

Housing and Community Development

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Provides general direction and coordination with private and public stakeholders in the management of federal, state, and local community development programs to assist low-to moderate-income residents; develops and manages the Department’s budget; and oversees administrative functions, including human resources, technical services, procurement, and investigations regarding fair housing complaints.	7	7	7
HOUSING Administers housing programs to assist eligible residents to purchase, rent, or rehabilitate existing housing units; ensures that the City is in compliance with Davis-Bacon Act and Section 3 regulations on all contracted projects; and administers the City’s relocation program.	13	13	13
POLICY-SPECIALIZED HOUSING AND REPORTING Creates policies for the department to ensure compliance with all applicable federal, state, and local regulations, statutes, ordinances, and resolutions; prepares all documents and reports required by the U.S. Department of Housing and Urban Development (HUD) including the Consolidated Plan, the Annual Action Plan and the Consolidated Annual Performance and Evaluation Report (CAPER); and manages the Department’s Housing Opportunities for Persons With Aids (HOPWA) and Section 8 specialized housing unit.	5	6	6
CONTRACT COMPLIANCE Monitors local community-based organizations (CBOs) contracted with the City to ensure compliance with federal regulations in areas of social services and economic development to revitalize the City’s communities and integrate economic, environmental, and human developmental needs in the process.	4	4	4
FINANCIAL MANAGEMENT AND REPORTING Provides financial oversight and reporting requirements to effectively manage projects funded through federal and state programs; processes and reports all financial activities and transactions; and reimburses funded organizations.	8	8	8

Budget Highlights for FY 2024-25

The Budget includes the following considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent) and a six percent across the board increase (GF \$245,000), and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$62,000).

The contribution from the General Fund in a total amount of \$3.879 million for the following items: lease expenditures including utility services and janitorial services (\$385,000); grant's non-reimbursable personnel expenditures: Regular Salaries and Wages (\$1.272 million), Fica Taxes (\$103,000), Retirement Contributions (\$1.144 million), Life and Health Insurance (\$768,000), Workers' Compensation (\$77,000), and IT Repair and Maintenance Services (\$130,000).

The contribution from the General Fund to Citywide Poverty Initiatives Aid to Private Organizations for the provision of public services such as meals for the elderly (\$743,000); and Citywide Poverty Initiative Program Management cost (\$135,000) as stated above for a total of \$878,000.

The Budget includes the continuance of the Miami Senior Rental Assistance Program.

Housing and Community Development

Accomplishments FY 2023-24

Assisted 377 households through the Section 8 Program, and 800 households through the Housing Opportunities for Persons with AIDS (HOPWA) through the Tenant-Based Rental Assistance (TBRA) program.

Assisted nine low-to-moderate income households with down payment assistance.

Assisted 1,140 elderly meals with funds from Elderly Meals Nutritional services.

Assisted 687 families with children to fund for daycare and after-school services.

Provided single family rehabilitation assistance to 13 low- and moderate-income households.

Reviewed areas of improvements with internal processes to support customer service. Improved in the areas of providing clearer communication between departments, response times, and tracking requests and resolutions. Improved internal processes, that resulted in an increase in customer satisfaction and staff morale.

Strategies FY 2024-25

Continue to serve households through the Section 8 Program and the Housing Opportunities for Persons With AIDS (HOPWA) Program.

Continue to assist low-and moderate-income households through the down payment assistance program.

Continue to provide funding to serve elderly individuals with daily nutritional meals.

Continue to provide funding for daycare and after-school services.

Continue to provide single-family rehabilitation assistance to six low- and moderate-income households.

Continue to improve agency contracting processes to support customer service and provide a positive experience through the administration.

Strategic Alignment and Performance Measures

HOUSING & COMMUNITY DEVELOPMENT FUNDING SOURCES FY 2024-25

Parks and Recreation

Department Head: Christopher Evans

Phone: (305) 416-1320

www.miami.gov/My-Government/Departments/Parks-and-Recreation

Mission Statement

To enrich and inspire the community by delivering a world-class park system that is safe, accessible, and facilitates a healthy and happy quality of life.

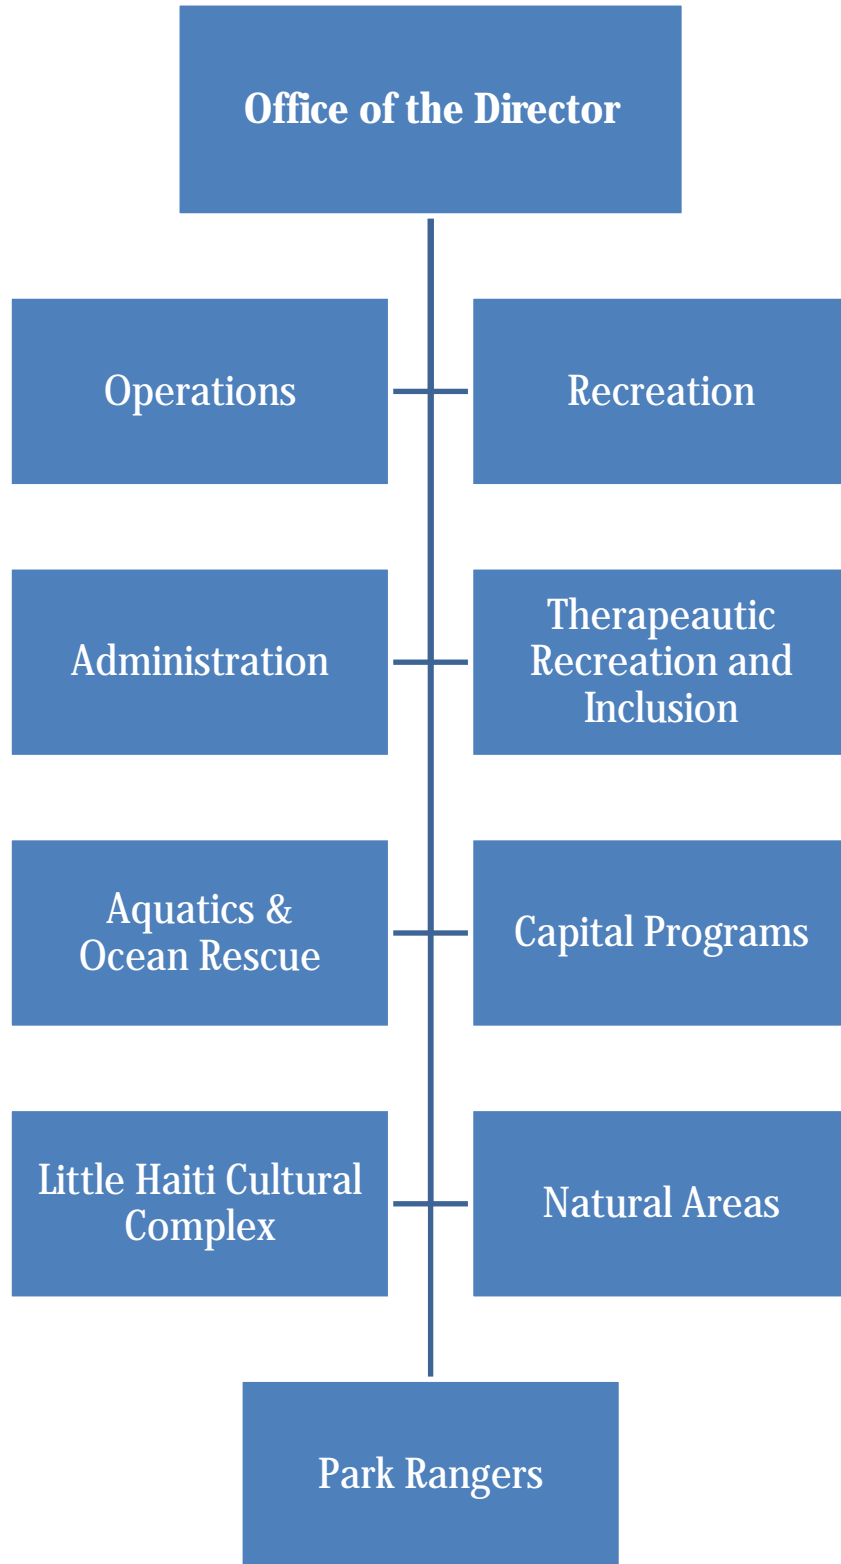

Description

The Parks and Recreation Department is nationally accredited by the Commission for Accreditation of Park and Recreation Agencies (CAPRA). The Department delivers quality of life services to all ages through active senior programs, teen engagement programs, services for persons with disabilities, and youth-serving programs through seasonal camps, sports, learn-to-swim, and Science Technology Recreation Engineering Arts and Math (STREAM) programming. The Department continues to initiate health, wellness, and obesity prevention campaigns for City of Miami residents of all ages.

Contributing to the Administration's Priority of *Quality of Life*, the Parks Department provides 152 parks totaling more than 1,400 acres, twelve swimming pool facilities, 43 community centers, four gymnasiums, the Sandra DeLucca Developmental Center, the City Cemetery, the Little Haiti Cultural Center and Caribbean Marketplace, the Ichimura Japanese Garden, and the Grapeland Water Park. The Department also offers services at the Virginia Key mountain bike trails, walking trails, and beaches, as well as three natural areas designated as Natural Forest Communities that include a Visitor's Center at Simpson Hammock Park, the Virginia Key 32-acre hammock restoration and interpretive trail, and the hammock at Alice Wainwright Park. The Department offers recreation and leisure opportunities that appeal to all interests and abilities and encourage a connection with the outdoors as well as an active and healthy lifestyle.

Stakeholders include City residents and visitors to the City of Miami.

Parks and Recreation

Parks and Recreation

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
<p>OFFICE OF THE DIRECTOR Provides leadership, guidance, and vision for the Department; oversees all divisions and their operations; manages the budget, program development, and Capital Improvements and repair and maintenance projects; and coordinates internal and external government communications and community outreach, legislation, code revisions, and contract management.</p>	4	7	7
<p>OPERATIONS Provides ground maintenance, turf management, landscaping, tree trimming, sports field renovations, irrigation services, carpentry, and repair functions through the entire park system.</p>	90	84	84
<p>RECREATION Provides for the development, implementation, and supervision of recreation, cultural, and educational programs; supervises and staffs 43 park facilities; offers year-round senior, teen engagement programs; after-school, seasonal camp, and recreation programs for youth; and provides enhanced programs through partnerships.</p>	92	99	99
<p>ADMINISTRATION Provides administrative and support services to all divisions and sections; develops, implements, and manages the department's budget; performs payroll, personnel, procurement, and finance functions. Manages internal Parks IT functions and liaison with Risk Management on safety issues in parks. Processes permit applications for park-level and citywide events that utilize parks.</p>	16	14	14
<p>THERAPEUTIC RECREATION AND INCLUSION Provides individuals with disabilities inclusive access to community-based educational, recreational, leisure and cultural activities including Special Events that enhance quality of life and inspire confidence. Advocates in local, state, and national forums for the rights of individuals with disabilities.</p>	16	17	17
<p>AQUATICS AND OCEAN RESCUE Operates and programs eleven aquatic facilities, one water park, the Ocean Rescue section in Virginia Key Beach North Point Park, Miami Marine Stadium Flex Park, Miami Rowing Center, and Basin Trail along with five splash parks and three fountains. Provides emergency services response and safety surveillance along with Learn to Swim, Water Aerobics, and Swim Teams programming. Manages the operation and maintenance activities of all waterfront areas on Virginia Key. Facilitates public access through tree trimming, brush removal, mowing and trash management to the mountain bike trail, Arthur Lamb Road, North Point Beach, and the Miami Rowing Center. Manages toll booths for parking fee collections.</p>	27	27	27

Parks and Recreation

<p>CAPITAL PROGRAMS Manages all aspects of the department’s capital program to include budget, prioritization, execution, management, and close out of all construction projects.</p>	4	5	5
<p>LITTLE HAITI CULTURAL COMPLEX Facilitates programs and special events that promote, showcase and support Afro-Caribbean culture in South Florida for all ages to participate.</p>	7	8	8
<p>NATURAL AREAS Provides natural resource management for environmental areas and the National Community Forests, Simpson Hammock Park, Alice Wainwright Park, and Virginia Key Beach North Point Park. Public engagement to promote stewardship and adoption of conservation efforts.</p>	6	5	5
<p>PARK RANGERS Assists with community safety measures as Park Ambassadors. Operates Park Ranger Dispatch call center and serve as active liaisons with other city departments to ensure safety while providing operational accessibility of parks on a continuous basis (including all holidays); conducts security and safety patrols (vehicle and foot), promotes voluntary compliance by educating the public about park regulations to deter undesirable activity; assists with crowd and access control; and coordinates homeless outreach initiatives.</p>	27	27	27

Budget Highlights for FY 2024-25

The Budget includes the following additions:

The Other Contractual Services Line item reflects an increase of \$94,000 (GF) due in part to contractual increases in the cost of chlorine for City pools and for increased costs of providing security services at various Parks.

The Office Supplies Line item reflects an increase of \$8,000 (GF) due to an increase in costs for office supplies.

The Operating Supplies Line item reflects an increase of \$99,000 (GF) to better align the budget with the current trend of expenditures.

The Public Safety Supplies Line item reflects an increase of \$16,000 (GF) to better align the budget with the current trend of expenditures.

The Clothing/Uniform Supplies Line item reflects an increase of \$66,000 (GF) primarily due to contractual increases in the cost of uniforms for department staff.

The Budget includes the following additional considerations:

Parks and Recreation

- The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$1.465 million); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$60,000).

The budget includes \$24.238 million in Parks Impact Fee allocations. There is \$1 million allocated to city-wide projects and the remaining \$23.238 million is allocated evenly to the five city commission districts. This amounts to \$4.648 million for each commission district.

Parks and Recreation

Accomplishments FY 2023-24

Conducted onsite inspections to identify aging equipment or structures in need of repairs in order to create a safe environment. Created new play areas for upcoming trending sports such as Pickleball.

Partnered with the Finance Department and the Department of Innovation and Technology (DoIT) to select a recreation software company. Collaborated with the selected company to develop a platform customized for Park operations, addressing key recreation service needs. Project is currently 22 percent complete.

Worked with the Office of Capital Improvements (CIP) and District offices on park development projects managed by CIP. Fairlawn Community Park (D4) - Phase 1 is currently under construction, with Phase 2 funding allocated FY25. Woodside Park (D3) construction start anticipated November 2024, additional funds still pending. The Coral Way Park Playground Expansion project (D3) is in construction, anticipated completion date by December 2024. Parks completed the design phase of East Shenandoah Park (D3), contractor mobilized October 2024. Ruben Dario Park (D3) conceptual design has been finalized and Simon Bolivar Park (D3) is currently in the conceptual design phase.

Conducted details to offer shelter to homeless individuals by Park Rangers and the Police Homeless Empowerment Assistance Team. In cases where homeless refused assistance, trespassing warnings were issued. Joint details were conducted with Miami-Dade Animal Services and the Miami Police to educate and enforce dog leash laws. Issued citations to respondents (pet owners) that did not comply in certain parks where pets had injured park guests. Park Rangers were present at all recreational events, including the Flag Football and Basketball Leagues, to serve as a deterrent. Hired five new Rangers, enhancing security and visibility in the parks. Stationed three rangers between Robert King High, Morningside, and Juan Pablo Duarte Park to provide deterrence and security at these problematic parks. After completing training, we are coordinating with Miami-Dade County to obtain parking ticket booklets and assign staff emails so they can begin issuing citations in parks. We're also collaborating with Homeless Assistance to secure tablets, which will provide access to their app, streamlining the process of addressing homelessness in parks. Additionally, we will be updating their uniforms.

Served approximately 9,115 people who visited the Simpson Park trails and facility, and participated in educational and outreach activities. The Park Naturalists were responsible for the conservation and maintenance of the Natural Resources for the City of Miami, including protecting and preserving imperiled and critically endangered plant species and habitats registered within the City of Miami parks. Held the International Arborist Certification (ISA), the Landscape Inspector Association of Florida (LIAF), and the Florida Nursery and Landscape Association (FNGLA) certifications, as well as, assisted in various training opportunities to obtain the Continuing Education (CEUs) required licenses. The Park Naturalists and Park Naturalist Technician also kept the pesticide applicator license and CPR certification. Partnered with the Fairchild Tropical Botanic Garden for the continued restoration of habitats around the endangered species *Jacquemontia reclinata*, found in the Virginia Key Island. Collaborated with the Institute for Regional Conservation to maintain trails and habitats of endangered plant species. Additional partnerships included the Frost Museum of Science Conservation and Outreach team and the Dade Heritage Trust, who brought Miami Dade County Public School children to tour both Virginia Key trails and Simpson Park. Conducted 103 community outreach and 49 volunteer events, including volunteer activities, beach cleanups, trail maintenance, and habitat restoration. October 2023, successfully held the Annual Halloween Event at the Simpson Park Trail, receiving positive community reviews and a 100 percent increase in attendance. The event provided a unique opportunity for participants to enjoy the trail during the evening with lighted and decorated paths.

Parks and Recreation

Accomplishments FY 2023-24

Issued an average of 100 permits per month. Decreased response time due to Park Managers processing applications at the park sites. VIP Socializing, Technology, Active Adults, Resources and Support program (VIP STAARS) for active adults is divided into two separate groups of participants (Fitness Group and Support Group). The fitness group contributes to numerous sessions at various locations providing a multitude of fitness opportunities. Expanded the fitness trainings to multiple Miami parks to bring fitness to different communities within the Park's system. Celebrated holidays with the fitness group to encourage socialization and communication. The Support Group held events where active adults experienced health and wellness activities of their choice. Hosted a holiday potluck brunch, field trips, and attend sessions provided by vendors for health and wellness. Conducted five Community Lifeguard Training courses, with 12 to 20 students in attendance. Approximately, 111 staff members underwent recertification in Lifeguard, CPR, and Automated External Defibrillator (AED) trainings. Approximately 1,197 patrons were taught in the Learn to Swim classes. Additionally, the Pirates Plunge Activity Pool underwent resurfacing, including the replacement of the pool liner. Repaired and refurbished all equipment at the four splash parks (Little Haiti, Clemente, Duarte and African Square) with features sanded and painted. Jose Marti Pool was painted and all facility signage was updated. At Grapeland Water Park, 2,728 active adults received instruction in water aerobics, and a concrete pad was added to house a new employee breakroom shed. All facility deck furniture for Williams Pool and Little Haiti Splash Park were replaced, and new bleachers were added at Williams and Curtis Pools. Therapeutic Recreation and Inclusion continued to provide much needed programming to individuals with disabilities that provide both educational and recreational benefits that ultimately improve overall health and wellness towards independence. Enrolled a total 294 participants this fiscal year. Enrollment grew this summer due to the Camp Shriver registrations, where young adults with and without disabilities come together for a six week unforgettable experience. Designed each program with hands on activities that provide real world learning experience, that range from daily living skills, community integration, and opportunities in the ADT for employment readiness with Project SEARCH Miami that led to all 6 students getting jobs, putting our employment rate at 100 percent. In sports and recreation, GET FIT athletes competed in several local Special Olympics Competitions in five different sports earning outstanding results. Due to their sports training, we were selected to State Special Olympics competitions twice. The adaptive sports program, in hand cycling supported one of our most active adaptive athletes to register and compete in the Miami Mann 5K as well as a South Florida Triathlon where he received first place as the first ever athlete with a disability to receive that placement. Camp Shriver successfully completed another summer with 78 registered campers with and without disabilities and had an unforgettable summer filled with meaningful experiences that speak to the power of inclusion. VIP STAARS also thrived as the fitness group enhanced programing by adding water aerobics and participated for the first time in the Parks Department Bowling Tournament obtaining third place. Inclusion provided 60 trainings, from life saving instruction in Epilepsy, to CPR and First Aid, to more than 850 full time and part time staff members, which consisted of over 240 hours of in person instruction. Hosted eight Special Events with a total number of more than 900 individuals in attendance. Events ranged from the Gala that celebrated 50 years of services to individuals with disabilities, the annual themed community events, Project SEARCH Miami graduation, Family Fun Day, to a Special Olympics Medfest event that brought health screenings to over 65 individuals with developmental disabilities ages 8 to 60+ with the City and Miami Dade County.

Parks and Recreation

Strategies FY 2024-25

Continue to replace, renovate, and repair aging playground structures and resurface basketball, tennis, and racquetball courts throughout the system to keep grounds beautiful and safe.

Continue to integrate a recreation software application for enhanced customer service, seamless registration of programs and park permits. Establish best practices and implement standardized operating procedures to ensure a standard level of service and consistent delivery by all divisions of the department.

Continue to develop newly acquired park properties in collaboration with the Office of Capital Improvements.

Continue to enhance park security to ensure safety and enforcement throughout the park system for all park visitors, staff, and residents.

Continue to preserve and protect the natural ecosystems and biodiversity within the City of Miami by implementing a comprehensive approach that balances conservation, education, and community engagement. The Natural Areas division aims to ensure the long-term sustainability of the natural resources under its stewardship.

Continue to position the Department as a community health option through Health, Wellness, and Obesity Prevention Programs, Activities and Events for youth and adults 55+ that are culturally rich to enhance the quality of life for all, and pursue grant opportunities to fund programming and site amenity improvements

Real Estate and Asset Management

Department Head: Andrew Frey, Director
[Real Estate & Asset Management \(DREAM\) - Miami](#)

Phone: (305) 416-1458

Mission Statement:

Maximize financial return and other policy goals for the benefit of residents and businesses by Professionally managing the City's real estate portfolio.

Description

Contributing to the Administration's Priority of *Quality of Life*, the Department manages all of the City's commercial real estate functions: Acquisitions, Dispositions, and property rights; Leasing and new revenue; Capital Projects; Marinas Management; Venues Management, and Asset Management

Stakeholders include City residents, tourists, businesses, and employees.

Real Estate and Asset Management

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Directs all the administrative and operational functions of the Department; facilitates budgeting, accounting, capital improvements, grant administration, property acquisition, and disposition of City-owned property; maximizes revenue potential and the use of City-owned assets; oversees the operation of all City-owned Marinas, convention centers, stadiums, and theaters.	4	0	0
DIRECTOR'S OFFICE Directs all functions of the Department, reports to City Manager and Assistant City Manager, provides information to elected officials, coordinates with other Departments, strategic planning, budgeting, personnel, policies, administration, and other Department-wide activities.	0	5	5
REAL ESTATE ACQUISITION AND DISPOSITION Negotiates agreements, research properties, maintains the property inventory, performs requests for proposals, obtains surveys and appraisals, negotiates development agreements and purchase and sales agreements, monitors property, monitors development projects, and monitors property tax compliance in accordance with lease terms.	3	0	0
CAPITAL ACQUISITION Manages all acquisition, disposition, and transfer of property and property rights including easements, covenants, and other recorded documents. Manages the sourcing of properties, tracking of city-owned properties, marketing and sale of properties, negotiating agreements and related documents, due diligence, closing, and coordination with other Departments.	0	2	2
CAPITAL LEASING Manages all new revenue activities (non-marina, non-venue), including marketing, negotiating, and closing new leases, licenses, management agreements, and other revenue agreements and related documents, and coordination with other Departments. Also assists other Departments to find and negotiate leases.	0	3	1
CAPITAL PROJECTS Manages all Department-led capital projects, including budget and schedule, and manages the execution of such projects and, or directs, works with, and tracks other Departments to complete them.	0	1	1

Real Estate and Asset Management

<p>OPERATION ASSET MANAGEMENT Manages all non-marina, non-venue properties and manages annual financial performance of all Department properties. Includes operations, inspections, maintenance, tenant relations, revenue agreement compliance, collections, vendor agreements, payment of operating expenses, reviewing financial statements and other records, reporting, recommending opportunities to increase revenue and reduce expenses, and maintaining operating permits.</p>	0	2	4
<p>CITY MARINAS Oversees the day-to-day operation and maintenance of the three City marinas; manages monthly dockage billings; collects and processes dockage fees; plans and implements facility capital repairs and improvements.</p>	30	0	0
<p>OPERATION MARINAS Manages all City-owned marinas, including operations, inspection, maintenance, marketing, revenue generation and collection, vendor agreements, payment of operating expenses, reporting, recommending opportunities to increase revenue and reduce expenses, identifying capital needs, and maintaining operating permits.</p>	0	29	32
<p>LEASE MANAGEMENT Prepares, negotiates, and manages compliance with leases and other agreements; monitors monthly rents and fee collection of all leases and other agreements; performs request for proposals; conducts yearly leased property inspections; issues permit for use of City-owned properties.</p>	5	0	0
<p>CULTURAL CENTERS Manages, operates, and maintains four multi-story buildings; books events; prepares, negotiates, and manages theater rental agreements; leases available office space; collects and process theater rental fees.</p>	7	0	0
<p>OPERATION VENUES Manages all Department venues and related spaces, including operations, inspections, maintenance, marketing, revenue generation and collection, vendor agreements, payment of operating expenses, reporting, recommending opportunities to increase revenue and reduce expenses, identifying capital needs, and maintaining operating permits.</p>	0	11	11
<p>TOTAL FULL-TIME POSITIONS</p>	49	53	56

Budget Highlights for FY 2024-25

The Budget includes the following reductions:

The Professional Services Line item reflects a net decrease of \$24,000 to align the budget to the historical trend of expenditures \$40,000 and is offset by an increase of \$16,000 for the cost of monitoring the Marine Stadium Mitigation project (GF -\$24,000).

The Court Services Line item reflects a decrease of \$1,000 (GF) to align the budget to the historical trend of expenditure and transferred to the Other Contractual Services Line item

The Communications and Related Services Line item reflects a decrease of \$6,000 (GF) to align the budget to the historical trend of expenditure and transferred to the Advertising and Related Costs Line item.

Real Estate and Asset Management

The Utilities Water Line item reflects a decrease of \$177,000 (GF) to align the budget to the historical trend of expenditures.

The Vending – Repair and Maintenance Services Line item reflects a decrease of \$3,000 (GF) to align the budget to the historical trend of expenditures and transferred to the Printing and Binding Line item

The Operating Supplies Line item reflects a net decrease of \$76,000 due to a decrease aligning the budget to the historical trend of expenditures \$84,000. This decrease is offset by an increase to fund required supplies for the new Seminole Boat Ramp +\$8,000 (GF \$76,000).

The Saleable Fuel Line item reflects a decrease of \$65,000 (GF) to align the budget to the historical trend in expenditures.

The Budget Reserve Line item reflects a net decrease of \$8.451 million due to a transfer of -\$9.000 million to the Other Contractual Services Line item to fund Capital repairs at the Marlin's Parking Garages, an increase of +\$135,000 for the City's annual contribution to the Bayfront Riverfront Land Acquisition Trust, and a net increase to correct Fund Balance Fund Balance in the Miami Ballpark Parking Facilities Fund +\$414,000 (SR \$-8.451 million).

The Budget includes the following additions:

As approved in the FY 2023-24 Mid-Year Budget Amendment, the Regular Salaries and Wages Line item reflects increased funding for the addition of one Marinas Supervisor \$91,000 (GF) and two Marinas Aides \$143,000 (GF) for the Watson Island Mooring Field.

The Overtime Line Item reflects an increase of \$9,000 (GF) to align the budget to salary increases in the AFSCME Local 1907 contract.

The Other Contractual Services Line item reflects a net increase of \$8.050 million due to an increase for the new Seminole Boat Ramp \$105,000; increases for janitorial and pest control services for the Manuel Artime Theater \$13,000; increase for the James L. Knight Center \$260,000; increase for the Dinner Key Mooring Field \$25,000; increase for the G4 Garage \$296,000; and an increase for the Watson Island Mooring Field that was transferred from the Court Services Line item \$1,000. These increases are offset by a decrease to align the budget to the historical trend of expenditures -\$69,000, a transfer of incorrectly budgeted forklift repair costs to the Repairs and Maintenance Line item -\$84,000 and a net increase in the Miami Ballpark Parking Facilities Fund to fund repairs at the Marlins Garages (GF \$547,000; SR 7.503 million).

The Travel and Per Diem Line item reflects an increase due to seminars and conferences for staff (GF \$20,000).

The Training Line item reflects an increase for required training of Department staff (GF \$15,000).

The Utilities Electricity Line item reflects an increase of \$363,000 (GF) due to alignment of the budget to the historical trend of expenditures \$196,000; an increase for required payment of electricity costs at Allapattah Community Action building \$50,000; and an increase due to the addition of new electricity accounts formerly paid by The Parks and Recreation Department \$117,000.

The Rentals and Leases Line item reflects a net increase of \$130,000 due to an increase for the lease of a new marine forklift \$270,000 and an increase for the lease of upland amenities contract with the Miami Yacht Club at the Watson Island Mooring Field \$66,000. This is offset by a decrease due to a transfer of required payments to Parrot Jungle, Grove Harbor Marina, and the Caribbean Market Place to the Other Current Charges and Obligations Line item -\$204,000 and a reduction to align the budget to the historical trend of expenditures -

Real Estate and Asset Management

\$2,000 (GF \$130,000).

The Repairs and Maintenance Line item reflects a net increase of \$103,000 due to an increase of lumber supplies required for the new Seminole Boat Ramp \$30,000; an increase due to the transfer of forklift repair costs from the Other Contractual Services Line item \$84,000; and an increase for additional lumber supplies \$7,000. This increase is offset by a reduction to align the budget to the historical trend of expenditures of -\$18,000 (GF \$103,000).

The Printing and Binding Line item reflects an increase due to a transfer from the Vending - Repair and Maintenance Services Line item to align budget to historical trend of expenditure (GF \$3,000).

The Advertising and Related Costs Line item reflects an increase of \$6,000 (GF) for required advertising costs in the Asset Management division.

The Other Current Charges and Obligations Line item reflects a net increase of \$244,000 due to an increase from the transfer of required payments to Parrot Jungle, Grove Harbor Marina, and the Caribbean Market Place from the Rentals and Leases Line item \$204,000; an increase for annual team building meeting \$10,000; and an increase for required property tax payment for 1909 Brickell Avenue \$100,000. These increases are offset by a decrease to align the budget to the historical trend of expenditures-\$70,000 (GF \$244,000).

The Office Supplies Line item reflects a net increase of \$1,000 due to an increase for supplies in the Director' Office division \$2,000 and a decrease to align the budget to the historical trend of expenditures -\$1,000 (GF \$1,000).

The Clothing/Uniforms Supplies Line item reflects a net increase of \$4,000 due to the increased cost for uniforms of \$5,000 offset by a decrease to align the budget to the historical trend in expenditures-\$1,000 (GF \$4,000).

The Subscriptions, Memberships, Licenses, Permits & Others Line item reflects an increase of \$21,000 (GF) due to funding for Marina Pacsoft Marina Management Software \$6,000 and the purchase of Visual Lease software \$15,000.

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$310,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$86,000).

The Budget reflects a General Fund contribution to Capital from ten percent of marina revenues for the Miami Marine Stadium Marina project \$1.140 million.

The Budget reflects a General Fund contribution to Capital from the MiaMarina Ticket Surcharge revenues for the MiaMarina Ticket Surcharge – Capital Operations and Improvements project \$819,000.

The Budget reflects a General Fund contribution to Capital from the Dinner Key Marina Ticket Surcharge revenues for the Dinner Key Marina Emergency Repairs and Replacements project \$44,000.

The Miami Ballpark Parking Facilities Fund's - Interfund Transfer Line item reflects a contribution from Marlins' Garage parking revenues to Debt Service Fund for partial funding of the Marlin's Garage 2010A Refunding 2019 Bond (SR \$642,000).

Real Estate and Asset Management

Accomplishments FY 2023-24

Conducted several meetings with the City Attorney's Office to update agreement templates pursuant to all government procedures, policies, and guidelines.

Conducted several meetings with consultants to include the language of Leadership in Energy and Environmental Design (LEED) gold certification for the 1251 SW 7th Ave affordable housing project contract agreement.

Conducted annual inspections and meeting with staff to identify eight Capital projects to be funded under fiscal year 2023-24 new Capital appropriations.

Collected information from the Office of the City Attorney, Lease Division, and Administration to require language in agreements to comply when working with women, minority entrepreneurs, and local businesses.

Executed successfully the Miami Yacht Club (MYC) contract in May's Commission meeting.

Implemented and trained department on the Microsoft Project Software. The software is used to track projects and assists staff to communicate with each other in a more efficient way.

Strategies FY 2024-25

Modernize and streamline department processes by updating buy, sell, and revenue agreement templates.

Promote sustainability in department deals and projects by requiring new buildings to be LEED Gold.

Maintain department assets to high standard by obtaining funding for all priority capital improvements based on annual inspections.

Bolster small businesses by requiring new projects to include women and minority entrepreneurs and local businesses.

Identify and implement ways to grow gross and net income above inflation and reduce expenses below inflation.

Real Estate and Asset Management

Strategic Alignment and Performance Measures

Priority Areas	City Strategic Plan Objectives
1. Quality of Life	1.1.1 Modernize and streamline City processes City of Miami Strategic Plan
	1.2.1 Maintain the look and feel of public spaces to a high standard City of Miami Strategic Plan
	1.4.1 Minimize the need to visit a City building to conduct business City of Miami Strategic Plan
	1.4.3 Reduce the amount of time customers wait City of Miami Strategic Plan
	1.5.2 Continue to strengthen community partnerships City of Miami Strategic Plan
2. Resilience	2.1.1 Enhancing understanding of the City's vulnerability to environmental, social and economic risks with data City of Miami Strategic Plan
	2.1.3 Equip City departments and residents by identifying critical metrics and improving access to critical data City of Miami Strategic Plan
	2.2.3 Improve internal capacity, coordination and communications City of Miami Strategic Plan
	2.3.2 Update and implement waterfront design standards City of Miami Strategic Plan
	2.4.2 Prioritize projects that protect the most critical and vulnerable areas City of Miami Strategic Plan
	2.5.1 Develop policy and regulations to reduce impact of environmental risks and promote sustainability City of Miami Strategic Plan
3. Pathway to Prosperity	3.2.1 Promote conditions that encourage small business development and growth City of Miami Strategic Plan
	3.2.2 Bolster small businesses through supportive programs and incentives City of Miami Strategic Plan
	3.2.3 Support local scale-ups City of Miami Strategic Plan

Mission Statement

To effectively manage the City's exposure to losses by applying efficient loss control strategies and well-being initiatives with integrity, accountability, commitment, and teamwork.

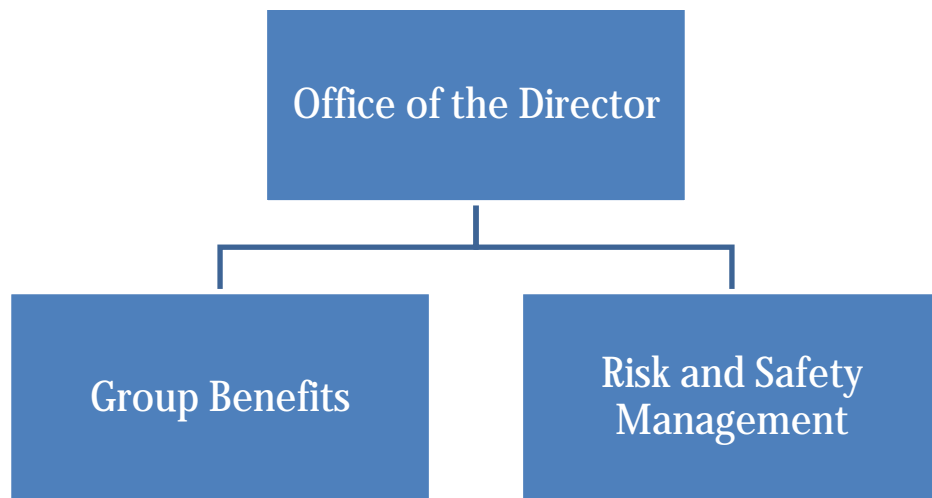

Description

The Department of Risk Management is an internal service provider that works closely with all departments within the City in an effort to protect the City's human, financial, and physical assets.

Contributing to the City's Strategic Priority of *Quality of Life*, Risk Management Department is primarily responsible for ensuring all City assets are adequately insured, oversees first and third party claims management, implements comprehensive programs targeted at reducing accidents, and complying with State and Federal occupational health and safety laws. The Department is also responsible for managing voluntary and involuntary group benefits products with an overall focus on the well-being of employees and their families.

The Department of Risk Management works closely with all operating departments, employees, third party administrators, and the public in the effort to manage financial risk and liability.

Risk Management

Departmental Function/Unit	FY 2022-23	FY 2023-24	FY 2024-25
OFFICE OF THE DIRECTOR Recommends and implements effective risk management practices; implements a systematic process for continuously identifying, analyzing, and managing actual and potential losses; collaborates with all City's departments to minimize adverse financial losses and promote a safe environment.	3	3	3
GROUP BENEFITS Manages and coordinates all functions related to the provision and administration of the City's self-insured and fully insured group benefits programs; provides technical support; orients, educates, and assists employees with enrollment of benefits; processes claims; notifies and assists former employees in regard to their qualification for continued benefits under the Consolidated Omnibus Budget Reconciliation Act (COBRA).	4	4	4
RISK AND SAFETY MANAGEMENT Manages and coordinates all functions related to risk, claims, and safety management; ensures the effective identification, analysis, control, and financing of all major risks; structures and procures risk financing and risk transfer mechanisms through self-insured, commercially-insured programs, and contractual risk transfers; processes required regulatory filings for establishing and maintaining self-insured programs; manages the claims adjudication process; implements safety management; assists with ensuring the City is compliant and responsive to federal requirements involving the Americans with Disabilities Act (ADA), the Health Insurance Portability and Accountability Act (HIPAA), and the Affordable Care Act (ACA).	17	18	18

Budget Highlights for FY 2024-25

The Budget includes the following reduction:

The Professional Services Line item reflects a decrease due to funding for the COVID-19 mental health assessment resulting in a decrease in fund balance for the COVID-19 Mental Health and Wellness Program Special Revenue Fund (SR \$188,000).

The Budget includes the following addition:

The Professional Services Line item reflects an increase due to funding for the health plan and property and casualty insurance renewals, including expert consultant support (GF \$381,000).

The Budget includes the following additional considerations:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$104,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$75,000).

Risk Management

Accomplishments FY 2023-24

Successfully achieved an average of loss work days below the target of fourteen days for workers compensation claims.

Achieved a motor vehicle incident rate below two at a rate of one.

Maintained the liability claims closure rate above one.

Conducted safety inspections and follow-ups to ensure corrective actions are taken.

Increased the availability of Employee Assistance Program (EAP) sessions per month and re-organized fitness schedules to allow for an increase in employee participation.

Strategies FY 2024-25

Continue to obtain an average of 14 days for average loss work-days on workers' compensation claims.

Continue to obtain motor vehicle incident rate at or less than one.

Continue to maintain liability claims closure rate above one.

Continue to provide opportunities for improving employee wellness and work-life quality.

Non-Departmental Accounts

Description

Non-Departmental Accounts (NDAs) provide the fiscal resources necessary for governmental operations that are multi-departmental or do not fall under a specific department. Expenditures in this account include items such as contingency reserves, outside legal services, lobbying services, and aids to private and governmental agencies.

Budget Highlights for FY 2024-25

The Budget includes the following additional consideration:

The increase in Regular Salaries and Wages is due in part to the contract between the City of Miami and the Miami General Employees, American Federation of State, County, and Municipal Employees collective bargaining unit (AFSCME Local 1907) reflecting normal step increases (generally five percent), and a six percent across the board increase (GF \$14,000); and an average of five percent salary increase and a six percent across the board increase for all non-bargaining employees as aligned with the increases in the contract with AFSCME Local 1907 (GF \$13,000).

Pension and Retirement Plans Overview

The City of Miami sponsors three separate single-employer defined benefit pension plans under the administration and management of separate Boards of Trustees: The City of Miami Firefighters' and Police Officers' Retirement Trust (FIPO), the City of Miami General Employees' and Sanitation Employees' Retirement Trust (GESE), and the City of Miami Elected Officers' Retirement Trust (EORT). Additionally, the City sponsors a defined contribution plan administered by Mission Square formerly known as International City/County Management Association (ICMA). The City's FY 2024-25 Budget for each pension plan is based on its current year contribution requirements as determined by the most recent actuarial valuation. Most of the City's contribution is made from the General Fund, with a portion coming from the Special Revenue funds.

In compliance with the Governmental Accounting Standard Board (GASB), Generally Accepted Accounting Principles (GAAP), and recommendations by the outside auditors, the City's Pension cost is budgeted in each department. The FY 2024-25 Budget for Pension payments is \$188.030 million. This represents an increase of \$9.307 million or 5.2 percent as compared to the FY 2023-24 Budget.

The following is a summary of the contribution requirement for each retirement plan in FY 2024-25:

Firefighters' and Police Officers' Retirement Trust (FIPO)

The FIPO pension plan is a single-employer defined benefit plan established by the City pursuant to the provisions and requirements of Chapter 40 of the City of Miami code, as amended, and related law such as the Amended Final Judgement in the matter of Gates v. City of Miami. Contributing participants are the City of Miami police officers and firefighters with full-time status in the City. As of October 1, 2023, membership in the FIPO Pension Plan consisted of 2,287 retirees and beneficiaries receiving benefits, and 1,855 active contributing members. The City of Miami is required to contribute annual amounts necessary to maintain the actuarial soundness of the plan and to provide FIPO with assets sufficient to meet the benefits to be paid to participants. Police officer members of the FIPO pension plan hired after October 1, 2012, are required to contribute ten percent of their salary on a bi-weekly basis. Police Officers hired prior to October 1, 2012, are required to contribute seven percent of their salary on a bi-weekly basis. Firefighter members of the FIPO pension plan are required to contribute ten percent of their salary on a bi-weekly basis.

Contributions to FIPO are authorized pursuant to the City of Miami Code Sections 40.196 (a) and (b). Contributions to the FIPO Cost of Living Adjustment are authorized pursuant to Section 40.204 of the City of Miami Code. The yield on investments made by the FIPO Board is intended to reduce annual cash contributions that would otherwise be provided by the City. The current actuarially expected rate of return is seven percent. The City's contribution to FIPO provides for non-investment, amortization of unfunded liability, expenses, and normal costs.

The City's FY 2024-25 required contribution based on the actuarial valuation report dated October 1, 2023, is \$119.077 million, which includes an additional \$2.040 million of administrative cost. This represents an approximately 5.738 percent increase over the FY 2023-24 Budget. The primary reason for this increase is due to poor market returns as the market asset tends to be the primary influencer of volatility and future expenses in the pension plan. Consequently, the investment performance of this asset has a direct impact on the final cost of the plan.

Pension and Retirement Plans Overview

Additionally, the City is required to contribute \$8.433 million for the Cost of Living Adjustment.

General Employees' and Sanitation Employees' Retirement Trust (GESE)

The Board of Trustees of the City of Miami GESE Retirement Trust administers four defined benefit pension plans: (1) GESE Retirement Trust ("GESE Trust"), (2) an Excess Benefit Plan, and (3) GESE Retirement Trust Staff Pension ("Staff Trust") and (4) a Staff Excess Benefit Plan. Each plan's assets may be used only for payment of benefits to the members of that plan in accordance with the terms of that plan.

GESE Trust

The GESE Trust is a single-employer defined benefit plan established pursuant to the City of Miami Ordinance No. 10002, as amended and subsequently revised under the City of Miami Ordinance No. 12111. The GESE Trust covers all regular and permanent employees other than firefighters, police officers, and those eligible to decline membership as defined by the Ordinance. As of October 1, 2023, membership in the GESE Trust was 1,967 retirees, disabled, vested, and beneficiaries currently receiving benefits and 2,176 current and inactive members. The City is required to contribute an actuarially determined amount that, when combined with the participant contributions, will fully provide benefits as they become payable. Members of the GESE Trust are required to contribute ten percent of their salary on a bi-weekly basis.

Contributions to the GESE Trust are authorized pursuant to the City of Miami Code Section 40-241 (a) and (b). The yield on investments made by the GESE Trust is intended to reduce annual cash contributions that would otherwise be provided by the City. The City's contribution to the GESE Trust provides for non-investment expenses, amortization of unfunded liability, expenses, and normal costs.

The City's FY 2024-25 required contribution based on the actuarial valuation report dated October 1, 2023, is expected to be \$54.857 million, which includes \$8.211 million of normal cost. The administration cost for GESE is \$3.248 million.

Excess Benefit Plans

The City of Miami Commission, in July 2000, pursuant to applicable Internal Revenue Code provisions, established a qualified governmental excess benefit plan to continue to cover the difference between the allowable pension to be paid and the amount of the defined benefit, so the benefits for eligible members are not diminished by changes in the Internal Revenue Code. Plan members are not required to contribute to this plan.

GESE Administrative Cost for Excess

The City's FY 2024-25 required contribution based on the actuarial valuation report dated October 1, 2023, is estimated at \$114,000.

Pension and Retirement Plans Overview

GESE Excess Benefit Plan

The City's FY 2024-25 required contribution based on the actuarial valuation report dated October 1, 2023, is estimated at \$84,000. This contribution is separate from the accounts established to receive the City's normal pension contributions for the GESE Trust.

GESE Staff Trust

The GESE Staff Trust is a single-employer defined benefit plan. The Staff Trust was established by the rule-making authority of the GESE Retirement Trust, pursuant to Chapter 40 of the Miami City Code. It covers all full-time administrative employees and other positions, as approved by the GESE Board of Trustees. Participation in the Staff Trust is mandatory for all full-time employees, other than those eligible to decline membership, as defined by the Plan document.

As of October 1, 2023, membership in the Staff Trust included seven retirees currently receiving benefits, and eight active members. The City is required to contribute an actuarially determined amount that, when combined with participant contributions, will fully provide benefits as they become payable. Members of the Staff Trust are required to contribute ten percent of their salary on a bi-weekly basis.

Staff Excess Benefit Plan

The City of Miami Commission, in July 2000, pursuant to applicable Internal Revenue Code provisions, established a qualified governmental excess benefit plan to continue to cover the difference between the allowable pension to be paid and the amount of the defined benefit so the benefits for eligible members are not diminished by changes in the Internal Revenue Code. Plan members are not required to contribute to this plan.

The City's FY 2024-25 contribution determined through actuarial valuation is \$366,000 for the Staff Pension Staff Plan, and \$23,000 is the Staff Excess Benefit Plan. The total actuarial determined contribution for these two plans is \$389,000 which is included in GESE's administrative cost.

Elected Officers' Retirement Trust (EORT)

The EORT, administered by the Finance Director, is a single-employer defined benefit pension plan under the administration and management of the Board of Trustees and the City of Miami Elected Officers' Retirement Trust (EORT). The EORT plan is available to the City of Miami elected officials with seven years of total service as an elected official of the City. The required service does not have to be continuous. This plan does not require members to contribute.

EORT was established by the City of Miami Commission, in July 2000, pursuant to applicable Internal Revenue Code provisions. On October 22, 2010, the Commission adopted Ordinance 13111 to limit the

Pension and Retirement Plans Overview

eligibility of future elected officers and including a termination provision for existing trust.

As of the January 1, 2021 actuarial valuation, membership in the EORT consisted of seven retirees, one active participants not receiving benefits with accrued benefits, and one vested participants with deferred benefit payable at age 55.

The City's FY 2024-25 contribution determined through actuarial valuation is \$638,000 plus an additional \$950,000 to provide benefits under the City of Miami Elected Officers' Retirement Trust (EORT) to current and future elected officers, in accordance with a proposed amendment. Participation in the EORT was frozen in 2009. The Elected Officers' Retirement Trust is budgeted in the Non-Departmental Account.

Contributory Section 401(a) Plan

Section 401(a) Plan is a defined contribution plan offered to executive-level City employees. This defined contribution plan covers governmental employees throughout the United States and is governed by the Board of Directors responsible for carrying out the overall management of the organization, including investment administration and regulatory compliance.

Membership for City employees is limited by the City Code to specific members in the City Clerk, City Manager, and City Attorney's Offices, as well as Department Directors, Assistant Directors, and other executives. To participate in the plan, a written trust agreement must be executed, which generally requires the City to contribute ten percent of the individual's earnable compensation, and the employees to contribute ten percent of their salary. Additionally, the 401(a) plan is optional for City elected officials that are not eligible under EORT.

On May 22, 2024, there were approximately 35 members in the ICMA 401(a) plan. Based on this membership, the City's FY 2024-25 contributions are anticipated at \$580,000.

2024	94,135,310,116	7.3900	11.5%	2.1%	9.4%

Note: Property in the City of Miami is reassessed each year. State law requires the County Property Appraiser to appraise property at 100% of market value. The Florida Constitution, amended 1/1/95, limited annual increases in assessed value of homestead property to 3% per year or the amount of the Consumer Price Index, whichever is lower. This increase is not automatic since no assessed value shall exceed market value.

APPENDIX B: FIVE-YEAR FINANCIAL FORECAST

- General Fund Forecast
- Special Revenue Funds Forecast
 - Debt Service Funds Forecast
 - Internal Service Fund Forecast

Page left intentionally blank

General Fund Forecast

Overview

Planning for the future is critical to the effective management of any organization. As such, the City of Miami utilizes a five-year financial forecast to assist with the strategic decision-making process and to identify and prepare for future challenges. A dynamic planning model is used to develop the baseline financial forecast. Revenue forecasts are developed based on historical trends, current revenue policy, assumptions on future economic impacts, and known future occurrences. Similarly, expenditure forecasts are developed based on historical trends, current service levels, existing commitments, and other known future obligations. The projected surpluses or deficits are the combined result of these revenue and expenditure forecasts. The outcome of this forecasting exercise serves to guide decision-making in the interest of long-term financial stability.

Economic Assumptions

The financial resources available to the City in the coming years will be impacted by the local and regional economy. The following economic assumptions are factored into the development of the five-year financial forecast:

Population

The most recent available data from the U.S. Census Bureau data indicates that Miami’s population in 2023 was 455,924. Based on this data and historical trends, the five-year forecast assumes continued growth in the City’s resident population and revenue base.

Property Values

Property tax revenue comprises the largest source of revenue for the City, accounting for 50.78 percent of total General Fund revenues. As such, assumptions on the future growth or decline in the property tax base largely drive the five-year revenue forecast. The city has seen taxable assessed values grow 6.9 percent in 2020, 4.5 percent in 2021, 12 percent in 2022, and 14.5 percent in 2023. However, taxable assessed values only grew by 11.5 percent in 2024.

The five-year forecast assumes that the growth in taxable assessed value (TAV) will increase by nine percent in tax year 2025, seven percent in tax year 2026, and increase by five percent annually through the remainder of the forecast.

General Fund Forecast

	Projected									
Tax Year	2020	2021	2022	2023	2024	2025	2026	2027	2028	2029
TAV (Billions)	\$63.01	\$65.84	\$73.75	\$84.45	\$94.16	\$102.64	\$109.82	\$115.31	\$121.08	\$127.13
% Change	6.9%	4.5%	12.0%	14.5%	11.5%	9.0%	7.0%	5.0%	5.0%	5.0%

Inflation

Data from the U.S. Bureau of Labor Statistics indicates that since 2013, the Consumer Price Index (CPI) has grown more rapidly in the Miami-Fort Lauderdale-West Palm Beach area than the average rate of growth for the rest of the country. The Miami metro area Consumer Price Index saw prices in the Miami-Fort Lauderdale area increase each year since 2013.

Unemployment

Based on the most recent available data from the U.S. Bureau of Labor Statistics, the nationwide unemployment rate declined from a high of 7 percent in 2013 to 4 percent at the end of 2023. Similarly, the unemployment rate in the City of Miami declined from a high of 8 percent in 2013 to 2 percent at the end of 2023. While revenue forecasts are not based on unemployment directly, assumed growth or decline in employment and local economic activity is considered when developing growth rates for economically sensitive revenues.

General Fund Forecast

General Fund Five-Year Forecast Summary

The Five-Year Financial Forecast projects that revenues will only grow slightly higher than expenditures. Overall, General Fund revenues are projected to grow by 14.1 percent over the next five years and General Fund expenditures are projected to grow by 13.8 percent over the same period.

Employee salaries and wages represent the largest General Fund expenditure category. The baseline assumption used in the five-year forecast is that the cost of salaries and wages Citywide will grow from FY 2024-25 to FY 2028-29 as normal step progression is included for all collective bargaining units and similar salary increases for non-bargaining employees.

General Fund Five-Year Forecast Summary

General Fund Forecast

Major Revenue Assumptions

Between FY 2024-25 and FY 2028-29, General Fund revenues are forecasted to grow by 14.1 percent. The largest components of General Fund revenues are Property Taxes (50.5 percent of FY 2024-25 General Fund revenues), Franchise Fees and Other Taxes (13.4 percent), Charges for Services (12.1 percent), Licenses and Permits (8.7 percent), and Intergovernmental Revenues (9.2 percent). Interest, Fines and Forfeitures, Other Revenues, and Transfers-In comprise the remaining 6.1 percent.

Property Taxes

The FY 2024-25 Budget for General Fund property tax revenue is \$589.253 million. This budget is based on an assessed valuation of \$94.135 billion and a General Fund operating millage rate of 7.1364. The millage rate is assumed to remain flat over the five-year period. Taxable property values are projected to increase by nine percent in FY 2025-26, seven percent in FY 2026-27, and by five percent annually through the remainder of the forecast.

Franchise Fees and Other Taxes

The FY 2024-25 Budget for Franchise Fees and Other Taxes is \$156.298 million. This category includes revenue from franchise fees charged to electricity, gas, and other utility service providers for the right to construct, maintain, and operate facilities within the City of Miami. This category also includes revenue from the Public Service Tax (PST) and the Local Option Gas Tax (LOGT). All revenues in this category are projected to grow by two percent annually through the forecast.

Interest

The FY 2024-25 Budget for Interest is \$17.363 million. This category includes interest earnings on investments. The five-year forecast assumes that the City's interest earnings will decline by ten percent annually through the entire forecast.

Transfers-In

The FY 2024-25 Budget for Transfers-In is \$7.457 million. This category includes revenues transferred into the General Fund from other City funds. This category includes a one-time contribution of \$1.8 million from the Pension Stabilization Fund in Special Revenue and a payment from the Midtown CRA in the amount of \$4.807 million to remit excess funds from the 2004A and 2014A bond proceeds back to the City.

Fines and Forfeitures

The FY 2024-25 Budget for Fines and Forfeitures is \$7.379 million. This category includes revenues derived from penalties for violation of statutory offenses and administrative rules. This category also includes revenue generated through court fees and confiscated property. Revenues in this category are projected to decline five percent annually in FY 2025-26 and through the remainder of the forecast.

Intergovernmental Revenues

The FY 2024-25 Budget for Intergovernmental Revenues is \$107.933 million. This category includes revenues from the State of Florida, such as the Half-Cent Sales Tax, and revenues from other local units, such as the Miami Parking Authority and the Village of Key Biscayne. Intergovernmental revenues are

General Fund Forecast

projected to remain flat through FY 2028-29 with notable exceptions. State Shared Revenues and Municipal Revenue Sharing are projected to grow by three percent in FY 2025-26 and through the remainder of the forecast. The Half Cent Sales Tax is projected to grow by two percent in FY 2025-26 and through the remainder of the forecast. The State Pension Payments are projected to increase by five percent through FY 2028-29.

Licenses and Permits

The FY 2024-25 Budget for Licenses and Permits is \$101.281 million. This category includes revenue from building permits, mural permits, occupational licenses, and other licenses and permits. In recent years, the city has seen an increase in building permits associated with growth in development activity. The five-year forecast assumes that revenues will grow by three percent annually in FY 2024-25 and through the remainder of the forecast.

Other Revenues

The FY 2024-25 Budget for Other Revenues is \$38.695 million. This category includes revenues from miscellaneous sources not included in any of the other categories. Examples include revenue from the sale of confiscated items, miscellaneous reimbursements, providing police service at special events, etc. The FY 2024-25 Budget for this category includes one-time allocations of prior-year fund balance from the General Fund (\$21.235 million) and from the Building Fund (\$11.300 million). No growth is assumed for this category through FY 2028-29.

Charges for Services

The FY 2024-25 Budget for Charges for Services is \$141.142 million. This category comprises revenue derived from various City fees. The major revenues in this category include Parking Surcharge revenue, Rents and Royalties (primarily in the Department of Real Estate and Asset Management), revenue from casinos, Emergency Services fees, Solid Waste revenue, Charges for Police Services, and other miscellaneous charges. All Charges for Service revenues are projected to increase by two percent annually except for Building Inspections. Building Inspections are expected to grow by three percent annually through the five-year period.

General Fund Forecast

Major Expenditure Assumptions

General Fund expenditures are projected to grow by 13.8 percent between FY 2024-25 and FY 2028-29. Personnel costs are the largest drivers of General Fund spending, comprising 72.4 percent of all FY 2024-25 General Fund expenditures. Personnel costs include salaries and wages, employee benefits, health benefits, pension costs, and worker's compensation. The remaining 27.6 percent is comprised of Operating Expenditures (19.3 percent), Transfers-Out (6.5 percent), Capital Outlay (0.2 percent), and other Non-Operating Expenses (1.6 percent).

Salaries and Wages

Employee salaries and wages represent the largest General Fund expenditure category. The baseline assumption used in the five-year forecast is that the cost of salaries and wages Citywide will grow by five percent annually through FY 2028-29 as normal step progression is assumed for each bargaining unit and similar salary increases are assumed for non-bargaining employees.

Employee Benefits

While employee wages comprise the largest portion of General Fund spending, employee benefits are another primary driver of expenditure growth.

Health Benefits

The cost of employee life and health insurance declined by 2.8 percent between the FY 2023-24 and FY 2024-25 Budgets. This category is projected to grow by six percent annually through the remainder of the forecast.

Workers' Compensation

Workers' compensation costs grew by 11.8 percent between the FY 2023-24 and FY 2024-25 Budgets. These costs are projected to grow by an additional 2.9 percent annually based on estimates developed by the City's casualty actuary.

Pension Costs

Pension costs grew by 5.2 percent between the FY 2023-24 and FY 2024-25 Budgets. The additional growth in the cost of the City's retirement plans is forecasted at five percent annually through the forecast.

Operating Expenses

Operating expenses such as professional services, utility costs, and materials and supplies, are projected to grow by two percent. Notable exceptions in this category include Utility Services - Electricity and Motor Fuel: they are projected to grow at five percent and three percent respectively through the forecast.

General Fund Forecast

Capital Outlay

General Fund capital outlay costs inside the operating budget, not associated with Transfers to Capital, include costs for machinery, equipment, and capital leases are projected to remain constant over the five-year period. A notable exception is Machinery and Equipment as it is projected to grow by two percent annually through the forecast.

Non-Operating Expense

The Non-Operating Expense category is comprised of budgeted reserves, aid to private organizations, and transfers out of the General Fund. This category is forecasted to remain flat at two percent through FY 2028-29. The FY 2024-25 Budget includes several reserves: a \$8.441 million budget reserve for uncollectable revenues, a \$200,000 City Manager's Reserve, a \$200,000 budget reserve for the Police FIND Grant, a \$200,000 reserve for Fire Rescue Grant Reimbursements and a \$5.000 million Contingency Reserve per the City's Financial Integrity Principles to fund unanticipated budget issues

Key Long-Term Considerations

Collective Bargaining

The five-year forecast includes normal step progression for all collective bargaining units. The forecast also considers the projected fiscal impacts of the labor agreements recently adopted by the City Commission. On April 25, 2024, the City Commission ratified three-year collective bargaining agreements with AFSCME 1907 and the Fraternal Order of Police (FOP). The timeframe of the new contracts is from October 1, 2023, to September 30, 2026. On May 23, 2024, the City Commission ratified a three-year collective bargaining agreement with AFSCME 871 to last from October 1, 2023, to September 30, 2026. On June 18, 2024, the City Commission ratified a three-year collective bargaining agreement with the International Association of Fire Fighters (IAFF) to last from October 1, 2023, to September 30, 2026.

Minimum Wage Increase

The five-year forecast incorporates funding for the impacts of increasing the City's minimum wage to \$15.00 per hour for all employees. The city will continue to monitor the impacts of this policy decision on personnel costs and the resulting effects of salary compression on existing employee wages.

Trolley Program

The FY 2024-25 Budget for the City's Trolley Program (Transportation and Transit Special Revenue Fund) does not include a new contribution of Charter County Transportation System Sales Surtax funds from Miami-Dade County. Pursuant to the Citizens' Independent Transportation Trust (CITT) Resolution No. 22-006, the County began withholding half cent sales tax funds from the city in April 2022.

As of October 2024, the County has withheld approximately \$72.454 million of funding from the City. The FY 2024-25 Budget anticipates the return of \$23.710 million in funding from the county. In a memorandum dated September 19, 2024, the Executive Director of the CITT recommended to the Chairperson and members of the CITT that they discontinue the withholding of surtax funds from the City of Miami and release all previously withheld funds. The outcome of on-going discussions between

General Fund Forecast

the City and the County regarding whether surtax funding will be restored will have a significant impact on the city's future personnel and operating expenditures.

Capital Operating Impacts

Although the City's capital budget is distinct from its operating budget, there is an inter-relationship that exists as projects funded and completed through the capital budget may directly affect the operating budget and result in increases or decreases in costs to the General Fund. Many projects involve the purchase or reconstruction of existing infrastructure to upgrade facilities and equipment to modern standards and, as such, do not carry significant operating impacts. In fact, some capital projects that the city is funding and completing to become more resilient and sustainable could result in some savings to the General Fund over the long term. However, some of these projects will require additional operating expenditures for utilities such as water and electricity, or for landscape and lighting maintenance that exceed current consumption levels. New projects, such as park recreation centers and fire stations, often require the hiring of new personnel, purchase of new furniture and equipment, as well as routine maintenance and payment of increased utility bills. Each City department works with the Office of Management and Budget to determine the operating impacts of proposed capital projects.

Future costs associated with the operation and maintenance of capital assets are estimated and included in the City's capital and operating budgets. An example of a few projects that will have operating budget impacts in the current year and in future years is shown below. Policy decisions on which capital projects to fund and prioritize will have an impact on the current forecast and result in a different outcome.

Project Name	Non-Recurring Capital Cost	5-Year Estimated Annual Operating Impacts				
		FY 2024-25	FY 2025-26	FY 2026-27	FY 2027-28	FY 2028-29
City Department Buildout at Marlins Garage (Citywide)	2,163,000	108,000	110,000	112,000	114,000	116,000
Coconut Grove Business Improvement District - Street Improvements (District 2)	6,759,000	338,000	352,000	366,000	381,000	396,000
NW 24 Avenue Roadway Improvement Project (District 1)	1,759,000	88,000	90,000	92,000	94,000	96,000
NW 33rd Street Roadway Improvement Project - (District 1)	4,870,000	244,000	254,000	264,000	275,000	286,000
Grand Total	15,551,000	778,000	806,000	834,000	864,000	894,000

Changes to Service Levels

Policy decisions on future changes in service levels have the potential to impact forecasted personnel costs as well as operating expenditures.

Special Revenue Funds Forecast

Special Revenue Funds:

These funds receive support from various sources, mainly in the form of grants and other aids and are restricted to expenditures for particular purposes. Below is the summary data of each Special Revenue Fund, as well as the outlook for the next five years.

Funds Name and Numbers	FY 2023-24 Budget	FY 2024-25 Budget	FY 2025-26 Forecast	FY 2026-27 Forecast	FY 2027-28 Forecast	FY 2028-29 Forecast
American Rescue Plan Act. - Fund 97100	\$80,000,000	\$48,000,000	\$0	\$0	\$0	\$0

The following pages are the descriptions for each Special Revenue Fund, as well as the five-year financial forecast. It includes assumptions for the five-year outlook for each fund.

Special Revenue Funds Forecast

American Rescue Plan Act. - Fund 97100

The American Rescue Plan Act fund's purpose is to receive the emergency funding from U.S. Treasury Department allocated to local government to continue to support the public health response and lay the foundation for a strong and equitable economic recovery, to address the revenue losses experienced as a result of the crisis, and to invest in infrastructure, including water, sewer, and broadband services.

The FY 2022-23 reflects the fund allocated to the City of Miami by U.S. Treasury Department. Funds are expected to be fully spent in FY 2024-25.

Special Revenue Funds Forecast

Bayfront/Riverfront Land Acquisition Rouse Trust - Fund 15100

The Bayfront/Riverfront Land Acquisition Rouse Trust Fund is used for the acquisition of real property, adjacent to the Miami River and Biscayne Bay, in order to provide public access and public enjoyment of those waterbodies.

The five-year forecast assumes a stable pattern of revenue increases that are derived from a portion of rents received by the City pursuant to the retail parcel lease from Bayside Center.

Special Revenue Funds Forecast

City Clerk Services - Fund 13500

The City Clerk Services Special Revenue Fund consist of revenues from Lobbyist Registration Fees and Passport Acceptance Fees that are used to operate the Passport Acceptance Facility and fund various City Clerk-related programs. The Fund also includes contributions from the Southeast Overtown Park West and Omni Community Redevelopment Agencies to fund services provided by the Clerk to both agencies.

The five-year forecast assumes the annual Community Redevelopment Agency (CRA) contributions for the funding of one Legislative Service Representative I (LSR I) position remains consistent during the period. The forecast assumes small increases in revenues for both the Lobbyist Registration Fees and the U.S. Passport Acceptance Program through the five-year period. The Fund Balance for the Lobbyist Registration Fees will increase as revenue collections are projected to exceed expenditures during the five-year period. The Fund Balance for the U.S. Passport Acceptance Program is projected to decrease as expenditures are projected to exceed revenues during the same period.

Special Revenue Funds Forecast

Community Development - Funds 14001 to 14018

The Community Development Fund accounts for the proceeds from local, state, and federal agencies, which aid in the development of a viable urban community in the City of Miami.

The five-year forecast assumes a sizable depletion of prior year grant balances with stable funding from federal and local grantors.

Special Revenue Funds Forecast

Department Improvement Initiative - Funds 15500 to 15503

The Department Improvement Initiative Fund accounts for the activity designated for City of Miami initiatives related to quality of life and technology.

The five-year forecast assumes a constant annual General Fund contribution for the Citywide Anti-Poverty Initiative Program and for Festival and Events. Additionally, zero prior year carryovers are projected for the Department of Real Estate and Asset Management, as well as for the Offices of the Elected Officials. Furthermore, a steady pattern of revenues related to the Unsafe Structure program is forecasted.

Special Revenue Funds Forecast

Emergency Services - Fund 80000-80003

To account for grants and Federal Emergency Management Agency reimbursements related to disasters. Additionally, this fund accounts for non-disaster related reimbursable expenditures.

The five-year forecast assumes a steady allocation of fund balance to cover possible deployments by Fire-Rescue personnel to disaster areas. For FY 2023-24, a \$3.2 million fund balance from prior year carryover was transferred to General Fund to cover citywide department's need.

Special Revenue Funds Forecast

Fire-Rescue Services - Funds 11000 and 11100

The Fire-Rescue Special Revenue Fund is restricted to expenditures that supplement the City’s Fire-Rescue operations. This fund accounts for grants and programs from local, state, and federal agencies.

The forecast assumes that the Fire Rescue Services fund will continue to receive donations and grants at a consistent level for the five-year period. Grants based on donations are projected to be received and spent at a steady pace throughout the period. While Federal, State and County grants such as the Emergency Medical Services (EMS) County grant, the Assistance to Firefighters (AFG) grant, the Federal Emergency Management Agency – Urban Search and Rescue (FEMA/UASR) grant, and the State Homeland Security Grant Program are projected to be spent down within two to three year after being awarded. While larger grants such as the Securing the Cities (STS) and the Urban Area Security Initiative (UASI) grants are projected to be spent down at a slower pace over a three to four year period due to regulatory changes and supply chain delays.

Special Revenue Funds Forecast

General Special Revenues - Fund 10090

The General Special Revenue Fund is used for activities that do not fall into a specific special revenue category.

The five-year forecast assumes the existing fund balance of non-recurring programs will be used in FY 2024-25. The remainder of the forecast shows a slight increase in succeeding years to reflect expected revenues from advertising on City trolley vehicles and Trip Generation and Traffic Studies, a new modified program added in FY 2023-24 and administered by Resilience and Public Works, Transportation.

Special Revenue Funds Forecast

Historic Preservation Trust Fund - Fund 10430

The Historic Preservation Trust Fund was established per Chapter 62, Article XVIII of the City of Miami Code to fund improvements to qualifying homes in T3 transect and historically designated resources. This includes allocating funds towards improving eligible homes and the funding of administrative and staffing costs. New program revenue into the trust fund includes monies collected pursuant to chapter 62, article XVI, Art in public places, and chapter 23, Historic preservation.

The Fiscal 2024-25 fund balance reflects an increase of \$336,000 compared to Fiscal Year 2023-24. This is due to two main factors: trust fund payments and a ten percent distribution received pursuant to Chapter 62, Article XVI (Art in Public Places). The five-year outlook anticipates a decrease of approximately 6.5 percent. This decrease is expected because funds will be allocated towards administrative costs, including staff hiring.

Special Revenue Funds Forecast

Homeless Programs - Fund 14800

The Homeless Programs Special Revenue Fund is used for activities of the City of Miami Homeless Programs, a division of the Department of Human Services.

The five-year forecast assumes steady companion funding from a vast array of recurrent grant sources.

Special Revenue Funds Forecast

Human Services - Fund 14801

The Human Services Special Revenue Fund is a fund that will be used to account for the Child Daycare program activities and the Live Healthy Little Havana program activities in the Department of Human Services.

The five-year forecast assumes a depletion of prior year grant funding in FY 2023-24 with steady funding from several grant sources over the five-year period.

Special Revenue Funds Forecast

Law Enforcement Trust Fund - Fund 12500

The Law Enforcement Trust Fund's purpose is to account for confiscated monies awarded to the City for law enforcement related expenditures, as stipulated by state and federal statutes.

The FY 2024-25 budget reflects the rollover of prior year fund balance. The five-year forecast assumes a sizable reduction of fund balance over the five-year period.

Special Revenue Funds Forecast

Miami Ballpark Parking Facilities - Fund 15400

To account for the operations of the Miami Ballpark Parking Facilities.

The five-year forecast assumes small increases in revenue from stadium parking operations. An initial large increase in expenditures at the beginning of the period due to structural restoration of the parking garages then decreasing for the remainder of the period.

Special Revenue Funds Forecast

Parks and Recreation Services - Fund 11550

The Parks and Recreation Services Special Revenue Fund is used for parks and recreation activities. This fund accounts for grants from local, state, and federal agencies that are used for these activities.

The five-year forecast assumes a steady increase in revenues due to grant funding and program revenues. However, it is expected that there will be a gradual decrease of prior year fund balances over the forecast period.

Special Revenue Funds Forecast

Planning Services - Funds 10400, 10401, 10402, and 10450

Planning Service Fund (10400) includes several projects such as Blue Ribbon Task Force, Florida East Coast Corridor Improvement Trust, The Miami Commission on the Status of Women, Impact Fees Administration, Traffic Study Review Fee for M.U.S.P. projects and Public Benefits. The Public Benefits Trust Fund was established in order to collect cash contributions made according to the Miami 21 Code, zoning ordinance of the city, to supplement affordable and workforce housing, public parks and open space, and green building certification shortfalls.

The Downtown Development of Regional Impact (DRI) Fund (10401) and Southeast Overtown Park West (SEOPW) Development of Regional Impact (DRI) Funds (10402), governed by City of Miami Code Chapter 13 and 14, were established as a planning tool by which the regional transportation and environmental impacts of large-scale development in the Downtown and SEOPW areas are mitigated and managed. As private developers applied for permitting of their construction projects in the DRI areas, the City assessed fees to fund infrastructure and capital improvement projects related to master planning, regional transportation, and air quality. Based on the amount and type of development the developer sought to develop, the City provided the developer with an invoice of the fees to be assessed at the time of application for zoning and building permit. Three different types of fees are assessed in Downtown: master plan/recovery, transportation, and administration. Four different types of fees are assessed in Southeast Overtown Park West: master plan/recovery, transportation, air quality, and administration.

The Economic Development Fund (10450) is a separate special account established for the Downtown Miami special vending district. Pursuant to City of Miami Ordinance 11212 Sec. 39-33. franchise fees are collected, and then used for reimbursement of expenditures by the Vending Program.

The Traffic Study Review was established to evaluate independent traffic studies for projects seeking approval in the City of Miami. Originally, the fee for these studies was delineated in Chapter 62 of the City Code under the purview of the Planning Department to ensure compliance with the city's zoning laws. However, pursuant to Ordinance 14139, the fee for traffic studies has been transferred to the Resilience and Public Works Department as of Fiscal Year 2022-23 and governed under Chapter 2.

Special Revenue Funds Forecast

The Planning Services fund balances will remain relatively unchanged (except in the case of the Public Benefits Trust Fund) as these funds do not receive new program revenue. The Public Benefits Trust Fund is expected to have a progressive increase in fund balance over the next fiscal year due to cash contributions made according to the Miami 21 Code. The fund balance of the Traffic Study Review funds under award 2578 is projected to have a progressive reduction as expenditures are directed toward older projects until the funds are depleted.

The DRI (Development of Regional Impact) fund is anticipated to experience a gradual decrease in its fund balance over the upcoming fiscal years, attributable to the allocation of revenues towards financing master plans, transportation, and air quality projects within the designated DRI zones. Notably, the budget for Fiscal Year 2023-24 exceeded the norm due to the increased volume of projects subject to DRI fees, reflecting an increase in new developments following a period of slight deceleration in the preceding year. Furthermore, the adjustment of fee coefficients, which accounts for inflation, was higher in the Southeast Overtown/Park West (SEOPW) area during FY 2023-24 compared to prior years. Additionally, DRI funds are utilized to pay for employees responsible for reviewing permits for new developments within DRI zones and projects supported by DRI funds. These personnel are also tasked with drafting annual reports detailing the development and financial status within the DRI areas. Notably, air quality fees are not collected during Increment III of the Downtown DRI, as stipulated in the revised development order governing Downtown DRI's development.

The Economic Development Fund (10450) is expected to decrease by approximately 1.5 percent each year due to Vendor Program reimbursement to comply with the Vending Program's terms and conditions.

Special Revenue Funds Forecast

Police Services - Funds 12000, 12200, 12210, and 12220

The Police Services Special Revenue Fund is used for public safety activities. Additionally, this fund accounts for grants from local, state, and federal agencies.

The FY 2023-24 and FY 2024-25 budgets reflect the last years of a series of non-recurring grants with a stable pattern of revenues over the remaining periods. COPS FY21 grant program will end in FY 2024-25 and COPS FY20 grant program remains active until FY 2025-26.

Special Revenue Funds Forecast

Public Art Fund - Fund 10420

The Public Art Fund is used for expenses associated with the selection, commissioning, acquisition, transportation, maintenance, repair, restoration, rehabilitation, appraisal, removal, insurance of art, development of education programming, community outreach, or advocacy with an emphasis in the visual and performing arts, grants, and administrative costs for the public art program. The Public Art Funds are distributed throughout various projects and programs. Ten (10) percent of the fees collected annually are allocated towards the historic preservation trust fund under article XVIII. Five (5) percent of the fees collected annually may be allocated towards cultural, education, community outreach, or advocacy purposes and including social practice art, all designed to promote the visual and performing arts such as but not limited to youth-based programming involving the city's arts and entertainment council, public academic institutions, or non-profit organizations. Fifteen (15) percent of the fees collected annually may be allocated towards operating and administrative costs associated with the public art program. Seventy percent (70) of the fees collected annually are allocated towards the commissioning, selection, acquisition, display, maintenance, repair, restoration, rehabilitation, insurance of city-owned art, transportation, installation, removal, appraisal, collection, and exhibition of high-quality art in accordance with the public art master plan and the public art program guidelines. New program revenues into the trust fund, include, but not limited to monies collected pursuant to Ordinance No. 13656, specifically Article 11.7 of the Miami 21 code.

The outlook projects a decrease in fund balance in FY 2024-25 of approximately \$642,000 due to lower-than-expected revenue collection in FY 2023-24. There is a fund balance of approximately \$1.5 million, with an estimated new program revenue of \$250,000 in FY 2024-25. Throughout the five-year forecast, revenues are projected to decrease minimally, with a gradual two percent reduction in fund balance as funds are spent on public art restoration, cultural education, city-owned art, and administrative costs.

Special Revenue Funds Forecast

Public Benefits Trust Fund - NDR2 - Fund 10440

Pursuant to Ordinance No. 13984 of City of Miami Code, the "NRD-2 Public Benefits Trust Fund" ("NRD-2 trust fund") was established in order to collect cash contributions made according to the Wynwood Norte Neighborhood Revitalization District ("NRD-2") as established in Ordinance No. 13114, the Zoning Ordinance of the City of Miami, Florida, as amended ("Miami 21 Code"), to support community reinvestment, including infrastructure to support local businesses providing neighborhood-oriented goods and services; to address climate change adaptation and resiliency; and to maintain and supplement affordable/workforce housing, public parks and open space, and civic space or civil support space within the NRD-2 boundaries. There is also been established an NRD-2 trust fund committee to meet for the primary purpose of recommending allocations of funds received. A minimum of 35 percent of funds in the NRD-2 trust fund is to be allocated towards existing and new housing on an annual basis.

The Public Benefits Trust Fund – NRD2 is expected to increase approximately 25 percent each year due to public benefits contributions and fund allocation towards existing and new housing.

Special Revenue Funds Forecast

Public Works Services - Fund 13000

The Public Works Services Special Revenue Fund is used for special programs managed by the Department of Public Works. The fund primarily consists of Lane Closure revenue collections and grants from local, state, and federal agencies. In particular, this fund contains revenue collection related to the permitting and regulation of wall murals, per an agreement between the City and the Florida Department of Transportation (FDOT).

The FY 2024-25 shows a recovery of the revenue collection from the Lane Closure award to the pre pandemic level of activity. The five-year forecast assumes a steady decrease in available funding primarily due to the addition of new contracts for maintenance and increases in the prices for services.

Special Revenue Funds Forecast

Solid Waste Recycling Trust - Fund 13100

The Solid Waste Recycling Trust Special Revenue Fund is used, as specified by Ordinance No. 10654 which established an Educational Trust Fund from recycling programs, for scholarships to eligible, qualified candidates.

The five-year forecast assumes a steady receipt of the interest earning with a slight variation in expenditure amounts due to the annual scholarship payments to various educational institutions for employees. The fund balance allocated in FY 2022-23 represents the interest earned on the one million dollar principal.

Special Revenue Funds Forecast

Sport Facilities and Activities - Fund 10110

The Sport Facilities and Activities Special Revenue Fund is used to account for all assets and liabilities transferred from the abolished Miami Sport and Exhibition Authority (MESA), as specified by Ordinance No. 13801.

The FY 2023-24 included a remainder of the previous year fund balance that was fully spent in FY 2023-24. This fund is not longer in use.

Special Revenue Funds Forecast

Transportation and Transit - Fund 15600

The Transportation and Transit Fund is used for the operation of City of Miami's transit and transportation projects.

The FY 2023-24 Budget used a contribution from the Transportation Trust Fund and a General Fund Contribution to cover expected operating expenses for the Trolley Program. Miami-Dade County's Citizens Independent Transportation Trust (CITT) has suspended disbursements of the Half-Cent Sales Tax to the City of Miami and the future outlook of the City's trolley program is currently unknown as the trolley program relies heavily on revenue from the County to operate. The forecast assumes that CITT funds were disbursed; otherwise services may stop.

Special Revenue Funds Forecast

Tree Trust Fund - Fund 10410

The Tree Trust Fund's purpose is to oversee and regulate the Trust's payments as specified in Section 8.1.6.6 of the Zoning Ordinance. It assists with the City's compliance of the U.S. Mayors Climate Protection Agreement.

To comply with Section 62-301 of the City of Miami Code, 80 percent of the fund balance is used to pay for capital expenses related to tree replacement, restoration, and enhancement of the tree canopy coverage throughout the city. The funds are transferred to Public Works Capital Project No. 40-B183600. It is projected that there will be an additional collection of \$1.5 million per year over the next five years, which will be offset by a decrease in the available fund balance due to funding requirements for capital projects associated with future activities directly related to tree replacement and restoration throughout the city during each fiscal year.

Debt Service Funds Forecast

DEBT SERVICE FUND

Debt Service Funds are used to account for payments of principal and interest on general obligation bonds, payments of principal and interest on special obligation bonds, and accumulated resources to fund these debt service payments.

The FY 2024-25 Debt Service Fund Budget is \$93.649 million and the projected budget amounts for the FY 2025-26 through FY 2028-29 are as follows:

	FY 2023-24 Budget	FY 2024-25 Budget	FY 2025-26 Forecast	FY 2026-27 Forecast	FY 2027-28 Forecast	FY 2028-29 Forecast

Internal Service Fund Forecast

Internal Service Fund:

The City's Internal Service Fund (ISF) provides a mechanism that allows for allocating costs to the operating departments. These expenses include health care, workers' compensation, insurance premiums, liability claims, as well as specific information technology costs. Additionally, ISF serves as a centralized account for payment of these expenditures. The FY 2024-25 Budget for the ISF is \$139.888 million.

	FY 2023-24 Budget	FY 2024-25 Budget	FY 2025-26 Forecast	FY 2026-27 Forecast	FY 2027-28 Forecast	FY 2028-29 Forecast
Health Insurance	54,454,000	52,905,000	56,079,000	59,444,000	63,011,000	66,792,000

Internal Service Fund Total	112,916,000	139,888,000	145,895,000	152,200,000	158,817,000	165,767,000

The following are the descriptions for each Internal Service Fund item, as well as the five-year financial forecast. It includes assumptions for the five-year outlook for each item.

Internal Service Fund Forecast

Health Insurance

The FY 2024-25 Budget for Health Insurance is \$52.905 million. This represents an approximately 2.8 percent decrease from the FY 2023-24 Budget. This projection incorporates a four percent trend based on actuarial analysis. However, the City is fortunate to see some cost offsets due to a reduction in retiree prescription drug expenses thanks to the implementation of the Employer Group Waiver Plan (EGWP).

A six percent annual growth rate is actuarially projected throughout this forecast based on medical and prescription claims experience.

Internal Service Fund Forecast

Workers' Compensation

The FY 2024-25 Budget for Workers' Compensation is \$25.091 million. This represents an approximately 11.8 percent increase over the FY 2023-24 Budget. This is actuarially projected and budgeted at a 65 percent confidence level. This increase is primarily due to increase in claims frequency.

A 2.9 percent annual growth rate is actuarially projected throughout the forecast based on claims experience (frequency and severity).

Internal Service Fund Forecast

Insurance Premiums

The FY 2024-25 Budget for Insurance Premiums is \$15.923 million. This represents an approximately 15 percent increase over the FY 2023-24 Budget. The increase is primarily due to higher property premiums charged by insurance carriers in the market place.

A six percent increase is projected throughout the forecast based on anticipated market conditions and resulting coverage revisions.

Internal Service Fund Forecast

General Liability

The FY 2024-25 Budget for General Liability is \$27.224 million. This represents an increase of approximately 353 percent over the FY 2023-24 Budget. While police liability claims have decreased, overall budget increases are driven by projected rises in the frequency and severity of Public Official Liability, Vehicle Liability, and General Liability claims. These projections are based on actuarial data with a 75 percent confidence level, a significant improvement from the previous 55 percent confidence level.

A 2.5 percent increase is projected throughout the forecast based on increases in automobile liability claims (frequency and severity), and general liability claims. It's important to note that there is a one-time bulk Incurred But Not Reported (IBNR) claim for \$21.235 million.

Internal Service Fund Forecast

Information and Technology Cost Allocation

The FY 2024-25 Budget for Information Technology Repair and Maintenance is \$18.745 million. This represents an approximately 15.9 percent increase over the FY 2023-24 Budget. The increase is primarily due in part to increases in application and licensing, and funding for new infrastructure platforms.

A six percent annual growth rate is projected throughout the forecast based on estimated growth rate.

MUNICIPAL FINANCIAL HEALTH

An Act Relating to Local Government Financial Reporting

was enacted on May 23, 2019 amending sections 129.03 and 166.241 of the Florida Statutes. It requires county and municipal budget officers to submit certain information to the state Office of Economic and Demographic Research (EDR) within a specified timeframe. It also requires EDR to create a form for certain purposes by specified date.

The Statute also requires the tentative budget to be posted on the municipality's official website at least two days before the budget hearing and remain on the website for 45 days. The final adopted budget must be posted on the website within 30 days after adoption and must remain on the website for at least two years. The City of Miami has already ascribed to this practice for several years.

The specific information to be reported to the EDR, as required in Florida Statue 166.241(4) is listed below and are illustrated in the following pages.

- A. Government spending per resident for the previous five years.
- B. Government debt per resident for the previous five years.
- C. Average municipal employee salary
- D. Median income within the municipality.
- E. Number of special taxing districts, wholly or partially, within the municipality.
- F. Percent of budget spent on salaries and benefits for municipal employees.

City of Miami, Florida
Cost Allocation Methodology

OVERVIEW

The City of Miami's (the City) Cost Allocation Plan identifies the costs of indirect services provided by central service departments of the City based on actual expenditures for fiscal year ending September 30, 2023.

The Cost Allocation Plan is used by the City to claim indirect costs as charges against awards (grants) and City funds. The list of federal/state grants and awards that are charged indirect costs based on the results of this plan are in Schedule F - Indirect Cost Rate Proposal.

The Cost Allocation Plan is a document that distributes, or allocates, City indirect costs. Indirect costs are those costs incurred by City divisions and departments that benefit other City divisions and departments. Examples of City indirect costs are personnel, purchasing, human resources and the Finance Department.

The primary purpose for preparing the Cost Allocation Plan is to (1) identify the appropriate division and department indirect costs and (2) calculate corresponding indirect cost rates if needed.

The significant steps involved in preparing the Cost Allocation Plan include the following:

- Identify the City divisions and departments that provide support to other City divisions and departments. These divisions and departments are referred to as central service or allocating departments.
- Identify the City divisions and departments that receive support from other City divisions and departments. These departments are referred to as grantee or receiving departments.
- Accumulate the allowable actual expenditures of the City divisions and departments that provide support to other City divisions and departments.
- Distribute, or allocate, the allowable expenditures of the City divisions and departments that provide support to other City divisions and departments based on available, meaningful, measurable, and auditable allocation statistics that match the service provided to the service received.

PROCESS

A double step-down allocation methodology is used to allocate the allowable costs of the central service divisions and departments. This methodology recognizes the cross support provided between central service divisions and departments. For example, accounting supports the information systems department by providing payroll, paying vouchers, and preparing a budget. However, the information systems department also supports accounting by providing software and hardware support and by maintaining and administering various applications and systems.

The double-step down methodology requires an initial sequencing of allocating divisions and departments. In the first step of the double-step methodology, allowable costs from central service divisions and departments are allocated in the sequence selected to all City divisions, departments, and funds; including to other central service divisions and departments. The second step in the double-step down methodology is made to fully account for the cross support provided between central service divisions and departments. Central service divisions and departments are closed after the second step in the double-step down allocation methodology.

FORMAT OF THE REPORT

The City's Cost Allocation Plan is organized as follows:

1. Nature and Extent of Services for the Central Service Department
2. Summary schedules
3. Detail schedules

The Nature and Extent of Services is a narrative description of the central service and each function that was identified. Also described are the allocation bases used for each function and other relevant information on expenditures.

The Summary Schedules provide a recap of the results of the cost allocation process as described below:

A table of contents is included at the beginning of the Plan. The allocation of costs has been accomplished in the same order as shown in the Table of Contents. The Table of Contents also permits the ready identification of the following summary data and sections of the Plan:

1. Schedule A - Allocated Costs by Department demonstrates for each Receiving Department the costs received from each Central Service Department. This schedule answers the question:

Which Central Service Department actually allocated the costs to each Receiving Department?
2. Schedule C - Summary of Allocated Costs is the simplest report to use when balancing to the financials. This schedule demonstrates the full sequence of all departments. The Central Service Departments are listed first and in the order of their allocating sequence. This schedule demonstrates the costs to be allocated, the adjustments made to these costs, and the results of the allocations. The Receiving Departments follow the Central Service Departments with the total allocations received from all Central Service Departments.
3. Schedule D - Detail of Allocated Costs provides a view of the allocation flow of costs for each Central Service Department. This schedule allows the reader to see how the process sequentially zeroes out all the Central Service Department costs and allocates them to Receiving Departments.
4. Schedule E - Summary of Allocated Costs demonstrates for each Central Service Department the services or functions of the Central Service Department and the basis for the allocation of each function. This schedule is a convenient reference for reviewing the activities identified for each Central Service Department. This is particularly important when preparing a new plan and incorporating organizational and services changes

5. Schedule F - Indirect Cost Rate Proposal calculates indirect cost rates for selected Receiving Departments. The indirect rate is computed as the total indirect costs allocated to the Receiving Department divided by the total Salary cost of the Receiving Department.

The detail schedules follow the summary schedules in the cost allocation plan. These schedules demonstrate the original costs being allocated by each Central Service Department. The adjustments are applied; the functions are defined; the incoming costs from other Central Service Departments are detailed; the allocation calculations for both step-downs are documented; and the results for each Central Service Department are summarized.

City of Miami Solid Waste Department
Residential Full Cost Disclosure for
Provision of Solid Waste Management Services
October 1, 2022 to September 30, 2023

Type of Service	Full Cost	Households Served	Full Cost Per Household
Collection	\$36,870,480	66,292	\$556
Disposal	\$13,936,584	66,292	\$210
Recycling	\$1,010,981	66,292	\$15
TOTAL	\$51,818,044	66,292	\$782

Notes:

The average waste disposed on a per household basis was determined to be 2.68 tons.

The financial exhibit reflects full costs associated with illegal dumping collection, weekly bulk trash pick-up services, daily street litter container collection, daily street sweeping operations, dead animal collection/disposition, Solid Waste code enforcement, landfill disposal tipping fees, recycling collection, and citywide source reduction and recycling efforts.

The financial exhibit excludes the full cost of the Community Enhancement Team (CET). CET performs Graffiti removal, sign installation, Community Events, and Special Events.

Enactment Number: 14318

AN ORDINANCE OF THE MIAMI CITY COMMISSION RELATED TO TAXATION, DEFINING AND DESIGNATING THE TERRITORIAL LIMITS FOR THE CITY OF MIAMI ("CITY"); LEVYING AN AD VALOREM TAX ON ALL REAL AND PERSONAL PROPERTY IN THE CITY AT A TOTAL FINAL RATE OF 7.3900 MILLS ON THE DOLLAR OF THE TAXABLE VALUE OF SUCH PROPERTY, FOR THE PURPOSES OF FUNDING THE GENERAL OPERATING BUDGET AND PAYMENT OF DEBT SERVICE, FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2024, AND ENDING SEPTEMBER 30, 2025; CONTAINING A SEVERABILITY CLAUSE; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, for the purpose of this Ordinance, the City of Miami ("City") is defined as all of the territory and inhabitants within the area defined in Section 2 of the Charter of the City of the City of Miami, as amended ("Charter"), titled "Corporate Limits," and more specifically described in Exhibit "A" of the Charter, on file in the Office of the City Clerk; and

WHEREAS, Section 200.065, Florida Statutes (2024), sets forth the method of fixing a millage rate; and

WHEREAS, on July 1, 2024, the Miami-Dade County Property Appraiser ("PA"), pursuant to Section 200.065(1), Florida Statutes (2024), certified to the City the preliminary taxable value within its territorial limits, set at \$94,135,310,116; and

WHEREAS, the City prepared a tentative budget for the fiscal year ("Fiscal Year") beginning October 1, 2024, and ending September 30, 2025, and computed a total proposed millage rate of 7.3900 mills which is necessary to fund the tentative budget other than the portion of the budget to be funded from sources other than ad valorem taxes; and

WHEREAS, the Miami City Commission enacted Resolution No. R-24-0284, wherein it directed the City Manager to submit to the PA and Miami-Dade County Tax Collector the total proposed millage rate of 7.3900 mills, together with the required information set forth in Section 200.65(2)(b), Florida Statutes (2024); and

WHEREAS, at the First Budget Hearing held on September 7, 2024, by a unanimous affirmative vote, the City Commission approved the total proposed millage rate of 7.3900 mills; and

WHEREAS, Section 200.065(5)(a)(1), Florida Statutes (2024), requires that the now final millage rate of 7.3900 mills would further require, at the time of the Second Budget Hearing, a two-thirds (2/3rd) vote, or four-fifths (4/5ths) vote, of the members of the City Commission, on the final determination to adopt such millage rate; and

WHEREAS, Section 200.065(2)(c), Florida Statutes (2024), requires the City Commission to hold a second public hearing on the final budget and the proposed final millage rate and such public hearing has occurred earlier today in this meeting;

NOW, THEREFORE, BE IT ORDAINED BY THE COMMISSION OF THE CITY OF MIAMI, FLORIDA:

Section 1. The recitals and findings contained in the Preamble to this Ordinance are adopted by reference and incorporated herein as if fully set forth in this Section.

Section 2. There shall be levied an ad valorem tax on all real and personal property in the City at a total final rate of 7.3900 mills on the dollar of the taxable value of such property for the Fiscal Year commencing October 1, 2024, and ending September 30, 2025, computed as follows for the purpose of:

- 7.1364 mills to fund the General Operating Budget.
- 0.2536 mills to provide for the payment of maturing principal and interest, and charges and requirements related thereto, of voter approved indebtedness.

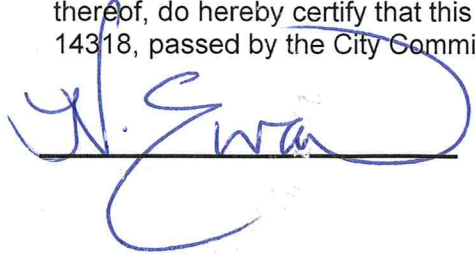

Section 3. The final millage rate herein adopted for the purpose of funding the General Operating Budget is 10.73% greater than the rolled-back rate of 6.4447 mills.

Section 4. If any section, part of a section, paragraph, clause, phrase or word of this Ordinance is declared invalid, the remaining provisions of the Ordinance shall not be affected.

Section 5. This Ordinance shall be effective as of October 1, 2024, after final reading and adoption thereof.¹

DATE:	9/26/2024
RESULT:	ADOPTED
MOVER:	Manolo Reyes, Commissioner
SECONDER:	Damian Pardo, Commissioner
AYES:	Christine King, Joe Carollo, Miguel Angel Gabela, Damian Pardo, Manolo Reyes
DATE:	9/27/2024
ACTION:	Signed by the Mayor

I, Todd B. Hannon, City Clerk of the City of Miami, Florida, and keeper of the records thereof, do hereby certify that this constitutes a true and correct copy of Ordinance No. 14318, passed by the City Commission on 9/26/2024.

September 27, 2024
Date Certified

¹ If the Mayor does not sign this Ordinance, it shall become effective at the end of ten (10) calendar days from the date it was passed and adopted. If the Mayor vetoes this Ordinance, it shall become effective immediately upon override of the veto by the City Commission.

Enactment Number: R-24-0389

A RESOLUTION OF THE MIAMI CITY COMMISSION, WITH ATTACHMENT(S), ADOPTING A FINAL BUDGET AND MAKING APPROPRIATIONS RELATING TO OPERATIONAL AND BUDGETARY REQUIREMENTS FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2024, AND ENDING SEPTEMBER 30, 2025; RATIFYING, APPROVING, AND CONFIRMING CERTAIN NECESSARY ACTIONS OF THE CITY MANAGER AND DESIGNATED CITY OFFICIALS IN ORDER TO UPDATE THE RELEVANT FINANCIAL CONTROLS, PROJECT CLOSE-OUTS, ACCOUNTING ENTRIES, AND COMPUTER SYSTEMS IN CONNECTION THEREWITH AND FOR GRANTS IN PROGRESS; PROVIDING FOR AN EFFECTIVE DATE.

WHEREAS, pursuant to Sections 200.065(2)(a)(4) and (2)(c), Florida Statutes, the City Manager has prepared and submitted to the City Commission a proposed budget of the expenditures and revenues of all City of Miami ("City") Departments, Offices, and Boards for the Fiscal Year beginning October 1, 2024, and ending September 30, 2025 ("Fiscal Year 2024-25"); and

WHEREAS, a copy of the proposed budget has been posted on the City's website and has been on file in the Office of the City Clerk since August 19, 2024; and

WHEREAS, on September 7, 2024, the City held a public hearing as required pursuant to Section 200.065(2)(c), Florida Statutes, and the City Commission adopted the proposed budget as the tentative budget of the City pursuant to Resolution No. R-24-0329; and

WHEREAS, the General Fund Budget for Fiscal Year 2024-25 is \$1,166,801,000 and the total Budget for all non-capital funds is \$1,793,053,000; and

WHEREAS, the City's proposed tentative general operating ad valorem millage rate is 7.1364; and

WHEREAS, the major source of revenue for the General Fund is derived from the category identified as "Property Taxes" in the amount of \$589,253,000; and

WHEREAS, it is in the best interests of the City to authorize the City Manager to make any necessary changes to adjust, amend, and appropriate the City's Operating Budget, Five-Year Financial Plan, Strategic Plan, and Multi-Year Capital Plan, all for the purposes set forth in this Resolution; and

WHEREAS, it is in the best interests of the City to ratify, approve, and confirm certain necessary actions of the City Manager and designated City Departments in order to update the relevant financial controls, project close-outs, accounting entries, and computer systems in connection therewith and for grants in progress; and

WHEREAS, provisions have been duly made by the City Commission for Public Hearings on the proposed budget before the City Commission as a Committee of the Whole and Public Hearings thereon have been held as required pursuant to Section 200.065, Florida Statutes; and

WHEREAS, this Resolution is adopted as amended by incorporating the applicable changes listed in the memorandum including the attachments thereto and signed by the City Manager, attached and incorporated as Exhibit "A" ("Information for Second Budget Hearing – Fiscal Year 2024-25 Tentative Budget");

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF THE CITY OF MIAMI, FLORIDA:

Section 1. The recitals and findings contained in the Preamble to this Resolution are adopted by reference and incorporated as if fully set forth in this Section.

Section 2. The tentative budget, as described herein, is hereby adopted as the final budget of the City as amended to include all of the applicable changes contained in Information for Second Budget Hearing – Fiscal Year 2024-25 Tentative Budget, all of which is incorporated herein.

TOTAL INTERNAL SERVICE FUND	\$	139,889,000

Section 11. This Resolution is a resolution of precedent and all other resolutions in conflict with it are held null and void insofar as they pertain to these appropriations; however, no provision contained in this Resolution shall be construed to violate the Anti-Deficiency Act, as set forth in Sections 18-500 through Sections 18-503 of the City Code. The appropriations are the anticipated expenditure requirements for the City, but are not mandatory should efficient administration of City Departments and Boards or altered economic conditions indicate that a curtailment in certain expenditures is necessary or desirable for the general welfare of the City. The City Manager is specifically authorized¹ to create awards and to transfer funds between accounts and awards, and to withhold any of these appropriated funds from encumbrance or expenditure should such action appear advantageous to the economic and efficient operation of the City. The City Manager is also authorized¹ to transfer any excess unrestricted moneys from other funds to the General Fund provided that those are appropriated moneys which are no longer needed to implement the original purpose of the appropriation, which are legally available at the time of such transfer, and whose expenditure is not limited to use for any other specified purpose.

Section 12. The City Manager is authorized¹ to make any necessary changes to adjust, amend and appropriate the City Operating Budget, Five Year Financial Plan, Strategic Plan, and the Multi-Year Capital Plan, with transfers in and/or out, as necessary and applicable, of legally available funds, and to designate projects, services, components, values, amounts, and uses, as necessary and applicable, for purposes set forth in this Resolution.

Section 13. All departments and the number of employees designated therein provided for in this budget either by position summary or by the organizational chart are deemed approved by the City Commission. Any permanent change regarding same shall require City Commission approval.

Section 14. The City Manager is authorized¹ to administer the executive pay plan and benefit package, to disburse the funds appropriated herein for said purpose in a manner he or she deems appropriate. The City Manager is also authorized¹ to administer and disburse the City Commission benefit package. With the exception of those positions in which the salary is established by City Commission action, the City Manager is further authorized¹ to establish the salaries of those employees in executive and staff positions in accordance with the executive and staff pay plan. These employees may receive any salary increases given in Section 16.

Section 15. The City Manager is authorized¹ to disburse any funds that may be designated by the City Commission as cost-of-living or other pay adjustments to Civil Service, executive and staff employees as may be approved by the City Manager.

Section 16. Nothing contained in this Resolution shall be construed as to prohibit or prevent the City Manager, the administrative head of the City, who is responsible for the efficient administration of all Departments, from exercising the power granted to and imposed upon him or her in the Charter of the City of Miami ("Charter") to fix, adjust, raise, or lower salaries, and to

¹ The herein authorization is further subject to compliance with all legal requirements that may be imposed, including but not limited to, those prescribed by applicable City Charter and City Code provisions.

create, abolish, fill, or hold vacant, temporary or permanent positions whenever it has been determined by the City Manager to be in the best interest of efficient and economical administration of the City and all its Departments. The authority¹ contained in this Section shall also be applicable whenever the City Manager shall cause a Department to reorganize itself to perform its services more efficiently; such reorganization may include reduction of budgeted positions, reclassification of positions, and alteration of the number of budgeted positions in any given classification.²

Section 17. The transfer of funds between the detailed accounts comprising any separate amount appropriated by the above sections hereof is approved and authorized¹ when such transfer shall have been made at the request of the City Manager and when such transfer shall have been made of any part of an unencumbered balance of an appropriation to or for a purpose or object for which the appropriation for the herein fiscal year has proved insufficient.

Section 18. The transfer of funds between the detailed accounts comprising any separate amount appropriated by the above sections hereof is approved and authorized¹ when such transfer of funds is made at the request of the City Manager and when such transfer is to be made between the detailed accounts appropriated to the same office, department, or division.

Section 19. To effect salary adjustments, the City Manager is further authorized¹ to make departmental and other transfers from any reserve accounts established in the General Fund, and is authorized to approve transfers for any unforeseen requirements of all appropriated funds as may be required so long as such transfer is consistent with the provisions contained in Chapter 18, Article IX of the City Code.

Section 20. To facilitate effective budgetary control and sound fiscal management, the City Manager is further authorized¹ to transfer funds from departmental budget reserve accounts to the Emergency Account of Non-Departmental Accounts to other Funds, and to departmental budget reserve accounts from the Emergency Account of Non-Departmental Accounts to other Funds.

Section 21. The Emergency Account is declared to be appropriate to meet emergency expenses and is subject to expenditure by the City Manager for any emergency purpose.

Section 22. Except as herein provided, transfers between items appropriated shall be authorized by resolution amendatory hereto, except that transfers from the Non-Departmental Accounts may be made by resolution.

Section 23. The City Manager is authorized¹ to invite or advertise for bids for the purchase of any material, equipment, physical improvement, or service provided by the aforementioned appropriations or which may be provided for in accordance with the authority of Chapter 18 of the City Code, for which formal bidding is required, such bids to be returnable to the City Commission or City Manager in accordance with Charter or City Code provisions.

Section 24. Further, expenditure of the herein appropriated funds is authorized in the procurement of goods and services by award or contract for the same by the City Commission following the use, if applicable, of competitive negotiations unless the award of such contract by the City Manager is expressly allowed under City Code provisions.

Section 25. Certain necessary actions by the City Manager and the designated City Departments in order to update the relevant financial controls, project close-outs, accounting

² The provisions of this section 17 are subject to the limitations and requirements set forth in City Commission Resolution No. 22-0230.

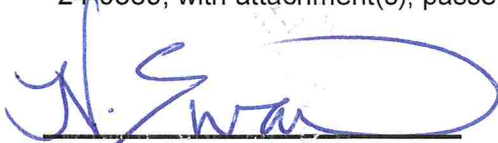

entries, and computer systems in connection therewith and for grants in progress, are hereby ratified, approved, and confirmed.

Section 26. The City Manager is authorized¹ to negotiate and execute any and all agreements necessary, all in forms acceptable to the City Attorney, in order to accomplish any of the appropriations and allocations stated herein

Section 27. This Resolution shall become effective immediately upon its adoption and signature of the Mayor.³

³ If the Mayor does not sign this Resolution, it shall become effective at the end of ten (10) calendar days from the date it was passed and adopted. If the Mayor vetoes this Resolution, it shall become effective immediately upon override of the veto by the City Commission.

CITY OF MIAOMI
INTER-OFFICE MEMORANDUM

TO: Honorable Mayor and Members of
the City Commission

DATE: September 25, 2024

FROM: Arthur Noriega V 
City Manager

SUBJECT: Information for the Second
Budget Hearing - FY 2024-25
Tentative Budget

On Saturday, September 7, 2024, the City of Miami Commission officially approved the Tentative Operating Budget for the forthcoming fiscal year. This memorandum has been prepared to present the City Commission with the proposed modifications within the Operating Budget. The total operating budget is increasing by \$4.672 million, making the total operating budget \$1,793,053,000, the items including in the operating budget that are being revised are in the General fund (\$402,000 reduction) and the Special Revenue Funds (increasing by \$5.074) – See Attachment A and B.

General Fund:

Summary of Changes in the General Fund (GF) Revenues (-\$402,000 – see Attachment A)

- A reversal of \$60 proposed increase in Non-ad Valorem Assessments, Solid Waste rate, resulting in a decrease of -\$3.704 million.
- An increase of \$447,000 in fund balance from previous year allocation to the eliminated Civilian Investigative Panel
- An increase of \$2.855 million in Interest revenues.

Summary of Changes in the General Fund Expenditures (-\$402,000 – see Attachment A)

- *Reductions (-\$4.273 million):*
 1. Reversing an increase on tipping fees due to Implementation of No Recycling Pick-up and 26 Bulky Trash Pick-ups a Year (-\$1.810 million) and eliminating nineteen (19) civilians, vacant positions (\$895,000) in the Solid Waste Department, resulting in a decrease of -\$2.705 million.
 2. A deallocation in the NDA, Aide to Government Agencies Line Item for Civilian Investigative Panel, resulting in a decrease of -\$1.390 million.
 3. A reduction of ten percent or \$178,000 of the operating expenditures line items to the newly created office of Economic Innovation and Development.
- *Allocations (+\$3.871 million):*
 1. \$1.4 million to cover the cost for the addition of eight sworn positions to the Fire and Rescue Department as required per new contract with the International Association of Fire Fighters, AFL-CIO Local 587 (IAFF), three Emergency Dispatchers civilian positions and four Heavy Equipment Mechanics civilian positions.
 2. \$1.002 million to the Office of the City Attorney to cover the addition of three positions and other adjustments to the personnel cost.

3. \$616,000 to align the budget with the current cost for Solid Waste, Street Sweeping.
4. \$610,000 to Citywide Festivals and Events for the Culinary River Festival (\$250,000), the 4th of July at Curtis Park (\$100,000), the Christmas Holiday Commemorations (\$60,000), and the Three Kings Parade (\$200,000).
5. \$243,000 in the NDA, to maintain the balance on the City contribution to Health Care Cost, Retirement Contribution, and Worker Compensation.

Additionally, as approved in the Referendum Special Election of August 20, 2024, removing the \$2.106 million budget allocation to the eliminated Office of Independent Auditor General and allocating \$2.106 million for the operation of the newly created Office of Independent Inspector General.

Special Revenue Fund:

Summary of Changes in the Special Revenue Fund (\$5.074 million– see Attachment B)

1. An increase of \$3.764 million in grant from the U.S. Department of Housing and Urban Development to the Community and Economic Development fund, for Section 8 Moderate Rehabilitation.
2. An increase of \$700,000 to the General Special Revenue, to cover an anticipated increase in services for the Program Revenue, Resilience and Public Work, Transportation - Traffic Studies.
3. An increase of \$610,000 to the Departmental Improvement Initiative fund, to Citywide Festivals and Events (Award 2430) - *see item 4 above* under *General Fund Expenditures, Allocations Detail*.

Additionally, see enclosed copy of the new distribution of the allocation to the Anti-poverty Initiative (API) funding (\$2.250 million), made following the latest CDBG percentages of poverty after redistricting 2024. The total API funding allocation remains unchanged (see Attachment D).

Positions:

Summary of Changes in the Full-time Positions Counts (– see Attachment C)

A net decrease of 17 full-time positions resulting from the addition of eight sworn positions and seven civilian positions to the Fire and Rescue Department, the addition of three positions to the Office of the City Attorney, the addition of two sworn positions to the Police Department, Marine Patrol Unit, the reduction of nine civilian positions in the eliminated Office of Independent Auditor General, the reduction of eight civilian positions in the eliminated Civilian Investigative Panel, and the reduction of 19 civilian, vacant positions in Solid Waste Department. This action will reduce the overall position account from 4,725 to 4,708. See the Revised Position Counts by Department in Attachment C.

The Honorable Mayor, Members of the City Commission
and the City Manager
3500 Pan American Drive
Miami, Florida 33133

RE: Fiscal Year 2024-25 Proposed Operating Budget Estimating Conference Recommendations

In accordance with the City of Miami Financial Integrity Ordinance, the City conducted an annual Budget Estimating Conference on May 14, 2024 to review the assumptions used in developing the Fiscal Year 2024-25 Proposed Operating Budget.

The results of the Conference concluded with a reduction of \$11.603 million of revenues from next year's proposed budget. Some revenues were estimated but are still pending outside information, including information from the Miami-Dade Property Appraiser and the State of Florida.

As required by the Ordinance, a Budget Revenue Estimating Committee was formed and consisted of at least one principal staff member from the City's Finance Department, one member of the Office of Management and Budget, and two outside professionals with public financial experience.

The members of this year's conference were as follows:

- Eugene Codner, Chief of Financial Services and Budget, Department of Regulatory and Economic Resources, Miami-Dade County
- Jose Fernandez, Controller, Office of Business and Financial Services, City of Orlando
- Erica Paschal, Director, Finance Department, City of Miami
- Marie M. Gouin, Director, Office of Management and Budget, City of Miami

Additional support members included:

- Jihan Soliman, Senior Assistant City Attorney, Office of the City Attorney, City of Miami
- Leon Michel, Assistant Director, Office of Management and Budget, City of Miami
- Luis Hernandez Torres, Budget Coordinator, Office of Management and Budget, City of Miami
- Donovan Dawson, Budget Coordinator, Office of Management and Budget, City of Miami
- Aniska Elliott, Senior Budget Analyst, Office of Management and Budget, City of Miami
- Rachel Quintana, Assistant to the Director, Office of Management and Budget, City of Miami
- Calvin Fifer, Budget Analyst, Office of Management and Budget, City of Miami

- Fred Pericles, Senior Budget Analyst, Office of Management and Budget, City of Miami
- Gabriel Brito, CIP Budget Coordinator, Office of Management and Budget, City of Miami
- Daniel Alcala, Budget Analyst, Office of Management and Budget, City of Miami
- Jacques Joseph, Budget Analyst, Office of Management and Budget, City of Miami
- Jennifer Torres, Strategic Planning and Performance Analyst, Office of Management and Budget, City of Miami

Attached is a summary of the comments and recommendations made by the Committee. It is expected that the comments and recommendations will help the City of Miami achieve and maintain its financial and strategic goals.

Sincerely,

Marie M. Gouin
Director - City of Miami Office of Management and Budget
Budget Estimating Committee

INTER-OFFICE MEMORANDUM

TO: Honorable Mayor and Members of the
City Commission

DATE: July 25, 2024

SUBJECT: **Equal Pay Protection**

FROM: Art Noriega V
City Manager

REFERENCES: Resolution R-17-0420
ENCLOSURES: EEO Report/Chart

On September 19, 2017, the City adopted resolution R-17-0420, Equal Pay Protection. This resolution strengthens equal pay efforts and ensures the City remains in compliance with federal, state, and local laws prohibiting discrimination in hiring, promotion, compensation, and unlawful discharge. In addition to measures already in place, the resolution further directs the City to document evidence of gender pay equality and provides that such documentation be included in the budget summary.

In accordance with the resolution, the attached report serves as a valuable tool for evaluating the City's internal programs and ensuring equal employment opportunities.

The City's Human Resources Department and the Office of Equal Employment Opportunity and Diversity Programs ("EODP") advocate for equal employment and pay equity throughout the recruitment and selection process to prevent unfair employment practices, which further ensures that the City remains an equal opportunity employer, in compliance with Resolution R-17-0420.

City of Miami Equal Pay Summary

Pursuant to Resolution R-17-0420, directed the City Manager to document evidence of gender pay equality and equality in opportunities for hiring, promotions, and acquiring management positions within the City of Miami in the yearly budget summary, the updated EODP Equal Pay Summary for the City of Miami is shown below. The following report was created with the data from the City of Miami employee list as of June 24th, 2024 and includes part-time, temporary positions, and does not include FTE vacant positions.

Employee Distribution

Gender	Total	Percent
Female	1721	34.08%
Male	3329	65.92%
Overall	5050	100.00%

Median Salary by EEO Function and Gender

EEO Function	Female	Male
Community Development	\$ 62,874.03	\$ 88,470.10
Financial Administration	\$ 76,423.78	\$ 88,470.06
Fire Protection	\$ 72,072.00	\$ 67,045.47
Housing	\$ 84,198.71	\$ 85,688.72
Natural Resources	\$ 31,200.00	\$ 36,400.00
Others	\$ 72,683.73	\$ 80,244.94
Police Protection	\$ 84,140.16	\$ 100,991.90

DEFINITION OF TERMS

Account Code: Part of a numbering system designating accounts in such a manner that the symbol used quickly reveals certain required information.

Accrual Basis: The basis of accounting under which transactions are recognized when they occur, regardless of when cash is received or spent.

Actuarial: A process or methodology that makes future assumptions to determine present contribution requirements to achieve future funding levels that addresses current risk and time.

Ad Valorem Taxes: A tax levied on the assessed value of real and tangible personal property (also known as “property taxes”).

Allocation: The amount provided by legislative action for planned purchases of goods or services.

Allotment: Part of an appropriation that may be expended or encumbered during the fiscal year.

American Rescue Plan: The American Rescue Plan Act of 2021, also called the COVID-19 Stimulus Package or American Rescue Plan, is a \$1.9 trillion economic stimulus bill passed by the 117th United States Congress and signed.

Annual Comprehensive Financial Report: The official annual financial report for the City of Miami. It includes five combined statements for each individual fund and account group prepared in conformity with Generally Accepted Accounting Principles (GAAP).

Anti-Deficiency Act: A 1998 amendment to the City of Miami Code containing regulations to ensure that departments and department directors do not obligate or spend funds in excess of what was approved in the adopted budget.

Appropriation: A legal authorization approved by the City Commission to make expenditures and incur obligations for specific purposes.

Assessed Valuation: It is the value of land, buildings, business inventory and equipment as determined annually by the County Property Appraiser in accordance with State Law and used as a basis for levying taxes.

Assigned Fund Balance: An amount a government *intends* to use for a specific purpose; intent can be expressed by the governing body or by an official or body to which the governing body delegates the authority.

Audit: An examination of evidence including records, facilities, inventories, systems, etc., to discover or verify information.

Balanced Budget: It is a budget in which estimated recurring revenues equal estimated recurring expenses.

DEFINITION OF TERMS

Bond: A written promise to pay a specific sum of money at a specified date or dates in the future, together with the periodic interest at a specified rate.

Budget: A financial plan of programs, services, and projects that estimates anticipated revenue and projected expenses within a specific period of time (usually 12 months).

Budget Amendment: A formal action approved by the City Commission to adjust the fiscal year budget. These amendments take two forms: Transfer of an appropriation from one departmental budget to another, or the appropriation of new sources of revenue.

Budget Message: The opening section of the budget which provides a general summary of the most important aspects of the budget, changes from the current and previous fiscal years, and the views and recommendations of the Mayor and City Manager.

Budget Monitoring: The evaluation of a governmental unit or fund in accordance with an approved budget for the purpose of keeping expenditures within the limits of available appropriations and available revenues.

Capital Equipment: Equipment with a value in excess of \$5,000 and an expected life of more than one year such as automobiles, typewriters, and office furniture.

Capital Expenditure: The funds used to acquire or upgrade a company's fixed assets, such as expenditures towards property, plant, or equipment.

Capital Improvement Budget: A plan of capital outlays and the means of financing, including those approved capital projects contained in the six-year Capital Improvement Program.

Capital Improvement Plan (CIP): Appropriations of capital projects such as street improvements, building construction, and facility maintenance which are supported by a six-year expenditure plan. This plan details funding sources and expenditure amounts, which these projects will require beyond the one-year period of the annual budget.

Capital Outlay: An expenditure category for acquiring equipment, vehicles, technology systems, or machinery, which becomes an addition to the City's fixed assets.

Civilian Position: Civilian are those positions which in the performance of their duties do not carry a firearm or have a badge and has not taken an oath of office as a solemn promise to defend the Constitution of the United States.

Civil Service: Shall comprise all positions of trust, skill or employment, including all employees whether permanent or temporary, on the service of the City, except as otherwise provided by the Charter of the City of Miami.

DEFINITION OF TERMS

Classified Service: Comprises all positions not exempted by the Charter in accordance with these rules. The Charter shall be interpreted broadly to include employees in Federal grant programs whenever the Director of the Human Resources Department determines that it is feasible to select such employees in accordance with the selection requirements of these rules.

Collective Bargaining Agreement: A written agreement between an employer and a labor union setting forth the terms and conditions of employment or containing provisions in regards to rates of pay, hours of work, or other working conditions of employees.

Committed Fund Balance: Amounts constrained to specific purposes by a government itself, using its highest level of decision-making authority; to be reported as committed, amounts cannot be used for any other purpose unless the government takes the same highest-level action to remove or change the constraint.

Community Development Block Grant: A U.S. Department of Housing and Urban Development grant to support economic development projects and social services for designated low-income areas.

Coronavirus Aid, Relief, and Economic Security: The Coronavirus Aid, Relief, and Economic Security Act, also known as the CARES Act, is a \$2.2 trillion economic stimulus bill passed by the 116th U.S. Congress and signed into law by President Donald Trump on March 27, 2020, in response to the economic fallout of the COVID-19 pandemic in the United States.

County Land Use Code (CLUC) 90 Properties: Properties acquired in connection with delinquent taxes.

COVID-19: COVID-19 is a disease caused by a new strain of coronavirus. 'CO' stands for corona, 'VI' for virus, and 'D' for disease. Formerly, this disease was referred to as '2019 novel coronavirus' or '2019-nCoV.

Current Taxes: Taxes that are levied and due within one year.

DR-420: A form entitled "Certification of Taxable Value" that the City submits annually to the State of Florida and contains specific details about the City's proposed millage rate and certifying compliance with provisions of the Florida statutes.

Debt Service Requirement: The amount of money required to pay the principal and interest of all bonds and other debt instruments according to a pre-determined payment schedule.

Deficit: The amount by which expenditure exceeds revenues during a single accounting period.

Delinquent Taxes: Taxes which remain unpaid on and after the date on which a penalty for non-payment is attached.

Department: An administrative unit of the City with overall management responsibility to provide a service or an operation for a group of related operations.

DEFINITION OF TERMS

Depreciation: The decline in the value of assets because of wear and tear, age, and obsolescence.

Disbursement: Payment for goods and services.

Division: The second level in the City's organization in which a specific function is carried out. Several divisions may comprise a single department.

Encumbrances: An amount of committed funds to purchase a designated item or service or to cover specific contracts which are in the process of being completed.

Enterprise Fund: Fund used to finance and account for the acquisition, operation and maintenance of facilities and services that are intended to be entirely of predominantly self-supporting through collections of charges from external customers.

Enterprise Funds: Funds which are primarily self-supporting and provide goods and services to public users in exchange for a fee. Like private sector enterprises, the fee structure is set to recover the operating costs of the fund, including capital costs (i.e., depreciation, replacement, and debt servicing).

Estimated Revenues: It is the amount of income to be collected during the fiscal year.

Executive: Executives oversee their organization. They create and review goals for the company. They work closely with a team of upper-level staff or assistants.

Exemption: A portion of the total property valuation not subject to property taxes.

Expenditure: A transaction involving the exchange of money for payment of present or future obligations.

Expenses: An event which an asset is used up or a liability is incurred.

Financial Integrity Principles: Financial responsibility, financial capacity, and history of personal integrity to operate as a contractor and to engage in the contracting business.

Fiscal Year: The time period designated as the beginning and ending period for recording financial transactions. The City of Miami's fiscal year is from October 1st to September 30th.

Fixed Assets: Long-term tangible assets such as land, buildings, machinery, furniture, and equipment.

Frozen Position: A frozen position remains a position in the personnel count, but is not funded.

Full-Time Equivalent (FTE): A numerical expression which indicates the amount of time a position has been budgeted for. A position budgeted at 40 hours per week for 12 months equals 1.0 FTE.

DEFINITION OF TERMS

Fund: An accounting entity containing a set of self-balancing accounts to record all financial transactions for specific activities or government functions. Seven commonly used funds in public accounting are: general fund, special revenue funds, debt service funds, capital projects funds, enterprise funds, trust, and agency funds, and internal service funds.

Fund Balance: The amount of equity held by the City to support future operations or emergencies. It is the difference between fund assets and fund liabilities.

General Fund: The general operating fund used to account for most of the City's financial activities.

General Obligation Bonds: Voter approved bonds used to finance a variety of capital improvement projects such as streets, buildings, and improvements. These bonds are backed by the full faith and credit of the issuing government. The repayment of these bonds is usually made from ad valorem taxes based on an approved debt millage rate.

Government Accounting Standards Board (GASB): The Governmental Accounting Standards Board is the source of generally accepted accounting principles used by state and local governments in the United States.

Government Financial Officers Association (GFOA): is a professional association of approximately 19,000 state, provincial, and local government finance officers in the United States and Canada.

Governmental Funds: Funds used to account for most City functions and primarily financed through taxes, grants, and other revenue sources.

Grant: An agreement made by a governmental unit, foundation, or corporation to provide financial contributions for specified purposes.

Hyperion: A comprehensive financial management, web-based budget application that delivers global financial consolidation, reporting and analysis in a single, highly scalable software solution.

Impact Fee: A fee that is imposed by a local government within the United States on a new or proposed development project to pay for all or a portion of the costs of providing public services to the new development.

Indirect Cost: Elements of costs necessary to produce a product or service which is not directly traceable to the product or service provided. It is typically associated with payments made by grant-funded activities to cover the City's central service costs. In the City of Miami, a cost allocation plan is developed to recoup central service costs from grants and other sources.

Interfund Transfers: Contributions made from one fund to another fund within an organization.

DEFINITION OF TERMS

Interlocal Agreement: A contractual agreement between two or more governmental entities.

Levy: To impose taxes, special assessments, or service charges for City activities.

Line-item Budget: A budget that lists each expenditure category (salary, materials, telephone service, travel, etc.) separately, along with the dollar amount budgeted for each category.

Local Government Half-Cent Sales Tax: The value of ½ cent on the State's sales tax, which is returned to the City on the basis of population size and use for transportation related projects.

Local Option Gas Tax (LOGT): A tax levy of up to six cents on each gallon of motor and special fuels sold, which can be imposed by Miami-Dade County in accordance with State law, and which is shared with the cities within the county.

Long-Term Debt: Debt with a maturity of more than one year after the date of issuance.

Long Term Vacant Position: A vacant position that has been vacant for one year or more.

Maintenance of Current Level of Service: The resources required to provide the same level of service as provided during the prior year. The estimate takes into account increases in the cost of providing services.

Major Fund: Funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least ten percent of corresponding totals for all governmental or enterprise funds and at least five percent of the aggregate amount for all governmental and enterprise funds.

Millage Rate: The Property Tax rate of the City. One mill equals \$1.00 of tax for each \$1,000 of assessed value. The millage rate is the total number of mills of tax assessed against this value.

Non-Civilian Position: Non-Civilian are those positions which in the performance of their duties carry a firearm or have a badge and has taken an oath of office as a solemn promise to defend the Constitution of the United States.

Non-Major Fund: Funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are less than ten percent of corresponding totals for all governmental or enterprise funds or less than five percent of the aggregate amount for all governmental and enterprise funds.

Non-operating expenses: Expenses incurred by a business which are outside of its main or central operations.

Non-spendable fund balance: Amounts that are not in a spendable form (such as inventory) or required to be maintained intact (such as an endowment fund).

Object Code: An account code which identifies a type of asset, liability, revenue, or expense category.

DEFINITION OF TERMS

Objective: Specific measurable action that will be taken to achieve a goal.

Operating Budget: It is a financial plan for providing programs and services for a specified period.

Operating Expenses: Expenses related directly to a department's primary activities.

Performance Indicator: A measure used to identify departmental achievements in numerical or statistical terms.

Personnel Costs: An expenditure category that includes employee costs such as salary, wages, shift differential, holiday pay, etc.

Post-Traumatic Stress Disorder (PTSD): A mental health condition that's triggered by a terrifying event either experiencing it or witnessing it. Symptoms may include flashbacks, nightmares, and severe anxiety, as well as uncontrollable thoughts about the event.

Projections: Forecast of anticipated revenues, expenditures, or other budget amounts for a specific time period, usually one-year.

Property Tax Levy: The value derived by multiplying the millage rate by the net taxable assessed value of property in the City.

Property Taxes: Taxes paid on the assessed or "just" value of land, buildings, business inventory, or equipment.

Proprietary Agency: Commonly called "self-supporting", these agencies pay for all or most of their cost of operations from user fees. These agencies receive little or no general tax support.

Proprietary Fund: A type of fund where government activities are primarily supported through fees and charges, like the private sector.

Rate of Return: The yield obtainable on an investment based on its purchase price or its current market price.

Reconciliation: A detailed explanation of changes in financial activities from one period to another or from one accounting basis to another.

Relational Data Stream Management System: A distributed, in-memory data stream management system (DSMS) that is designed to use standards-compliant SQL queries to process unstructured and structured data streams in real-time.

Relational Database Management System: A program that creates, updates, and administers a relational database.

DEFINITION OF TERMS

Restricted fund balance: Amounts constrained to specific purposes by their providers (such as grantors, bondholders, and higher levels of government), through constitutional provisions, or by enabling legislation

Revenue: An increase in assets of governmental funds that do not increase liability or recovery of expenditure. It includes such items as tax payments, fees for specific services, receipts from other governments, franchise fees, fines, forfeitures, grants, shared revenues, and interest income.

Rolled-back Millage Rate: The millage rate which will provide the same property tax revenues as was levied during the previous fiscal year, exclusive of levies on new construction, additions to structures, deletions, and property added due to geographic boundary changes.

Source of Revenue: Revenues are classified according to their source or point of origin.

Special Obligation Bond: A bond secured by a limited revenue source. In Florida, a Special Obligation Bond does not require voter approval and may not be secured by Ad Valorem Revenue.

Stormwater: Stormwater, also spelled storm water, is water that originates during precipitation events and snow/ice melt. Stormwater can soak into the soil (infiltrate), be held on the surface and evaporate, or runoff and end up in nearby streams, rivers, or other water bodies (surface water).

Strategic Objectives: The object or goal of action that is measurable and attainable within a specific time frame within the strategic plan.

Strategic Perspective: The overall vision and strategy utilizing the balanced scorecard methodology.

Structured Query Language: A special-purpose programming language designed for managing data held in a relational database management system (RDBMS), or for stream processing in a relational data stream management system (RDSMS).

Strategic Themes: The principal unifying element within a strategic plan.

Tax Reserve: The portion of the property tax levy estimated to be uncollected during the fiscal year and remains uncollected 60 days beyond the close of the fiscal year.

Taxable Assessed Value: The taxable value is the end result of market value minus the homestead cap, non-homestead cap, portability, and any exemptions.

Trim Bill: An acronym referring to House Bill 4D which was an act related to taxation amending Chapter 80-274 of the Florida State Statutes.

Unassigned Fund Balance: Amounts that are available for any purpose; these amounts are reported only in the general fund.

DEFINITION OF TERMS

Unclassified Service: Comprises those positions specified in Section 62 of the City Charter, which do not fall under the classified service.

Unencumbered Balance: The amount of an appropriation that is neither amended nor encumbered. It is essentially the amount of money still available for future purchases.

Unrestricted Fund Balance: The unrestricted fund balance is the amount of fund balance that a local government, itself, has placed constraints on its use (committed and assigned) and fund balance that does not have any specific purpose identified for the use of those net resources (unassigned).

ACKNOWLEDGEMENTS

The Office of Management and Budget staff would like to extend our gratitude to the Elected Officials, City Manager, Deputy City Manager, Assistant City Managers, Department Directors, and the entire City staff for their assistance and continued support through this year's budget effort.
